I spoke with Jikwon Hughes who advised on 06/14/2022 he was asked to send money to his friend Elliot Parks. Jikwon received a total of \$838 dollars split between two zelle accounts, a Christine Chapman and a Tracie Atridge. Jikwon advised he doesnt know a Christine or a Tracie. Jikwon then sent the money to Elliot through ApplePay. The first transaction to Jikwon through Zelle was then disputed on 06/26/2022. The second was disputed on 07/06/2022. The money was removed from Jikwon's account and he wanted to report the incident. I attempted to call the phone number provided for Elliot but was unable to leave a message or speak with anyone. Jikwon advised he wanted the incident documented for the bank's purposes. LK558

On Monday 25JUL22 at 2156HRS Ptl. Saverko #562, Ptl. Scott #552, and I received a radio broadcast call to service from Chagrin Valley Dispatch Center (CVD) to respond to a disturbance call at 21305 Gardenview Drive. Sergeant Crawford #546, and Ptl. Vasko #566 responded to assist.

Upon Officers arrival to the area a male, later identified as Troy Seals Jr., flagged Officers down in front of 21214 Gardenview Drive, the males home address. During Officers initial approach, Seals Jr. told Officers not to stand behind him as he is schizophrenic. Seals Jr. further advised Officers that while he was walking home, Alicia Dawkins, the mother of Seals Jr's son approached him in her vehicle and began following Seals Jr. while yelling at him. The two engaged in a verbal argument. The argument escalated at which time Dawkins reportedly struck Seals Jr. with her vehicle.

Seals Jr. advised that he had recorded the incident on his cellphone and provided the video footage to Sergeant Crawford and Ptl. Scott to review. While reviewing the footage neither Sergeant Crawford nor Ptl. Scott observed Dawkins striking Seals Jr. with her vehicle.

Ptl. Scott advised CVD to contact Maple Heights FD Medics to respond to the scene as Seals Jr. was complaining of back pain from a motor vehicle accident that he had been involved in two weeks prior. Maple Height FD Medic #1 arrived on scene and transported Seals Jr. to Cleveland Clinic Marymount Hospital to receive treatment. Ptl. Scott and I proceeded to Marymount Hospital in an attempt to conduct a follow-up with Seals Jr., however upon our arrival to the hospital we were advised by security staff that Seals Jr. had left the hospital against medical advice after refusing to allow Marymount Hospital security staff to use a metal detecting wand to confirm he did not have any weapons on his person.

On July 26, 2022, I, Ptl. T. Vasko #566 responded to 6140 Dunham Inn for a welfare check on a male later identified as William J. Worthing Jr. who was "passed out" behind the wheel of his vehicle. Upon our arrival I made contact with William. William was asleep in the driver's seat of his vehicle while the vehicle was off and the keys not in the ignition. I attempted to knock on the driver's side window and announced myself as a police officer. William did not wake up after several attempts to wake him. I opened the door and immediately smelled the odor of alcohol coming from the vehicle. I could also tell that William had urinated on himself and possibly vomited on his arm. I was able to wake William who was very confused and stated he was at his house. Once William was out of the vehicle an open container of beer was located next to him in the center council. William was issued a misdemeanor citation (MA30555) and order to appear before Maple Heights Mayors court on August 8th, 2022 at 1530 hours. William was picked up by his sister and taken home. A picture of the open container was

obtained and uploaded to this sheet.

 DISPO BY 571

On Tuesday 26JUL22 at approximately 0212HRS Ptl. Saverko #562, Ptl. Scott #552, and I received a radio broadcast call to service from Chagrin Valley Dispatch Center (CVD) to respond to a noise complaint call in the area of 5111 Cato Street.

Upon Officers arrival to the area we observed a group of individuals in the driveway of 5117 Cato Street standing near an orange Dodge Charger with its doors open, playing loud music. Upon Officers approach, all the individuals proceeded inside the residence except for one female, who advised she was the owner of

the Orange Dodge Charger. Ptl. Scott provided CVD with the Charger's registered plate information, which returned to a Sheena Crayton. Crayton was asked to produce her identification card, at which time she proceeded inside the house and did not come back outside.

While attempting to make contact with Crayton, Officers observed a Silver Dodge Ram 1500 pick-up truck blocking the driveway to 5117 Cato Street. Upon further inspection of the Ram 1500, Officers observed that the vehicle was bearing a fictitious rear plate of "PRIVATE". Officers attempted to gather the VIN from the front driver side windshield, however the VIN was obstructed and was unable to be read through the window. While attempting to locate the VIN, the reported owner of the vehicle came outside and began recording Officers. After being advised multiple times to stay on the sidewalk and away from Officers, the male finally was coerced back inside by Crayton. Ptl. Scott opened the driver door and located the VIN. Ptl. Scott provided CVD with the VIN, which returned a registered owner of Jaqueze James Michael Dudley.

Sergeant Crawford #546, and Ptl. Vasko #566 responded to the scene to assist.

Ptl. Scott advised CVD to contact a towing agency to gather the vehicle. Photographs of the vehicle were documented. Kelly's Towing Company Truck #4 arrived on scene and took possession of the vehicle.

Dudley was issued Uniform Traffic Ticket #P28910 for Fictitious Plates.

On 07/26/2022 at 1323 hours, I Ptl King #558 and other Maple Heights Officers responded to McDonald's, 5114 Northfield Rd for the report of a male overdosing in the bathroom with drug paraphernalia around him.

When officers arrived, EMS was in the men's restroom with an unidentified male subject, later identified as Cody Bartlett. EMS was in the process of placing him in the ambulance and advised he appeared to be overdosing on an unidentified illegal drug. Cody was transported to Marymount Hospital. Officers entered

the single person restroom stall and observed a backpack containing clothing, sandals, and other miscellaneous personal affects including mail inside with Cody's information. Additionally, inside the backpack was a torch style lighter, a spoon that appeared to have a burn ring around the bottom of it, and a locking canvas pouch that contained several needles. On the ground where Cody was laying was a blue straw, another spoon, and a light dusting of white powder residue on the bathroom floor. In the left leg cargo pocket of the shorts Cody had on in the bathroom were several strips of aluminum foil and another needle.

The backpack with personal affects was returned to Cody at Marymount Hospital. The spoons, locking canvas bag, lighter, and straw were entered into evidence (TN: 30561). The needles were disposed of. Some white powder residue on a card on the toilet seat was collected and entered into evidence (TN: 30560). Cody was issued citation MA32419 for Possession of Drug Paraphernalia and given a Garfield Heights Municipal Court Date of 08/03/2022 at 1330 hours.LK558

While patrolling, I, Ptl. Williams #564 was traveling northbound on Broadway Avenue. While stopped at a traffic light on Broadway Avenue intersecting South Blvd, I observed several juveniles running through traffic going westbound on Broadway Avenue. I observed the group of juveniles attack a black male by throwing him to the ground and punch and kick him multiple times. I turned on my overhead lights and sirens and request more units to my location. I then blocked off the westbound lane of Broadway Avenue and exited my cruiser and yelled at the group of juvenile's to get them off of the male. The group of juveniles ran but I was able to stop two of the juveniles that was with the large group. The two juveniles were later identified.

The victim stated his name was Juvenile 1 and he stated he was randomly attacked by the group of juveniles. Juvenile 2 and Juvenile 3 stated they were attacking Juvenile 1 because he stole one of their bicycles. Juvenile 2 and Juvenile 3 were detained and their parents, Margaret King and Marquetta Davis were contacted. Juvenile 2 was taken to 18519 Maple Heights Blvd and Juvenile 3 was transported to Jane Edna due to Margaret not being able to pick him up.

I spoke with Juvenile 1, who stated his mother, Dalonna Jenkins was his legal guardian. Dispatch contacted Dalonna but advised Dalonna refused to pick him up due to him having a warrant. The juvenile left the scene due to Dolonna not coming to pick him up. Dalonna later responded to the Maple Heights Police Department and was upset because she wanted to know what happened to her son. I attempted to speak with Dalonna but due to her yelling and walking out of the MHPD, I could not explain the incident that took place. Dolonna later returned to the MHPD and I informed her that her son was attacked by a group of juveniles. Dalonna became upset and walked out of the MHPD again.

On Tuesday 26JUL22 at approximately 2115HRS Ptl. Scott #552 and I received a radio broadcast call to service from Chagrin Valley Dispatch Center (CVD) to
respond to a Theft report at 5465 Dalewood Avenue.

Upon Officers arrival to the scene we made contact with Blanche Gentry, who advised that she had a hospital stay between 20JUL22 and 25JUL22. Upon
returning home at approximately 1640HRS on 25JUL22, she observed that approximately 100 pills of 10mg Percocet had been stolen from her first-floor
bedroom nightstand. Gentry further advised that during her stay in the hospital multiple people had been at her residence, and as such she was unable to
advise who the culprit might be.

Upon Officers arrival to the scene we made contact with Pamela Lockett-Glover, who advised that she had received a phone call earlier in the evening from her sister. While on the phone, the two engaged in a verbal argument about Pamela living with their mother and her husband. The phone call came to an end and a short while later Pamela's family responded to the address. Pamela and the family engaged in a verbal argument which at no point turned physical. Pamela's family who wished for Pamela to leave the house were advised on how to proceed with the eviction process. All parties were advised of Domestic Violence laws and all parties agreed to separate for the evening.

On June 26, 2022, I, Ptl. T. Vasko #566 responded to the above listed address for an unwanted guest. Upon my arrival I made contact with Tayveon Grant. Tayveon appeared to be distraught and not in the right state of mind. Tayveon's grandmother who was the home owner stated she did not want Tayveon at the house but knows he suffers from mental disorders and often comes to her house when he needs help. Sheila (Tayveon's grandmother) stated Tayveon told her he smoked a large amount of marijuana and took some pills to help him sleep. Sheila not knowing what else to do called for Police assistance. Once Sheila explained the totality of circumstances to Officers an ambulance was called to transport Tayveon to Southpoint for care. Tayveon went willingly and Sheila stated she does not wish to pursue charges and only wanted to get her grandson help.

On July 27th, 2022 at approximately 0700 hours, I, Ptlm. Westfield #554, was radio dispatched to the Maple Heights Police Lobby for a report of harassment. Upon my arrival, I met and spoke with, Stacey McClinton, who advised her nephew, 18-year-old Antonio McClinton, is being harassed by his mother, Danielle McClinton. Stacey mentioned it was recently a Domestic Violence which occurred on June 28th, 2022 (REF:22-10133398) where Danielle and her daughter Aniyah McClinton were arrested and charged. Stacey stated her niece Aniyah and nephew, Antonio is currently living with her in Cleveland OH. Stacey wanted to report that Danielle is using Antonio's old Instagram account and sending threats to herself. Antonio was not here so I could speak with him regarding that matter. Stacey was advised that Antonio would have to file the report himself. Stacey wanted a welfare check on Danielle. Stacey is concern that Danielle is not taken her medication for bipolar. I responded to Danielle residence and spoke with Danielle. Danielle stated she is okay and being taken her medication. Check okay #554

FEMALE IS IN THE POLICE LOBBY TO MAKE A THEFT REPORT
FEMALE IS UNSURE WHAT WAS TAKEN, SHE HAS VIDEO OF THE INCIDENT

Connie Thomas arrived in the police lobby to report that a male who has done work for her daycare center for several years, Rayshaun Bartee, was in her office. Thomas stated Bartee was given a key to the daycare to come replace a door for the closet. Thomas said she saw Bartee on camera in her office looking up into the ceiling, and trying to cover the camera with paper. I observed this on her camera footage. She then stated Bartee was taking able to get in her office because a special screw her husband had installed did not look right, so Bartee must have unscrewed it. While viewing the video, I did not observe Bartee take anything. Thomas also did not find anything missing. Thomas stated that the only thing she cannot find are keys to some cabinets that contain supplies for the daycare. Thomas stated at the time she reported this, Bartee was at another location doing work for Thomas and her husband.

4566 - KELLY'S HAS VEHICLE

On Wednesday, July 27, 2022, at 2002 hrs, I. Ptl. M. Scott, was stationary near the intersection of Rockside Rd and Lee Road South, in fully marked Maple Heights Police Department patrol vehicle 4402. I observed a red Chevy Impala eastbound on Rockside Rd traveling above the posted speed limit of 35 mph. I used the department laser speed measuring unit to measure the Chevy's speed at 60 mph. As the Chevy passed by my stationary location, I observed the white male driver, not wearing a seatbelt. The Chevy also crossed the center line twice into oncoming traffic as I caught up in order to conduct a traffic stop.

I conducted a traffic stop on eastbound Rockside Rd east of Pennsylvania Ave. I contacted the driver, identified as Terry Joseph Head, I immediately observed him to have bloodshot, watery eyes and slurred speech. Terry denied drinking alcohol and stated that he was returning to his girlfriend's residence. I requested that Terry exit the vehicle. While exiting, I noticed a burnt piece of aluminum foil next to the driver's seat belt, consistent with the use of crack cocaine. I asked Terry what the foil was used for, and he replied that the vehicle did not belong to him.

Terry was given the SFST's and arrested for suspicion of OVI. During the tow inventory of the Chevy, several items of drug paraphernalia were located to include the following; one glass pipe with residue, one broken pen body with residue, several pieces of aluminum foil with residue and burn marks, and several chore boy scrubbers. The items were taken for evidence.

Terry was issued citation P28883 for OVI, Speed, Seat Belt and Weaving. Terry was also issued citation MA31177 for Drug Paraphernalia. Terry was given a court date in Garfield Heights Municipal Court.

The drug paraphernalia was photographed and placed in evidence (TN #30571). Copies of officer POV footage was also burned to disc and placed in evidence (TN #30572).

On July 27, 2022, I, Ptl. T. Vasko #566 while working a traffic grant, observed a white in color Chevrolet bearing Ohio registration JMF3082 (VIN 1G1ZE5E15BF339868) with a headlight out. Inside of the vehicle was Lontay Jordan, Steven Magbie and Shawn Holt. I conducted a traffic stop on the vehicle and on my initial approach I could smell the odor of Marijuana coming from the vehicle. When conducting a probable cause search of the vehicle I located three bags of suspected marijuana totaling 75.4 grams, I also located a scale with small amounts of suspected Marijuana remnants and a bong in the trunk. Steven Magbie Jr. stated that all above noted contraband belonged to him. Steven was issued citation MA-31774 to be heard in the Maple Heights Mayors Court on August 16th at 1530 hours. Steven was also advised of his warrants and released. All above stated contraband was seized and entered into evidence (TN#30575). Pictures of the nonfunctional headlight of the vehicle and above stated seized contraband have been uploaded to this sheet.

<p>On July 27, 2022, While on a traffic grant detail, I, Ptl. T. Vasko #566, observed a silver Nissan Bearing Ohio registration traveling eastbound on Raymond St. after running the registration plate through LEADS the vehicle had expired. I conducted a traffic stop and made contact with the registered owner, Daeshaa pollard, who had no valid license. I could also smell the odor of marijuana. Daeshaa was asked if there was anymore marijuana in the vehicle to which she responded yes to. Suspected marijuana was found inside the vehicle totaling 14.6 grams. The vehicle was towed and Daeshaa was cited for having no drivers license and expired registration (Traffic ticket P-28960). Daeshaa was also issued a misdemeanor citation for possession of marijuana (Citation MA-30556). Both citations will be heard in the Garfield Heights Municipal court on August 3rd, 2022 at 1330 hours. The above listed contraband was entered into evidence (TN#30576).</p>

Juvenile two stated juvenile one used her cashapp card in the past and she wanted the money returned to her. Juvenile two and juvenile one are current coworkers at Raisin Cane's (Macedonia location). Deniah was advised to follow up with Cleveland Fourth District to add this information into a report that had already been completed, involving the juvenile females. The females were all advised of criminal trespassing from Deniah's residence. Deniah added she kept getting phone call's from a phone number, threatening to push her daughters teeth out. I checked the phone number through OLEN, no result came back. I called this number, but it was disconnected. It was unknown who was calling Deniah at that time.

On the above date and time; Ptl. C. Barfield and I, Ptl. N. Ross, responded to the area of 5462 Hill street for a report of down powerlines and property damage caused by a Waste Management truck. On arrival, we spoke with the driver of the Waste Management truck, Evan C. Cerveny. Evan advised the powerlines/ service lines were pulled down after his truck bumped a fragile rotted tree, causing it to fall. The line that came down came from the residence across the street, 5465 Hill St., it was determined to be an old telephone line that was no longer in use. The Maple Heights Fire Department responded and cleared all of the debris out of the roadway. There was no damage to the Waste Management Truck. The insurance information of Waste Management was collected: The resident at 5465 Hill street was advised and given follow up information. Photographs were taken and attached to this sheet. FEMALE CAME ON STATION TO REPORT THREATS

On 07/29/2022 at 2015 hours, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for a report of threats. Upon my arrival, I made contact with the caller Tiffany Cundiff. Tiffany reported to me that she moved in with a man she identified as Christopher Parnell, in order to be closer to Cleveland while attending nursing school. Tiffany further reported that when she advised Christopher she would not be his sexual partner he began to demand she do things around the house like cooking and cleaning but has made no clear and definitive threats towards her. Tiffany does report she feels uncomfortable and is moving out of the house. While speaking with Tiffany she stated she was going to a friends house for this evening and only wanted this incident documented. Tiffany was given a CAD number and left the station after.

On Sunday, 31JUL22 at approximately 0059HRS while Ptl. Scott #552 and I were in the area of Dunham Road and Rockside Avenue we observed three vehicles parked in the front parking lot of 5781 Dunham Road, with multiple juveniles standing outside of the vehicles. Upon our approach, three males began walking away from the scene. When advised to stop, the males refused and proceeded to walk to 5771 Dunham Road. Due to multiple other juveniles on scene we did not proceed after the males. Ptl. Scott advised additional Officers to respond. Sgt. Crawford #546, Ptl. Kaur #553, Ptl. Saverko #562, and Ptl. Vasko #566 responded to the scene to assist.					
Officers identified the remaining juveniles on scene. All juveniles were advised to contact their parents to secure transportation home. Soletha Williams, the mother of juvenile one and the resident of 5771 Dunham Road, responded to the scene to gather her daughter. Soletha advised Ptl. Scott that the juveniles had been at a party at her house earlier in the evening. Due to this fact, as well as, the juvenile males fleeing into her residence, Ptl. Scott issued Soletha a Misdemeanor Citation #MA31178 for Curfew Violation (ORD 648.16). All other juveniles' parents responded to the scene and were advised of curfew laws. The juveniles were turned over to their parents.

CALLER AND HIS CAR ARE IN THE BACK PARKING LOT. CALLER/EMPLOYEE SAYS THAT WHOEVER IT WAS HE HAD DEALINGS WITH YESTERDAY WHEN POLICE WERE CALLED, RETURNED AND SLASHED THE TIRES OF HIS CHEVY MALIBU RENTAL CAR.					

On 07/31/2022 I spoke with Jesse Peters who advised that he parked his 2020 Tan Chevy Malibu bearing IL plates in the rear parking lot of Gaines Funeral Home on 07/30/2022 around 1700 hours. A verbal altercation occurred at his residence above Gaines Funeral Home at 2258 hours involving a Kenneth Keith, Tasma Evans, and a Chris Garret (see MA22-10161068). Jesse saw on 07/31/2022 at 1000 hours that the passenger front, and both rear tires were slashed. Jesse believes it was the individuals from the previous incident. Jesse called a funeral home employee while I was present who advised that no footage was located of anyone damaging the vehicle. The vehicle is rented from Enterprise. If a suspect is located a report may be generated. LK558

On the above date and time, I, Ptl. N. Ross #570, and other Maple Heights Officers, responded to the above listed address for a report of a disturbance in progress involving a black female wearing a pink-colored shirt. On arrival, Officers observed the described female, Kasandra Frazier, standing near a tan colored SUV next to the given address. As Officers were conducting the initial investigation, Frazier became uncooperative and refused Officers orders to move away from her vehicle. After attempting to escort Frazier away, she began to actively resist Officers control by pulling her arms away and pushing back against Officers. Frazier was then taken to the ground using open handed control techniques and placed in handcuffs, checked for spacing and double locked. Once in handcuffs Frazier passively resisted Officers and refused to stand and walk to a patrol vehicle for the remainder of the investigation. Officers picked her up and physically placed her into the back-prisoner cage of patrol vehicle 4427. Officers then established contact with the complainants, Abdul Muammad and Sharee Robinson. They advised Frazier caused damage to their home by kicking out a screen door located on the side of the house. Frazier also caused damage to a red- colored Ford Mustang parked behind the home by walking on the hood and roof of the vehicle. Both Abdul and Sharee declined prosecution. Frazier was transported back to the Maple Heights Police Department and issued a citation for Disorderly conduct. Frazier's SUV was towed away from the scene. Photographs attached. NAR570.

I called and spoke with Jimmy Dixon who advised that he observed 4 juveniles in the garage space of 17703 Libby Rd around 1445 hours on 07/31/2022. Jimmy advised he is the only one with a car in the garage so there is no reason for anyone else to be inside. Jimmy stated he believes that one of the 14 year old juveniles who was present today was the same juvenile who pulled out a handgun on him 8 to 9 months ago, which he reported to police. Jimmy stated the juveniles were no longer on the property. I advised him to call if he sees the juveniles on the property and to contact his landlord on the situation to make them aware. LK558

I, Ptl. Williams #564 responded to 15508 Maplewood Avenue for a juvenile who was bleeding from his arm. Upon arrival, I spoke with the home owner, Ajah Hardges. Ajah stated she was taking a shower when she heard juveniles in her back yard. Ajah stated she could hear one of the Juveniles say they needed to get a band aid for their friend who was bleeding. Ajah stated she knew Derrick because he used to play with her children. Ajah stated she observed that the laceration on Derrick's arm was deep and asked what happened. On the above date and time, FTO. St. John and I, Ptl. N. Ross, responded to the above listed address for a report of an attempted theft of a motor vehicle parked behind the business. On arrival Officers located the Vehicle, a silver-colored Kia SUV, and the owner of the vehicle, Robert Gillette. Gillette's vehicle showed signs of an attempted theft due to the dashboard around the steering wheel being removed and the ignition showing signs of being tampered with. The damage sustained to the vehicle ignition rendered the vehicle inoperable. No one on scene was able to provide an adequate description of any suspects, the only description given was two juvenile black males wearing hooded sweatshirts. The business's CCTV cameras were not recording at the time of the incident. Gillette was advised to notify his insurance company and given the CAD number for insurance purposes. Gillette's vehicle was then towed from the scene by Interstate towing. Photographs attached. NAR570
