CALLER IS THE LANDLORD STATES HE IS HERE AND HE STATES THE TENANT HAS THE WATER ON ILLEGALLY. CALLER STATES THE WATER WAS TURNED OFF

The landlord, Michael Baker, stated his tenant is stealing water, had a dog when the rental agreement says no dogs and there are drugs in the house. I spoke with Mr. Baker who stated he needed the incident documented for court purposes. Mr. Baker stated the water department advised him they turned the water off at the street and now it was back on. Mr. Baker was going to follow up with the water department to make sure the water had been shut off. Mr. Baker further stated when he was in the house he observed drug paraphernalia. Mr. Baker stated he wanted me to go in the house to get the drugs. The tenant was not home at this time. Mr. Baker was advised to continue with the eviction process.

The tenant Mr. Mixon called a short time later and advised he received a text from Mr. Baker stated the police were at the house and took the dog. Mr. Baker also told him the police were taking the drugs he had in the house. Mr. Mixon stated he planted drugs because he did not have any drugs in the house. I advised Mr. Mixon, the police did not enter his home and did not take the dog. Mr. Mixon stated he was going to be moving within the next 10 days to avoid this continual issue.

This is for documentation at this time. CWF528

FEMALE ARRIVED HOME TO FIND A SIDE BEDROOM WINDOW BROKEN. THERE WERE THREE BLACK MALES STANDING ON THE SIDE OF HER GARAGE WEARING HOODIES. THEY RAN OFF - THE CALLER DOES NOT KNOW WHICH DIRECTION THEY WENT. ENTRY WAS NOT GAINED. THE FEMALE IS ALREADY INSIDE HER HOUSE WAITING.

UNABLE TO LOCATE THE MALES

On Thursday May 25, 2017, at approximately 1330 hours, I, Ptl. Augustyn #536, was dispatched to 5761 Dunham Road for a report of an attempted burglary. Upon my arrival, I met with Shanta Collins. Shanta stated she arrived home at approximately 1320 hours. She entered her residence and heard people talking outside of her sunroom window. She opened the curtain and saw three black males. One male was attempting to open the window and the other two males were behind him. As soon as they saw Shanta, they ran through the backyards toward Rockside Road. Shanta described the males as late teens and stated they were all wearing dark colored hoodies and jeans. She walked throughout her house and witnessed her sons bedroom window was smashed. There was an asphalt rock on the sill. She believed the males broke that window first but due to a dresser being in the way they could not gain entry. Shanta has not seen any of the males before. Photographs of the damaged window were taken and attached to the sheet. Officers searched the area but were unable to locate the suspects. #536

CALLER STATES HER SISTER STOLE HER PHONE AND HER MOTHER'S BOYFRIEND STOLE HER CAR AND WONT RETURN HER KEYS.

On May 26, 2017, at approximately 1928 hours, I, Ptl. Moore #538, was dispatched to 5349 E 141st St for a call regarding a female who had her phone and car stolen by family members.

Upon my arrival, I spoke with Vanidi Tolbert, what at the time stated that her sister, Tracy King, had her black Samsung 7 Edge and rose/gold iPhone 6s plus. According to Vanidi, she and Tracy had an agreement for Tracy to use the phones, pay the bill and return the phones to Vanidi once the contract was over. The contract was ended two weeks ago, but when Vanidi asked for the phones back, Tracy refused. No money was paid to Vanidi for the phones, however.

Vanidi then told me that her mother, Jennifer Hurt, and father, Andre Hurt, had been given permission to temporarily use her blue 2002 Chevrolet Cavalier while their vehicle was being repaired last year. At some point, Vanidi lost contact with her family. Approximately 5 months ago, Vanidi regained contact with her family and requested the vehicle back. According to Vanidi, her parents refused because they had made payments on the vehicle in order to fix it. No money was paid to Vanidi for the vehicle, however.

Vanidi was advised that this was civil issue; however, I attempted to make contact with her family on her behalf. As of the time of this report, neither Tracy, Jennifer nor Andre have returned my calls.

On May 26, 2017, at approximately 2227 hours, I, Ptl. Moore #538, was dispatched to 15601 Turney Road for a missing juvenile call.

Upon my arrival, I spoke with Shineeva Dawson, who at that time stated that her daughter, Makayla Wilkerson, had been missing since Thursday May 25, 2017. Shineeva left the residence that morning while Shineeva and her child, Jeremiah Hauser (Age 1) were still asleep. When Shineeva returned from work, neither Makayla nor Jeremiah were at the residence. Shineeva told me that it was possible that Makayla could be with her friend Chadise Love's residence.

I arrived at Chadise's residence, located at 5190 Beech Avenue, and spoke with Brandon Vason. When I questioned Brandon about Makayla and Chadise, he explained that he had been at work and had not seen the two since Wednesday May 5, 2017.

I was able to make contact with Chadise via telephone and inquired about Makayla's whereabouts. At that time, Chadise told me that Makayla spent the night at that residence on Friday and she had not seen her in person since then. Chadise then told me that she was able to make contact with Makayla via her Instagram (Beautyconquered). According to Chadise, Makayla texted her Via Instagram and stated that she was with her aunt. Chadise was unable to provide a name for the aunt in question. Chadise has not been able to make contact with Makayla since that message was received.

Upon hearing about the aunt, Shineeva told me that the last time Makayla went missing she was found in the custody of her aunt, Ciara Bolden. Shineeva refused to allow Ciara to see Makayla after the incident, stating that Ciara allowed Makayla to drink underage. From that point forward, Shineeva blocked Ciara's phone and ended all contact with her. Shineeva attempted to call the number she had for Ciara; however, the number was no longer in service. I was able to locate a Ciara Bolden on OHLEG; however, I am unable to confirm if she is the aunt in question or not. I will be following up with Shineeva to confirm Ciara's identity at a later point. Shineeva could not provide the address which Ciara was previously staying at, only that it was somewhere in East Cleveland.

Shineeva then told me that Makayla had a boyfriend, Keivon Hauser, who had spoken with her earlier today. I was able to make contact with Keivon via cell phone. Keivon at that time stated that he had made contact with Makayla via Instagram. On Instagram, Makayla told him that she was returning home later that day. Keivon has not been able to make contact with Makayla since that message was received.

Dispatch checked with Cleveland Clinic- Marymount Hospital, University Hospitals Bedford Medical Center, Cleveland Clinic- South Pointe Hospital and Hillcrest Hospital; however, Makayla had not been admitted in either of them.

Mikayla was described as a 16-year-old black female with brown eyes; brown in complexion, approximately 5'4" and 130 lbs. Mikayla has straight, black, shoulder length hair. Mikayla was last seen wearing a striped shirt and leggings, with blue and white Kyrie tennis shoes. It's possible that Mikayla had a change of clothes with her.

Mikayla has not been diagnosed with any mental or physical conditions.

Mikayla does not have a phone.

Shineeva gave permission for Makayla to be put on the Cuyahoga County Sheriff's Facebook page. Makayla's Dental form was filled out as well. Makayla was entered as a missing juvenile, NIC: M793916932

Upon arriving on scene officers met with all parties involved. The sons stated their father arrived at the residence earlier and started problems with their mother. The sons were concerned for their mother's welfare because she and her husband have had domestic violence issues in the past. The sons became involved in the argument. During the argument the father said he was going to go "get something." The mother and sons believed the father was going to get a firearm. No firearm was seen or retrieved. The sons did not wish to have the matter pursued any further. The father took a few of his belongings and left the area in his personal vehicle.

MOTHER REPORTING HER 15 Y/O SON BEN JONES LEFT THE HOME SOMETIME AFTER MIDNIGHT. THE FAMILY RECENTLY MOVED FROM LOUISIANA AND JUVENILE DOES NOT KNOW MANY PEOPLE. MOTHER DOES NOT KNOW WHERE HE WOULD GO. DOES NOT HAVE A CELL PHONE.

SUBJECT: BEN JONES 11/12/2001

On May 27, 2017, at approximately 0822 hours, I, Ptl. Moore #538, was dispatched to 19316 Longview Avenue for a missing juvenile call.

Upon my arrival, I spoke with Daytoya Jones, who at that time stated that her son, Ben Andrew, had been missing since approximately 0200 hours, that morning. Daytoya, who had just moved to Ohio on May 21, 2017 from Louisiana, told me that Ben had no knowledge of the area. Ben was last seen in his room at approximately 0008 hours by his sister, Toinesha Jones. At approximately 0208 hours, Toinesha went to Daytoya to tell her that Ben wasn't in his room. When Daytoya checked the residence, she noticed that the side door was left unlocked. When I questioned Daytoya about why she didn't immediately notify police, she explained that Ben was a frequent run-away in Louisiana, but wouldn't be gone for more than 5 or 6 hours.

Dispatch checked with Cleveland Clinic- Marymount Hospital, University Hospitals Bedford Medical Center and Cleveland Clinic- South Pointe Hospital; however, Ben had not been admitted in either of them.

Ben was described as a 15-year-old black male with brown eyes; brown in complexion, approximately 6'3" and 180 lbs. Ben has short, black, curly hair. Daytoya was unable to provide a clothing description for Ben due to the nature of how he left.

Ben has not been diagnosed with any physical conditions. However, Daytoya stated that Ben has ADHD, ODD and an undiagnosed mental disorder

Ben does not have a phone with him.

Daytoya gave permission for Ben to be put on the Cuyahoga County Sheriff's Facebook page. Ben's Dental form was filled out as well. Makayla was entered as a missing juvenile, NIC: M083920037

MOTHER REPORTING HER 15 Y/O SON BEN JONES LEFT THE HOME SOMETIME AFTER MIDNIGHT. THE FAMILY RECENTLY MOVED FROM LOUISIANA AND JUVENILE DOES NOT KNOW MANY PEOPLE. MOTHER DOES NOT KNOW WHERE HE WOULD GO. DOES NOT HAVE A CELL PHONE.					
SUBJECT: BEN JONES 11/12/2001					

On May 27, 2017, at approximately 0822 hours, I, Ptl. Moore #538, was dispatched to 19316 Longview Avenue for a missing juvenile call.

Upon my arrival, I spoke with Daytoya Jones, who at that time stated that her son, Ben Andrew, had been missing since approximately 0200 hours, that morning. Daytoya, who had just moved to Ohio on May 21, 2017 from Louisiana, told me that Ben had no knowledge of the area. Ben was last seen in his room

at approximately 0008 hours by his sister, Toinesha Jones. At approximately 0208 hours, Toinesha went to Daytoya to tell her that Ben wasn't in his room. When Daytoya checked the residence, she noticed that the side door was left unlocked. When I questioned Daytoya about why she didn't immediately notify police, she explained that Ben was a frequent run-away in Louisiana, but wouldn't be gone for more than 5 or 6 hours.

Dispatch checked with Cleveland Clinic- Marymount Hospital, University Hospitals Bedford Medical Center and Cleveland Clinic- South Pointe Hospital; however, Ben had not been admitted in either of them.

Ben was described as a 15-year-old black male with brown eyes; brown in complexion, approximately 6'3" and 180 lbs. Ben has short, black, curly hair. Daytoya was unable to provide a clothing description for Ben due to the nature of how he left.

Ben has not been diagnosed with any physical conditions. However, Daytoya stated that Ben has ADHD, ODD and an undiagnosed mental disorder

Ben does not have a phone with him.

Daytoya gave permission for Ben to be put on the Cuyahoga County Sheriff's Facebook page. Ben's Dental form was filled out as well. Makayla was entered as a missing juvenile, NIC: M083920037

MALE HEARD ONE GUNSHOT NEXT TO CALLERS HOUSE SOMEONE SCREAMING. IT IS THE HOUSE TO THE RIGHT OF CALLERS ADDRESS IF YOU ARE FACING IT.

On Monday, 5/29/17, at 0202 hrs, I, Ptl. Carmine #535, along with other Maple Heights Police Units, was dispatched to the area of 21602 Hillgrove Ave. for a report of a disturbance outside a residence and a single gunshot. Upon my arrival, I spoke with the caller, who stated he was asleep inside his residence when he was awoken by a gunshot. He stated he looked outside and saw some people arguing in the driveway of 21602 Hillgrove Ave. He did not stated anything more than that. Sgt. Berger #512 located a single 9mm Federal Cartridge bullet casing in the driveway of 21602. Ptl. Moore #538, photographed the casing and collected it as evidence. We made contact with the resident at 21602 who stated she was asleep in her residence and did not know what was going on. I asked her if we could check inside her residence to make sure no one was inside and she agreed. We did not locate anyone inside of the residence. I asked the resident if she had anyone over at her residence and she stated the last time anyone was at her residence was at approximately 1500 hrs. I asked her why someone would call and state there were people in her driveway and call about a gunshot if there was no one there and she stated she did not know anything about it and they must be lying. I asked her why there was a bullet casing found in her driveway and she stated she was asleep upstairs and did not know where it came from. We were unable to obtain any further information at this time. AC535

Upon our arrival, the caller, John Bland, originally stated the assault had occurred approximately 30 minutes prior to him calling the MHPD. MALE IN LOBBY REPORTING SUSPICIOUS ACTIVITY AT HIS HOUSE.

Male stated that 2 days ago his motion alarm went off inside his house at 0300 hrs. The alarm is set when anyone enters the front gate of his yard. It just chimes inside his residence, but does not go to an alarm company. When he went outside the next morning he noticed some pry marks by his driveway side window. No entry was gained. Yesterday the alarm again went off around 0400 hrs. and he noticed this morning that the latch to his fence gate was moved. It looked like to him that someone was trying to pry it open. Compl. wanted us aware of this nothing is missing. He has ordered cameras and they will be in on Thursday. He was advised to call us if his motion sensor is activated again MG503

CALLER REPORTS SOMEONE STRUCK HIS CAR. CALLER STATES HE HAS MENTAL HEALTH ISSUES AND IF WE AREN'T THERE IN 5 MINUTES HE WILL TAKE MATTERS INTO HIS OWN HANDS.

On Wednesday May 31, 2017, at approximately 0025 hours, I, Ptl. Augustyn #536, was dispatched to 20101 Clare Avenue for a report of a motor vehicle accident. Upon my arrival, I met with Alicia Dawkins. She stated she was advised by her son that a person struck her car in the parking lot. I spoke with her son and he stated he was informed by witness, Cierra Walker, that an accident occurred. I spoke with Cierra and she stated a female in a red van (E331625), backed into a red Nissan (GGU5358). The female was in the vehicle by herself and left the parking lot making no attempt to notify the vehicle owner. She then texted Alicia's son and notified him of what she saw. I made contact with the owner and operator of the red van, Rayikia Shields. She stated she was driving the van but did not strike the Nissan. She stated there was a valid driver in the vehicle with her but she left the area prior to my arrival. I observed the vehicles and witnessed minor damage to the front bumper of the Nissan and the rear bumper of the Caravan. Rayikia was issued a citation. Photographs of the vehicles are attached to the incident. #536
