OFFICERS OUT WITH A SUSPICIOUS VEHICLE.

I, Ptl. Allen #519, saw a green Pontiac Sunfire (bearing OH PC GVL5653, which came back to a North Ridgeville address) parked in the parking lot of McDonald's with two occupants, a white male sitting in the driver's seat and a white female sitting in the passenger seat. The two were sitting in the parking lot and neither was eating food. 10 minutes later they were still sitting in the lot and were not eating food. When the couple saw that I returned to the parking lot, they left the lot, then went and parked in the lot of Mapletown Plaza and parked near the south side of the plaza for approximately 5 minutes. A silver Oldsmobile Intrege (OH PC GTZ9425) pulled next to the Sunfire at Mapletown for approximately 2 minutes and then left. The green Pontiac then returned to McDonald's and parked in their lot again. This appeared to be very suspicious activity to me, knowing that we have had several individuals purchase heroin in McDonald's parking lot. We have also had several individuals go into McDonald's bathroom and use heroin, only to nearly overdose and need a rescue squad to respond and transport them to the hospital. I approached to investigate and insure that no illegal drug activity was taking place among these parties.

I approached the vehicle and spoke with the passenger/owner of the vehicle, Michelle Meagher, who informed me that the driver, her boyfriend, identified as Butch Crow, had gone into the bathroom. She stated she and Crow were going to meet a friend to have breakfast with there. While we were speaking to Meagher, Crow walked out of McDonald's. Upon seeing us speaking to Meagher, Crow turned around and started to walk back into McDonald's. We ordered him to stop and he took a few more steps and opened the door. As I ran towards him, Crow stopped and stated he left his wallet inside. After speaking to Crow and Meagher, their stories did not match as to why they were there. Speaking further to Crow, he admitted that they were waiting for a dealer to buy heroin from, but he never arrived and that he had two needles in his pocket. Crow was detained, handcuffed and searched. I located two capped and empty syringes in his right front pocket. I also located a spoon that appeared to have been cleaned, but had burn marks on the bottom of it. I also located a lighter in his pocket. There was no liquid in the syringes, however, Crow stated that he had not got to use them that day because the dealer never showed up and that he cleans his instruments after he uses them to prevent contracting Hepatitis. Crow was issued citations for drug paraphernalia for possession of the spoon/lighter and for the syringes. Case to be heard in GHMC. GRA519

She wanted to know how to have that incident forwarded to the court in addition to the initial incident. She was told to contad GHPD for their paperwork and to bring any further evidence she has with her to any court proceedings. She was also advised not to go to Trista's home, even though it is not in Maple Hts. Pamala also wanted it documented that Cuyahoga County Department of Child and Family Services is now investigating her and she beleives Trista made the report to them. She feels that it is unwarranted and wanted to charge Trista for making the complaint with DCFS. She was advised that she cannot do that and if a false claim was made to DCFS, they would address that issue as a part of their investigation. GRA519.

FEMALE IN THE LOBBY MAKING A REPORT FOR HER MISSING GRANDSONS. MISSING PERSONS PACKET WAS FAXED TO SGT. MONICA EVANS WITH DAYTON PD. SHE WILL HAVE THE MOTHER FILL IT OUT AND FAX IT BACK. RE: MA160071673 AND MA160071476

On 09-13-16, at approximately 1050 hours, Sharon came to the MHPD to report Jovon and Devon Lewis missing. According to Sharon, they left her residence on 09-12-16, at approximately 2000 hours. At approximately 2103 hours, they returned to the residence and went inside while she was sitting outside on the front porch. On 09-12-16, at approximately 2105 hours, another relative stepped outside and asked where Jovon and Devon were. Sharon went inside and checked the interior of the residence without locating them. Sharon stated she does not know where the boys are and according to her, they do not have any cellphones. Sharon completed a witness statement. STB514

On 09-13-16, I received both missing persons packets back from the mother, Aishia Mays.

Jovon Lewis is described as a black male, approximately 6'02", 180 pounds with a medium build. Jovon has black hair worn in a medium length curly afro and brown eyes. Jovon does not wear glasses or contacts and has no facial hair. Jovon also goes by the nickname of "JoJo". Jovon has no medical conditions, is not on any medications, and has no tattoos or body piercings. Jovon does suffer from severe acne. Jovon does not have a cell phone. The dental form was completed. There was no photograph provided for the CCSO Facebook page. Even though Aishia had not seen Jovon, she listed he was wearing a white T shirt, black sweatpants, Nike socks, and purple tennis shoes, and a grey and white hoodie.

De'von Lewis is described as a black male, approximately 5'06", 120 pounds with a thin build. De'von has black hair worn in a medium length curly afro and brown eyes. De'von does not wear glasses or contacts and has no facial hair. De'von goes by the nickname "Vonn". De'von has no medical conditions and does not take any medications. De'von does not have any body piercings, scars or birth marks. De'von has a tattoo of a heart with Aishia on his right shoulder. De'von does not have a cell phone. The dental form was completed. There was no photograph provided for the CCSO Facebook page. Even though Aishia had not seen De'von, she listed he was wearing a red T shirt, black pants, Nike socks, tan tennis shoes, and a black hoodie. De'von also had a tan, pink, and orange book bag with other clothing in it.

According to Aishia, Jovon and De'von ran away from home in Dayton and their grandmother, Sharon Lewis-Sanders, paid for bus tickets for them to come to Maple Heights. Sharon, Jovon, and De'von had come to the Maple Heights Police Department on 09-12-16 (reference 16-0071476). After they left MHPD, it was discovered Jovon and De'von were entered as missing juveniles. Dayton P.D. was contacted and informed the juveniles were at their grandmother's residence. Dayton P.D. removed the juveniles from L.E.A.D.S. When Aishia arrived in Maple Heights it was discovered Jovon and De'von had ran away from Sharon's residence. Aishia returned to her residence in Dayton.

De'von was entered into L.E.A.D.S. as a missing juvenile. IDX # MX07911403. NIC # M383479083

were dispatched to Cuddly Kiddies Child Care at 5834 Lee Rd for a disturbance. We spoke with Cynthia Hayes, who stated that Aja Williamson came to the business earlier with her father, Mark Webb. Williamson was upset because Cuddly Kiddies had withheld her last check. Hayes stated that she had spoken with Williamson on multiple occasions about the debt she owed the business for childcare. Hayes stated that she was advised by her attorney to withhold the check. We made contact with Williamson and Hayes about the incident, advising them of trespassing and to contact an attorney.

On 09/15/2016 at approximately 1550 I spoke with Theresa Robertson in regards to an unauthorized charge to her bank account, through PayPal. Theresa stated that on 09/08/2016 her Fifth Third Bank account was charged \$74.63 for an ebay purchase for a pair of adidas Men's Galaxy Elite running shoes, \$59.99 for a 240 HDD Internal Solid State Drive, and \$55.00 for a Pny 240 gb Internal Solid State Drive. The shipment was tracked to a USPS Office in Claymont, DE. I contacted the Post Office at that location and they were not able to tell me where the package was shipped to from their Post Office. Theresa deleted her PayPal account, and she was refunded \$189.62. Theresa also closed her account and opened up a new account. Theresa wanted the incident document. She was given further information on how to prevent future incidents. DF #540

On 09/15/2016 at approximately 2130 hours, I, Ptl. Frazier responded to 5110 Arch St. for a report of an eleven year old male throwing things and approaching his mom with a stick. Upon my arrival, I located the juvenile male, identified as Jamari Black. Jamari had a long metal pole in his hand and he was standing at the bottom of the patio stairs, while his mother was on the top of the stairs. Cpl. Pozek took the pole away from Jamari and I spoke with Jamari. Jamari stated that he was upset because his mom, Rochelle Black did not help him with his homework. Jamari was told to go to his bedroom, and as he was going to his bedroom he threw a chair. Rochelle decided to discipline Jamari for throwing the chair. Jamari made accusations that Rochelle threw the chair at him, striking him in the hand, he also stated that Rochelle choked him while his sister scratched him. Jamari did not have visible bruises from being hit in the hand, or from being choked. He did have a scratch on his neck, which Jamari stated his sister scratched him. I spoke with Rochelle Black and she confirmed Jamari's story, but she denied choking Jamari and she also denied his sister scratching him. Jamari stated that he was contemplating suicide. Maple Heights Rescue Squad transported Jamari to Marymount Hospital. DF #540

On 09/15/2016 at approximately 2330 hours I responded to 6120 Thunderbird for a report of a male refusing to let a female leave the residence. Upon arrival I spoke with Tiffany Forte and Ronnie Jones. Tiffany stated that she and her boyfriend Ronnie had a verbal argument. Tiffany put her clothes in her vehicle so she can leave the residence. Ronnie took the clothes out of Tiffany's vehicle and took them back in the house. Tiffany followed Ronnie in the house in attempt to get her clothes. Ronnie stood near the door and continuously asked Tiffany to stay. Tiffany told Ronnie that she did not want to stay. I asked Tiffany if she attempted to leave out of the side door and she stated "no". Tiffany stated that there was not a physical altercation and Ronnie did not threaten Tiffany. Tiffany wanted the incident documented and she wanted officers to stand by until she left. Tiffany stated that she would like to return to the residence tomorrow to gather some personal items. Tiffany was advised to go to the Maple Heights Police Station for an escort. DF #540

The driver/owner was found to be DUS. He stated he had an emergency situation and had to transport his daughter from her daycare center to the Garfield Pediatric Center on Granger. I called the daycare and they confirmed that the child was having difficulty breathing and her father was supposed to be en route to transport her to the doctor. I

also contacted Garfield Pediatrics and they confirmed the expedited walk in appointment for the child. He was advised on his status and will not be driving in any other situations. GRA519.

Male stated that he received a call from a male who identified himself as an employee of a loan company. The male stated that the male told him that he was eligible for a \$9,000 loan for his education and in order to receive the money the victim was told to purchase (1) \$500,(1) \$265, and (1) \$250 itunes gift card, then to scratch the numbers off the back and provide him with the numbers. The victim stayed in contact with the male and gave him the numbers off the gift cards. The victim stated that he made contact with Apple and advised them of the scam. Apple told the victim that they were able to put a stop on the \$500 and \$265 gift cards, but not the \$250 card. The male said that per Apple he needed to have the incident documented. I advised the victim how to get in contact with the Ohio Attorney Generals Officer Fraud Department to file a complaint. The victim was given the case number.
