On the above date and time, Officers responded to 5459 Hollywood Ave. Maple Heights OH for a report of threats involving a firearm being made. On arrival, Officers spoke with Monique Grayson in the drive way. Monique stated she went to Rayshawn Cousin's house to pick up her sister because she needed help watching children. She stated that Rayshawn was upset because someone knew where he lived. Officers then established contact with the caller, Tatiana Crim, inside the residence. Crim advised that Rayshawn made threats via text message. Upon reviewing the text messages, there were no threats made and no mention of a firearm being used. Angela advised this item belonged to the Swiss Chalet maintenance. She advised she wasn't sure of its value but knows it was included in a pack of a Ryobi saw, and drill (valued at \$300 total). Angela advised she had video footage of the incident and stated she just wanted the light back. I advised her the incident would be documented. LK558

On the above date and time, FTO. St. John #548 and I, PTL. Ross #570, responded to the Maple Heights Police Department Lobby for a report of a stolen purse out of a motor vehicle. The complainant, Sierra Taylor, advised she stayed at her mother's apartment located at 15900 Maple Heights Blvd the night prior, Monday August 8, 2022. She parked her vehicle in the parking lot of the apartment complex and stayed inside from 18:00 hours to 12:00 hours on Tuesday August 9, 2022. Upon returning to her vehicle, she noticed her black-colored purse was missing from her vehicle. She stated that she left her vehicle unlocked overnight. Her purse contained her photo ID, two Cash-app cards, two EBT cards, one Instacart card, her medication inhaler, and loose change totaling to approximately \$2.00. Taylor was advised to lock her vehicle and to be sure to remove all valuables when leaving it overnight. No suspects were identified. NAR570

I spoke with the caller, Julia, who was concerned after speaking with her mother, Lisa Jones (ODL SD208665). Lisa had told Julia that the Maple Heights Police
Department had active warrants for her arrest and were conducting surveillance on her home in Cleveland Heights. I verified that Lisa has no active warrants,
nor is MHPD conducting surveillance on her home. Julia advised that Lisa suffers from several mental health disorders, however, wanted to verify that no
warrants existed. MNS552

I spoke with the caller, Phyllis White. Phyllis stated this morning the neighbor's dog got loose, ran towards her vehicle and struck the collar on her vehicle. Phyllis admitted she does not have security cameras on her home. Phyllis stated she spoke with the neighbor and the neighbor denied that that the dog scratched her vehicle. I observed a minor scratch to the front right bumper. Phyllis was advised to invest into security cameras. I attempted to made contact with Phyllis neighbor, but there was no answer. When asked, dispatched advised there has not been any animal complaints at Phyllis neighbor residence (18304 Edinboro Ave.). Phyllis just wanted this incident documented. Phyllis is possibly 1096. Photographs of the scratched was attached to the sheet. I provided Phyllis a copy of the CAD incident number. ML563

To All:

If Allen Primious is stopped for his capias warrant for FTA in GHMC for menacing by stalking he's to be picked up/brought back to the station per Det. Lt. Swope

Primious resides at 14502 James- if we could get an alert on the residence for the warrant that would be great. To make life easier all his printouts are attached in the file.

Det. Sperie is to be notified of his arrest via email- he doesn't need any special treatment- just let Primious post his bond or sit until court.

Thanks

Sperie

On Wednesday, August 10, 2022, at approximately 1203 hours, I, Ptl. M. Lowe received a Maple Heights Police Department online report for fraud. I spoke with the compliant, Tim Presby. Tim is the owner of Gales Garden Center, 5211 Lee Road, Maple Heights, Ohio 44137. Tim stated his employee, later identified as Antonio Taylor double cashed his check last pay period of July 29, 2020. Tim stated initially the correct amount for his paycheck was supposed to be \$300. Tim stated Antonio cashed his check through his personal bank and then cash it through a check cash company. The amount came up to \$600 which Antonio double cashed his check. I advised Tim that he could pursue criminal charges against Antonio, but he denied at this moment. Tim stated he is just going to hand this incident within his company. Tim stated he is looking to terminate Antonio due his dishonesty and calling off of work. At this time, Tim does not want to pursue criminal charges against Antonio, but just wanted this incident documented. I provided Tim the CAD incident number if at a later date chooses to pursue criminal charges against Antonio. Tim just wanted to seek advice about this incident. ML563

4563- HEADED BACK TO CITY

On Wednesday, August 10, 2022, I responded to the Maple Heights Police Department lobby to speak with Crystal Love. Crystal stated she and her child's father, Deondre White, share a 7 year-old daughter together. Crystal stated Deondre took possession of her on June 10, 2022 and was due to return her on August 5, 2022. According to their court order through the Cuyahoga County Juvenile Courts, Deondre is supposed to have her for 8 weeks. According to Deondre, Crystal did not have a sitter for her and she needed Deondre's mother to keep her a week prior to the agreement. Deondre stated his 8 weeks did not start until June 16, 2022. Neither party provided proof of the scheduled date for her to be turned over to Deondre's custody. Deondre agreed to have her turned over to Crystal on August 11, 2022 at 1800 hours. Crystal requested Officers do a welfare check on her since she only talked to her twice since she has been gone and according to Crystal, the last time she saw her, she was lethargic. Deondre and his mother Tonya White, refused to show Officers the child, however after convincing Deondre, he told Tonya to bring her to the window. It is to be noted that Tonya refused to come to the door to speak with Officers and would only speak with us through a screen that was in the window. DF#540

CALLER WOULD LIKE AN OFFICER TO COME OUT.

On Wednesday, August 10, 2022, at 2030 hours, Cdt. Matash #569, Ptl. Colangelo #567, and I, Ptl. Zelna #550, were dispatched to the residence located at 20756 Applegate Av. for a report of juveniles trespassing on his property and refusing to leave. Upon arrival, Ptl. Colangelo spoke with the caller and resident Bobby White. Mr. White advised officers of a group of juveniles playing football in a property adjacent to his own. The property in which the children were playing catch with a football was 5500 Northfield Rd. is occupied by Lamplight Inn, an elderly assisted living home. Mr. White advised Ptl. Colangelo the childrens proximity to his yard was disturbing him and he wanted them to leave. Ptl. Colangelo advised Mr. White the children were not on his property and he cannot order children off property he does not own. Mr. White advised he had a negative verbal interaction with this group of juveniles from the neighborhood and he is upset. The group of juveniles in question had not been in Mr. White's yard today. Cdt. Matash and Ptl. Colangelo went over to 5500 Northfield Rd. and spoke with the juveniles playing catch with a football. The juveniles stated they asked the assisted living home staff if it was ok to play there. Staff members were present outside smoking cigarettes and advised the juveniles were no bother to them. On Wednesday, August 10, 2022 I, Ptl. Thomas #560, was dispatched to 14907 Tabor Ave. for a report of someone flashing a flashlight at the residence's window. Resident, Elijah Lopez, told dispatch the person may have a gun and it sounded like someone might be inside the residence. Upon arrival, Elijah was upstairs in his residence and later met officers at the side door. Elijah stated a male wearing a white hoodie was holding a female hostage with a gun and flashing a flashlight into his upstairs bedroom window. All doors and windows were secured and officers checked around the house. Elijah appeared to be having a anxiety attack and refused the offer of letting officers check the residence to verify someone was in the residence. Elijah denied any sort of drug or alcohol use. Elijah stated he would call back if he were to see the individual he believed he saw. Officers checked the area with negative results for anyone matching that description. MWT#560

While she was moving her belongings into the residence, a black Jeep Compass pulled into the driveway and blocked her vehicle in. Lakesha's vehicle is a gray Kia Sorento. No vehicles were involved in an accident. Chagrin Valley Dispatch contacted me and informed me that the owner of the Jeep, identified as, Karla Robinson was at the hospital from a heart attack and used to live at the above address. Karla's son, Jamir Warren- Bey Wimbl was the operator of the Jeep and left the vehicle at the residence. Dispatch attempted to contact Jamir to retrieve the vehicle, but were unsuccessful. I cited the vehicle for standing or parking in specified places since it was blocking the driveway to the residence, citation number 14693. Kelly's was dispatched to take the vehicle. FC567.

I spoke with Steven Salata over the phone in reference to a dog bite. Steven stated a brown pitbull with white spots and a red collar was in the area of Waterbury Ave and Beechwood Ave, while he was taking a walk. The dog followed Steven for a short period of time and then bit him in the right side buttock. Steven stated there was no blood, or penetration - however he wanted this information documented. There were no injuries to be photographed. I located the small pitbull in the front yard of 5570 Beechwood Ave. I spoke with the owner, Erica Rice-Roberts, she appeared to be very ill and advised me the dog was on a leash but broke away from it. I advised Erica she would be getting a citation tomorrow due to her being this ill. This sheet will be updated once Erica provided

me with vaccination information. HK 553

SOMEONE STOLE HIS DEBIT CARD AT WENDY'S AND NOW THEY ARE MAKING PURCHASES

On 08/12/2022 I spoke with Jason Basco. He advised me on 08/11/2022 around 0900 hours, he went to Wendy's at 5360 Warrensville Center Rd. After he ordered his food, he doesn't remember getting his Fifth-Third Debit card back. Jason advised me he didn't realize the card was missing until 08/12/2022 around 1052 hours when his bank notified him of possible fraudulent activity. Five transactions were attempted for \$50 to a CashApp account, one to a NELL, and four to ALEATHEA. Both in Ontario Canada. Jason advised me that once the transactions go through, he will be contacting his bank and providing them with the police report number. Should a suspect be positively identified, a criminal report will be generated. LK558

CALLER IS IN THE FRONT LOT, TO THE LEFT OF THE MAIN ENTRANCE IN A 2010 SILVER TOYOTA TACOMA. HE NEEDS TO REPORT THE ATTEMPTED THEFT OF A CATALYTIC CONVERTER FROM A 2019 BLACK F-250 PICKUP THAT'S PARKED RIGHT NEXT TO HIS.

I spoke with Ben Allison who advised that his vehicle was towed to Liberty Ford 08/02/2022. He picked the vehicle up at 08/03/2022. On 08/04/2022, Ben noticed that the vehicle was emitting a smoke when it wasn't before. On inspection, he realized that the catalytic converter had been cut 3/4 of the way through. He took photos which are attached to the sheet. Ben checked his own camera system but didn't observe any suspicious behavior so believes the incident took place the night of 08/02 and 08/03 at Liberty Ford. Ben wanted the incident documented to make an insurance claim. I was unable to locate any video footage or any witnesses. If a suspect is identified a report may be generated. LK558

FEMALE ON STATION TO REPORT A THEFT

Spoke with the complainant, DaVonna Smith. She stated she received a text message she believes was from her on again off again boyfriend, Ricky Thompson, that stated he was going to break everything inside her residence. DaVonna arrived home and found both her front door and side door unlocked, no forced entry, and the inside of her residence was ramshacked. DaVonna found sunglasses and her jewelry box on the ground with clothing pulled from drawers. She states two tennis necklaces that she received as Christmas gifts, diamond earrings valued at \$1,000.00 and mouth jewelry valued at \$250.00 were missing. DaVonna was not able to show me any messages corroborating her story. She said Ricky called her and said he had her things. She had no proof of that either. There are no cameras in or at her residence. DaVonna said Ricky goes back and forth between Florida. She provided me a phone number she believes is his that she talked to him on. I contacted the number with no answer and left a message. Awaiting a response from my message and believe this maybe a civil issue due to living arrangements. COB549

I, Cdt. Jochum #571 and Ptl. Kaur #553 were dispatched to the lobby of 5373 Lee Rd. for a theft report.
Upon arrival, officers spoke to Carmalita Banks. Banks stated that approximately three weeks prior she hired Ricardo Walker to complete concrete work at her residence. Walker reportedly started the work and had brought tools to Banks' residence; However, after only a few days Walker came back to the residence and took his tools as well as Banks' shovel, rake, and a pair of boots. Banks has since observed that a wall outlet was also broken and believes that it was broken by Walker but has no proof of that. Banks further advised that she has a written contract with Walker and she has paid \$3,300.00 for the work to be completed and still has \$3,300.00 due upon completion of the work. Banks has called Walker who reportedly stated that he was going to return to complete the work but has not done so yet. Banks was advised this was a Civil Matter.

Upon Officers arrival to the scene, we made contact with Shontiana Barnes. Barnes advised that she believes Brendyn Green, a female who has recently been trying to cause trouble with Barnes, caused damage to her vehicles tires by cutting them, creating a slow air leak. Barnes further advised that she did not witness the incident, however her neighbor has an exterior residential camera that she believes would have likely recorded the incident. Officers on scene photographed the vehicle and have added the photos to this sheet. Barnes was advised to contact MHPD for any further assistance with the incident.

I spoke with Mercedes who advised me that her Aunt Brianna Poole made several threatening comments to her after a previous family altercation. Brianna and her boyfriend Jahaad Jackson pulled into the driveway today and saw Mercedes call police. Brianna and Jahaad then left without exiting the vehicle. Mercedes advised me that she does not believe Brianna will follow through with anything, doesn't feel threatened and does not want to file any criminal charges. She advised she only wished to document the incident in case of any future issues and to file for a protection order if necessary. Mercedes advised she would call us back if any further issues arise. OUT AT 14704 TOKAY

On Sunday, August 14, 2022 at approximately 1634 hours, I, Sgt. Frazier, responded to the Maple Heights Police Department lobby to speak with Frankie Motley regarding an animal at large complaint. Upon arrival, Frankie stated she previously had issues with the white and brown pitbull, located at 14704 Tokay Avenue coming into her backyard. Frankie stated on August 14, 2022, the pitbull came into her yard once again. Frankie took photographs of the pitbull in her yard; the photographs were attached to this call sheet. I made contact with the owner of the pitbull, Javoane Junior Brown. Javoane stated the pitbull belongs to her wife who was not at home. Javoane took the appropriate measures while Officers were on scene to make sure the pitbull could not reach the fence to climb over. Javoane was issued MM citation # MA31505 and give a Maple Heights Mayors Court date of August 30, 2022. DF#540

4566 TO COMPLETE

On the above date and time, I, Ptl. T. Vasko #566 responded to the above address for a complaint of a male trespassing on Keneya Black's (the caller) property.

Upon my arrival, I spoke with Keneya and she advised me when she checked her home camera footage and unknown black male, dressed in black shoes, red shorts, a blue jacket, a light blue mask, grey gloves and a black hat or beanie. The unknown male can be seen coming around the corner of the house to the south and keeps his head down so the camera can't capture his face. Keneya was able to give me this video footage and it had been entered into evidence (TN#30722).

Keneya further states that this is a re occurring incident but has not happened for a while.

While on scene I observed a red vehicle, I've known to be driven by Lonnie Graves pass by the house multiple times. Lonnie lives close to the location and is known to exhibit this type of behavior, however there is no evidence to support this claim.
