On Monday, July 4th, 2022, at 2113 hours, I, Ptl. Zelna #550, was dispatched to the lobby of the police department to speak with Brandon Marin concerning a dispute. Upon arrival Brandon advised he is hearing impaired but was able to hear me when I spoke loudly. Brandon stated his friend Albert Townsend has been borrowing money from him and not paying him back. Brandon stated he got into an argument with Albert concerning a video game when they were both hanging out together on the Fourth of July. Brandon stated he and Albert began to tussle together and wrestled. Brandon stated Albert went and told his mother, Marth Williams and she asked him to leave the residence. Brandon stated he wanted Albert to pay all the money back he loaned to him. Brandon stated he wanted this documented and did not wish to pursue any charges for assault as it was a mutual wrestling over a video game. No firearms were ever used in this incident. The complainant wanted to articulate that Albert Townsend has guns in his residence RZ#550

I spoke with Shadonna Illyce and she advised me she wants her brother, Delontea Pope advised of trespassing on her property. Shadonna provided me with her Mother, Tomaya Thomas' phone number and stated I will be able to reach Delontea through her. I contacted the mother via telephone and she informed me the phone was on speaker and Delontea was near her to hear. I advised Delontea about criminal trespass and informed him his sister will notify us if he is seen on the property. Tomaya Thomas informed me to tell Shadonna that she does not want her on her property at 21106 Gardenview Drive and to advise her of criminal trespass. I then advised Shadonna of criminal trespass at her mothers house. Both parties advised me they understand and will not go on each other properties. FC567

On Tuesday, July 05, 2022, at approximately 1550 hours, I, Ptl. Colangelo #567 was dispatched to 5220 Warrensville Center Road for a theft report. Upon arrival I spoke to the callers, Decarlo Griffin, and Ashley Rusam. Griffin stated they brought their vehicle, a 2017 red Ford Escape to be serviced on June 7, 2022. They continued to explain they came back to Nationwide brake and tire at 5220 Warrensville Center Road to make the final payment on the vehicle on either June 21 or 22 but they could not verify the exact day. Decarlo stated inside the vehicle was two hover boards (valued at approximately \$200 each) and a sound bar (valued at approximately \$40). They hired a third party tow company (name unknown) ran by an acquainted friend, identified as Johnnie (last name unknown) back to their residence and Decarlo noticed the hover board and sound bar missing from the vehicle. I spoke to the employee at Nationwide brake and tire and she informed me she cannot get into the surveillance camera system and will notify me when she can provide me with surveillance camera footage. I gave the employee my name the non emergency phone number to the Maple Heights Police Department and my employee email address and informed them to notify me when I can return for a follow up investigation. Decarlo and Ashley stated they want this incident documented and were provided with the CAD number and my information along with the Maple Heights Police Department non emergency phone number. Caller stated OIV started following her in Cleveland s/b on Lee Rd. OIV pulled in front of caller and stopped her vehicle to make caller stop. OIV exited her vehicle and yelled at caller for video taping her. Caller stated she was not doing anything but driving and was not even paying attention to the OIV. This happened around the area of Kerruish Park on Lee Rd. Caller then tried to just drive away and OIV kept following her. Caller came to MHPD where OIV followed her.

BOTH PARTIES WERE ADVISED to leave each other alone and go their separate ways. Caller was advised report would need to be filed with CPD if she wished to press charges. She just wanted it documented. TTH183

HE THINKS THAT HIS KIDS WHO HE EVICTED CAME INTO THE HOUSE AND TOOK SOME OF THEIR BELONGINGS BUT HE DOESN'T KNOW FOR SURE. 564 TO COMPLETE

I spoke with the caller Gordon McGowan who stated that his home was broken into on 07/06/2022 at approximately 1900 hours. Gordon stated that he believed his daughter, Janice McGowan came into his home and stole the following items: \$3000 worth of jewelry, A Playstation 4 valued at \$150, 30 boxes of shoes valued at \$5000. Gordon stated that Janice was evicted months ago and did not have a key to his home. Gordon did not provide a copy of the receipts for the missing items.

I asked Gordon why he did not contact the MHPD to respond and he could not give a clear answer. Gordon stated he just wanted me to contact his Janice and advised her to stay away from his home and to return his items. Gordon advised me that he believed Janice came through the back window because the screen window was on the ground and the missing Playstation was in Janice's old room. Gordon stated that he believed Janice was the one that came into his home because his dog inside the home would have attacked anyone else.

I spoke with Janice who stated she did not break into Gordon's home and stated that she was at home during the time of the incident. Janice stated she believed Gordon was making false accusations and was not in his right mind. Janice was advised of trespassing and informed on how to get an escort if she wanted to obtain any items from Gordon's home.

I went to 17315 Maple Heights Blvd to look for any camera's or witness. I observed that there was a camera on Gordon's on the east side of the home but Gordon informed me that the Camera did not work. I did not observe any other cameras in the area that may have captured the incident. I checked the windows throughout the house but did not see any damages to any of the windows to Gordon's home. I also attempted to see if the back window to Gordon's home would come out if I applied pressure but it did not. I spoke with two different neighbors who stated they were both home the entire day of 07/06/2022. Both neighbors informed me that they did not see anything unusual occur at Gordon's home. One of the neighbors stated they were looking outside their front window throughout the entire day but did not see any one come to Gordon's home.

I attempted to go into Gordon's home but Gordon stated he was busy and not at home at the time.

A report will be made if more information is discovered.

I spoke with Jean Hill and Michael Tyree when they both came to the Maple Heights Police Department parking lot. Jean advised she had allowed Michael to have their child for the week but forgot the child had a doctors appointment. Michael wanted to reschedule and Jean went to Michael's house so he wouldn't leave. Jean went into Michael's house when she found it was open. The parties argued about Jean being in the house. Michael left to prevent any further issue. Michael volunteered to release the child back to Jean. Jean advised she only wished to get her child back. The parties were advised to go to court for a custody agreement. At no time was a firearm mentioned as being used to hurt or threaten anyone. LK558

I spoke with Frank Rives who advised on 07/04/2022, around 2100 to 2200 hours, he observed his neighbors at 5226 Henry lighting off fireworks. The next day he discovered his 2020 Black Dodge Ram bearing OH registration had burn damage to the rear bumper and the cap of the pickup bed and believes it was from his neighbors. Frank also advised that at the time, there was fireworks debris all around the vehicle as well. Frank then became sick and didn't report the incident until today. Frank advised he wished to document the situation for insurance purposes. Frank provided his State Farm Insurance policy of C86-5080-E30-35A. Photos were attached to the sheet. LK558

Vasko #566 responded to the Maple Heights Police Department lobby for a female identified as Ahjanae Lee, who wished to report a disturbance that occurred between 1800-1830 hours on Walvern Blvd. The caller, Ahjanae, stated that she walked to the father (Dominique Ross) of her child's house (15917 Walvern) to tell him about the doctors appointment she just went too. When Ahjanae arrived she said Dominique was ignoring her and didn't care about the results from the doctors appointment. A verbal argument began and Ahjanae left the area on foot. She only wanted this incident documented.

Upon my arrival I spoke with both of the callers, Jannis McGowan and Gordon McGowan. After speaking with parties it was determined that this was not a call for a burglary but a call for harassment. The callers stated they wanted to file harassment charges because their father Gordon McGowan Sr. had filed protection orders on them and continued to call them about civil issues. Both callers were informed harassment charges could not be filed because he acquire TPO's against them but they were advised how to file a TPO against Gordon Sr. Both parties requested this interaction to be documented.

On Friday July 8, 2022 at approximately 0859 hours, I. Ptl. M. Lowe #563, along with Sgt. G. Allen #519 responded to 5428 Hollywood Ave. for a report of a disturbance.

Upon my arrival, I spoke with Jayzhane Montgomery. While I was speaking to Jayzhane, she was very uncooperative on telling me what took place during the altercation. Jayzhane advised me that she was arguing with her neighbor (who lives at 5429 Hollywood Ave.) and she is license to carry a weapon. Later in investigation upon Sgt. Allen arrival on scene. Jayzhane stated there was a black male with dreads that had a gun that went inside the home of 5429 Hollywood Ave. I made contact with the homeowner at that residence (5429 Hollywood Ave.) Reginald Jackson. Reginald stated he observed through his window the verbal altercation. Reginald stated he observed 3 unknown people that were involve in the altercation. Reginald stated the 3 unknown people were just yelling in the street at each other. Reginald advised there was no weapons that were involved. Jayzhane stated an unknown black male with dreadlocks accused her of breaking into his car. Jayzhane stated this started the altercation between her and the unknown black male. Jayzhane advised there was 3 vehicle that were involved. I ran the RP's on the vehicle and observed the owner's BMV images. The owners of the vehicle did not come back to a black male with dreadlocks. Jayzhane refused to provide video evidence of the altercation on her security cameras. ML563

Officers recieved little information on the females location en route to call. As dispatch tried to gain a location, the female began ignoring phone calls, and eventually shut off her cell phone. Officers then went to the address of the alleged offense and spoke with the male. The male stated the female would not return a cup he gave her. This started an argument, which caused the female to drive towards the male, appearing to try and strike him, and also maced him. The male then swung at the car and struck the mirror of the car, causing a very minor cut to his hand. The female then drove off at this time. The female finally answered the phone. She refused to come back and speak with officers. She told dispatchers she is going to Southpoint Hospital to get checked out, and hung up. The male stated the female is not pregnant, nor did any glass get broken on the vehicle. Officers found no signs of any broken glass on the property or roadway. The male declined to press assault charges for the female attempting to hit him with the car. He also signed a waiver of prosecution. The female half never contacted police again after stating she was going be cheked out, nor did the hospital call for police to respond for a victim that had been assaulted in our City. Neither party lived together, or shared a child.

On Friday July 8, 2022 at approximately 1249 hours, I, Ptl. M. Lowe #563 responded to 15505 Walvern Blvd. for a report of a disturbance. Upon my arrival, I spoke with the caller, Adrienne Wyley. Adrienne stated a young black male later identified as Javon was attempting to provoke a fight between her son, Eric Weems, Jr and her family. Adrienne stated that Eric and Javon currently have a pending court case against each other. Adrienne does

not know Javon (Adrienne does not know how to spell his name) full name or contact information. Adriene stated that Javon left in a red pickup truck traveling eastbound on Walvern Blvd. Ptl. Colangelo canvassed the area but was unable to located the vehicle. Adriene stated that Javon threw a pop can inside her window. I canvassed the area for a pop can but none were found. Eric was pick up by his father Eric Weems, Sr. prior to my arrival. I spoke with Eric on the phone he stated that Javon was attempting to fight him but his father picked him up before they started to fight. Eric stated it was just a verbal altercation between Javon and his family. I did not observe any visible marks on the parties that were involved in the incident. Adrienne just wanted this incident document. Adrienne was provided the CAD incident to give to the juvenile courts. ML563

MALE IN THE STATION LOBBY TO REPORT HIS WALLET WAS LOST WHILE HE WAS IN PARMA. THE INCIDENT IS DOCUMENTED FOR HIM, AND HE WILL BE COMPLETING A REPORT WITH PARMA PD AS WELL.					
Mr. Brown states he was at Get Go Gas Station in Parma (on Ridge Rd near Brookpark Rd), pumping his gas. He believes he set his wallet and phone down on the pump to pump his gas and he forget his items there. He later returned and the items were no longer there. Mr. Brown states inside of the wallet were his Ohio Driver's License, his Fifth Third Bank, Charter One Bank and Key Bank debits cards; and his medical insurance card, among other cards. He was advised to contact all of his banks to place a hold on each account. He stated the phone was a blue Samsung Galaxy 21, which was inside of a purple case (valued at \$1,200.00). Mr. Brown was advised to follow up with Parma PD to make a report with their department. This will serve as documentation for Mr. Brown to show that he has advised police of losing his bank cards and state ID. GRA519.

Officers arrived on scene and spoke to Onjalaya the childs mother. She said the child, Niy'a Pena, was in the backyard playing, she was inside not paying attention. Pena said her grandfather, James Naylor, discovered the child was not in the backyard. Naylor then walked up to Family Dollar, found Niy'a and brought her home. A shopper saw the address and reported this incident. A similar incident with this child was reported to officers on 07/01/2022. where Pena was given a warning. Due to the previous occurance and possible danger to the child, Pena was issued a summons for Child Endangerment. Summons Number MA 35226. 696 Kids was also contacted. I spoke with Richardo who gave an intake number of 22356833.

<p>CALLER STATES HE CAME HOME TO FIND HIS BACK DOOR WAS KICKED IN AND DARNELL B/M IN HIS EARLY 20S IS THREATENING BY PHONE TO ASSAULT HIM  NOTHING IS MISSING FROM THE HOUSE  DARNELL IS NOT ON SCENE BUT IS REPEATEDLY CALLING HIM</p> <p>The caller stated he has been living in southern Ohio, but when he is up here he stays at this address while he completes repairs on the house. The back door was forced open, but nothing is missing from inside. I did observe damage to the door as if it had been kicked open. The caller also stated that he has been receiving texts messages from someone he knows as Darnel Wright over money the caller was supposed to give him. The caller admitted he gave Darnel his cash app info to allow him to withdrawl some money, but Darnel attempted to take more money out of it. The caller has already been in contact with his bank and they have frozen his account and are investigating the claim. The caller stated he has received threatening text messages from Darnel and allowed me to view them. There were no threats made. The caller did not know Darnel's last name, address or age. The only info the caller could provide was Darnel was a B/M and in his early 20s and possibly lived off of Pearl Road somewhere. The caller reached out to a supposed family member of Darnel's who provided the last name but denied any further knowledge. Dispatch was unable to locate any information on this male. At this time this is for documentation. STB514</p>

4550 AND 4547 CHECKED SURROUNDING AREAS / VEHICLE UTL

I spoke with the victim and employee at 7-Eleven, Scott Erdman. Scott said an unidentified male customer was still upset with him because Scott denied him age restricted items because the male did not have his ID in the past. Scott said the unidentified male brought up the past incident and threatened to have someone he knows kill Scott. The male left in a blue vehicle. Officers checked the area, as well as license plate readers and were unable to locate the suspect or the suspect vehicle to aid in the investigation. Scott wished to pursue charges against the male and have him advised of trespassing. Should the male be identified in the future, he will be charged with Menacing at that time. MH547
