

INFRASTRUCTURE UPDATES

The city continues making investments in infrastructure by repairing aging roads and sewers across the city. This is the project timeline for upcoming projects in District 6.

2024 Project Timeline

Franklin Road – Water main replacement – resurfacing road.
Hillgrove Avenue – Water main replacement – resurfacing road.

2025 Project Timeline

McCracken Road – Resurfacing from Portland Ave to Warrensville Center Rd.
Maple Heights Blvd. – Resurfacing from Warrensville Center Rd. to Raymond St.

Pictured above, construction underway of Longview Avenue. This road was resurfaced this fall.

NEW HOME CONSTRUCTION IN DISTRICT 6!

Progress continues on construction of two new homes on Hansen Road. Completion date of these new homes is set for spring 2024.

TOWN HALL MEETING

Thursday, November 2d was the District 6 Town Hall meeting. Special guests were Mayor Blackwell and Police Chief Hansen. Updates were shared about District 6 and the City. A Q&A session was followed afterward for residents. Thank you to those residents who attended.

SANTA COMES TO MAPLE HEIGHTS!

On Saturday, December 16th, Santa Claus & Mrs Claus came to town! Families enjoyed their photo taken with Santa and Mrs Claus, arts and crafts, music, treats and free new coats were given away. Thank you to our community partners CCPL Maple Heights Branch, Teens with Purpose and Maple Heights City Council's Community Life & Education Committee for sponsoring this event.
