PURSUIT OF A MOTORCYCLE WB GRANGER SPPED 65MPH

I, Ptl. Zupancic 532, observed a motorcycle drive between a vehicle and the curb on E 141st St., and Granger Rd. The motorcycle then made a left hand turn from E 141st St., onto Granger Rd., through a red light. The driver of the motorcycle observed my marked patrol car and the motorcycle accelerated westbound on Granger Rd. I activated my emergency lights and sirens in an attempt to initiate a traffic stop. The motorcycle continued to flee and speeds reached approximately 65 mph. Due to other traffic on the road, I lost sight of the motorcycle and regained sight of what I thought was the motorcycle entering the on ramp of IR 480. I began to get on IR 480 and observed the motorcycle traveling westbound on Granger Rd. I terminated the pursuit. I never got close enough to the motorcycle to get a plate and the driver was wearing a helmet.

On 10/11/2016 at approximately 2205 hours, I spoke with the intake officer at Cuyahoga County Juvenile Justice center. He advised, A.P.A. Justin Washburne ruled to charge Rondell Walker with disorderly conduct.

Due to the ruling by A.P.A. Washburne, I cited Sharon Walker with disorderly conduct. He was also issued a citation for possession of marijuana that was located on his person at the time of his arrest. We will appear in Maple Heights Mayors court on November 1, 2016 at 1530 hours. CWF528

They believed it belonged at 19690 McCracken but did not see the dog taken in by anyone there. Lt. Jesenovc spoke with the resident at 19690 McCracken. She had a dog in the house and they said it has been locked in the basement of the house all night. Due to being unable to prove that her dog was the loose dog, she was advised of the complaint and the animal-at-large law with no further enforcement action taken. The complainants were unsatisfied that no further action was taken. A message was left for the animal warden to speak with both complainants and the alleged owner. JJ178</p>

On Thursday October 12, 2016, at approximately 1528 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of an assault. Upon my arrival, I met with Koela Grimes and her daughter Jonasia Harris. Jonasia stated she got into a verbal altercation with Marchelle Thomas. The two then wanted to physically fight. While they were arguing, Marchelle's mother arrived and was carrying a taser. She did not attack anyone with the weapon. Koela wanted the incident documented. Koela and Jonasia did not know the name of Marchelle's mother and do not know where she resides. I attempted to contact Marchelle's listed number and I have not been able to get into contact with her. #536

On Thursday, 10-13-16, at 1114 hrs, I, Ptl. Carmine #535, was dispatched to 16204 Friend Ave. for a report of an alarm at a residence for the side door and the bedroom side window. It was unclear if anyone had made entry to the residence. The homeowner, Jamaine Miller, arrived on scene and we cleared the residence. There was no one found inside. Jamaine stated there was nothing disturbed or missing from the residence. The neighbor whose residence was on the same side as the door stated she did not see anyone. The neighbor at the residence on the opposite side was not home during the incident and arrived while we were on scene. Jamaine called back and stated his neighbor saw two males walking down the street at some point during the day and they were holding gas cans. AC535

MS DEAL ADVISED SHE IS NOW HOME.

I spoke with the complainant who told me on October 1st she contacted ADT to have her system upgraded. She spoke with a consultant by the name of David. David told her that Jerry Quade would be out to speak with her. On October 7th an employee named Jerry Quade came to her house and told her it would cost \$300 to make an upgrade. The complainant stated Quade wanted her to pay upfront. The complainant did not make any payments to him. The complainant stated that Quade had her bank information on a computer and was reviewing it. On October 8th Quade sent the complainant an PDF file of the contract to sign. On October 10th the complainant spoke with Quade and said she did not complete the contract and stated she could not afford to pay it. Quade tried to negotiate the upgrade and called his boss, who lowered the price. On October 12th the complainant discovered that \$300 was taken out of her account through Navy Federal Credit Union, and transferred through Western Union to Florida and picked up by a David Avery. I advised the complainant to contact ADT, speak with a manager, and see if they sent any employee's to her house recently. I also advised her of the resources she could reach out to on the Ohio Attorney General's Office. She was provided with the complaint number.
