COMPLAINANT IS IN THE LOBBY TO REPORT HIS 16 YEAR OLD SON MISSING, HE WAS LAST SEEN YESTERDAY AFTERNOON AT THE RESIDENCE. WHEN HE DID LEAVE THE HOME, HE DID NOT SAY WHERE HE WAS GOING.

On Monday, 6-13-16, at 1556 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a missing juvenile. Upon my arrival I spoke with Corvell Douglas. Corvell stated his son De"von Douglas had been staying out without his permission for about a week and not telling him where he was going. Corvell stated he last spoke to and was with De'von on Sunday, 6-12-16, at approximately 1430 hrs, when he arrived home from work. Corvell stated De'von had used the lawnmower without his permission and he was going to punish him for it, but when he came back into the room De'von and his cousin, Jonas Rosary, were no longer there. Corvell stated he called his sister, De'Von's aunt, to ask if she had contact with De'Von. She stated she had seen De'Von and Jonas at approximately 1600 hrs. Corvell stated the last time he saw De'Von is a 16 year old black male, who is approximately 5'9" tall and weighs 128 lbs, and sometimes goes by "Von". De'Von has black hair with a touch of red on top styled like a mohawk that was medium length and has dark brown eyes. De'Von also has a mustache and is taking albuterol for asthma as needed. De'Von has no piercings, tattoos or scars. De'Von was last seen wearing a white shirt, pants, white socks, grey and red Nike shoes, with no jacket or hat and gloves. De'Von left with his backpack and a change of clothing. De'Von has no access to a vehicle and Corvell signed the agreement for the dental record release and the facebook submission. AC535

PTL ZUPANCIC ADVISED HE AND CPL POZEK WOULD BE OUT WITH AN OCCUPIED VEHICLE AT THE ABOVE LOCATION.

I, Ptl. Zupancic 532, and Ptl. Pozek 522, were conducting a walk through of Politics Lounge. I observed a male sitting in a vehicle with the driver door open smoking something and I could smell an odor of marijuana. The male observed me and turned around so he was no longer facing me and put what he was smoking down. I identified the male as Rodrick Wiggins and as I got closer I saw Rodrick was holding a blunt in his hand. I had Rodrick put the blunt out and next to his ash tray was a clear plastic solo cup with a straw in it. Inside of the clear plastic cup was a clear liquor. Rodrick was issued a citation for Open Container (MA 21470) and Possession Of Marijauna (MA 21471). The blunt and open container were photographed and those photos were downloaded into this report. The blunt was entered into evidence and the clear solo cup was disposed of. This incident was captured on body camera footage and downloaded to a secure server. This body cam footage can be burned to a DVD at a later time if it is needed for evidence.

FEMALE IS IN THE LOBBY TO ADD INFORMATION TO MISSING JUVENILE REPORT. CAD#160046033

The complainant came into the lobby to sign the Facebook Submission form and to complete the authorization to release dental information. The complainant advised that she found three numbers that Jakaila had called before she left the residence. She advised that she called (216-450-0868) and spoke to a male that stated his name was Stayvon. Stayvon told the complainant that he had spoken to Jakaila on the phone but did not see her. He advised that she told him that she was with a friend in Garfield Heights. The complainant then called (216-688-9626) but got no answer. She then called (216-502-9136). She stated a teen male answered the phone and was very disrespectful with her. She advised that the male did not give his name but said that he knew who Jakaila was because his sister was friends with her. He then told the complainant not to call his phone anymore and hung up. I attempted to call the number to speak to the male but the phone was not on. PH520
