CALLER WOULD LIKE TO REPORT THAT A TENANT WHO WAS JUST EVICTED ATTEMPTED TO START A FIRE BEFORE HE LEFT BY LEAVING A PILE OF CLOTHES AGAINST THE FURNACE, IN ATTEMPT TO IGNITE THE CLOTHING AND START THE APARTMENT COMPLEX ON FIRE. THE TENANT IS NOT ON SCENE. THIS WAS DISCOVERED YESTERDAY AND THE CLOTHING WAS MOVED, BUT THE OWNER WOULD LIKE TO SPEAK TO AN OFFICER THERE TODAY. SB TO COMPLETE THE DISPOSITION. (MG)

The apartment owner, Donald Horvat, stated when he arrived earlier with Garfield Heights Municipal Court staff to make sure renter, Jerimiah Boone, had left the premises per the eviction order. Jerimiah was not at the residence. Donald observed clothes were piled in the closet up against the furnace and the furnace was operating. Donald also observed the fuses had been removed from the fuse box. Donald moved the clothes away from the furnace and contacted the MHPD to document the incident. I observed none of the clothes showed any signs of being burnt or smoldering. Donald was unsure when Jerimiah had left the apartment and it could not be proven he had been the one who had placed the clothing near the furnace. Donald wanted the incident documented. STB514

I, Ptl. Frazier #540 responded to 5135 Stanley Ave. for a report of a disturbance. Upon arrival I spoke with Varshay Jones, she stated she was in McDonald's drive thru when her children's father, Terrell Scovil approached her vehicle and began to bang on her driver side window. Terrell then told her to roll down the window or he was going to slap her in the face. I asked Varshay if she wanted to pursue charges against Terrell and she stated know, instead she wanted to know how to get a protection order against Terrell. I asked Varshay if she was in fear of her safety when Terrell stated he was going to slap her and she stated no. I advised Varshay how to get a protection order and she was satisfied. DF#540

Upon arrival, Raymelle Welch was lying on the floor being treated by Maple Heights Fire Department. Raymelle was unresponsive but breathing. Raymelle's wife stated he is known to use PCP. MHFD administered Narcan and Raymelle became responsive while driving to the hospital. I responded to Marymount Hospital and after Raymelle changed into a hospital gown, I checked his clothing for contraband. I was unable to locate any illegal substances. I spoke with Raymelle who stated he was arguing with his wife and then remembers waking up in the ambulance. Raymelle denied any drug use and stated he does not know what happened. We checked the residence, car and yard where Raymelle's wife stated he was prior to the argument. No items of evidentiary value were located. Raymelle was being treated at the hospital. CWF528

Upon arrival, I spoke with the caller, Latoya Allen. At the time, Latoya stated that she had gotten into a heated argument with her boyfriend, "Raphael Franklin". Raphael had gotten upset with Latoya because she was flirting with another male earlier. Raphael argued with Latoya then left the residence. Latoya believes that Raphael may have taken the keys with him, but did not see this happen. Ptl. Hobart #520 checked the area for Raphael, however he was unable to locate him. Latoya stated that she will be calling Raphael at a later point in an attempt to retrieve her keys. If Raphael refuses, she stated that she will be seeking to press charges.

Parnell was asked to leave and argued with officers that he didn't have to leave. Parnell was advised that the complainant still has rights to the residence until she is either evicted or moves out voluntarily. COMPLAINANT STATES HIS NEIGHBOR JUST THREATENED HIM WITH A BASEBALL BAT. COMPLAINANT IS BACK IN HIS HOME AT THIS TIME. CALLER STATES THE NEIGHBORS DOG GOT LOOSE, CAME INTO HIS YARD AND ATTACKED HIS CAT. WHEN THE COMPLAINANT WENT OUTSIDE TO CHECK ON THE CAT, HE STARTED YELLING AT THE NEIGHBORS 13 YEAR OLD ON ABOUT THE DOG COMING INTO HIS YARD. AT THAT POINT THE CHILDS FATHER CAME OUTSIDE WITH THE BASEBALL BAT AND THREATENED HIM, HOWEVER THE COMPLAINANT STATES HE, THE COMPLAINANT, WAS ALREADY BACK IN THE HOUSE BY THE TIME THE MALE CAME OUTSIDE WITH THE BASEBALL BAT.

This was a heated verbal argument between both parties regarding the dog at 14070 Summit Ave. chasing a cat into the backyard of 14050 Summit Ave. The adult male resident at 14050 Summit Ave. ran outside and began screaming at the 13 year old child that lives at 14070 Summit Ave. The child's father arrived home at this point and began yelling at the complainant to not yell at his son. Both parties were advised to stay on their own property and not speak with eachother. They were also advised to call police if anything like this occurs in the future. MPR530

Marlon stated that he is purchasing a vehicle from his ex-girlfriend, Antoniette Hayes, and that the vehicle is still registered and titled to her. Marlon states that he owes her money for it and she is threatening to come to his job and take the plates off of the car. Marlon advised me he is supposed to meet her in a couple days to give her money and wanted me to call and ask her to not come to his job and cause a problem. I made contact with Antoniette over the phone and she advised she knew it was a civil issue but the vehicle and plates belong to her. Antoniette was advised that we were trying to avoid any further issues, and did not want her to go to his job. Antoniette did not know when she was going to get the car, but stated she would call police for an escort. Cw534

On 05/06/2017, at approximately 0032 hours, I Ptl. Wilson #534, while on routine patrol in marked Maple Heights patrol car #4425, observed a black Chevy TrailBlazer (OH Reg FOS-8085) travelling southeast on Broadway Ave. near Maple Heights Blvd. with no headlights on. When I turned around to stop the vehicle, the vehicle made a lane change from the outside lane to the inside lane without using its turn signal. I activated my overhead lights and sirens conducting a traffic enforcement stop.

Upon approach of the vehicle, I spoke to the driver, Tracy Billingsley, and the passenger and owner of the car, Keisha Billingsley. Tracy advised me that she did not have her drivers license and that Keisha had a suspended license. I advised her that she could only drive with a licensed driver, and she stated she was

only going around the corner. Tracy was issued a citation for Driving With a Temporary Permit, Two Headlights Required, and Turn Signals. Keisha was issued a citation for Wrongful Entrustment. A BMV 2255 form was also completed.

While conducting a tow inventory of the vehicle, I located two open containers of cold alcohol (16oz can of Miller High Life, and 1 pint of Smirnoff Ice) on the passenger side floorboard where Keisha was sitting. No body wanted to tell me who the alcohol belong too, so Keisha was cited for open container since they were at her feet. cw534

FEMALE STRUCK AND COMPLAINING OF HAVING A CONCUSSION

TRANSPORTED TO MMER  
-- 05/07/2017 20:23:42 Disp MM --

Upon arrival I spoke with the landlord, Carilyn Bonner. Carilyn stated she came to the property to mediate an ongoing issue between Rita M. Chaver in apartment #303 and Rasheema B. Jackson in apartment #202. Rita believes Rasheema is continually harassing her and intentionally making noise to irritate Rita. Carilyn stated she was going to mediate the conversation between the two girls. During the conversation, both Rita and Rasheema began to argue and yell. Carilyn stood in-between the two girls but they began to try and punch each other while Carilyn tried to intervene. When speaking with Rita she initially stated she was fine and did not need medical attention. As the conversation continued Rita stated she was punched five times and slammed into a wall. She later advised the paramedics she blacked out for a minute. Carilyn stated Rita did fall to the ground, but neither girl was struck with a full punch. Rita stated Rasheema came to apartment and attacked her. Rasheema stated she went with Carilyn to end the situation with Rita. Rasheema provided a video of the initial conversation when they were all in the living room of Rita's apartment. The video ends after Rita gets up off the couch and begins to approach Rasheema. The video does not show Rita being attacked as she stated. The conversation was mutual and then became argumentative. Due to Carilyn stating both parties were at fault, and being an independent witness, both Rita and Rasheema were issued citations for disorderly conduct. CWF528

On 05/08/2017, at approximately 0039 hours, I Ptl. Wilson #534, responded to 18705 Longview Ave. for a report of a missing juvenile. Megan Turner stated that at approximately 0030 hours, her 13 y/o son Tavonte Turner left the house with his friend, Calvin Davis, who resides at 18725 Fairway Ave. without permission.

Officers checked the area and did not locate the males around. We responded to 18725 Fairway Ave. and spoke with Calvin's mother, and she stated that Calvin was gone also without her permission. She stated she thinks he left at approximately 0000 hours. Officers checked the area again, and returned a short while later and Calvin had returned home. Calvin stated he and Tavonte went to the Marathon Gas Station on Warrensville Center Rd. to buy some snacks. Calvin stated that Tavonte should be going home.

I responded back to 18705 Longview Ave. and spoke to Megan and she advised Tavonte had not returned home yet. Megan was advised he would be entered into LEADS as missing and to contact us when he returns.

Tavonte is described as a 13 year old black male, 5'00", thin build, Brown Hair and Brown Eyes, with a low haircut. Tavonte is diagnosed with ADHD and takes 20mg of Aderall once a day. He was last seen wearing a white T-Shirt, tan pants, Tiberland Boots, and a green Hoody.

Megan completed the Maple Heights Police Department Missing Person Packet, and signed the Facebook submission form. Tavonte will also be entered into the Maple Heights Police Department Missing Person Database.

Sharray received a text message from her ex-boyfriend, Shawn Walton, last night at approx 2237hrs. She stated they have been going back an forth arguing after she reunited with her husband. Walton texted Sharray saying he loved her and she did not love him. He then texted a photo of a gun, an HK416 .22 cal. long rifle SN=WH098084 (came back NIF) and "I will blame your husband". Sharray texted Walton back to leave her alone. He again texted WILL NOT and asked why the attitude. He concluded the text messages by saying "love you" again.

Sharray advised that Walton had her and her son arrested for assaulting him in Garfield Hts a few weeks ago. She was advised to keep all correspondence from Walton and to contact police if any direct threats are made to her. She wanted this incident documented because he is having her prosecuted and she wanted this incident on record. If he continues to send her unwanted messages, Sharray will consider pursuing charges for Telecommunications harassment and or Menacing by Stalking. She will contact Ptl. Allen with any further info and she will also contact GHPD to advise them of this incident. Photo attached GRA519.

BROTHER. JAMES MCCARROLL.

Kira stated that she found a Facebook post from her brother, James about 1630 hours. The post was from 1100 hours this morning. The post from James stated; "I am tired of this BS and I don't care if it all ends." On 05-11-17 at 1116 hours, MHPD responded to the residence because James was acting crazy and throwing things around the residence. Upon investigating the complaint, there was allegations of domestic violence that occurred. A report will be completed and forwarded to the Maple Hts. City Prosecutor. The family requested James be transported to Marymount Hospital for a mental evaluation. The rescue squad transported James around 1130 hours. Refer to MA17-0034814. The family did not respond to the hospital as requested by the police and James was released. Kira does not know what time he was released or what treatment he received. James returned home around 1600 hours and grabbed some clothing. He then left the residence. Kira stated she has not found any further Facebook postings and did not receive any text messages from James. Since James was transported and treated at the hospital after making the Facebook post, there is no reason to believe that he is any danger. Kira and James' father were advised of the probate procedure, since they feel that James is not receiving the help that he needs. Kira was advised to call the police if she finds any more posts from James. BK508

FEMALE IN THE PD LOBBY TO MAKE A REPORT ABOUT A COUNCIL WOMAN WHO TOLD HER SHE COULDN'T WASH HER CAR

On 05/11/2017, at approximately 1912 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of neighbor trouble. Melinda Davis stated that on today's date, she was approached by Councilwoman Agee, and she was told that she was not allowed to wash her car in the driveway. Melinda stated she feels like she is being harassed and that nobody is helping her. I advised her I would speak to Councilwoman Agee and see what was going on.

I made contact with Councilwoman Agee over the phone regarding this incident. She advised she received a neighbor complaint about Melinda washing the car in the driveway right next to the neighbors window, and it causes her to spray water onto the neighbors house and makes alot of noise. Councilwoman Agee stated she did not tell her she was not allowed to wash her car, she advised she only asked Melinda to move the car to the backyard so she did not hit the neighbors house. Councilwoman Agee advised that Melinda stated she did not have a long enough hose, and Councilwoman Agee suggested she buy a bigger hose.

Councilwoman Agee advised she was going to contact Maple Heights Law Director Frank Consolo and see if there is anything that can be done to resolve these ongoing neighbor problems.

DISPO BY 536 (KZ)

Officers were standing in the parking lot and entranceway of All-Stars when a large disruption began to take place both inside and outside of the bar. Several shouting matches were broken up when people began yelling inside the doorway of the bar. Officers shouted verbal commands to leave the area however many parties did not comply. Several parties had to be physically moved out of the doorway. As a few of the patrons dispersed, one female, Tiana Mack ran back over to the doorway while shouting, raising her hands, and striking another female. The crowd pushed her away. She attempted to return when Ptl. Wilson deployed O.C. directed at spray to stop the imminent fight. She immediately left the scene and walked away from the crowd. EMS was called to the scene and treated her

and Ashley Battle. No victim from the fight was located. #536

The complainant stated that her son, Levon Berry, threw a knife at the vehicle in the driveway causing both the knife and the rear windshield wiper to break. I spoke with a male who did not wish to be identified, who stated Levon could have easily cut him with the knife without throwing the knife and he did not know if Levon was aiming at him. According to the male Levon was only 3-4 feet from him, which would have been very easy to hit the male when throwing the knife if he chose to. Levon was no longer on scene when officers arrived and officers could not locate him. Due to Levon having a diagnosis of bi-polar and other mental illnesses, it is likely that Levon was having a mental breakdown. If Levon is located he will be transported to the hospital for a psychological evaluation. Kiana also stated she would file unruly charges against Levon as well. AC535

CALLER ADVISING THE POOL AREA WAS BROKEN INTO BY SOMEONE CUTTING INTO THE FENCE.

Sometime overnight, unknown parties removed a sand bag holding a section of fence in place and entered the pool area. The section of fence is part of the school bus garage construction. A Home Depot shopping cart was removed from the pool area and located in the parking lot. A park bench in the parking lot was also destroyed. Mr Brantsch reported the planks to the bench were broken, but he cleaned them up before police arrival. There are no suspects. STB514
