--568-- On 12/26/2022 at approximately 0750 hours, I, Ptlm. Duncan #568, responded to the lobby to speak with Jason Wood-James. Jason stated that an RTA Paratransit unit came to his home to pick up his disabled sister. Jason's sister advised that RTA services were not needed today and the operator of the RTA Paratransit bus returned to the bus. Jason stated he then went to his living room window and exposed his genitalia to the bus driver. Jason stated he is unaware if the bus driver saw him. Jason attributed this behavior to hearing voices in his head telling him to expose himself. Jason stated he has a mental condition similar to Schizophrenia. I observed that Jason was wearing a hospital identification bracelet. Jason declined to go to the hospital for a voluntary evaluation.					
No victim has come forward in this incident. At this time, this is just being documented should a victim be identified.

Elisha alleged that Constant had threatened to slap her while in the PD parking lot, while exchanging custody of their daughter. Constant denied this allegation. There were no independent witnesses or camera that recorded the audio of this alleged threat. Elisha then stated that Constant had threatened her in the past but she was unable to provide proof of this. Both Constant and Elisha were advised to use a third party to exchange custody of their daughter to avoid any unpleasantness.

On Tuesday, December 27, 2022, I, Cdt. Field #573 and Ptl. Matash #569, received broadcast for an erratic driver. While in-route, dispatch advised that the vehicle, a maroon Ford, was now parked in the middle of the street on Raymond Rd near Warrensville Center Rd. Upon our arrival in the area, we observed a 2014 Ford Fusion bearing OH Temporary License Plate #P829568, parked on Raymond Rd at Warrensville Center Rd facing eastbound. We activated our overhead lights and siren and conducted an investigatory stop of the Ford. Upon our approach of the Ford, we observed that the operator, identified as Michael Bell Jr., was unconscious with the vehicle running in drive and his foot on the brake. Upon closer inspection of Bell, we observed that he was bleeding profusely from his right hand. After knocking on the window of the Ford several times, Bell aroused and we advised him of the reason for the stop and had him exit the vehicle. As Bell exited the vehicle, we observed a clear opened glass bottle of Teremana Tequilla on the front passenger seat, but did not detect any odor of alcoholic beverage emanating off his person. I located Bell's license and insurance in the Ford's driver side door. Bell did not appear to be under the influence of any controlled substance, but was continuing to bleed profusely from a cut on his hand he advised occurred at work earlier in the evening. While speaking with officers, Bell kept reaching into his left jeans pocket, despite officers ordering him not to. Upon conducting a search of Bell, I located a clear plastic bag containing 2.11g of suspected marijuana. We advised dispatch to have EMS respond to our location. Maple Heights EMS transported Bell to Marymount Hospital for further evaluation. Due to EMS transporting Bell to Mayrymount Hospital, The Ford was inventoried and Towed by Kelly's. While conducting a search of the Ford incident to tow, I located in the center console a clear plastic bag containing 2.56 g of suspected marijuana. Bell was issued Traffic Citation #P29738 for full time and attention, Minor Misdemeanor Citation #MA33956 for drug abuse marijuana, and Minor Misdemeanor Citation #MA33955 for open container prohibited. For Bell's citations, he was given the court date of January 10, 2023 at 1530 hours in Maple Heights Mayor's Court. The clear plastic bags containing 2.11g of suspected marijuana and 2.56g of suspected marijuana were entered into evidence (TN:32233) CF573/MM569

570 TO COMPLETE

On the above date and time, I, Ptl. N. Ross #570, along with Ptl. T. Vasko #566, responded to 21103 Gardenview Dr. for a report of a domestic incident that occurred "sometime over the weekend". On arrival, Officers spoke with the complainant, identified as Shadonna Ilese. Shadonna stated that her mother, identified as Tamanya Thomas, called her today and advised that Shadonna's brother, identified as Delontae Pope, made Shadonna's son, identified as 9-year-old Joshiah Thomas, "feel some type of way". Shadonna stated that Delontae grabbed Joshiah and moved him by his neck. Upon speaking with Joshiah, he stated that he went into Delontae's bedroom and was told to get out. Joshiah did not listen and sat down in Delontae's room. Delontae then went over to Joshiah and removed him out of the room by his neck. It was not specified what part of his neck. No marks were observed on Joshiah and no medical treatment was requested or required. I then contacted Tamanya over the telephone to ascertain what occurred. Per Tamanya, who claimed to witness the entire event, Joshiah entered into Delontae's bedroom to play Playstation. Delontae had company at the time and told Joshiah to leave the room. Joshiah did not listen and

Delontae took ahold of Joshiah's arms and removed him from the room. Delontae was then contacted via phone and questioned on the event. Delontae advised Joshiah went into his room after being told not to. Delontae then grabbed Joshiah's shirt, near the shoulder area and told Joshiah "you have to start listening" Delontae then removed Joshiah from his room while still having ahold of his shirt. If pertinent information is discovered, a report will be created. NAR570

Upon arriving on scene, I made contact with Austin Bozeman. Austin stated that he left his home at 15416 Ramage Ave. at approximately 1200 hours. Austin stated that he left because he was hungry and his grandmother would not make him food. Austin then stated that when he left the residence, his grandmother told him not to come back. I transported Austin back to his home on Ramage and made contact with his grandmother, Charlene Johnson.

Charlene stated that she has been having issues with Austin for the past four years. Charlene stated that Austin typically exits the home through his bed room window (which is located on the first floor) when he does not get his way. Charlene stated that she has filed unruly on Austin in November of 2022. She was unaware of the exact date. Charlene stated that there is an open case with Austin through Children Family Services. Charlene said she does not feel she can provide the proper care for Austin and attempted to relinquish custody. She was advised by someone in Children Family Services that she would be unable to relinquish custody. I advised Charlene that the next time Austin leaves the house without permission, to contact the Maple Heights Police Department and also to file unruly charges again. I attempted to contact 696 kids to file a report but I reached their voicemail stating they were only open between the hours of 0800-1600.

WILL BE GIVING MOM A CALL BACK

On Wednesday, December 28, 2022, at 0847hrs I, Ptl. Jochum #571 was dispatched to 5226 Theodore Street for the welfare check of juvenile female, Lacy
Sparenga (DOB: 07/12/2015).

Upon arrival, I made contact with Lonnie Sparenga, Lacy's father. Lonnie advised that his daughter checked okay and that Shelby Frankenberg, his ex-girlfriend
and the mother of Lacy, had already called for a welfare check on Lacy on Monday, December 19, 2022. Lonnie further advised that Shelby has been reporting
him to Child Protective Services and the police since he was granted full custody of Lacy.

I made contact with Lacy who showed no signs of physical abuse or neglect and was in good health.

I made contact with Shelby via telephone and advised her that Lacy checked okay.

I contacted April for more info. I verified the address and April confirmed it saying she has lived there for a few months. Speaking further with April she admitted she had never been there and was going off of the ping from the messages. April informed me Vir'nasia has never had an OH ID / DL and recently moved up from North Carolina. April informed there was an open Children and Family Service case against Vir'nasia. April did not know where her sister might be at since she was not at the address. April had no contact information or last name of the boyfriend. I checked the history of 5211 Theodore and did not locate anyone by the names in CAD.

I contacted Children and Family Services who informed me there was no open cases but they did have a case from October 2022 with an address of 9612 Mount Auburn in Cleveland. CPD was requested to check the address.

 FEMALE ADVISED TO REACH OUT TO DAVID // CHECKS OK

On Wednesday, December 28, 2022 at 1310HRS, I, Ptl. Jochum #571 was dispatched to 18412 Edinboro Avenue for a welfare check. Upon my arrival I made contact with Sandra Goldyn. Sandra advised that she and her husband, Ronald Fuss, had engaged in a verbal argument on the evening of Tuesday, December 27, 2022. Following the argument she had advised her councilor, David Riccardi, that her husband was being verbally abusive during the argument. Sandra further advised that she has been diagnosed with stage four cancer and is currently taking a multitude of medications for treatment. I made contact with Ronald who advised that Sandra has been experiencing frequent outbursts since she has started her treatment and that the two engage in verbal arguments frequently, however during the arguments nothing physical occurs and threats are never made. Ronald and Sandra were advised of Ohio DV laws and advised to separate from eachother whenever they engage in a verbal argument in the future.

 CRYSTAL JONES 12 -10-

On Wednesday, December 28, 2022 at 1356HRS, I, Ptl. Jochum #571 was broadcast to 5697 Longwood Avenue, for a disturbance call. Upon my arrival I made contact with the female home owner Tracy Lewis. She advised that she and her adult children, Curtis Lewis and Crystal Jones, who had been staying with her for approximately one month, got into a verbal argument. During the argument Curtis began throwing items around the house and damaged a wall in the living room. Curtis also stated that he wished Tracy was dead, however he did not make threats of violence to her and at no point did he physically accost Tracy. The argument came to an end at which time Curtis willingly gathered his belongings from the house and left with Crystal. Tracy further advised that she did not wish to file criminal charges for the incident and simply wished for Curtis and Crystal to stay away from her.

4560 -- VOICEMAIL WAS LEFT FOR VEHICLE OWNER

On Thursday, December 29, 2022 at approximately 0115 hours, while on patrol, I observed a black Kia 4 door sedan with its lights on in the parking lot of Southgate USA management parking lot. Upon arrival, I observed a black plastic bag that had been ripped apart in the rear passenger window. The ignition was punched, and vehicle was locked. Dispatch left a voicemail to the register owner. Interstate towing towed the vehicle for suspicion due to the spike in Kia vehicles being stolen. The owner, Daijah Pearson contacted the Maple Heights Police Department and advised her vehicle was towed while she was at work. Daijah's Kia was later released to her. MWT#560

Machayla Adams came into the MHPD to report an incident that occurred at Rascal House between her father, Dale Adams and employees on December 21, 2022. Machayla stated she had "Rascal Dollars" which work as coupons, however, the employee, later identified as the owner, Ali, told her he was not going to accept the coupons. Machayla then left the store and told Dale (who was waiting in the parking lot) that the coupons are not accepted. Machayla stated Dale went inside the store without her and later came out complaining that his wrist hurt. Dale told Machayla that Ali "snatched" the coupons out of his hands. I asked Machayla how come her dad was not here to report the incident, which she stated he was in the car. Dale did not wish to come inside. When I asked Machayla about the 8 day time lapse, she stated because she did not have time.

I spoke with Ali at the Rascal House. Ali remembered the incident and stated he could not accept the coupons because they were only valid for their downtown branch. Ali stated Machayla left the store. Ali stated Dale returned and immediately began arguing with him about not accepting the coupons. Ali stated that Dale began insulting him by calling him "stupid" so Ali grabbed the coupons from Dale but Dale would not let go. Dale then pulled his arms back in attempt to keep possession of the coupons which caused Ali to striking the counter top with the stomach causing a bruise.

No parties wished to press charges and the Adams family will take their business elsewhere.

On Thursday, December 29, 2022 at 1454HRS, I, Ptl. Jochum #571 was dispatched to 14621 Schreiber Road for the report of an Amazon delivery truck that ran into power wires in front of 14605 Schreiber Road. Upon my arrival I observed an amazon delivery (OH Reg. PMV3418) truck parked in the front yard of 14605 Schreiber Road, and low hanging wires over the driveway. I made contact with the resident, Daniel Bertovich. Daniel stated that his neighbor had called him at approximately 1425HRS to advise him that the Amazon delivery truck had pulled into his driveway and while backing out the driver struck the power lines that hang over his driveway. The driver proceeded to pull into Daniels front yard in an attempt to turn the vehicle around, at which time the vehicle got stuck in the grass. I made contact with Marshall Myles, the driver of the Amazon delivery truck. Marshall advised the same as Daniel. Marshall called Mooney and Sons towing company to have the vehicle removed from Daniel's property. Daniel was provided the incident number and advised to civil court for any damages to his property. I photographed the scene and have uploaded the photos to the digital filing system for this sheet. The MHFD had responded to the scene and stated the wires were not power lines.

VEHICLE HAS BEEN MARKED AS ABANDONED HAS A SUBSTANTIAL AMOUNT OF RUST/ DUST AS WELL AS OTHER MINOR DAMAGES

On the above date and time, I, Ptl, Colangelo #567, was dispatched to 5571 Grasmere Avenue for a vehicle, a black Dodge Journey OH that was parked on the side of the street for 2 weeks. Upon arrival I observed the vehicle to have a substantial amount of dust on the front and rear windshields, along with minor damage on the rear and front driver side quarter panels. The vehicle was surrounded by snow indicating that plow trucks were not able to clean the snow completely from the street. The vehicle was marked as abandoned.

I spoke with Erica Sparks who stated she was invited over her aunt's house after she and her boyfriend broke up leaving her with no place to stay. Erica stated her aunt threatened to get her probated because she was suffering from a change in mental status. Erica stated this made her angry because her aunts are always willing to help out other family members but not her. Erica stated her aunts were trying to extort money from her by getting her probated. However, Erica admitted that she has not been paying money to her aunts for staying at their house. Ptl. Heitzer spoke with Angelia Smith and Andrella Akins who stated they were trying to find ways to help Erica and brought up the possibility of her being probated. Angelia and Andrella stated Erica became angry and started yelling. During this Erica began yelling that Angelia and Andrella were trying to extort her for money. Erica stated she would leave the residence to alleviate any future arguments. It should also be noted that Erica is 10-96 BF572

MALE IN PD LOBBY TO FILE REPORT FOR COUNTERFEIT MONEY HE GOT FROM PNC ATM

FOLLOWING UP AT KEY BANK

570 TO COMPLETE

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple heights Police Department for a report of fraud that occurred. On arrival, I spoke with the complainant, identified as Tim Lajoie. Tim advised at approximately 1300 hours he went to the Key Bank located at 5301 Warrensville Center Rd. and withdrew a large sum of money. Per Tim's verbal statement, the money was placed in an envelope at the time of the withdraw and he did not count or inspect

the money before leaving the bank. Tim then went to the JACK Thistledown Racino in North Randall and attempted to use the money. Casino staff advised Tim that fourteen of the bills that he gave them were counterfeit. Casino staff confiscated the bills, reported the bills, and advised Tim to notify the Police. Tim stated he went back to the Key Bank and advised the manager, identified as Joseph Radacovsky, of the counterfeit bills he received. Tim was advised to reach out to the North Randall Police department and notify them of the counterfeit bills confiscated by the Casino. Tim agreed and left the scene. I then responded to the Key Bank and spoke with the manager, Joseph. Joseph was advised of the complaint from Tim and advised he remembered Tim coming in at approximately 1400 hours stating he received counterfeit money. Joseph stated there was no way of knowing where the counterfeit money came from due to the fact that Tim left the bank with the money he withdrew without inspecting it first. Joseph stated that the reported counterfeit money could have been placed in with the real money after leaving the Bank and prior to arriving at the Casino. No counterfeit money was physically observed at any point of this call. NR570.

--568--

On 12/30/2022 officers were dispatched to Giant Eagle (5321 Warrensville Center Rd) for report of a male stabbed. Upon arriving on scene, the male Arion Jackson, was inside of a Honda van (Ohio Plate JTM8186 VIN:5FNRL5H94GB037904) and being tended to by his uncle, Eddie Hurst. Officers were advised that this incident occurred in the RTA station at 20569 Southgate Blvd. Ptlm. Ross #570 and I, Ptlm. Duncan #568, went to the RTA station and secured the area. We advised the parties at the station that they were not free to leave due to an assault that took place. RTA Police arrived on scene and we assisted in identifying possible suspects from the description that Eddie provided. While attempting to identify a male, later identified as Justin Johnson, he ran north through the parking lot in an attempt to evade officers. Justin was later apprehended on Warrensville Center Rd. near Wendy's. RTA Police were able to review video and it was discovered that Justin was not involved in the original incident and he ran for misdemeanor traffic warrants he had with Cleveland Heights. Justin was issued MA34955 for obstruction. This matter will be heard in the Garfield Heights Municipal Court.

I responded to Valero gas station, 14196 Granger Rd for the report of a couple physically fighting outside the address. On my arrival, officers spoke with Joshua Santos and Kiara El-Amin. Kiara advised me that she and Joshua had been homeless and that Joshua had been spending money sent to him by her family without her permission. The two got into an argument about it in the parking lot, however no party struck the other. Kiara advised that the two of them had been panhandling in the area to make money, however she no longer wished to be with Joshua. I spoke with the Valero employee who advised he only heard yelling between the two parties outside. A check of LEADS revealed Joshua had a warrant with Maple Heights, and he was transported back to the Maple Heights Jail. Joshua and Kiara were both issued citations (MA30083 and MA32422) for Soliciting, and both were given criminal trespass warnings for Valero. Joshua and Kiara were issued Maple Heights Mayor's Court dates of 01/10/2023 at 1530 hours. LK558

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple Heights Police Department for a report of a hit skip MVA that occurred near 5248 Lee Rd. On arrival I spoke with the complainant, identified as Jamal Jefferson. Jamal advised he was operating as a Lyft driver at the time of the collision, however, the passengers were not on scene. Jamal stated he was side swiped by a gray Nissan Altima, however, he did not observe a license plate on the vehicle. Jamal stated that the driver of the Nissan exited the vehicle and apologized. The driver of the Nissan then got back into the vehicle and drove away from the scene. Jamal was driving a silver Toyota Corolla bearing Ohio license plate JTY7172 and VIN# JTDEAMDE9N3009317. Damage was observed on the rear passenger door and rear passenger side tire. The damage was cosmetic and did not render the vehicle inoperable. No injuries were reported. No suspects have been identified as the driver of the Nissan. Jamal was given this CAD sheet number for insurance purposes. Photographs attached to the digital media section of this sheet. NR570

Reginald applied his breaks and states he hit Rosa at approximately 10 miles per hour. Rosa stated that it was her fault for not looking before crossing in a area with no crosswalk. Rosa was given a courtesy transport to her home on Beech and evaluated by Maple Squad 2. Rosa was cleared and refused to go to the hospital.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of damage to a vehicle. Upon my arrival I spoke with the caller and owner of the vehicle, Earl Wilson. Earl explained to me when he came outside this morning he noticed the back window to his Hyundai bearing Ohio registration Q217123 (VIN KMHTC6AD9HU309474) had been damaged. Earl stated he believed it happened last night at and unknown time. After inspecting the vehicle, it appeared a bullet had struck the vehicle. Based on the impact the bullet appeared to have come straight down and strike the vehicle by chance. It should be noted there was multiple gunshots all around the City on account of it being new years eve. Photographs of the damage were uploaded to this report and Earl was given a report number for his records.

It should also be noted there was a report of a shooting that occurred at 20908 Hillgrove, however after reviewing the report it appears the shots were fired inside of the house and it is unlikely the was the source of the damage to the vehicle. TV#566

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple Heights Police Department for a report of damage sustained to a motor vehicle. On arrival I spoke with the complainant, identified as Rachel Moliff. Rachel stated she parked her white Jeep Wrangler, bearing Ohio license plate JVA7691 and VIN # 1C4HJXDN1LW220652, in her mother's driveway the night prior and left it there overnight while she went out. Rachel's mother, identified as Jill Moliff, resides at 5146 Joseph St. Rachel advised that the rear passenger door window was broken out, however, nothing was taken out of the vehicle. Rachel's vehicle was still parked at 5146 Joseph St. I responded to 5146 Joseph St. to inspect the vehicle. The rear passenger door window was broken out and glass was on the back seat and floor of the vehicle. There were multiple miscellaneous personal items observed in the vehicle. Rachel granted consent to enter in her vehicle to inspect any further damage. Upon inspection, no additional damage was located. Photographs were taken and are attached to the digital media section of this sheet. Rachel was provided this CAD number for insurance purposes. NR570

569 GOING TO MARYMOUNT

On 01/01/2023 at approximately 1929 hours I, Ptl. Matash 569 went to Marymount Hospital to speak with Ashley Gordon about her son (Carter Sims 05/01/2017) accidentally eating some of her edible gummies. Upon speaking with Gordon, I was advised that she and her son were at her home (20701 Kenyon Dr) around 1700 hours. Gordon said she has some Life Savers THC gummies that she keeps hidden in a shoe box on the top shelf of her walk in closet in her room upstairs. Gordon said she noticed her son going upstairs periodically. She went up to her son when he came downstairs and noticed his eyes were red. She then observed Carter may have moved an object to climb to the top shelf of the closet and eaten approximately four gummies. She and her son then went to a relatives house on Tokay Ave to see what they should do about Carter. Gordon stated Carter appeared ok at this time, just "out of it". Gordon said her son began to throw up after arriving on Tokay. After throwing up he fell asleep. Gordon then called EMS to have her son checked out. Medical staff advised Carter was going to be fine and they were just going to keep eyes on him for a little while. I advised Gordon I was not going to cite her however this will be documented so if any issues arise in the future, that incident along with this will be forwarded to children services.

On the listed time and date, I Ptl. Matash 569 arrived on scene and spoke with the caller, S. Sykes. Sykes stated her nephew and his girlfriend (child together) live with her in this home. Last year the girlfriend, identified as Heavenn McDaniel, got into an argument with her boyfriend. This led to McDaniel calling her brothers who showed up to the home in a silver sedan with guns. On today's date, McDaniel and her boyfriend got into another altercation. Sykes said her nephew called her stating McDaniel was on the phone with her brothers again and was afraid they were going to come back and do what they did last year. Sykes then called us and gave us the description of the event that occurred last year in case it occurred again. No actual threats were made on today's date. To be safe, I had everyone leave the home for the evening. Sykes and her nephew went to stay with Sykes's sister. I drove McDaniel and her child to her sister's home on E 43rd street in Cleveland.

MALE WITH A WHITE VOLK IS THROWING ROCKS AT THIS HOUSE. CALLER IS A NEIGHBOR THAT SAID IT IS TOO DARK TO GET A DESCRIPTION OF THE PERSON.					
I spoke with the caller, Robert. He advised he works early tomorrow and cannot rest due to rocks being thrown at one of his neighbors homes. He was unable to provide an exact address. Robert was advised that officers checked the area and did not locate any disturbances. Nor have any of his neighbors contacted the Police Department to make a report for anything similar.
