ATTEMPTED CONTACT WITH FEMALE -- VM LEFT

After breaking the side door glass, the female came to the door. She refused to open the door. She was served with the eviction papers by the servers, but they gave her 2 hours to gather her needed items. The servers spoke to the owner of the property by telephone and informed them of the outcome. The owner wanted the female arrested and removed from the house. The server told the owner police would not arrest on a civil action and they could go to the court and request an arrest warrant. STB514

**FEMALE IN PD LOBBY FOR STOLEN OR LOST WALLET

--568--
Spoke with the caller, Jamilia Cunningham, in the lobby. Cunningham stated that her wallet was either stolen or lost. Cunningham stated that the last place she had used it was yesterday at a dollar store in Garfield Heights. Cunningham noticed the wallet missing when she attempted to use it while at a Walmart in Macedonia. Cunningham stated in between the dollar store at Garfield Heights and the Walmart in Macedonia, she did not attempt to purchase anything inside the city limits of Maple Heights. Cunningham described the wallet as a Coach wallet that only had credit cards, her drivers license and her boyfriend's social security card. Cunningham did not believe she had any cash inside the wallet. Cunningham has cancelled all but one of her credit cards and has not seen any unauthorized purchases on any of them, including the one she left open.

Cunningham does not have reason to believe that someone broke into her home (on Clement Ave) or her vehicle and took the wallet. I advised Cunningham to Garfield Hts PD, since that is the last place she used the wallet. Cunningham left before providing me with the names of the credit cards or their corresponding number. Cunningham also did not provide information on her boyfriend, whose social security card was inside of the wallet.

PARTY ON STATION TO SPEAK WITH AN OFFICER IN REF HER GRANDMOTHER
DAWANDA JACKSON, NOT SHOWING UP FOR A CUSTODY EXCHANGE THAT
WAS TO TAKE PLACE AT 1330 HOURS

The caller was in Columbus this morning where her child's father, Vernall Jackson, was arrested for a TPO violation. Their child has been with Vernall's mother, Dwanda, since June 12th. Since the Columbus case has been resolved, the caller contacted Dwanda and agreed to meet Dwanda at the MHPD at 1330 hours today. When Dwanda did not show, the caller attempted to call Dwanda with no answer. I attempted to contact Dwanda and left a message. Dwanda's listed address is in Bedford. I advised the caller to contact BPD to attempt to make contact. The caller stated she believes Dwanda moved out a month ago. The caller is going to contact the Columbus Prosecutor to speak to Vernall in reference to this. STB514

Fletcher Brown came into the MHPD to report his 2005 Merc Grand Marquis as stolen. Mr. Brown stated that he was evicted today from his Maplewood address and when he went to get the car out of the garage, it was not there. Mr. Brown stated he currently has a TPO in his name so he was unable to go to the Maplewood address since July 9, 2022. Mr. Brown stated the vehicle was inoperable due to multiple mechanical issues, however he found a receipt in the garage that stated Eagle Auto towed the vehicle from his residence. Mr. Brown stated the vehicle was at Eagle Auto, however, he has yet to go up there to get his vehicle. I advised Mr. Brown to get his vehicle and if he has to pay any fees, then he would file a lawsuit in Garfield Court against the person who had the vehicle towed there.

PER 4519
 MALE IN THE LOBBY REPORTING NEW FINDINGS OF IDENTITY THEFT.

The complainant, Keith Bates, came to the station reporting that he was contacted by Lifelock, who stated that they identified suspicious activity on his account. Lifelock advised Mr Bates that there was new activity showing that an account had been opened with Bank of America in his name on 06/26/2022. Mr Bates stated that he did have a Bank of America account, however, the account had been opened years ago and he had not made any changes to the account. Mr Bates was contacted by Lifelock again today and he learned that there was more suspicious activity on his credit report through Experian. They advised him that the account had been opened to an address in Torrance CA, 23128 Meyler Ave Torrance CA 90502. He was also advised that another account had been opened which showed an address of 6611 Beck Ave North Hollywood CA 91606. Mr Bates stated he has never opened any financial accounts in California and stated this is a fraudulent account.

I checked Accurant to cross reference this address and asked Mr. Bates if he knew anyone by any of the names that were attached to the California residences. He did not know anyone by any of the attached names. Per Accurant, the North Hollywood address has many names attached to it. I contacted the LAPD and advised them of this suspicious activity with this address.

Mr. Bates was advised to contact the Ohio Attorney General's Office and file a complaint with their consumer fraud and identity theft division, online. He will also

be contacting the credit reporting agencies to make sure fraud alerts have been placed on his identifies. He will also follow up with Lifelock to make sure they have done the same through the course of their investigation.

VERBAL ALTERCATION

OFFICER TO COMPLETE DISPO

On Tuesday, July 19, 2022 at approximately 2346 hours, I, Ptl. M. Lowe #563, along with other Maple Heights Police units responded to 14308 Wheeler Road for a report of a disturbance.

Upon my arrival, I spoke with the caller, Damon Wheat. Damon stated he was involved in a verbal altercation with his wife, later identified as Marie Wheat because he forgot to close his vehicle door in the driveway. Damon stated that Marie's brother passed away today and she has been consuming alcohol. I then spoke with Marie about the incident. I immediately detected a strong odor of an alcoholic beverage coming from her. Marie stated that Damon keeps forgetting to shut his vehicle door when he parks his car in the driveway. I noticed that Marie was upset that her brother passed away. Marie admitted she has been consuming alcohol today. I did not observe any visible marks on both of the parties. Damon voluntarily left the residence for the night, due to him being upset with Marie. Both parties were informed about the domestic violence laws. Both parties were advised to seek a divorce lawyer. Dylan Roshetko contacted the MHPD to report damage to his vehicle while at the Sunoco gas station located at 5460 Northfield Rd. Dylan stated a large U-Haul attempted to pull near the pumps when he noticed the U-Haul wasn't going to fit, therefore Dylan told the unknown driver of the U-Haul that he was going to pull his vehicle backwards so she could get to the pumps. Dylan stated the female driver did not wait for Dylan and pulled forward causing the rear driver-side of the U-Haul to strike the front driver-side of his 2017 Chevy Sedan causing minor damage. Dylan stated he began arguing with the driver and did not get her name nor the license plate number. I spoke with the clerk at the Sunoco who did not know how to operate the security cameras.

Caller was unsure of the parking laws on her street. The vehicle in question was parked legally. Caller was just wondering if she should continue to call the police on vehicles parked in front of her residence.

After checking further down the street towards Libby Rd, there are faded no parking any time signs on the east-side of Cato that start at Libby Rd to the end of the Church Apron. Service will be contacted to replace these signs to notify drivers not to park on that area of Cato.

 JUVENILES WERE PLAYING INSIDE THE VACANT HOUSE AND GOT TRAPPED IN SO THEY KICKED OUT THE DOOR. ONE TRANSPORTED TO MARYMOUNT, THE OTHER 3 WERE TURNED OVER TO THEIR GUARDIAN
 I, Ptl. Williams #564 spoke with Mrs. Love who stated that the front door to 14417 Corridon Avenue was broken out. Mrs. Love stated the female who broke the door was inside of her home. Upon entry into Mrs. Love's home, I spoke with juvenile one who was standing inside a bath tub bleeding from her left leg and left arm. She stated her and three friends went inside of 14417 Corridon to see what the inside of the house looked like. While asking juvenile one questions she became upset and would not go into anymore detail as to why she and her friends were inside the house. I called her mother, Latifah Iverson who stated she wanted juvenile one transported to the hospital. Juvenile one was transported to Marymount Hospital for her injuries and was advised of trespassing from 14417 Corridon Avenue.

I spoke with the other three juveniles who stated they went into the above address with juvenile one. Juvenile two stated that juvenile one stated she lived at the above address and that it was ok to go inside. Juvenile two stated they were able to get inside of the home because the side door was unlocked. Juvenile two stated when they entered the house they belived they were locked inside which is why juvenile one broke the window to the front door. I asked juvenile two why did they not leave the home through the side door they came inside and she could not provide an answer.

I gave juvenile two, juvenile three, and juvenile four a courtsey ride back home that was located at 14705 Reddington Avenue. Upon arrival, I spoke with juvenile three's mother Shayla Stewart. Shayla stated juvenile two, juvenile three, and juvenile four were all siblings and were only told to play outside. Shayla stated the children were going to remain inside the house for the remainder of the day. I advised juvenile two, juvenile three, and juvenile four of trespassing from 14417 Corridon Avenue.

Dispatch attempted to contact the home owner of 14417 Corridon and advise of the damage done to the home but we were unable to locate a homeowner.

Photographs were taken and added.

566 TO COMPLETE

On the above date and time I, Ptl. T. Vasko #566 responded to the Police Department Lobby. The caller, Torrey Kelly, stated that a co-worker by the name of Arianna Howard took a picture of her license plate while they were at the Mcdonalds on Broadway and Libby Rd. I explained to Torrey that she forfeits a reasonable expectation of privacy when she's out in public and this is not a criminal matter. Torrey seemed mostly concerned of Arianna getting her personal information from the licence plate. Torrey requested this be documented to be used if any more incidents arise in the future.

MAS2 TRANSPORTING MARYMOUNT

On Wednesday, July 20th, 2022, at 1938 hours, I, Ptl. H. Kaur #553 and other Maple Heights Units responded to 14605 Summit Ave. for a disturbance between family members. Upon my arrival, I spoke with Dwayne Wilson, who advised me his younger cousin went into his room and took a Jersey. When he confronted the juvenile about it, she became agitated and got Dwayne's mother, Beatrice Wilson, involved as well. Dwayne showed me video on his phone where you can hear Beatrice speaking loudly and aggressively towards Dwayne- at this time Dwayne did not respond to anything. I asked the juvenile if she went into Dwayne's property to take the Jersey and she admitted to taking it. She then added that the Jersey initially belonged to her. Dwayne showed me several other Jersey's that belonged to him of different colors, but the same size as the one the juvenile had in her hand. Dwayne stated he was in his own space when Beatrice came home from work and started arguing with him. He also stated the juvenile attempted to "swing at him." She did not strike him. This was a verbal argument over the Jersey. Beatrice stated she wished for Dwayne to get a mental evaluation. She was advised on how to file for a Probate Order, and eviction. Dwayne advised he was having COVID like symptoms and requested to be transported to the hospital. HK #553

Williams placed a Stihl Leafblower (valued at \$600) on the ground next to a city vehicle around 1250 hours. At 1430 hours, he noticed the leafblower was missing. William advised he did not notice anyone unusual in the area. There is no useable camera footage and no witnesses. Should a suspect be identified, a report will be generated. LK558

Unit 1 (Velma) was stopped at the red light in the curb lane (northbound) at the intersection of Southgate Park Blvd. Velma stated she was struck in the rear of her vehicle by Unit 2. Velma described the impact as a slight jolt and did not report any injuries for herself or her passenger, Brandon Johnson. Velma stated that Unit 2 stopped for a moment but then drove away without providing his or her information. Velma was able to get the license plate of the vehicle but was unable to see the driver. Velma described the vehicle as an older model Chevy (possibly an impala), dark in color with tinted windows. Velma provided the plate information as JTM 8519. The plate does return to a 2011 Chevy. I left a voicemail for the owner to return my call.

At the time of this report, Velma did not come to the police station with the vehicle that she was struck in. She stated there was slight damage to the vehicle. I advised her to bring the vehicle to station so I can take photos and accurately document the damage.

--UPDATE--

Velma brought her vehicle (HPD 6733) to station. Pictures were documented and will be attached to this report.

I spoke with Kane (owner of Unit 2). He denied being involved in the accident and stated he was home at the time the accident took place. I asked him who

would have been driving his vehicle and Kane seemed uncooperative and stated he was unsure. Kane also seemed unwilling to speak with me on station about the accident. Kane did state that he does not have insurance on the vehicle. I requested Warrensville Hts PD attempt to locate the vehicle at his listed address. Warrensville Hts PD located the vehicle and took photos of the damage. After reviewing photos of both vehicles, the damage on Kane's vehicle is consistent with the damage on Velma's vehicle. I searched Kane's vehicle in the Flock camera system and it showed that at 2120 hrs on 07-19-22, Kane's vehicle is located at Donnybrook and Warrensville Center Rd heading north bound (which is approximately 1056 ft south of the reported accident location).

On 07-21-22 I PtIm Duncan responded to the lobby for a theft complaint call. Upon arrival I spoke with the caller, Jennifer Ashley. Ashley stated that she received multiple emails from Walmart about confirming six items she ordered. Ashley stated she did not order anything from Walmart recently and she did not give anyone permission to make these purchases on her behalf. Ashley contacted her bank (PNC) and stated they cancelled her debit card and provided her with a new one. Ashley was unable to give me the corresponding number on the card because PNC took possession of the card and cut it up. The other Credit card used was a Credit One Visa card which Ashley still has in her possession but she left it at home. Ashley stated she was going to PNC tomorrow (07-22-22) to dispute the charges. Ashley was advised to come back to the station after she leaves PNC.

The following are the walmart orders:

Suit case \$342.68 order #2000101-32192498
Exercise Peddler \$82.68 order #2000101-36785378 (cancelled by walmart)
Bathroom Vanity \$236.68 order #2000100-9686303 (cancelled by wlamart)
Bathroom Storage Shelves \$162.68 order #2000100-80481388 (cancelled by walmart)
Knee Pillow \$52.68 order #2000100-90612425 (cancelled by walmart)
Waterfall Faucet \$130.68 order #2000101-06283600 (cancelled by walmart)

--UPDATE--

Ashley came back to station and stated that her bank could not dispute the charge at the moment because it is still pending. Ashley stated that once the charge goes through, PNC advised they would dispute it.

I called and spoke with Angel Ellison who advised that she and Samuel Johnson have been continuing to argue over Angel living at 15612 Maplewood after our previous call (see 2210153064). Angel advised she was given an unofficial 3 day eviction notice and did not believe it was real. I advised her that after the 3 days, she may be given an official 30 day eviction notice from Garfield Heights Municipal Court. In that instance, she will have until the time on the paperwork to leave. Angel advised me she considered the eviction notice a threat. She was advised to contact us if any direct, specific threats were made to her. LK558

On July 21, 2022 I, Ptl. T. Vasko 566 responded to the Maple Heights Police Department Lobby for a report of Theft. Upon my arrival I spoke with the caller Qualaine Quallo, she advised on July 8th, 2022 an overdraft transfer from her savings account of \$400 was transferred to a checking account. Then a substitute check for the amount of \$357.19. The maker of this substitute check is "Purple Bridge Media" and the payee is a Janice Keemert. Qualaine also reported this checking account does not have checks attached to it.

Qualaine wanted this incident documented so she could take a report number to Huntington back who stated they needed a report number, which Qualaine was given. Qualaine was advised to follow up with me after Huntington bank completes their investigation and was given the CAD number associated with this call.

I spoke with Jantal Jones and Diamond Warren. They advised while at Gabors Deli, a juvenile approached the vehicle Diamond Warren was sitting in and attempted to grab Diamond's hair and strike her. The juvenile advised that Diamond gave her "a look" and shouted at her so the juvenile approached her and a verbal argument began. The juvenile stated she never attempted to strike Diamond. The owner of the vehicle, Jantal Jones exited and told the juvenile and her group of friends to leave Diamond alone. Jantal advised she knew the juvenile's mother, Candis Johnson. Jantal advised she wished to speak with Candis to discuss the juvenile's behavior. Jantal stated that if she believes Candis will be able to handle the juvenile's behavior, she only wants the incident documented. LK558

On Thursday July 21, 2022 at 2133 hours, Treazure Benton arrived on station to turn in her firearm due to having a protection order against her. Treazure showed officers the protection order, which stated that she is not to possess any deadly weapons. Treazure turned in a Silver and Black Smith & Wesson 38 revolver (Serial# CYR6670). A check of the serial number through dispatch revealed the revolver to not come back on file. Treazure also turned in (5) 38 SPL CBC bullets separately in a bag. Both the revolver and bullets were entered into PMI as evidence (TN30533). Photos of the gun and bullets were taken and added to the sheet.

THE PERSON HARASSING CALLER IS LASHAUN LINDSEY

On Friday, July 22, 2022 at approximately 0416 hours, I, Ptl. Colangelo #567 was dispatched to 15412 Greendale Avenue for a protection order violation. Upon arrival I spoke with the protected party identified as Joshua Coates. Joshua stated he had a Protection Order (CV 22 958323) against Lashaun Lindsey. Joshua continued to explain that he received messages from Lashaun on the Grinder Dating Application stating Lashaun had his address and job location, and that he will see him soon. I asked Joshua if he had any documented proof that Lashaun contacted him. Joshua stated he did not and that Lashaun blocked him on the application and he was not able to view the page and was unable to provide proof of Lashaun contacted him. Lashaun Lindsey has an active warrant with the Maple Heights Police Department for Violating a Protection Order on a prior incident (CAD reference 2210116158). Joshua was advised to document any contact that happens in the future and to contact the Maple Heights Police Department or the police agency the offense happens in. Joshua was provided with the CAD Number and Maple Heights Police Department non emergency phone number.

BROKEN GLASS WITH DOORS STILL LOCKED
APPEARS A BRICK WENT THROUGH THE DOOR

On, Friday, July 22, 2022, at approximately 0630 hours, I, Ptl. Colangelo responded to Dollar General at 15818 Broadway Avenue for a report of broken glass on the main entrance door of the business. Upon arrival, I observed broken glass on the left sliding main entrance door. I approached the door and both the left and right door were locked. I observed a brick laying inside near the entrance of the business. It did not appear anything else inside the store was damaged or stolen. The Maple Heights Police Department did not receive an alarm call for this business, The street sweeper operator noticed the damage and notified Chagrin Valley Dispatch. Photographs of the scene were obtained and they will be documented in this CAD log.

On Friday, July 22nd, 2022 at approximately 1822 hours, I, Ptlm. Westfield #554, along with other Maple Heights Units were radio dispatched to the area of Lafayette Ave and Gerard Ave for a report of kids climbing through a white vacant house window. While searching the area for the juveniles, we observed two juvenile males on bikes traveling eastbound on Lafayette Ave. Ptlm. Mijangos #551 and Cdt. Matash #569 was able to stop and speak with the males. While approaching their location at Washington Ave and Lafayette and observed two more males walking from the empty lot next door from the vacant residence 5661 Lafayette Ave. All juveniles were identified. The juveniles denied being inside of the vacant residence however, admitted to being in the backyard. At which time a male later identified as, Steven Sharp, walked up and stated someone unknown had stolen his bike today. The bike Steven describe was later located at the rear of the vacant residence where the juvenile admitted to being. The juvenile denied having or stealing the bike. Steven did not wish to press charges for theft and signed the Maple Heights Waiver of Prosecution. Steven bike was turned over to him. Officers found an opened rear door and searched the interior which checked negative for damages. The door was re-secure.

David stated this afternoon he noticed that his passenger side door had a minor scratch on it. David stated he does not know where this came from. David was confused when I asked when did this incident took place. David stated this scratch could have been from an accident that occurred at the Popeye restaurant on Warrensville Center Road a few weeks ago. I observed minor scratched on the passenger side door. David just wanted this documented for insurance purposes. David was provided the CAD incident number. Photographs were taken and attached to the sheet. ML563

On Saturday, July 23rd at approximately 0800 hours, I, Ptlm. Westfield #554, was radio dispatched to Clare Tower Apartments located at 20008 Clare Ave. for a missing mental adult subject identified as, 36-year-old, R'mell Robby.

While en route, dispatched advised R'mell's caretaker, Danae stated R'mell got upset because he woke R'mell up early to take his medication. Danae advised R'mell got violent and combative with him and fled the apartment. According to Danae, R'mell left the apartment wearing gray T-shirt and blue short. Danae advised R'mell was last seen walking eastbound on Clare Ave. towards Warrensville Center Rd.

Upon arrival to the apartment, Danae was no longer there. Danae was contacted via cell phone, and Danae advised that he was off work and R'mell haven't returned home. I contacted the manager, Brenda Hartfield, who advised she was not in the city at the time and will contact me once she returns to R'mell's apartment.

Brenda described R'mell as a 36-year-old black male, approximately 5 foot 6 inches with a weight of approximately 250 pounds. Brenda stated R'mell had a slight heavysset build, his hair was balding at the top, and was wearing eye glasses at the time.

Brenda stated R'mell doesn't owe or drive a vehicle. However, R'mell love to go on long walks. Brenda mentioned, R'mell left the apartment before and returned home at approximately 0200 hours with bumps and bruises. Brenda also mentioned that R'mell is diagnosed with schizophrenia and need 24 hours watch.

Brenda completed a missing person's packet for R'mell. She initialed to have R'mell featured on the city and county Facebook pages. Brenda could not provide a dental record for R'mell. R'mell was entered into LEADS (NIC#) as missing and entered into the MHPD missing person spreadsheet.

Officers conducted an area canvass for R'mell, which turned up negative for R'mell.

Brenda will notify MHPD if R'mell returns.

Upon our arrival, met and spoke with the complainant, Telicia Boyd, who advised she received a phone call from her daughter, Robyn Ann Hardwick, advising her that a black male with a red hoodie pulled a firearm out on her after going to the truck of his vehicle. I spoke with Robyn and Robyn stated her and other juveniles were playing with Nerf guns in the area. The male in the red hoodie, Taeshawn Brown, supposedly got upset and went the truck of his vehicle. Robyn stated Taeshawn did not mention a firearm nor did she see him with a firearm. However, Robyn felt scared and said she saw something black in his hands. Officers spoke with Taeshawn who fit the description (red hoodie). While speaking with Taeshawn, he was asked if he brandished a firearm or owned a firearm. Taeshawn stated no. Taeshawn was cooperative officers and also consented to a vehicle search. I searched Taeshawn's vehicle, which checked negative for firearm. I did locate a white and red Nerf gun in Taeshawn's passenger seat. Taeshawn stated he opened his truck to change shoes. NOTED there were a pair of black flip flops in the truck. Robyn and Telicia were advised of the outcome. #554

While in the area of 19777 Maple Heights Boulevard, I, Ptl. M. Heitzer #547, noticed several juveniles standing in the street. I recognized one of the juveniles. Juvenile one and his friends walked westbound on Nitra Avenue, out of my sight. I went to 19777 Maple Heights Boulevard to make contact with juvenile one's mother, Jannice Edwards. I made contact with Jannice and advised her I would have to cite her for a curfew violation because juvenile one had left home. Juvenile one returned a short time later. He and Jannice explained that he was walking a few doors down to spend the night at his friends house, not just roaming the city. Juvenile one's friend confirmed he had invited juvenile one to spend the night at his house. Jannice was not issued a citation for curfew. MH547

ONGOING ISSUE WITH NEIGHBOR - HAVE GONE TO COURT IN THE PAST
FEMALE ADV THERE IS A TPO ON FILE BUT NOTHING WAS LOCATED FOR EITHER PARTY
MALE HAS STARTED DAMAGING FEMALES NO TRESPASSING SIGNS, SHE DOES HAVE FOOTAGE OF THIS

The caller is upset because she has had the property surveyed and put a no trespassing sign by her driveway to keep the neighbor off of her property in the back of the yard. The neighbor has damaged 1 of the sign posts. The caller stated she had a restraining order and showed me paperwork from November 2019. The restraining order has expired and is no longer in the system. The caller showed me where she has her property stakes and the sign was posted. Half of the sign is actually over her staked property line and in the neighbor's yard. I advised the caller to look for a vertical sign that she could post inside her property line. The caller then stated according to the property line part of the neighbor's mulched flower bed is on her property and she wants it moved. She was advised she would have to re-contact her lawyer about filing another restraining order and the property line dispute is actually a civil matter. When the neighbor was asked about the damage to the sign, he stated half of the sign was on his property and that was the part he had touched. STB514

Last night at approximately 1800 hours, the caller was in the Maple Grove Inn. He left his phone on the bar and stepped away for a minute. When he returned his Samsung Galaxy 21 was missing. He is tracking his phone and it is showing in the area of Broadway and Libby. He was requesting an escort to the area to assist in looking for the phone. We responded to the area without locating the phone. He was going to look in the area on his own and he will contact the bar again to see if anyone turned it in. He has insurance on the phone and a replacement has already been shipped. At this time he just wanted it documented in case the phone is turned in. STB514

After canvassing the area for the juvenile and her mother, we located the parties at 5158 Erwin Street. The mother, Cloteal McFarland, said she was inside the house, cooking dinner, while her 3 Y/O and 12 Y/O were playing in the backyard. Cloteal said, after locating the juvenile on Joseph Street, that the juvenile had wandered out of the yard chasing after a deer. I spoke with the juvenile's older sister. The older sister said she was focused on and playing with a grasshopper when the juvenile told her that she was going to catch a deer. Before the juvenile's older sister knew it, the juvenile had wandered out of sight. Due to the innocent circumstances surrounding the juvenile wandering off, Cloteal was advised on Child Endangering laws and not cited. MH547

Marissa continued to explain after they received their food unit 2 operator drove away and did not exchange information. Marissa stated she did not want to make an insurance claim and only wanted to have this incident documented since no damage was sustained on her vehicle.

MALE OUTSIDE YELLING AND BANGING ON THE DOOR
LT B/M WEARING BLK HOODY JEANS
CLERK HAD TO LOCK THE DOOR TO KEEP HIM OUT

I spoke with James White III and Abdelmonem Aly Nasr. Abdelmonem advised that while working as an employee of the Shell gas station, James came to the store and was loitering around without purchasing anything. Abdelmonem asked James to leave and James refused. A verbal argument ensued and Abdelmonem produced an orange pepperball launcher because he was afraid of James. James walked out of the store and Abdelmonem locked the door. Abdelmonem advised he wanted James to leave but didn't want to pursue any criminal trespass charges. James was advised he should leave and became verbally agitated. James then advised that he believed Abdelmonem had a real firearm not a pepperball gun. James was advised it was not a real firearm and seemed dissatisfied with the answer. James later called RTA police to report a firearm was pointed at him. I responded to O'Reilys, 5489 Warrensville Center Rd to take his complaint, however James was unable to be located. LK558
