Now that the business is coming together, the other male decided he wants to be a part. When the comp. refused, the male demanded money for expenses he accrued moving to Ohio. The comp. stated he was not going to pay him anything and the male stated he was going to call the police and make up lies to get him in trouble. The comp. was advised that the business contract issue was a civil issue. Comp. wanted the threat of false allegations documented in case the male tries to call the police. CWF528

Oakwood Village Police Department is out with a juvenile from their city who was shot in the hand. He stated he was shot in Maple Heights. ***** Disposition: SEE REPORT On Wednesday, June 08, 2016 at approximately 0134 hrs., I, Ptl. M. Russo responded to Bedford Hospital Emergency Room # 9 to speak with a male, Jaeden Williams (15 YOA 6/3/2001), who advised he had been robbed at gunpoint and shot in the hand near McDonald's on Broadway Ave. at the intersection of Libby Rd. Williams along with a juvenile male, Tai-Reese Crockett (16 YOA 7/9/1999), along with another male, known only as Amari, met and unidentified male in the parking lot of Maple Beverage and Deli (15189 Broadway Ave.). The male they met was there to sell them weed. An argument over the terms of the deal erupted at which point the unidentified male drug dealer drew a 9mm semi-automatic handgun and fired two rounds. One round struck the passenger side quarter panel and the other struck the rear passenger side corner window of the Kia Optima. Williams was struck with the copper jacketing from the bullet as it separated coming through the rear corner window which embedded itself in his left palm causing minor injury. Neither party involved knew the identity of the drug dealer or even a description of the male. The copper jacket was recovered from his hand by the hospital. One 9mm shell casing was the only evidence located in the lot of Maple Beverage and Deli. Vehicle was towed to the MHPD for processing. Report Taken. (MPR530)

LOOSE GRAY PITTBULL AT THE RESIDENCE

Upon my arrival i spoke to Steve Bonnette who advised that he lives behind 5593 South. He advised that he has been having problems with a dog at the residence coming under his fence and biting at his feet while cutting the grass. He stated that he called his council person, Sandy Spinks, who came to help with the problem. They were on South to check on the fence and get the address of where the dogs were at. While speaking to a neighbor about the dogs at 5585 South, a large grey dog got loose and jumped a fence at 5589 South coming after Sandy. The dog nipped at Sandy and bit the back of her shoe. The dog did not make contact with her skin. The dog was kicked by Sandy and the dog retreated. Juveniles from 5593 South came out and got the dog and put it back inside the residence. I spoke to the owner of the dog, Michael Miller, on the phone. He was advised that he dog was able to get out the back yard and he was advised of the dog going under the fence and nipping at the male while he's cutting his grass. Micheal advised he will be doing repairs to the fence to keep the dog inside the back yard and will ensure that the dogs are on shorter leashes while in the back yard. A message was left with the animal warden to check that the backyard is made secure for the dogs. PH520

On 6/8/2016 Ptl. M. Russo #530 and I, Ptl. S. Smith #539, initiated a traffic stop for no license plate illumination at 14167 Pease Rd near E. 141 St. Upon approaching the vehicle (GLZ 5075 Red Ford Contour) Ptl. M. Russo and I both were overcome with a strong odor commonly associated with that of burnt and raw marijuana coming from the interior passenger compartment of the vehicle. When I asked Justin Lacy if he had smoked any marijuana or had weed in the car, Justin stated he had roaches in the center console and grinders and a scale in the glove compartment.

Upon searching the vehicle Ptl. Russo located two Marijuana grinders and a small glass jar with raw marijuana residue in the front passenger side glove compartment. I located one Marijuana grinder and one small black digital scale in the center console between the two front seats. I also located five marijuana roaches in the center console near the emergency brake handle. The five partially smoked marijuana roaches contained approximately 1.3 grams of raw marijuana.

Justin Lacy was cited for No License Plate Illumination, Possession of Marijuana and Possession of Drug Paraphanelia. All of the above mentioned items were placed into evidence. (SAS539)

On 06/10/2016, at approximately 2232 hours, I Ptl. Wilson #534, along with other Maple Heights Police Officers, responded to 5422 Beechwood Ave. for a report of a dispute between boyfriend and girlfriend. Upon arrival, I made contact with Alisha Edwards and Naeman Greene. Naeman had a cut on his left hand from a knife and a squad was called to evaluate him. Alisha stated that they were in an argument over their relationship, and arguing over content discovered in

Naeman's cell phone. Alisha stated that she was holding a kitchen knife to defend herself, and Naeman tried to take her cell phone while she was holding the knife. Alisha stated she did not try to cut him, but he cut himself while trying to take the phone. I spoke to Naeman, and he stated that was accurate. Neither party wished to pursue any charges, and they only wanted to separate. Both parties did not live together and did not have any children together. cw534

MALE REPORTING A BLACK NISSAN THAT IS PARKED INFRONT OF THE STORE SINCE MONDAY.					
I spoke with the registered owner who stated she has been hospitalized since Monday 06/06/2016. I advised her where the car was parked and the damage to the ignition. Tiffany stated she would not put it past her family to have damaged and moved the vehicle. Due to Tiffany being in the hospital and the vehicle being parked in a parking spot, I advised her she could have it towed or moved herself. Tiffany stated she would have it moved. At this time, it is believed to have been moved from her mother's address of 15109 Rowena to the parking lot across the street by an angry family member. Once Tiffany is released from the hospital and she speaks with her family, she will come to the station to speak with me. This will be documented at this time. CWF528 (dm)

YESTERDAY SOMETIME BETWEEN 12A-3A UNKNOWN PERSONS BROKE INTO THE GARAGE AND TOOK A MINI DIRT BIKE AND A 26 INCH SCHWINN BIKE

A mini bike and a Schwinn banana seat bike were removed from the garage between 0000 and 0300 hours on 06-11-16. It is unknown who took the two bikes. The serial number for the mini bike was #YG139FMB. That number was located on the motor. The homeowner had a piece of the bike in the garage so I was able to verify ownership. They also had a new motor to put on. They were provided the report number for insurance purposes. CWF528

CALLER REPORTS HIS NEIGHBOR HAS CONTINUALLY COMMITTED CRIMINAL MISCHIEF BY MOVING HIS LANDSCAPING ROCK INTO THE MIDDLE

OF HIS DRIVEWAY. HE NOW HAS VIDEO EVIDENCE TO SUPPORT THIS.

Ronald Allen stated he has a rock that was placed in the northeast corner of his yard and it has been moved multiple times. Ronald purchased video cameras and placed them around his house and today around 1645 hours, he observed a black male in a black truck backing out of the neighbors driveway striking his rock. I went next door and spoke with the homeowner who stated the male in the black truck was Chris Wilson. I made contact with Chris' wife who stated she would advise Chris of the complainant. Ronald was satisfied and states he will call officers back if the problem continues and have a report sent to the prosecutor for a ruling of charges for criminal mischief.

CALLER REPORTING HER 15 YO SON ANTHONY SOLOMON JR DOB (2/22/2001)LIVES WITH HIS FATHER AT THE ABOVE LOCATION. SHE GOT A CALL FROM HER CHILD'S FATHER WHO STATED HE WAS PUTTING THEIR CHILD OUT FOR COMING HOME AT 2:30AM. SHE WANTS TO MAKE SURE HER SON IS OK.

THE FATHER ARRIVED ON SCENE AND STATED THAT HE DROPPED ANTHONY OFF AT NIKIA'S HOUSE IN CLEVELAND. BEFORE GOING INTO THE HOUSE, ANTHONY WALKED AWAY. NIKIA WAS ADVISED TO CALL CLEVELAND TO MAKE A MISSING PERSON'S REPORT, WHICH SHE STATES SHE WILL NOT DO.

CM

As officers arrived at the home, the father was arriving. He stated that he had taken the child to his mother's house in Cleveland. Father stated the child has not been following the house rules or listening to him. Due to this behavior he took the child back to his mother's residence. When they arrived at the mother's residence in Cleveland, the son exited the father's vehicle and walked away. The father dropped his clothes off to the mother and left.

The child's mother called back and spoke to Cpl. Basiewicz. She wanted to report her son missing. She was informed that her son ran away from his father at her home in Cleveland and therefore she needed to contact Cleveland P.D. to make the report. She stated she did not know what her son had been wearing

and his father should have made the report. She also stated she had contacted Children and Family Services who told her she needed to document the incident with both Cleveland and Maple Heights. She was advised by Cpl. Basiewicz that even though this was Cleveland's report, we'd oblige her in taking the missing person's report if she responded to the Maple Hts. Police Department to file the report. She was unwilling to respond to the MHPD and stated she wanted it documented. She further stated that if she needed to come to MHPD to make the report, she would come down later the next day. She then stated Cleveland PD was calling her and disconnected the call with Cpl. Basiewicz. Cleveland P.D. dispatch called Cpl. Basiewicz to ask the circumstances of the call. After explaining the circumstances of the call to CPD and telling them that the child walked away from the mother's residence before contact was made, Cleveland dispatch asked if MHPD officers saw the child exit the vehicle (MHPD officers were not there to see him exit the vehicle). It appeared as though CPD was unwilling to take the report and therefore decided to assume the child was never in Cleveland since MHPD officers never saw him get out of the vehicle there. Cleveland dispatch also advised Cpl Basiewicz that the mother told them that she had a live-feed surveillance system. She told CPD that she observed dad drop off the property but did not see the child exit the car. She never made any mention of this surveillance system to Maple dispatch or Cpl. Basiewicz.

At this time, the child's last known whereabouts was at the mother's home in Cleveland. Neither her or the father are willing to make a missing person's report with Maple Hts PD at this time and Cleveland P.D. is refusing to take the missing person's report from the mother. JJ178

I viewed 1 small hole in the bottom right corner of the window that was the size of a B.B. for a B.B. gun. Anthony did not know how the window became damaged or who caused the damage. I conducted a CANVAS of the area and was unable to obtain any information from the neighbors about how the window became damaged. Anthony was provided with the report number. The caller stated she did not know who this female was and did not know why she had a problem with her. The caller stated she had asked around and discovered the female's name was Tamisha (caller was unsure of what the last name was, and thought it was something like Welch). The caller had no other information about this female. Checking the residence, I observed the rear door appeared to be kicked in and the TV was broken as if struck by something.
