➤ **City Hall Elevator and Vestibule Update** “Masons laid the block walls for the elevator shaft and the support columns for the new foyer area. A picture of the progress is included below. Next steps include getting a roof on the elevator shaft and enclosing the foyer area so work can continue as under cover as winter approaches. The project remains approximately on schedule”. **Please reference the City’s Website for updates.**

- Please Check out our City’s New Website for City & Community updates: <http://www.citymapleheights.com>
- **Door-to-Door Inspection Program** The Department of Building will inspect all residential properties in the City on a 5-year rotating basis in each of the 7 Council Districts per year. To begin the Program, the Department has identified a street, or section of small streets, in each Council District to inspect this Fall, 2021. In some Districts, these inspections have already begun. The Annual Door-to-Door Inspection Program will begin again in Spring 2022.

• *From The Desk of the Mayor:* The official 2020 Federal Census results for the City of Maple Heights has confirmed a population of 23,701. Our city is growing the 2010 census count was 23,138.

A Team is built with several key players, one good at one thing while the other is excellent at another. It can add to the strengths and diminish weakness by working together.

*My relationship with you, my Constituents is a Partnership
We can do this Together!*

I cannot **Stress** the importance of having your **Email Address**. This will allow me to keep you updated on what is going on in our District as well as our Community. This form of communication can get to you quickly and efficiently. ***Please submit your email address via my email d4.councilwoman.anderson@gmail.com***

It is an old cliché but so true: Together We Stand-Divided We Fall
