On 11/14/2016 at approximately 0935 hours, I, Ptl. Moore #538, was dispatched to the lobby for a civil matter. Upon arrival, I spoke with Dawn Lee and Stephen Sturdivant, who stated that they had made a verbal agreement with Jason Lilly regarding her residence located at 5621 Kenton Avenue. Sturdivant stated that

the residence belongs to Lee, who has been using it for the last few months as a rental property. Lilly was asked to collect the rent and deposit the money in a specified bank account. However, Sturdivant stated that Lilly has only made one payment over the past 7 weeks. I was able to make contact with Lilly, who stated that he has been depositing the money and collecting the share he was authorized to by Sturdivant in agreed upon increments. Both parties were advised that this is a civil matter and to how to file charges in small claims court.

On Monday, 11-14-16, at 1249 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of unauthorized use of a motorvehicle. I spoke with the complainant, Jasmine Arrington, who stated she allowed her friend, Courtney Ferrell, to take the vehicle, a white 2005 Chevy Equinox bearing OH license #GUB5312 and VIN #2CNDL23F856122801, and begin making payments while in possession of the vehicle. Jasmine stated Courtney defaulted on the payments and refused to return the vehicle to her at that time as well. I advised Jasmine she would need to settle the dispute in civil court due to Courtney successfully making payments for the vehicle at one time. I attempted to make contact with Courtney to advise her to return the vehicle to Jasmine in order to avoid civil court action but she did not answer the phone. Jasmine was provided the report number in order to assist her in the civil court process. AC535

As she was leaving, an older black male in the dining area waved at her and she waved back. She returned back to Fairhaven and saw the male in a white Chrysler parked across the street. The male entered Fairhaven and was inquiring about how to live there and what type of furniture they allow. The staff advised me the male was looking around while speaking with them. The male left and reentered the store and continued to ask strange questions. The male eventually left and an employee took a photograph of his vehicle, GHX8854. The registration came back to Samuel Moore and an employee visually confirmed that was the male inside the establishment. They were advised to contact the police again if he entered the building and refused to leave. #536

The complainants left their house at approximately 1630 hours. They stated they locked the windows and doors but when they returned, the side door was open. There was no damage to the frame or the door. The handle was in the locked position and all the windows were in tact and locked. There was a plastic bag on the outside handle of the door. When the door closes, the bag interferes with the latch causing the door not to close. The complainants walked through the house and stated everything looked in order and nothing appeared to be missing. They did have cameras on the outside of their house but they did not know how to play the video back. The likely reason the side door was open was because when they left they forgot to move the bag or hold it when they closed the door. I advised them that if they are able to view security video and there appears to be something suspicious or someone did gain entry to call MHPD to speak to me about it. MB512

I, Ptl. Zupancic 532, initiated a traffic stop on a vehicle for window tint. The driver was identified as Joseph Glass. Joseph's drivers license was suspended and he had a warrant with GHPD. Joseph was detained and GHPD wanted Joseph advised of his warrant however they were unable to pick him up at this time. During an inventory of the vehicle, a digital scale with a white powdery residue was located under the rear passenger seat. Joseph was cited for Window Tint, DUS, and Drug Paraphernalia. The scale was photographed and those photos were downloaded into this report. This incident was recorded on body camera and the footage was downloaded to a secure server that can be used for evidence if needed. The vehicle was towed by Kelly's Towing.

Upon speaking with the operator I detected the strong and distinct odor of burnt Marijuana coming from the car. I asked the operator if he had Marijuana in the vehicle. He showed me a small plastic baggie that he produced from his right pant pocket. The baggie contained a green leafy vegetable matter. The operator also showed me a burnt cigar blunt in his front ash tray. The baggie and cigar were collected and entered into evidence.

I, Ptl. Frazier #540 patrolled the parking lot of Kings and Queens, located at 20840 Southgate Park. I witnessed two males, identified as Dwayne Bridges and Derrick Wilder, sitting in a blue Volkswagen, license plate number GYA9159. Dwayne was sitting in the passenger seat of the vehicle and I noticed Derrick clinching a brown paper bag, typically used for concealing alcohol. I asked Derrick what was in the bag? Dwayne intervened and stated there was alcohol in the bag, but no one was drinking the alcohol. I asked Dwayne if the alcohol was his and he stated it was. Dwayne gave me the brown paper bag containing one 750 ml of Hennessy. Dwayne was cited for having an open container while inside of a vehicle. DF #540

FEMALE UNABLE TO LEAVE BECAUSE MALE HAS HER CAR KEYS. WAITING OUTSIDE					
MALE LOCATED AT CAMDEN AND FAIRWAY.					

On Saturday, 11-19-16, at 1856 hrs, I, Ptl. Carmine #535, was dispatched to 19517 Longview Ave. for a report of a male who took the complainant's keys. The

complainant, Jackie Smith, stated she pulled into the driveway of 19517 Longview Ave. where her child's father, Kenneth Maxwell, lived because she was driving him home from a birthday party they had attended. Jackie stated they began arguing verbally and during the argument Kenneth took her keys which had her house key and vehicle key on a ring together. Jackie stated Kenneth exited the vehicle and when she exited the vehicle to ask Kenneth to return the keys to her he walked away. I located Kenneth on Camden Rd. at Fairway Ave. Kenneth stated he did not have the keys on him, that he threw them into the back yard. I searched the back yard of his residence with Ptl. Augustyn #536 and Kenneth and the keys were not located. Kenneth stated he did not know where they went if they were not in the yard any longer. Jackie stated she also noticed some damage to the left wheel well molding strip on her vehicle that was not there before. Jackie stated she did not wish to pursue charges and signed a waiver of prosecution. AC535
