FRAUDULENT CHARGES ON BANK ACCOUNT

Akia Givens contacted the MHPD to report money missing from her checking account. Akia stated on August 1, 2022 she deposited \$252 payroll check into her Citizen Bank account. On August 11, 2022, Akia attempted to get money out the account and noticed there was no money available. The customer service representative at Citizent advised Akia to file a police report so she could dispute the charges. Akia was advised by Citizen Bank that all purchases were made on Apple.com and caused her account to overdraft. Akia was unable to provide paperwork on this transaction because she already gave the papework to her payee company.

CALLER ON STATION - THEFT OF A UPS PACKAGE

4568 TO COMPLETE

--568--

On 08/15/2022 at approximately 1111 hours, I Ptlm Duncan #568, responded to the PD lobby to speak with a male about a stolen UPS package. Upon arrival, I met with Gary Williams. Williams stated that on 07/13/2022 he ordered a watch from watchmaxx.com. The watch was delivered on 07/15/2022 at approximately 1334 hours. Williams stated that he was at work until 1400 hours. Williams stated that someone was supposed to sign for receipt of the package. When Williams returned home, the package was missing. Williams stated that he attempted to dispute this with watchmaxx.com. He said it took watchmaxx.com a few weeks to reply to him and he was advised he needed to file a police report. Williams stated the watch he ordered was a Frank Mueller watch which he paid \$5,229.00 for. Williams was able to show proof of purchase on his phone of the watch. Williams was provided with the CAD number.

CALLER NEEDS THEFT REPORT  
UNABLE TO COME TO STATION  
SAYS HE ALSO HAS VIDEO FOOTAGE OF THE INCIDENT

Mitchell Todd contacted the MHPD to report his neighbor James took his lawn sign from his property and threw it away. Mitchell and James have had several neighbor troubles in the past in which a restraining order was placed against Mitchell. Today, from Mitchell's security cameras shows James take a lawn sign and throw it in the back of his pick up truck. The sign however appeared to be placed on James' property, however, Mitchell disagreed. Mitchell attempted to show me the property line, however, based on prior knowledge between these two, I had already advised Mitchell to get his property surveyed two years ago, at this time, Mitchell has yet to his property surveyed. I advised Mitchell that I could not cite James for Trespassing until his property lines are clearly marked. Mitchell also brought to my attention that after James cut his grass, James used his leaf blower to blow the grass clippings onto his property. I advised Mitchell to provided me with the video to prove that James committed this violation, however he was unable to do so, but stated he will email the video once he has it.

On the above date and time, Maple Heights Police Officers responded to the lobby of the Police Department to take a report on fraud. On arrival Officers spoke with the complainant, John Burks. Burks stated that his account representative from First National Bank notified him of multiple checks for large amounts of money attempting to be withdrawn from the Cuddly Kiddies Learning Center LLC business account, who Burks managed. Burks provided copies of the checks that were fraudulent. A total of three copies of checks were provided. Two of the three checks were noted to pay out to Ivan Wallace JR. One being for

\$4,817.08 and the other for \$4,327.08, the \$4,817.08 check being dated for 07/21/2022 and the other check being dated for 08/11/2022. The third check was noted to pay out to Renard Hollaman for \$5,274.88, dated for 08/11/2022. Total amount of money that was attempted to be withdrawn was \$14,419.04. Burks advised he did not recognize either of the names listed on the checks and he did not know of anyone that would have reason to steal from Cuddly Kiddies Learning Center. He further advised that the checks were not able to clear the account and were flagged for fraud. No monetary loss occurred. Scans of the checks will be attached to the digital media section of this record. NAR570.

Brignite Hill (uber driver) had a 1400 hours pickup at 18004 Erwin St, Maple Heights OH 44137. Hill stated he arrived a few minutes early and waited outside the residence with his hazards on. Hill said he observed a light blue GMC SUV with tinted windows drive past. The passenger, Deiamontae Grant then walked out of the house and got into the back seat of Hills vehilce. Just as Grant entered the vehicle, Hill observed the same GMC pull in front of his vehilce at an angle. Hill then stated he observed a younger looking, dark skinned male with dark hoodie exit the GMC. The male then began walking towards Hills vehilce with his hands in his pockets. The male then got close to the driver door, and Hill quickly drove off, as he thought the male was going to reach for the door. Hill and Grant both advsied they thought the male was attempting to car jack them, however they did not see a gun, nor did they see the male grab the handle. Officers checked the area however were not able to locate the vehicle. Possible suspect vehicle HYY5890. This vehicle hit as stolen on Flock at Lee and McCracken southbound near the time of this incident and matched the description.

INTERSTATE WAS CONTACTED FOR THE TOW.

On Thursday, August 18, 2022, I, Cdt. Jochum #571 and Ptl. Scott #552 were dispatched with other Maple Heights PD Units to the area of Camden Rd. and Milan Dr. for a report of a black male without a shirt on driving around the area in a black or maroon vehicle with a temporary plate, whom the caller believed was casing houses.

Upon arrival to the area, Sgt. Crawford #546, observed a maroon ford focus with a temporary tag in the rear windshield, pull partially into the side driveway of 5189 Camden Rd. which resulted in the vehicle blocking the sidewalk. Upon Officers approach, the operator of the maroon ford, later identified as Lonnie Grays, exited the vehicle without a shirt on, failing to roll-up the driver door window, and quickly entered the attached garage of the house then closed the garage door. Sgt. Crawford provided dispatch with the temporary plate information, which returned to a 2010 Ford with a registered owner of Syreeta Carr at the same address; However, the VIN registered to the temporary plate did not match the VIN on the vehicle. Sgt. Crawford provided dispatch with the VIN on the maroon ford focus which identified the vehicle as a 2007 Ford Focus. While on scene Officers observed in plain view a square mirror on the rear passenger seat with a razor blade and white powder residue on it.

While Officers were standing near the vehicle, Grays exited the house and stood on the side porch and began yelling at Officers, demanding that they leave the residence and asking repeatedly why Officers were there. When asked if Officers could speak to the owner of the vehicle, Grays refused and continued to yell. Officers suspected that Grays was likely under the influence of PCP or cocaine as Grays was highly irate at the mere presence of Officers and was sweating profusely while standing in front of Officers.

Due to the vehicle blocking the sidewalk as well as the fictitious temporary plate in the rear window Officers towed the vehicle. Photos of the vehicle and mirror were documented and have been uploaded.

Grays will be issued Citation #P28916 for Fictitious Plates and Driving Under Suspension at a later date.

On the above date and time, Maple Heights Police were requested to respond to the Lobby of the Police department to take a report on a private property accident. The accident occurred in the parking lot of 5206 Northfield Rd (Mattress King). The at fault driver, Nathan Thiber, advised he did not put his vehicle (2013 White Audi A5 convertible) in park when he entered the store causing him to back into the other vehicle (2022 White VW Atlas). The owner of the Atlas, Ruby Cole, had no further statement. Photographs were taken of the damage sustained to both of the vehicles and both parties were given exchange of information forms for follow up with their insurance companies. NAR570.

On August 18, 2022, I, Ptl. T. Vasko #566 responded to the above address for a report of threats. Upon my arrival I spoke with Lee Jones who stated him and his younger brother, Paul Jones, got into an argument over the phone over two (2) t-shirts and \$75 dollars. Lee reported Paul stated he we going to fight Lee, but nothing more specific. Lee further explained that he did not want to pursue charges against his brother Paul, but only wanted this incident documented.

On Thursday, August 18, 2022, I, Cdt. Jochum #571 and Ptl. Scott #552 were dispatched with other Maple Heights PD Units to 14805 Rockside Road for a report of suspicious activity.

Upon arrival, Officers made contact with the reporting party, Karen Bradley. Bradley advised that upon returning home from the store she found one of her pet cats dead on the kitchen floor in a pool of blood. Bradley further advised that she had left her pet rottweiler in the house with her cats. When Officers observed the rottweiler, which was on a leash in the back yard of the residence, it began growling at Officers and bearing its teeth. Officers checked the home for possible intruders, which checked clear. Officers advised Bradley to contact MHPD for any further assistance she would require with the incident.

Photographs of the scene were documented and have been uploaded.

Emery Hollowell contacted the MHPD to report damage to the front driver-side tire/wheel of his 2017 Jaguar. Mr. Hollowell stated he was traveling westbound on Libby Rd just past Lee Rd when he struck a pot hole in the curb lane. Mr. Hollowell can only describe the area as a "construction" area. In front of 16173 Libby Rd, there were several cones placed on the roadway. I spoke to Scott in the service department who was on scene. Scott stated the cones were lined up which caused access to the curb lane. I did noticed a large hole where previous construction work was done, however there was no steel plate nor gavel to conceal the hole. Scott stated the service department was going to fix the issue to prevent any other damages. Photos were taken.

4554 TO COMPLETE

On Friday, August 19th, 2022 at approximately 1404 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby for a report of harassing communication. Upon my arrival, I met and spoke with the complainant, Kiwana Fields, who advised her child's father, Shadell Martin, is calling her cell phone numerous of times after being asked not to. Kiwana mentioned she blocked Shadell's phone number and now Shadell is calling from a private number none stop. Kiwana also stated that Shadell sometimes go to their children school to pick them up before she can get them. Kiwana stated she wanted this matter document so she can file for a TPO against Shadell and add their children and herself as the protected parties. Kiwana believe Shadell is attempting to use their children as a control tool against her. #554

On Saturday, August 20th, 2022 at approximately 1033 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby to speak with a complainant regarding a stolen vehicle report. Upon my arrival, I met and spoke with, Essie Mims, who advised her husband, Odis Mims, took her 2010 Mercedes Benz without her permission on August 16th. Essie stated that Odis crashed her vehicle and is currently in the hospital. Essie was advised that she can not file a stolen vehicle report on Odis because they're married and the vehicle is shared property. Essie wanted information on how to file for a TPO.

On Saturday, 08/20/2022 at approximately 1632 hours, I, Ptl. Colangelo responded to Taco Bell at 5591 Warrensville Center Road for a disturbance. The caller, Sarah Yost, stated a black Cadillac (JFK2401) was informed to wait for their order. The female passenger inside the vehicle became irate and began to cuss at the employees at the drive through window, Jada Kinney and Cierra Wright. Jada explained the female came to the window started to cuss and approached the drive through window on foot and attempted to spit at them. Sarah explained she is unable to provide camera footage at this time due to her being locked out of the surveillance camera system. Sarah was advised to contact the Maple Heights Police Department when they are able to retrieve the camera footage. At this time there is no known suspect. Sarah was provided with the call number, my name badge number, and the Maple Heights non-emergency phone number to follow up and provide the video. Sarah stated she wanted this incident documented.

On Saturday, August 20, 2022 at approximately 2319 hours. Maple Heights Police Units were dispatched to 15809 Ramage Avenue for a disturbance. While en route the caller stated she went to her parents house at 16021 Dunbury Drive. Upon arrival we spoke to Brianna Poole. Brianna stated her sister and her got into an argument. Brianna appeared to be inebriated and became very uncooperative with police units. Due to Brianna being intoxicated she was unable to provide a formal statement. Chuck stated that he had arrived at the home to pick up his girlfriend, who has dementia, because she had called him upset over something Eric had said to her. When Chuck arrived, Eric was sitting in a vehicle in the driveway and Chuck went up to talk to him to see what had happened. When Chuck was standing next to the car, Eric exited the car and pushed Chuck and a physical altercation started. Chuck stated his eyeglasses got broke during the altercation. Eric stated that Chuck had walked up to him and started pushing him and the physical altercation started. Speaking with Charlotte, Eric's wife, she informed me Eric had exited the vehicle and started the physical altercation. Charlotte also informed me that her adult son had moved out of the residence because of Eric's behavior. Neither party had any visible injuries and neither party wanted to pursue any charges. Chuckie left the residence with his girlfriend. STB514
