FEMALE ADVISED (THE INCIDENTS OCCURRED OUT OF STATE-GIVEN CAD #
FOR REFERENCE)

The complainant, Conicia Hardy, advised that her Capital One Credit card had been used in PA, TX and FL without her knowledge after someone hacked into the account online and changed the information on file. An investigation with credit unions has been started to confirm the information and go forward. I attached the letter Conicia provided to me detailing the incident which included the names of the individuals that were on her accounts; Bellia Newna and Agnes Stallworth. There were also three addresses added to the account; 650 Shrewsbury Rd. Mary Ester, FL 32569, 23137 US Highway 322 Cochran, PA 16314, and 3160 Highway 59 Beeville, TX 78102. Charges for \$740.97 on 9-12-16 were successful, and charges for 712.42 on 9-13-16 were unsuccessful. Fraud alerts were added to the Capitol One account and to credit unions which Conicia contacted. A new account through Sprint was also created in Conicia's name despite the fact she did not have a Sprint account and the confirmation email sent from Sprint was added to this report as well. AC535

On Wednesday, 09/21/2016 at approximately 1800 hours I, Ptl. Frazier #540, responded to 18011 Maple Hts. Blvd. for a report of a juvenile female that left her residence without her mother's permission.

Upon my arrival I spoke with the juvenile's mother, Jacqueline Pickett. Jacqueline stated that she and her daughter, Cieralynn Pickett got into a verbal argument because Cieralynn was not supposed to have her cellular phone and she took the phone from Jacqueline's room without her permission. Jacqueline asked Cieralynn to give her her cellular phone and Cieralynn refused. Jacqueline physically restrained Cieralynn and took the cellular phone from her possession. After Cieralynn got her phone taken, she began to talk on the house phone. Jacqueline took the house phone from Cieralynn and told her not to get back on the phone without asking for permission. Cieralynn went to her bedroom. Jacqueline's son arrived home and asked Jacqueline where Cieralynn was, Jacqueline stated that she should be in her room. Jacqueline's son went into Cieralynn's bedroom and realized that she was not in her room. Jacqueline and her son checked the residence and was unable to locate Cieralynn. A report was taken and Cieralynn was entered in L.E.A.D.S. as missing, NIC/M953484611.

On 09/21/2016 at approximately 2135 I responded to 18011 Maple Heights Blvd. for a report of the return of Cieralynn. Cieralynn stated that she was upset about the verbal argument that took place with Jacqueline. Cieralynn was not injured and she is not suspected to be involved in criminal activity. Cieralynn was taken out of L.E.A.D.S. as missing. DF #540

1536 POSTAL INSPECTOR ON SCENE. THE SCENE WAS TURNED OVER TO POSTAL INSPECTOR MACEK.AB

The postal carrier, Tenard Gauldin, was walking his route, heading westbound on Maple Hts Blvd in the area of North Blvd, when an unknown party driving a white work style van told him that there was a female inside of his truck. Gauldin ran back to his truck and saw black a female wearing a maroon shirt, black pants and rainbow colored (furry) Ugg boots. Gauldin stated the female was approximately 20 years old and had one half of her hair braided and the other half was hanging down. Gauldin stated that he would be able to identify the woman if he saw her again because she walked passed him as he walked up Maple Hts Blvd and they said hello to eachother.

Gauldin discovered that multiple packages had been opened. At this time it is unsure what items had been taken.

I discovered a partial palm print on the exterior of the passenger side window and a few fingerprints on the inside of the window at the same spot. The prints were indicative of someone grabbing the top of the window and trying to push down on it. I processed the truck by taking photos of the disturbed packages. I also applied volcanic powder to the prints to enhance them and I lifted them off both sides of the window.

USPS Postal Investigator L. Macek arrived on scene. I turned fingerprint evidence over to him and he collected the disturbed packages. The entire scene was turned over to him. GRA519.

THEFT OF MONEY FROM CARETAKER WHO IS THE CALLERS SON
ANTHONY BROOKS 7/6/76

On Thursday, September 22, 2016, I, Ptl. Stolarik #542, spoke to a James Johnson who stated that on August 30, 2016 he found that \$6000.00 was missing from his safe in his bedroom. James was staying at his son's, Anthony Brooks, residence as he just moved here from Arkansas. James stated that his son

purchased the safe for him to keep valuables in. At one point, both James and Anthony had a key to the safe. On or about August 25, Anthony returned his key to James due to personal differences. James states he is unsure why Anthony returned the key. James also stated that Anthony has power of attorney over James' bank account which he initiated. Anthony confirmed having power of attorney. James stated that the \$6000.00 was in the safe after he was in possession of both keys. James stated there was an additional \$2000.00 dollars that he removed from the safe that he used to pay bills with.

The safe was in good condition and appeared to have no damage. When the safe is opened the key cannot be removed. I spoke to Anthony about the missing money. Anthony stated that he did not take it and has no reason to. Anthony stated whi having power of attorney he could take money if he wanted to but has no reason too. Anthony informed me that there was an issue at James' bank, Fifth Third 16453 Libby Rd., where he accused them of taking \$500.00 from his bank account. Due to that issue, the bank made it mandatory for both James and Anthony to be present for money to be given to James. Anthony also informed me he believes that James may have the onset of Alzheimer's. Anthony believes this to be true as James forget recently how to get back to his apartment while at the bank which is on the same street as his apartment. Anthony has on several occasions had to pick James up in Cleveland as he did not know how to get home even though he grew up in northeast Ohio.

At this time, it is unknown what occurred with the money. James is unsure if he wants to prosecute for the crimes as he would never want to do that to his son or his son's family. James was given a waiver of prosecution and given to 09/30/16 when I return to make a decision. JGS542
