COMPLAINANT ON STATION TO REPORT HER CHILDS FATHER IS NOT RETURNING HIM TO CREATIVE PLAYROOM DAYCARE ON BROADWAY AS PREVIOUSLY ARRANGED AND SHE CAN'T GET HOLD OF HIM

On Monday, 7-11-16, at 1114 hrs, I, Ptl. Carmine #535, responded to the MHPD Lobby for a report of a custody dispute. Upon speaking with the complainant, Ebony Rodell, she advised me that she did not have her son, Demetrius Anderson Jr., who was with his father, Demetrius Anderson Sr., for visitation over the weekend. Ebony stated Demetrius Jr. was supposed to be dropped off at the daycare center due to the protection order between Demetrius Sr. and herself. Ebony stated she tried to contact Demetrius but he would only tell her that he was in the hospital and that Demetrius Jr. was "good." Ebony showed me the court appointed visitation paperwork which detailed that Demetrius was to pickup and drop off Demetrius Jr. at the daycare and today was the next time for him to be turned over. I called Demetrius and left a voicemail message for Demetrius detailing the issue and that he needed to return Demetrius Jr. I advised Ebony that if Demetrius Jr. had not been returned by the end of the day to contact the police to follow up with the issue. COMPLETE. COMPLAINANT PROVIDED WITH OCA.

On Monday, 7-11-16, at 1615 hrs, I, Ptl. Carmine #535, was dispatched to 5454 Dunham Rd. for a report of a stolen wallet. Upon my arrival I spoke with the complainant, Christopher Gambrell, who stated he had went to the Metal Store earlier in the afternoon to make a purchase and while he was there he accidentally left his binder in the store. Inside of the binder was his wallet as well. The wallet contained three credit cards and approximately \$200.00 in cash. Christopher went back to the store and spoke with the employee there who stated another male, later identified as Pavel Melnik, had left with the binder. Upon speaking with the employee, Jason Zoul, he stated he remembered the male who took the binder as a Russian male because of his name and accent. Jason stated he would know Pavel by his face. I spoke with dispatch and advised them of the male's name and they were able to obtain information on three different males named Pavel Melnik. I ran their information and pulled up their BMV images which I showed to Jason, however, Jason was not able to identify any of those three males as the male who took the binder from the store. Jason stated there were no security cameras in the business. Christopher called the police station later to advise that none of his credit cards had been used and he successfully cancelled them. If I am able to ascertain the identity of Pavel Melnik positively through further investigation a report will be taken. AC535

MALE IN THE LOBBY REPORTING HE RECEIVED THREATS FROM SOMEONE HE PAID TO DO WORK FOR HIM. HE ALSO STATES HE PAID PARTIES FOR WORK THAT WAS NOT COMPLETED

On 07/13/2016, at approximately 1109 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of menacing. I spoke to Brent Lytton, who stated he owns a home at 15713 Walvern Blvd, and in April of 2015, he was advised by the Maple Heights Building Department that he had to put up a garage in his backyard. While at City Hall, Brent stated there was a contractor approved by the city named Ante Peric. Brent stated the building department recommended him, and he eventually set up a contract with Ante to build his garage. Brent stated he put down a \$7,200 deposit down and gave him a check. Brent received a phone call from Shaker Foods in Shaker Heights verifying that he wrote the check, and the store cashed the \$7,200 check to Ante. After attempting to contact Ante about the building of the garage, he was unable to get ahold of him, and put a stop to the check. Brent was eventually sued by Shaker Foods and had to pay Shaker Foods \$6,000 because he put a stop to the check. Brent is a Police Officer with the Case Western Reserve University and Ante began to make threats that he was going to call his job, and get him fired. The text messages were sent in April of 2015, and he has received nothing since. Brent stated he only wanted the incident documented in case there are any problems with Ante contacting his job and causing problems with him at work. cw534

MICHAEL WALKER A 31 YEAR OLD MALE MISSING SINCE TUES MORNING.MALE HAS LIGHT SKIN SHORT HAIR. WGT 135 LBS 5'5 THINNER BUILD. THIS IS AN APARTMENT BUILDING 5429 WARRENSVILLE CENTER RD.

Michelle Brown states she last saw her son, Michael Walker, on 06/12/16 at approximately 1500hrs, when she dropped him off at the music studio located in the apartments above Metro Wireless, which is on the northeast corner of Warrensville Ctr Rd and Mountville Rd. Michelle stated she has contacted all of her family members and the few friends that she knows of and no one has heard from Michael since that date. Michael's sister saw that he posted on his Facebook page (account name "Yung Slim") on 06/12/16 at 2100hrs. That was the last post on his Facebook page and no one has been able to get in touch with him since. Michelle is worried because he usually does not go more than a day without contacting her. Michelle was also supposed to give him money yesterday and he never contacted her to get the money from her. Michelle stated that Michael is currently homeless, but stays with different friends. Michael has two active arrest warrants. I contacted Brookpark PD, Shaker Hts PD and Bedford PD. He was not in any of their facilities. I also attempted to contact Kent PD, with no response.

Michael is a 31 year old black male, 5-10, 140lbs, brown hair and brown eyes. He has a scruffy, low cut beard and a short haircut. Michael was last seen wearing a red shirt with blue stripes and light blue stone washed jeans with light gray Jordan tennis shoes. He was not wearing any jewelry and did not have a change of clothes with him. Michelle did not believe that he had any money with him either. Michael does not have any special mental or physical needs. He has "Yung Slim" tattooed on the left side of his neck and one of the fingers on his right hand does not bend from when he broke it as a youth.

Michelle is concerned that something might have happened to Michael because she was at Papa Johns and heard a male who she thought might have been friends with Michael start yelling at another group of people saying "He dead, he dead. Leave that shit alone." An employee then got Michelle's pizza and escorted her to her car. Michelle did not know exactly who the male was, but believed he looked like a person that her son used to hang out with.

Dayshift will check the studio inside the apartments. If Michael does not return by 2100hrs on 06/14/16, he will be entered as missing. GRA519.

On 07-14-16, Ms. Brown called and stated that she believes that Michael may be arrested at Geauga County. I contacted the jail and confirmed that he was arrested last night and is still in their custody. BK508

FEMALE AND HER SISTER WERE AT DARE PARK WHEN A MALE BY THE NAME OF 'GUCCI' TOOK HER RED PURSE. BLACK MALE WITH BLUE JEAN CAPRIS AND A RED/WHITE/BLUE SHIRT

The complainant and her friend were at Dare Park with a few boys. The complainant was on the merry-go-round while it was spinning. The complainant tossed her purse off the merry-go-round. Another female picked it up for her but a male she only knew as "Gucci" grabbed the purse and ran. The other males at the park also left the park. The female knew one of the other males as "Raymond" and the other male as "Alex Tolliver." The female stated that "Gucci" had previously mentioned that he lived somewhere on Hollywood Avenue in Maple Heights. She also stated that "Alex Tolliver" lived somewhere in Garfield Heights. The complainant had \$128.67 in cash in her purse, along with her Ohio ID card, birth certificate and social security card. I advised the complainant's foster mother to call the complainant's social worker to let her know about the birth certificate and the social security card. I advised the complainant that if she finds out "Gucci's" real name to call MHPD. I was not able to find a phone number or Garfield Heights address for "Alex Tolliver." FOI MB512
