On 09-04-16, at approximately 0100 hours, an unknown subject is seen walking from Raymond through the front yards to the caller's address. Once in the caller's driveway, the subject is observed trying to open the doors on 3 parked vehicles. The vehicles were locked and entry was not made. The subject is seen walking back towards Raymond where it appears the subject meets with someone else (due to distance and trees it was not possible to obtain any information on the second subject). The subject who attempted to open the doors appeared to be wearing a light colored hoodie with the hood up and light colored pants. Due to the time of night, the views of the cameras did not allow for any recognition. Caller wanted the incident documented. STB514

CPL POZEK REPORTING A FEMALE ON STATION REPORTING IDENTITY THEFT.

On station I spoke to the caller, Khalia Washington. Khalia stated the following. Khalia received a phone call from (817-400-0085) from a male who only identified himself as a Maple Heights Police Officer. The male yelled at her and told her she had a warrant and the police were going to come to her house unless she gave them a money order of \$ 485.00. Another male called back advising her they were the Sheriff Department and they were going to kick in her door. Both males had strong Indian accents. Khalia hung up the phone and went to the Police Station. I advised Khalia she did not have a warrant. I called the number and the voicemail states "You have reached the Attorney General Sam (cannot understand the last name) please leave a message." The message does not indicate what state the person claims to be an Attorney General. Khalia did not give this male any money and I advised her against this. KP 522

21 YO FEMALE MISSING SINCE YESTERDAY. LAST SPOKE TO HER AT 11:15AM AND SHE WAS HEADED TO CITIZENS BANK ON BROADWAY.

(CM)

Comp last spoke to his live in girlfriend, Nzinda Dennis, on 09/07/16 at 1148hrs, via telephone. He was at work and she spoke to him, advising that she was walking to Citizen's Bank on Broadway. He checked their account and saw that she made two withdrawals at Citizen's Bank on 09/07, so she did make it to the bank. He has not been able make contact with her since. Her phone is now going straight to voicemail. Yesterday, he checked the GPS on her phone, which showed she was somewhere in the area of 5107 or 5109 Philip St. He cannot tell if she has any clothes, but she did take a towel and a washcloth. She also left her key to the apartment on their mailbox.

Compl stated Nzinda has never been out of contact with him for over a day or so. He became worried because she did not pick their daughter up from daycare. He also stated they had an argument after she caught him on chatting with other women on the Plenty Of Fish app on 09/05/16. He stated they seemed to have resolved the incident though. He stated that Nzinda might have been bi-polar/ADHD when she lived in Florida over two years ago, but she has not taken medication or seen a doctor for mental disorders since then and has not had any noticable mental problems since. She is not believed to have any physical disabilities. He was advised to contact Ptl. Allen if Nzinda has made contact with him within 72 hrs of last contact and she will be entered as a missing person. GRA519.

COMPLAINANT ON STATION WANTING TO SPEAK WITH OFFICER ABOUT AN INCIDENT AT THE SCHOOL TODAY INVOLVING HER SON IN CONNECTION TO HIM BEING CAUGHT WITH ALCOHOL.

Maple Heights High school had found a female student intoxicated at school. The school accused Kristian Chavers (16) of also consuming alcohol and advised his mother, Shantae Chavers, that Kristian could face expulsion. Kristian stated that he found the female drinking alcohol and took the bottle and poured the liquor out. Shantae stated the school gave Kristian a breathalyzer and they told her Kristian's BAC was a .130 then a .180. Kristian asked if I could give him a BAC test to prove he wasn't drinking. I gave Kristian a portable BAC test and his BAC was .000. Shantae wanted this documented so she could give this to the school.

WANDA MITCHELL-CAMPBELL 05/25/1950

Female is complaining about neighbors on both sides with their children running in her yard. She also believes one of the neighbors is putting something on her grass causing it to turn brown. She also complained about the quality of her mail delivery with mail being torn. She has contacted the local post master. While speaking to me, her story jumped all over the time line, what her complaints were, and saying one neighbor is her best friend and then stated he was one causing her problems. I spoke to her daughter, Brittney Mosby, Brittney stated the kids are running through the yard but did not seem concern about it. When I asked Brittany if her mother had mental issues, she stated her mother is seeing someone but did not say for what reason. From Brittney's response and Wanda's behavior, I would say Wanda is suffering from mental illness. Wanda was advised to call the MHPD when the kids are in the yard, not 3 months later like this complaint. STB514

LT GAZER ADVISED OF THE CALL.					
Upon my arrival at Marymount Hospital I spoke with William Thorpe. William was wearing a neckbrace and had a cut over his left eye. William stated when he won it was time for the males to pay up. One of the males struck William with a pool cue and William stated he staggered out of the bar to his residence. William stated he would contact me if he wished to pursue charges or make a statement. My information was left for William to contact me. I went to Wing's Bar and spoke to the manager about security footage. The manager stated the other manager would be able to provide me with the footage sometime next week. When or if this happens I will submit the footage with this report. KP 522
