On 02/28/2017, Reginald contacted the MHPD to inform officers that the locks were changed on the doors to his residence. On 03/01/2017, Reginald advised me that he arrived to his residence at 5537 Elmwood Ave and made contact with a representative from Mountain Side Reality. He stated the representative illegally changed the locks on the door, and when he arrived today, the front door was unlocked and he noticed his furniture was missing. Reginald stated he is not sure when the items were removed from his residence. He has not been inside of his residence since 02/17/2017. I spoke with a representative from Carlisle, McNellie and Rini attorney's office and I spoke with Miranda. She advised me that a family member of Reginald contacted Mountain Side Reality to do keys for cash exchange. The Reality company advised the family member of Reginald that the furniture needed to be removed from the residence before they gave a payment for the keys. SUBJECT: FELISHA MCKISSICK 06/26/1992 EWW WITH GARFIELD HTS, CONFIRMED, TOT 3416					
SUBJECT: ODEZZ LEWIS 04/11/1998- CITED					
On 03/06/2017 at approximately 1208 hours I, Ptl. Frazier responded to 5321 Warrensville Center Road for a report of two shoplifters in custody. Upon arrival I spoke with Odezz Lewis and Felicia McKissick. They stated they were in the self-checkout line and they were having trouble ringing wings from the hot bar. They asked for assistance and the cashier approached them and helped them. They assumed the cashier scanned the wings. I spoke with the loss prevention officers and he stated he observed Odezz and Felicia ring out several items at the self-checkout. Odezz put the box of wings from the hot bar into the shopping cart and he began to put the other bags with groceries on top of the wings, in attempt to conceal the box. Odezz and Felicia walked past all points of sale without purchasing the wings. The box of wings totaled \$9.91. Felicia gave me a false name and D.O.B. of Keisha Jones, 12/22/1997. After speaking with Felicia further she gave me the correct social which was confirmed by BMV image. Odezz and Felicia were both summoned to appear in Garfield court. Felicia had warrants with Garfield Hts. and she was transported to their jail.

Upon officer arrival, Boyice approached the male who was standing near the customer service line. She asked the male, identified as Jamaal Keaton, if he had put anything in his pants pocket. The male pulled out a wallet with the wrapping still on it that he had pulled from the shelf right where we were standing. The value of the wallet was \$5.00. Mary Johnson called to report that her foster kid has not returned home yet from the Maple Heights Library. Mary advised that Eve Bledsoe moved into her residence on 02-27-17. She is not enrolled in school and Mary does not know if Eve has friends in the area. On 03-06-17 at about 1600 hours, Eve and another foster kid who is 19 year old, Kathy McCallister, walked to the library. Kathy just moved into the residence on 03-01-17. At the time of the report Eve and Kathy had not returned home. Mary called and text Eve's cell phone but Eve may have to be around Wi-Fi to get the calls and text messages. Mary said she drove around to look for Eve but does not want to do that anymore.

CALLER IN A GREY FORD FREE STAR STATES BOYFRIEND IS SHAKING AND HIS HEAD HURTS

On March 8, 2017 at approximately 1241 hours, I, Ptl K. Moore 538, was dispatched to 15100 Tabor Avenue for a call regarding a male who believed he had been given poisoned cigarettes.

Upon arrival, I spoke with Ashley Cronin, who stated that her boyfriend, Joseph Fossa, had purchased a single pack cigarettes from the Prime Station located at 14196 Granger Road, Maple Heights, OH 44137. Joseph left the gas station and began heading home. While on the way home, Joseph smoked one of the cigarettes and soon began to feel sick. Ashley stopped at 5700 Dunham Road and called 911. Maple Heights Fire arrived at the scene and treated Joseph. While being treated, Joseph was told by the paramedics that it was possible that one of the cigarettes may have been poisoned. Joseph then called for Maple Heights Police to make a report. Joseph stated that he wanted the incident documented and will be going to the hospital afterwards.

While speaking with Ashley, she stated that several days ago she pumped gas from prime station, paying for it at the pump with her credit card. Ashley Stated that although she put in approximately \$10 worth of gas, she was charged approximately \$22. Ashley was able to produce a receipt defending her statement. Ashley will be going to Prime Station at a later point in order to ask for a refund.

THE FEMALES WERE TAKEN TO LIBBY AND MAYVILLE TO TRY AND FIND THE OTHER TEENS INVOLVED. THE MALE ON SCENE HAS PAIN IN HIS SIDE AND IS REQUESTING A SQUAD. NO SQUAD TRANSPORT (CAD 170017709)

On March 8, 2017 at approximately 1842 hours, I, Ptl K. Moore 538, was driving on Libby Road when I was flagged down at the Maple Heights Boulevard intersection by two juveniles, Ciera Lynn (Age 13) and Arial Gamble (Age 13). They stated that two of their friends, Javion Lane (Age 11) and Dajanay Royster (Age 13), had just been "jumped." I placed them in my vehicle and drove them to the intersection of Libby Road and Mayville Avenue, where they were located.

Upon arrival, I spoke with Javion, who stated that Ciera, Arial, Dajanay and himself were at Stafford Park when they were approached by two juveniles "Lonnie Jones" and "Anthony Jones." Lonnie and Anthony began yelling at Javion, who attempted to walk away. Lonnie and Anthony ran after Javion and began attacking. Javion stated that he was hit in the face and torso. Javion's right ear had had a cut that was bleeding slightly. When I put pressure against the left side of his Torso, Javion complained of pain. Maple Heights Fire Department was called and paramedics arrived on scene to look at Javion. Paramedics checked Javion and cleared after consent from his mother, Lawande McNeil. Lawande stated that she would be bringing the issue up with the High School and handle the situation through there.

I spoke with Ciera, who stated that during the altercation Lonnie "spitted on" the right side of her head and stated that he was going to "kill [her] the next time he saw [her]." Ciera stated that Anthony immediately interrupted Lonnie and stated that he would make sure nothing happened to her.

BAD CHECKS

PTLM. CARMINE IS AWARE OF CALL

On Thursday, 3-9-17, at 1244 hrs, I, Ptl. Carmine #535, was dispatched to 16460 Broadway Ave. for a report of passing bad checks. Upon my arrival, I spoke with the complainant, John Hegrat, who stated he was given a check by a customer, Jenice Bingham, for a 40 gallon hotwater tank, valued at \$431.99. John stated the check did not clear and the account was closed so the check bounced. John will be sending out a certified letter to attempt to recieve payment for the item. If the letter is not recieved by Jenice and she does not give him resitution a report will be completed and charges will be filed at that time. I took possession of the copy of the check used that was sent to him by the bank and I entered it into evidence for safe keeping along with the slip from PNC Bank stating the account was closed and the receipt for the transaction. FEMALE IN THE LOBBY TO REPORT ASSAULT ON HER 15 YR OLD DAUGHTER. DAUGHTER IS CURRENTLY IN SCHOOL. ANOTHER TEENAGE GIRL ASSAULTED HER.					
On 03/10/2017, at approximately 1037 hours, I responded to the Maple Heights Police Department for a report of an assault that had taken place. Taneice Johnson stated that her daughters go to an alternative school in Warrensville Heights and they have been having issues with some other girls at school. There was an incident at school between the girls that Warrensville Heights Police Department is investigating. Taneice stated that the girls that were involved with the incident in Warrensville Heights came to there house on 03/09/2017 and assaulted her daughters. I asked if she contacted police, and she stated no, but officers drove by as the incident was going on. Taneice stated she did not attempt to stop officers to advise them of a problem or call police. I advised Taneice if her daughters were assaulted she needed to bring them to the station so I can speak with them. Taneice became upset that I asked her to bring her daughters to the station and left. As she was leaving, I advised her that I would be more than happy to take a report, but I needed to talk to the victims, and document any injuries. I will be following up with Warrensville PD. FOI at this time. cw534

SOMEONE DEPOSITED A FRAUDULENT CHECK IN HER ACCOUNT AND MADE SOME TRANSACTIONS.

On 03/10/2017, at approximately 1322 hours, I Ptl. Wilson #534, spoke to Jasmine Smith who resides at 16748 Gerard Ave. in Maple Heights in reference to fraud. Jasmine stated that sometime last week, she checked a checking account that she has through Key Bank and noticed there was a large sum of money that had been deposited into her account in the amount of \$2,504.24. Jasmine stated that she never uses the account and only had \$1.00 in the account.

Jasmine state that she thought her grandmother may have deposited money into her account, and without asking her she started spending money. Jasmine spent \$165.99 before the check bounced. Jasmine is disputing with the bank that she owes the money she did not spend. Jasmine stated that Key Bank's fraud department is conducting an investigation, and she only need the incident documented with police. cw534

FEMALE IN THE LOBBY REPORTING AN MVA THAT TOOK PLACE 10 MINUTES AGO.

On 03/10/2017, at approximately 1524 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of a private property hit-skip motor vehicle accident. Upon arrival, I spoke with Theresa Musarra, who stated at approximately 1515 hours, she was pulling out of a parking space at 7-11 16303 Libby Rd. and another vehicle that was backing up struck the rear passenger side bumper causing minor damage. Theresa stated the vehicle sat there for a moment then drove off.

I checked security camera footage and observed a brown colored older model Honda Pilot SUV operated by an elderly female. It appeared that the female may have been confused and did not know that she had struck anything. The vehicle did not have a front plate, and the rear plate was not readable on the camera as it was driving away.

Theresa wanted to have the incident documented for her insurance company. cw534

I spoke with Taylor Smith, she stated her mother, Ashley Berger has had her son, Sebastian since he was 2 weeks old. Taylor stated Ashley has taken care of Sebastian while she worked to try to provide for Sebastian. Taylor stated on 03/13/2017 she had plans on giving Sebastian to an adoption agency called Building Blocks, which I later found out to be Caring For Kids. Taylor stated she did not want Ashley to take custody of Sebastian because she did not want Sebastian to grow up and wonder why Taylor did not want him.

Lt. Gazer spoke with Ashley via telephone. Ashley stated she did not feel comfortable giving Sebastian to Taylor because she did not have stable living conditions. She accused Taylor of having a pimp and being on drugs. I asked Taylor where she was living and she stated she was taking Sebastian to her friends house where they were going to stay for the night. Taylor did not appear to have a stable living environment for Sebastian. Lt. Gazer spoke to the Maple Heights Prosecutor and they advised us that it was best for Sebastian to continue to stay with Ashley for the time being. I asked Taylor if she wanted to pursue charges against Ashley for interfering with custody and she stated no. She stated she would let things calm down and contact her mother on 03/13/2017 and make arrangements to pick Sebastian up. I advised Taylor to contact Children Family Services so they could provide resources, advice and information for her. Taylor stated she would do so and she was fine with Sebastian staying with Ashley for the time being. DF #540

OFFICER TO UPDATE DISPOSITION.

The complainant found that one of the vehicles in his lot had a window broken out and the radio was missing. He also found that a van in his lot had the battery taken out of it. The complainant reviewed the video and saw two males (possibly juveniles) in the lot going through the vehicles. I saw the video and saw that the video was grainy and a positive identification would not be likely off the video. The complainant wished for officers to special attention the property on the weekends. The complainant advised that he would like anyone on the property after 1830 hours stopped and identified. The complainant advised that at night there is a motion light in the back of the lot where the vehicles are kept. He advised that he would pursue criminal charges against anyone found on his property without permission. PH520

On 03/15/2017, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of harassing phone calls. I spoke to Jalisa Peterson who stated she has been having issues with her ex boyfriend Maurice Payne. Jalisa stated she received a phone call from Maurice asking her to have a sit down with her and her knew boyfriend because he wanted to talk to them. Jalisa stated that this is a continuing problem, and wanted to know what to do. I advised Jalisa on how to obtain a civil protection order. I also advised Jalisa that it would probably be best for her to change her phone number so he can no longer contact her. Jalisa was advised that if he sent her any threatening messages to contact police. Jalisa stated that he does not make threats to her. Jalisa was advised the incident would be documented. Jalisa did not want me to contact Maurice. cw534

I spoke with the complainant, Gary Cooper. Gary stated he witnessed approximately seven juveniles go in the yard of 19617 Raymond St. take a package, and go into the backyard of 19613 Raymond where one of the juvenile suspects live. The juveniles left the backyard of 19613 without the package and walked Eastbound on Raymond St. Gary described the male that took the package, as a black male, wearing a dark blue coat, black pants with a red vertical stripe on the side of the pants. One female was wearing a pink jacket and one male was wearing a grey coat. I walked in the backyard of 19613 in attempt to locate the package. I located the opened package in the rear of the residence on the West side of the rear stairs. There was a box sitting on the ground with two items, still in plastic, lying near the box. I photographed the location of the package and attached them to this report. I made contact with a juvenile resident, Lanai Young. Lanai stated she and her friends, Tanisha, wearing a pink Northface jacket, Delorean wearing a green coat and Andreak, wearing an unknown colored jacket, were walking home from school. Lanai stated she went inside of her residence and she did not see anyone pick up a package. She stated her friends did come into her backyard and knocked on her door, but she did not answer the door because she was unable to have friends over. I contacted Lanai's mother, Nicola Hudson and I advised her of the incident. I contacted the resident at 19617 Raymond St., Christine and I left her a message and advised her to pick up her package from the Maple Heights Police Station. It did not appear that items were stolen. DF#540

I spoke with the complainant Theresa Willacey. Theresa stated on 07-26-2016 she began fighting a case with Children Family Services in Texas for child neglect. Theresa stated she asked her mother, Annie Givens, who was living in Washington state at the time, if she would take care of her daughter, Michelle Willacey, temporarily until the case was dismissed. While Theresa was still in Texas, Annie moved to Oregon and took Michelle with her, without Theresa's permission. Theresa stated Annie will not give her current address and she stated she was not giving Michelle back to Theresa. Theresa stated after the incident she moved to Ohio where she now wants to report the incident to the police because her father (unknown) told her it was time for her to get Michelle back. Theresa was given advise on how to get Michelle back in her custody. Theresa was advised that due to jurisdictions, she was advised to go to the Cuyahoga County Children Family and Services and start a case with them to start the process. She stated she was going to follow up with them as soon as possible and respond back to the Maple Heights Police Department. DF#540
