CALLER BELIEVES SOMEONE ATTEMPTED TO STEAL HER MAROON KIA FORTE LAST NIGHT THE WINDOW IS BUSTED AND COLUMN IS PEELED					
The caller parked her vehicle on 12-18-22 during the morning. When she came outside today she observed the passenger side rear window had been broken and the steering column "peeled". I observed the damage and that the steering column was "peeled". There was no evidence located. She has already contacted the manager of the residence who is going to review the security camera footage and will contact me if there is anything located (from the positions of the cameras and the location of the parked vehicle, it is unlikely the cameras will be able to show any detail). At this time, the caller only wants this documented for insurance. STB514

On December 19th, 2022 at approximately 1000 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights Police Station Lobby for a complaint regarding MVA Hit Skip. Upon my arrival, I met and spoke with complainant, Sandra Rodriguez, who stated she was stopped at the intersection of Lee Rd South and Rockside Rd. N/B in her 2008 Hyundai Santa Fe. When a semi-truck turned onto Rockside Rd. Sandra informed me that she backed up to make room for the semi-truck and she struck a vehicle who was behind her. Sandra stated when she attempted to speak with the operator of the other unit to exchange insurance info the operator left the scene. Sandra wanted incident document with her insurance just in case the operator responds to the station on a later date.					
Sandra's unit sustained a rear passenger broken taillight and crack lower bumper.

ADVISED TO GO TO BEDFORD HTS

On Monday December 19, 2022 at 1556HRS, I, Ptl. Jochum #571, was dispatched to the lobby of 5373 Lee Road for a theft report. Upon my arrival, I made contact with Ryan Wallace. Ryan stated that on Saturday December 17, 2022 at approximately 0100HRS, her vehicle broke down on Interstate 271 South near the Richmond Road exit in Warrensville Heights. Ryan proceeded to call J&T towing company in Maple Heights to have her vehicle transported to her residence in Bedford Heights. Due to a high call volume, the point of contact at J&T towing advised Ryan that they would transport her home then return later to transport her vehicle to her residence. Ryan was transported home at approximately 0150hrs. Ryan advised that her vehicle was transported to her residence at approximately 1300hrs on Saturday. Upon going through her vehicle she observed that some of her son's toys, his birthday cake, two cellphone chargers, and a ring were missing from the vehicle. Ryan estimated the total cost of items missing to be approximately \$175.00 dollars. Ryan further advised that she is unsure if an employee from J&T towing took the items as when she left her vehicle it was unlocked and it was unattended for approximately 12 hours. Ryan was advised to contact her local police department to file a report as the incident did not occur in Maple Heights.

560- VERBAL ARGUMENT BETWEEN BROTHER AND SISTER. MALE LEFT PRIOR TO OFFICERS ARRIVAL. MOTHER DID NOT WANT TO FILL OUT A
MISSING PERSONS PACKET.

This was a verbal altercation only between son and family members. There was a miscommunication to dispatch about a knife being involved in this incident by the mother. No weapons were used and nothing physical occurred. The 17 year old son damaged several items in the home which included property that belonged to his sister. This argument began because the sister refused to style the 17 year old's hair. Officers spoke with the mother and saw the son on scene. The son left prior to officers being able to speak with him. No crime occurred and the mother did not wish to speak with officers further.

The caller stated her son's Play Station 4 is missing. She was made aware of it on 12-19-22, but is not sure how long it has acutally been missing. She stated her son informed her his friend John (unknown last name) had the Play Station. The caller went and spoke to John's mother who stated there had been a game system in the house, but John had returned it. The caller stated she has been leaving the door of the residence unlocked when she is not home due to her son losing his house key. When asked why she felt John had stolen the game system, she stated because he is a troubled kid. The caller stated she felt the game system had been sold at Electronics Flip on Warrensville Center Road, but could not provide a reason as to why she felt this. When asked for the serial number of the game system, she stated her father had given the game system to her son and she would have to contact her father to obtain the information. She later

contacted me and provided me with PS4 SCE3013362/301169 as a serial number. She did inform me there were 6 stickers on the game system, but could only tell me that 1 of them was the Jordan sticker that comes with Nike Jordan shoes. I responded to Electronics Flip and spoke to them about the game system. They informed me the number provided was not a serial number for a Play Station and stated they had not received any Play Stations matching that description. They will contact me if they do see the game system. At this time, the caller only wanted this documented. STB514

<p>IN THE POLICE LOBBY DAUGHTER HASN'T BEEN SEEN SINCE SUNDAY DAUGHTER IS DESTYNEE MACKLIN-ROBINSON</p> <p>On December 20TH, 2022 at approximately 1132 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights Police Station Lobby regarding a missing person report. Upon my arrival, I met and spoke with Stefany Tabor, who stated her 20-year-old daughter, Destynee Robinson, hasn't returned home. Stefany informed me that Destynee received a call from a male later identified as, Alfred Kerney Jr. on Sunday December 18th, 2022 at approximately 1834 hours, telling Destynee to come outside. Stefany stated she attempting to contact Destynee regarding her whereabouts, but Destynee did not reply nor returned her any phone. Stefany was about to provide me with Alfred's phone number, which I contacted. I spoke with Alfred and when I mentioned Destynee's name, Alfred's phone disconnected. I attempted to call back and Alfred ignored my call. I sent Alfred a text on the Department's cell phone requesting Alfred to contact me regarding Destynee. Moments later, Stefany advised that Alfred contacted her and informed her that Destynee was okay. Destynee stated she was okay and enroute back home now, According to Stefany.</p>

On Wednesday December 20, 2022 at approximately 1909 hours, I, Ptl. Thomas #560 was dispatched to 16228 Edgewood Ct., for a report of a welfare check. Prior to arrival, dispatch advised the caller, Robert Bourn stated his niece turned off the electricity to the residence. Upon arrival, contact was made with Robert. Robert stated his niece turned off the electricity was turned off out of spite because his niece, Marcie Atkins wants him removed from the residence. Robert stated Marcie's sister resided with him prior to her death a few weeks prior. I had dispatch attempt to contact the electric company, but the electric was not in his name so they were unable to get ahold of anyone. Robert is a dialysis patient who had miss his 3 appointments the last week. The temperature of the residence

was reading at 73 degrees. Robert agreed to be transported to Cleveland Clinic - Marymount Hospital to get his dialysis treatment. MWT#560

On Tuesday, December 20, 2022, at 2001HRS I, Ptl. Jochum #571 was dispatched to 18530 McCracken Road for a disturbance call.

Upon arrival, I made contact with Christina Williams. Williams advised that Aaron Bowling, the father of her juvenile son, had arrived at her house at approximately 1900hrs and stated that he wanted to see his child. Williams refused to answer the door and told Bowling to leave through her Ring doorbell camera. Bowling and Williams engaged in a verbal argument through the video doorbell for approximately three minutes, after which time Bowling left the residence and responded to MHPD to report the incident. Williams stated that she allowed Bowling to stay at her residence while she was out of the state so that he could watch their son, however she did not invite him to live with her permanently. Williams further advised she wished for Bowling to be trespassed from her property.

I responded to MHPD, located at 5373 Lee Road, where I made contact with Bowling. Bowling advised that he had gone to Williams' residence to check on his son as she has recently been spending time with men that Bowling suspects have criminal histories, but has no proof of this. Bowling was advised of criminal trespass, which he stated he understood and that he would stay away from Williams home.

60-TERRY TURNED OVER TO MARYMOUNT FOR CARE

On Tuesday, December 20, 2022 I, Ptl. Thomas#560, was dispatched to 15512 Benhoff Dr., for a report of a suicidal male. The call came in by Dr. Zen of the Bedford Primary Care Clinic. Dr. Zen advised dispatch that Terry Childers was supposed to be dropped off at University Hospital - Ahuja by his fiancé, Sadie Jeffries around 1530 hours. While I was speaking with Sadie, she stated Terry attempted to jerk the steering and take over the steering while Sadie was transporting him to Ahuja. To appease Terry, Sadie asked Terry if they go home and take a nap would he be willing to go to the Hospital to be evaluated at 1900 hours. Terry complied. Terry woke Sadie up at approximately 2240 hours, and stated "I have to go" then walked out of the house and drove off. Sadie stated Terry has been suffering severe depression lately and is taking suboxone for a previous pain killer addiction. Sadie's child stated when everyone in the house was napping, he came downstairs for food and saw Terry sitting on the couch with his elbows on his knees and face in his hands. An hour later, Terry was in the same position. Sadie stated two days ago Terry stated he wanted to jump off a bridge. Terry has missed the last couple days of work due to his depression. Terry was last seen wearing a Gray hoodie, black work pants, black socks and tennis shoes. Terry should be driving a black 2010 Nissan Maxima bearing OH registration FMA9970. The vehicle has tinted windows, a tinted license plate cover with a Cleveland Police association sticker on the license plate. At approximately 2208 hours, Ptl. Heitzer #547 contacted Dr. Zen and she stated during the appointment, Terry expressed he "wanted to be put down". A BOLO was created, Terry's cell phone has an active ping on it at this time, and Sadie completed a missing persons packet. Terry has been entered into LEADS as a Missing Person (NIC # M317137939). At approximately 2252 hours, I, observed Terry's vehicle in the driveway at his residence. Terry agreed to be transported to Cleveland Clinic - Marymount Hospital. Terry was removed from LEADS as missing. MWT#560

On the above date and time, Officers responded to 14913 James Ave for a report on an assault between juveniles. On arrival I, Ptl N. Ross #570, made contact with the complainant, identified as Latoya Wimberly. Latoya advised her daughter, identified as Amira Craig, was "jumped" by a group of girls that were staying in a house across the street. Amira was observed having a swollen upper lip. Amira denied having any other injuries on her person. When asked what happened, Amira advised that two girls from across the street, identified as A'Shaunte Jackson and Ja'Kiyla Rhym, contacted Amira and told her they wanted to fight. Amira responded to A'Shaunte and Ja'Kiyla and stated she wanted to fight them as well. Amira then left her residence and met with A'Shaunte and Ja'Kiyla outside and proceeded to get into an altercation with them. Officers advised Amira and her mother Latoya that due to the altercation being mutual, if any criminal charges were to be filed, all parties involved could be charged with Disorderly Conduct. Officers then proceeded to 14818 James Ave in attempts to make contact with A'Shaunte and Ja'Kiyla. On arrival, Officers spoke with the guardian at the residence, identified as Katrice Fleetwood. Katrice was advised of the incident and was requested to have A'Shaunte and Ja'Kiyla come to the door to speak with Officers. Both came to the door and began explaining the incident. Ja'Kiyla advised she was not involved in a physical altercation with Amira. Ja'Kiyla further advised she broke up the fight between A'Shaunte and Amira. A'Shaunte advised Amira and her both agreed to meet up and fight over Instagram messenger. No injuries were reported by the two. A'Shaunte, Ja'Kiyla, and Katrice were advised of Disorderly Conduct and Criminal Trespass. No charges were requested by any party involved. The mother of Katrice, identified as Candace Latham, was notified of the incident. Candace advised A'Shaunte's and Ja'Kiyla's guardians were notified. NAR570

2 MALES RUNNING MAPLEBORO AND THOMAS// SOMEONE JUST RAN INTO THE HOUSE 17704 MAPLEBORO

On Wednesday, December 21st, 2022, at 2032 hours, I, Ptl. H. Kaur #4553 and other Maple Heights Units responded to the area of Cato St for a possible Robbery. (No victim was located), while responding to the area, dispatch advised two younger black juveniles wearing all black had robbed another juvenile. The victim allegedly ran in an unknown direction and did not give the caller any other information.

As I drove down Mapleboro Ave towards Thomas St. Dispatch advised the suspects were last seen running on Mapleboro Ave. I observed two individuals whom appeared to be juveniles on the sidewalk in front of 17704 Mapleboro Ave. The two juveniles matched the description given by dispatch. I observed the juveniles run up the driveway and into the residence. Officers spoke with the adult inside the home, who advised nobody was outside at the time - he stated nobody inside the home was missing any property. Sgt. Crawford located an iPhone with a pink case on the corner of the front porch along with a hat. The items were warm to the touch as if they were placed outside just minutes prior to our arrival.

I collected the phone and kept it for safekeeping., the owner contacted me and advised she was inside the home when officers arrived on scene. She stated she placed her phone outside and forgot to take it back into her home. The female and her mother were highly uncooperative. There appeared to be no incident or victim at the time. 567 ADVISED OF THE INFORMATION BEDFORD GAVE DISPATCH

On Wednesday, December 21, 2022, at 2046 hours, I, Cdt. Field #573, Ptl. Colangelo #567, and other maple heights units, responded to 16202 Maple Heights Blvd Unit #201C for a weapons offense. Upon our arrival, we were met by a male, Dana Leonard, and a juvenile, Autumn Leonard. Autumn initially stated that an unknown white male in his 20's, blonde with a beard wearing a blue hoodie was in the front vestibule of the building. Autumn heard knocking on the vestibule door from inside her apartment. Autumn then went out of the apartment to see who it was and opened the front door to the building and the male then pulled out a small gun and held her at gun point. The male then told Autumn that to go to her apartment and he followed her into the apartment while still holding her at gunpoint. When Autumn's mother, Asia Cooks, yelled at the male from the ring doorbell camera, the male then fled the apartment. A short time later Asia arrived on scene. After reviewing the ring doorbell footage with Asia, it turned out that Asia had willingly invited a known juvenile male into the apartment and had not been held at gunpoint and that no crime had been committed. While on patrol, I, Ptlm. Duncan #568, observed a silver Kia with a broken rear passenger window parked near 5255 Erwin St. I asked dispatch to check the plate (OH registration HUM1939) and was advised that the vehicle was entered as stolen out of Cleveland PD. Dispatch confirmed that the vehicle was still stolen through Cleveland PD. Cleveland PD requested that we tow the vehicle. A cancellation sheet was sent to dispatch.

KELLYS FOR THE TOW

On Friday, December 23, 2022 at approximately 0920hrs, Officers were advised of a disabled motor vehicle on the Libby Road bridge by Maple Heights Maintenance personnel. Upon my arrival I observed a red 2013 Hyundai Santa Fe bearing OH Reg. HJZ5261, parked diagonally in the far right west bound lane of the Libby Road bridge. Upon approaching the vehicle I made contact with the owner, Felicia Cowan. Cowan advised that she was in route to Garfield Heights to drop her vehicle off for maintenance at Rad Air Complete Car Care located at 5266 Turney Road. Cowan advised she had already called for a private tow but the wait was expected to be one hour and her vehicle was no longer able to run or turn on making it impossible for the vehicle to produce heat. I advised dispatch to send a tow to my location for the vehicle. Cowan agreed to pay for the tow and received a ride from her friend to the auto body shop on Turney Road. Kelly's Towing responded to the scene and transported the vehicle to Rad Air.

As the male was exiting the store, the caller asked him if he was going to pat for them and the male said he would do whatever he wanted. The caller followed the male outside and said he was going to call the police. The male said do whatever you want and said I should spit on you and the caller thinks the male said something about shooting, but was not sure what the male was referring to. The caller was not concerned and continued to try to get a the license plate of the vehicle. The caller was unable to obtain a license plate and did not stay outside to see which way the vehicle went. The caller only wanted this documented at this time. On Friday December 23, 2022 at 1634HRS, I, Ptl. Jochum #571, was dispatched to 16300 Raymond Street for a disturbance call. Upon my arrival, I made contact with Melissa Winkfield. Melissa advised that she and her live-in boyfriend, Jamaal Hayward, got into an argument about Melissa not being able to withdraw more than \$200.00 cash from her bank account per day. During the argument, Jamaal ran out to Melissa's garage, got in Melissa's vehicle, a brown 2018 Jeep Compass bearing OH Vanity Plate: CANUCME, and drove it east bound on Raymond Street toward Lee Road. Melissa advised that she did not wish to file criminal charges against Jamaal since the two were talking on the phone since he left her residence at which time he told her he would bring the vehicle back to her soon. Melissa was advised to contact MHPD if the vehicle was not returned to her in a timely manner.

On Saturday, December 24, 2022, at approximately 2125 hours, I, Ptl. Colangelo #567 responded to 21108 Watson Road for a disturbance. Upon arrival, I spoke to the caller Nia Brooks. Nia stated her childs father, Michei Jones followed her from Cleveland Heights after she picked up the child. Nia stated Michei followed her to the residence in a black Kia (HWR2157). Once Nia arrived to the residence, Michei and her began to verbally argue about custody of the child. Nia's boyfriend, Daevon Moore came outside and Michei began to verbally argue with him. Nia, and Daevon stated that Michei told Daevon he was going to shoot him and appeared to reach in between the seats. Nia and Daevon stated they did not see a gun but thought he could have one. Daevon stated he did not want to pursue charges. Nia informed me she wanted to advise Michei of criminal trespassing. I attempted to contact Michei at approximately 2215 hours and was unsuccessful. The number for Michei contacted the Maple Heights Police Department squad room phone at approximately 2217 hours and once Michei learned that it was the Maple Heights Police Department, he hung up the phone. I immediately tried to contact Michei again and was unsuccessful. FC567

On 12/25/2022, I spoke with Isaac Sims who wanted to report his mother missing. Isaac stated his mother, Sheila Sims, left the house on 12/24/2022 at approximately 1000 hours. Issac stated he called and spoke with his mother around 1030 hours which she stated she had a few more things to grab to make Christmas dinner. Isaac stated when she never returned home he tried calling her multiple times with her phone going straight to voicemail. Isaac stated he has not heard from his mother since 12/24/2022. Isaac stated she always goes to Giant Eagle to get groceries. Isaac stated he does not know anywhere else his mother would go. Isaac called his grandmother and she stated she never heard from her either. Isaac stated Sheila is approximately 5'4" and weighs around 180 lbs. Sheila left in her 2016 Nissan Altima black in color (OH# JML1227). Sheila has black hair, brown eyes, and wears glasses. Isaac stated Sheila does not suffer from any known mental disability. Sheila has a neck tattoo "shebaby". Ptl. Thomas had dispatch call all local hospitals to see if she had been admitted with negative results. Isaac stated he last tried to call Sheila around 1800 hours but she did not answer. Isaac filled out a missing person packet and was advised his mother would be entered missing into LEADs. Sheila was entered missing. (NIC#M107189942). Sheila was entered into the missing person's spreadsheet. A voicemail was left for Sheila by Ptl. Thomas for her to contact the Maple Heights Police Department. BF572

On Monday, December 26, 2022, at approximately 0126 hours, I responded to 5254 Philip Street for a parking complaint. Upon arrival, I observed a Jeep Patriot disabled and ran over a No Parking Street Sign in front of 5254 Philip Street. The driver Terrill Bell stated due to the road conditions he slid into the sign after he

lost traction. The sign had minimal damage and can be replaced back into the ground. I recovered the sign and secured it inside the Maple Heights Police Department Sally Port. The Jeep sustained minor damage on the front passenger side bumper and fender. Interstate was contacted and towed the vehicle from the scene.
