LITTLE RED SCHOOLHOUSE

THE BOARD OF DIRECTORS MESSAGE

Summer has finally arrived and the Museum enjoyed its best ever opening night! Many guests came to watch the burial of the time capsule and marker setting. A raffle, neighbors sharing stories, and music filled in the rest of the evening's events. Much of the Museum's "Maple Musicians Vinyl Collection" was recently digitized by volunteer Aurora Coffaro. Guests and volunteers alike were able to enjoy the sounds of some long forgotten local talent. For those of you that were unable to attend we hope to see you this summer at one of our other scheduled events.

 On July 13, 2016 we are hosting a Maple Alumni Night from 7 pm – 9 pm. We are hoping to make this an annual event and encourage all Mustangs to come out and enjoy an evening reconnecting with one another. There will be special pricing on Historical Society Memberships and Merchandise, Raffles, and a 50/50 Board!

 On August 28, 2016 we are hosting the 4th Annual Car Show from 12 pm – 4 pm. This event continues to be one of our most attended events every summer. Come and enjoy an afternoon viewing of some great classic automobiles (don't forget to cast your ballot), DJ entertainment, Hot Dogs, Snacks, Raffles, 50/50 and more!

In addition to our special events, the Museum is now open every Monday and Wednesday evening from 7 pm – 9 pm and by appointment anytime. Thanks to all our members that continue to support our mission of preserving Maple Heights History. We hope to see you all this summer.

2016 Time Capsule Burial

2016-2017 MEMBERSHIP DRIVE

Thank you to everyone who renewed your membership! Your new membership cards are attached to this newsletter. It is because of the generous support of loyal members that we are able to continue to keep the museum open, free of charge, and continue to preserve our own unique history.

If you have not yet renewed your membership, please consider doing so today. For your convenience, a renewal form has been attached to this newsletter.

-Mary Moore, Membership Chair

SPRING

BY FRANK BALOGA

Spring, according to the calendar, is here—not that you would have noticed. We've had dull, dreary days, not a lot of sunshine, and temperatures below normal. And we have had enough rain to qualify it as the monsoon season.

But—there is a bright side. The leaves are back on the trees, flowers and shrubs are blooming, and the grass is growing. And growing. And growing. How many times have you had to mow your lawn? And the birds are so happy to be alive and finished with the cold that they serenade us with their songs.

Spring is also the time for proms and graduations—a time of new beginnings.

Spring is also the time of the return of the politicians. It seems we are never free of them. We can rid ourselves of various kinds of pests, except politicians. They are the most indestructible. This year we have the presidential and congressional races. Next year it might be governors and state positions or mayors. And the year after that, congressional mid-terms, and so on. It never ends.

If that wasn't bad enough, all of a sudden, everybody is a political expert running their mouths about the candidates and how this country should be run, even if they don't have the vaguest idea of what is really going on. It amazes me as to how many people are unaware of what is happening.

Oh well! Summer, warmer temps, and sunshine will be here eventually.

Have a great summer!

THANK YOU S

Thank you to E.C. Corbitt, who donated a gift in memory of Evelyn M. Nagy.

Thank you to Beatrice Kovalik, who donated yearbooks.
