SIGN CONFISCATED AND RETURNED TO THE STATION

On 10-30-16 at 1320 hours, I, Sgt. B. Kevern spoke to Mike Neman and advised him of the complaint. I also advised him that MHPD has his homemade political sign. Mr. Neman was advised of the disorderly conduct law, which stated; No person shall display unwarranted and grossly abusive language to any person and creating a condition that is physically offensive to persons by any act that serves no reasonable purpose. The complainant was satisfied that the sign was removed and did not wish to sign a citation against Mr. Neman. Mr. Neman requested his sign back and stated he will remove part of the offensive language. He also requested a copy of this report. Mr. Neman was advised to come to MHPD on Monday 10-31-16 to possibly retrieve his sign, if released by the administration. BK508

FEMALE REPORTING FEMALES IN A BLACK CAR CAME TO THE STORE AND THREATENED HER AND LEFT GOING DOWN DALEWOOD.

I, Ptl. Zupancic 532, responded to Family Dollar and spoke to Tyiasha Pounkett, who stated four females came into the store and attempted to fight her. Tyiasha advised this is from an incident that stemmed from yesterday where a female named Sequoia Manningham and Tyiasha got into a fight yesterday. Tyiasha stated Sequoia and three other unknown females attempted to come into the store today however Tyiasha had locked the doors and the females were unable to gain entry into the business. As I arrived on scene, I observed four females outside the business and when they observed me, they ran from the business. Tyiasha came outside and told me those were the females advised. The females ran to a vehicle and I identified the other three females. Sequoia stated she was jumped by Tyiasha and Tyiasha stated Sequoia keeps coming to her work to try and fight her. Both had conflicting stories and did not wish to pursue charges. Tyiasha just wanted Sequoia advised of trespassing. The driver and owner of the vehicle was identified as Anjol Stevens. While speaking with Anjol I could smell an odor of marijuana emitting from the vehicle. Anjol admitted her boyfriend smokes marijuana and stated she believes the last time marijuana was smoked in the vehicle was yesterday. I performed a probable cause search of the vehicle and located 0.3 grams of marijuana and a grinder. Anjol was cited for possession of marijuana and drug paraphernalia. The marijuana and grinder were photographed and entered into evidence. Bodycam footage of this incident was saved to a secure hard drive for court.

I was advised by the animal warden that Raymond Damico was warned about the foul odor coming from his residence and given over 30 days to clean and eliminate the odor. The animal warden advised that the odor was from cat urine inside of his residence. As I approached the residence I could smell an odor of cat urine coming from the residence. The animal warden advised that the complaints say that the odor was more obnoxious when Raymond has the door or windows to the residence open. When Raymond came to the door the odor of cat urine was overwhelming. Raymond Damico was cited for Noxious Odors.

On 11/1/2016 at approximately 1249hrs., I, Ptl. S. Smith #539, responded to 6149 Dunham Rd for a harrasment call via scams. Upon my arrival, I spoke with Lois Henley who stated on 11-1-16 around 1000hrs., she and her boss had been receiving phone calls while at work, from an alleged First Energy Company concerning Novak's being behind in payments. Lois stated that the caller "Tony" advised Lois and her boss that Novak's electricity would be cut off if they did not pay their bill. Lois stated that "Tony" advised Lois and her boss that they needed to pay \$1600.00 via MoneyPack in order to keep their electricity on. Lois was advised the way she needed to proceed with the payments were to go to Rite Aid in Maple Heights and use the MoneyPack system. I advised Lois that this was clearly a scam and to not proceed with the \$1600.00 payment as the alleged employee "Tony" requested. I provided Lois with the OCA and contact information for MApple Heights PD should they continue to recieve these calls. No further actions were needed. SAS539

SOMETHING TO BE DONE AND NOW THEY WILL NOT GIVE HIM HIS VEHICLE.
BOTH PARTIES SEEM OK AND NOT FIGHTING.

The complainant brought his vehicle to the business for body work to the front end to be completed. The complainant and the business owner agreed that the price for the body work would be \$450.00 and the complainant would provide the parts. The complainant did not provide a new radiator support bracket which was necessary for the body work to be completed properly. The complainant was unhappy with the work that has been completed and did not wish to pay the \$450.00. The business owner agreed to release the vehicle to the complainant and file a claim at GHMC for the cost of the work. Both parties were provided the incident number. (MPR530)

FEMALE WAS DRIVING AROUND LOOKING FOR THE VEHICLE AND WAS NOT ABLE TO LOCATE. FEMALE DOES HAVE PAPERWORK

The complainant, Lekisha Brown, stated she rented a U-Haul truck for her brother, Mitchell Brown, and his girlfriend that she knows as Sade. Lekisha stated she left the truck at 17073 Libby Rd. so they could use it and when she returned at approximately 1730 hrs it was no longer there. Lekisha stated the only people who had access to the vehicle were Mitchell, Sade and her other brother Jermaine Brown. Lekisha stated they all told her they did not have the vehicle and did not know who took it. When I was speaking with Lekisha she was speaking with Mitchell on the phone and he stated the vehicle was "with her" and when I asked him about it he stated he tried to call the person who had the truck but they were not answering. I advised him that if the vehicle was returned that the incident would be resolved and Lekisha confirmed that she would not pursue charges if the vehicle was returned to her. I provided Lekisha with the report number and my contact information in order for her to contact me to advise if the vehicle was returned. This report will be updated once I have received more information from Lekisha. AC535
