District 2 Town Hall meeting Tuesday, April 19 at 6PM at St. Andrew's Church 16029 MaplePark Drive.

This year we will be joined by District 3 and we will be discussing current affairs in our City. The Mayor and a representative from Maple Heights Police Department will be there. Refreshments will be served.

STREET CONDITIONS: Many residents are voicing concerns of their street conditions. The increase in the Ohio gas tax in 2020 was to enable the City to receive \$1 Million Dollars in for street resurfacing. With COVID having more people working from home and less driving during the pandemic, the dollar amount plummeted. However, in District 2 last year we were able to resurface Wheeler Road. The City Engineer will be 'grading' the street conditions in each District in early Spring to determine which streets will qualify for 2022.

WASTE MANAGEMENT: I am in weekly contact with WM regarding concerns regarding pickup. New changes include a new limit on bulk pickup which is limited to 2 items. Bulk pickup must be scheduled in advance by filling out the form on the City website. Only 2 additional items are allowed outside your trash cart. If you need additional WM trash cart please call them at 1-866-797-9018. For recycle pickup: both sides of Dunham are collected on the green weeks.

MUSIC IN THE PARK RETURNS to Stafford Park this summer! Visit www.citymapleheights.com for updates.
