

2021 Paint the City Program

City of Maple Heights

The City of Maple Heights is proud to offer the 2021 Paint the City Program, which provides owner-occupants the opportunity to repaint the exterior of their home with the assistance of the City to purchase painting supplies. The Program is a great way to promote the curb appeal of your home and preserve your home for years to come. Applications are awarded on a first-come, first-serve basis while funds are available. The paint colors chosen must be conducive to the City and the surrounding homes.
