SEE REPORT

I spoke with Terrance Rogers who advised that at 1350 hours on 07/11/2022, a Juan Ross came to Terrance's house at 15317 Rockside Rd, showed Terrance a two shot .22lr derringer style handgun in Juan's waistband and stated that Juan would shoot Terrance and his two children. Terrance advised there was not a third party to witness the threats, no recorded message, and no text message. Terrance advised the argument was about Juan's wife staying at Terrance's

place while they go through a divorce. Initially Terrance wanted a report, but later advised he was okay with the incident being documented and getting a protection order. I called and spoke with Juan on the phone number provided by Terrance. Juan stated he didn't know a Terrance or recall any incident. I advised Juan of criminal trespass. LK558.

Unit 2- 2015 Kia Sould, Unknown Plate, Angela Kucek 440-823-3307, Unknown Policy

I spoke with Ofelia Walsh in the PD lobby who advised that while travelling eastbound on Turney Rd, she was stopped at Dunham Rd and was struck in the rear by a 2015 Kia Soul. Both drivers had a verbal altercation and the driver of the Soul drove off. Angela Kucek called dispatch and advised them she was cut off by Ofelia and after the collision, threatened by Ofelia. Ofelia advised me she never threatened Angela during their exchange. I called Angela twice and left a

message. I spoke with Angela on 07/12. She advised she was eastbound on Turney near Drugmart when a black vehicle cut her off forcing her to slam on her breaks. Ofelia, who was in the yellow mustang in front of Angela, thought Angela struck her vehicle. The female in the black car got out and began to say that she was going to beat Angela's ass and stated she had a firearm in the trunk of the vehicle. Angela also stated that Ofelia also made threatening remarks to her. Angela stated she only wanted the incident documented. Angela advised she will send me her insurance information and pictures of her vehicle which will be attached to the report. LK558

ALERT 2200890 ADDED

On Tuesday, July 12, 2022 at approximately 1829 hours, Officers responded to the area of 14513 Wheeler Road for a report of an 8 year-old autistic male, walking in the middle of the street without shoes.

Upon arrival, I, Sgt. Frazier, spoke with the caller, Natasha Wiley. Natasha stated she observed an 8 year-old male walking in the middle of the street without shoes. Natasha stated she recognized the male from previous incidents and the male was turned over to his mother. Natasha provided an OH registration for the mother of the 8 year-old. Ptl. Williams and I responded to 14704 Rockside Road to speak with the registered owner, Charia Crawford. Contact was made with Charia, who stated she is the mother of 8 year-old. Charia went to the Family Dollar, located at 5825 Dunham Road and she left Chace in the care of her 15 year-old daughter. Charia stated there were also three other adults in the house. Charia stated her daughter contacted her stating the alarm on the door sounded, which prompted her to look for her brother and when unable to locate him inside the house, she checked outside but was unable to locate him. Charia stated her and her daughter took classes to be able to provide safety for her son and prevent him from leaving the residence. Charia stated she has alarms on the windows and doors which alert them if he sneaks out. Charia also keeps chained locks high enough so he can't reach them.

Charia was issued a MM citation # MA35349 for Child Endangering and provided a mandatory Garfield Heights court date of July 20, 2022 at 1330 hours. DF#540

Upon arriving on scene, I observed a juvenile female, walking down E.141st. St. with two large kitchen knives. She immediately dropped them and stated she had them because a boy across the street was threatening her. Speaking with her more she stated her and a boy from Garfield Heights, , were "play fighting" which was later determined to be trading smacks. The juvenile was upset because juvenile 2 last slapped her and did not let him hit her back. She returned to her residence on Corridon Ave. and retrieved three large kitchen knives to scare him. She stated she was not going to do anything just scare him because he slapped her. Juvenile 2's mother, Tierra Williams, did not wish to pursue any charges against her. Juvenile 1's mother, Solita Peake, was contacted at work and came to the police department to pick up teh juvenile. COB549

On July 13, 2022, at approximately 0857 hours, I, Ptl. M. Lowe #563 responded to the Maple Heights Police Department lobby for a report of property damage (JFK elementary school).  
Upon my arrival, I spoke with the maintenance director, Ben Kelley. Ben stated approximately about 2 weeks ago (Ben did know the exact date of the incident) the exterior of the window was shattered. Ben stated it was probably their students that were playing outside and accidentally hit the window. When asked, Ben stated that the school has security cameras, but the cameras are not pointed directly toward the window. Ben nor the superintendent of the Maple Heights School district does not want to pursue any criminal charges for the damages to the window. Upon my arrival to JFK elementary school, I observed a shattered exterior window. Ben and the superintendent just wanted this incident documented in case the Maple Heights Police Department receive an alarm drop alert.

Photographs of the damages to the window was taken and attached to this sheet. Ben was provided the CAD incident number. ML563

On July 13th, 2022 at approximately 1730 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Libby regarding a Hit Skip complaint. Upon my arrival, I met and spoke with complainant, Sharon Davis, who advised she was stopped at red light at Lee Rd and Raymond St southbound in her 2017 Nissan Quest. When she was rear ended by Darlene McKinnie. Sharon stated they both pulled over and spoke and she asked for insurance information and Darlene stated "girl I'm not giving you info there's no damage" before pulling off. Darlene was able to get Darlene's license plate and dispatch was able to locate a phone number attached to the license. I contacted Darlene and advised her of the incident. At first Darlene denied striking Sharon's vehicle. I advised Darlene that I will tow her vehicle and issue her citations for hit skip. At which time Darlene apologize and admitted to rear ended Sharon's vehicle. Darlene and Sharon spoke on phone where she apologizes for fleeing the scene. Darlene was issued citation for hit skip, ACAD and DUS. Photos of the vehicles were taken, However, no damage observed.

Starlisa Glanton arrived in the police lobby to file a police report for stolen jewelry. Glanton states this happened some time in April, but does not have the exact date. Glanton said she was having a party, and her son left her bedroom door unlocked. At some point in this party someone entered her bedroom and stole two purses, two pairs of earrings, and a ring. Glanton said she filed a claim, however they just advised her that she needed a police report. Glanton states this report is only for the insurance purpose, and for the earrings and ring. She values the earrings at approximately \$1,500 each pair, and \$3,000 for the ring. She was given the incident number and advised. MM569

I observed the Ford drive into the turn lane and shortly after turn in front of a RTA bus that was in the center lane. I turned my cruiser around and attempted to catch up to the driver of the Ford. I was traveling 70 mph in order to catch up to the Ford to the high rate of speed the Ford was going. I was able to catch up to the Ford at Libby intersecting Thomas street. The Ford was in the left turning lane and turned the opposite direction jumping out in front of cars that were in the center lane of Libby Road. I turned on my overhead lights and stopped the Ford. I spoke with the owner Rahsaan Mosby. Rahsaan stated he turned into the center lane from the left turn lane because he changed his mind. While getting back into the vehicle, she placed her Motorola Stylus cell phone (black in color, valued at \$250) on the top of her car and drove off. She noticed the phone was missing at 1330 hours the same day. She checked D&R meats cameras and wasn't able to see where the phone fell in the parking lot. She wasn't able to locate the phone in the parking lot either. Tiffany advised when she checked her Google account to locate the phone, she noticed that the phone must have been off or logged off of her Google account. Tiffany was advised to contact me if there were any other problems. LK558

Jalisa stated she made ramen noodles for her son, she left the noodles and soup in the microwave to cool down. Her son went by the microwave and picked up the bowl when the hot soup water spilled on his chest, back, and left shoulder area. I spoke with the nurses who advised this was not a police matter as the child is not severely burned and they did not see anything suspicious about the burns.

Latrice stated she received calls and texts messages from unidentified numbers and message applications from an alleged female, Joechelle Davis (approx. 50 y.o.). Latrice was unable to provide the numbers that the messages and calls came from. Latrice informed me the messages stated that the suspect is going to shoot up her house and physically assault her. Latrice allegedly claimed that Joechelle frequently drove by her house in a white vehicle possibly a Nissan and a red truck (make and model unknown) and these incidents have been happening for approximately 4 years. Latrice explained she only identifies the female by her voice but could not provide proof that it is Joechelle Davis. Latrice was advised to provide audio and visual recordings of the alleged suspect if she contacts her in the future.

I spoke with Jionna Hawkins who advised while she was outside washing her car, a dark skinned male in a blue Honda drove up and down her street multiple times. The male then stopped his car in front of her house and began to walk towards her with a "mean face" when Jionna ran into the backyard. The male then left the area. Jionna was advised the incident would be documented and to call us if the male returns. LK558

07/16/2022 16:36:23      15842 LIBBY RD      TRAFFIC STOP      2210149473

I observed a 2009 Black Ford Taurus travelling north on Granger Rd approaching the Libby Rd intersection and a red traffic light. The vehicle put on a right turn signal and proceeded to turn eastbound onto Libby Rd. A second vehicle was travelling eastbound through the intersection with a green light and the right of way, and had to quickly apply its breaks to avoid striking the rear of the Taurus. I followed the Taurus and conducted a traffic stop in front of 15842 Libby Rd. I spoke with the driver, Lamar William Reed who advised he did not have a driver's license. Lamar was issued citation P32841 for driving without a license (ORC 4510.12) and Right Turns at Intersections (ORC 4511.36). Lamar was given a Garfield Heights Municipal Court date of 07/27/2022 at 1330 hours. Lamar contacted his mother Edithia Presley, the registered owner of the vehicle, and she was on the way to pick the vehicle up. Officers were then advised to head to a structure fire (MA22-10149494). Lamar was advised to park the vehicle in a nearby parking lot and wait for his mother to get the vehicle. Lamar was also advised about his warrant with Beachwood. LK558

Spoke with the child. She stated her mother, Vatashia Smith, struck her and kicked her and then kicked her out last night. She wanted to be placed in a foster home, but did not want to get her mother in trouble. She stated she was staying with Grandmother, Veda Smith. I transported her over to her grandmother's apartment. I spoke with Veda who at first stated she didn't even know the child had left the apartment. Veda further stated Vatashia found a gun in the child's room that she had taken from someone else and has had constant issues with her all year being disrespectful and being unruly. I spoke with Vatashia via phone at Veda's apartment. Vatashia stated she transported her daughter to Veda's residence to stay for the time being as she could not deal with her and looked at other options for her due to her behavioral issues. Vatashia stated she did discipline her daughter, but nothing further than that. The child had no marks, cuts or bruises on her person. Vatashia was advised on how to file unruly and to contact Jane Edna on Monday. I attempted to speak with the child again after speaking with her mother and what her mother advised me of and she became silent and no longer had anything to say. She ignored me and looked away. I advised her of the Domestic Violence laws. Veda was advised to contact us if anything escalated or if the child left without her permission. COB549

I, Ptl. Saverko #562 drove through the area of Tokay for the Juveniles but was unable to locate any in the street. William Paluscsak did not believe that officers drove down his street and became angry and irate. William stated that he knows the laws and knows that it is illegal for kids to be in the street. We then responded to his address to speak to him, where he showed us a video of a group of kids in the street playing, and being loud. Williams stated he needed to make documentation of the incident.

Maple units responded to Fernway and observed two males walking on the sidewalk. Those two males were later identified as Derik Horton and Dashoun Horton. Both males were detained due to the possibility of a gun being involved. Officers spoke to the original caller and she did not mention anything about a weapon being involved. Both parties stories stated that they had a little altercation but no weapons were involved, and no one wanted to press charges.

4554 TO COMPLETE

On July 18th, 2022 at approximately 0655 hours, I, Pltm. Westfield #554, was radio dispatched to 5211 Arch Street regarding a unwanted guest. Upon my arrival, I met and spoke with the complainant, Latoia Wilberly, who stated she moved her friend, Jaquirce White, inside her residence while she go out of town for a few months. Latoia advised she was out of town for approximately 5months and upon returning home Jaquirce had changed the lights and gas to her name and refused to leave. Latoia had no keys to the residence, however, showed me a copy of the lease. I attempted to knock on the door to speak with Jaquirce, however, no answer. Dispatch stated that the residence was subleased with Jaquirce's name on the new lease. evictions lease agreement. Latoia was advised to get in contact with her landlord regarding this matter. Latoia stated she understood and left the property. #554
