570 ENROUTE BACK TO THE STATION WITH ONE MALE IN CUSTODY AT 1150 HRS

Officers responded to 14308 Corridon Ave for a report trespassing on a residential home. The caller, Austin Weglicki who works for Remax, advised that the home at the address was due to be vacant. Weglicki advised he observed a black male, with short black hair, wearing a red hooded sweatshirt, and red sweatpants exit out of the house. Weglicki stated that he informed the subject that they were not supposed to be there. The subject was then observed running towards the fence at the rear of the house, jump the fence, and continue running southbound until Weglicki lost sight of him. While Officers were in route to Corridon Ave, a Male matching the description given was observed walking southbound on E. 141st St near S. Industrial Ave. Officers established contact with the individual and identified him as Jermaine K. Crider II. Crider's information returned with an active nation wide pick up warrant out of Florida. Weglicki advised that Crider was not the individual he observed exit the home and run. Officers then cleared the residence while waiting for confirmation on Craider's warrant. No one was located inside of the residence and Weglicki was advised. Craider's warrant was confirmed and he was transported back to the Maple Heights Jail without incident. NAR570

***IN PD LOBBY** FILE A REPORT FOR STOLEN PACKAGES

I spoke with the complainant, Carol Myrick, in the Maple Heights PD lobby. She reported multiple miscellaneous packages had be stolen off her front porch sometime between 1604 hours and 1931 hours on 11.14.2022. She stated one of the packages is from Mercari - which contained a T-Shirt valued at \$18.55 dollars, a Nike t-shirt valued at \$26.11. She also had a package from Ali Express containing 6 bracelets valued at \$51.79 total, and a hat valued at \$4.36. She also noticed that two other packages were unaccounted for which were also from Ali Express - the packages were valued at \$28.00 and \$27.00 dollars. Carol stated she has a ring camera on her door, however due to an Amazon vehicle driving past the area - the camera did not pick up any other motion. The packages went missing before 1731 hours and after 1604 hours. There is no other information in reference to this theft. Carol wished to document this information so she can re-order new items without behind charged again. She was provided with the CAD number. HK #4553

MALE SAW SOMEONE ON HIS CAMERA LAST NIGHT IN HIS YARD AND WANTS A REPORT

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department Lobby for a report of suspicion. James Jordan who resides as 21417 Watson Rd. stated that around 0004 hours an unknown male wearing a black hoodie, blue jeans, and black running shoes came onto James' driveway and then walked east bound through his backyard exiting the camera frame. It did not appear the male took or damaged any property. The male appears to be 5' 6 and approximate 150-170 pounds. James also reported it is common for persons from Hanson Rd to walk through his backyard at all hours of the night. James requested this incident to be documented. A still shot of the camera has been uploaded with this sheet.

On the above date and time, I, Ptl. T. Vasko #566, was dispatched to Giant Eagle (5321 Warrensville Center Rd) for a complaint of a shoplifter. Upon my arrival I spoke with theft prevention officer and complainant, Perisha Wallace. Parisha stated she observed the subject, Arianna M. Rusely put various food items in a bag and then walk past all points of sale without attempting to pay for the items before she was stopped by Parisha. The items totaled \$37.41. Arianna was cited for shoplifting ORC 2913.02 (Citation # MA34027) and given a Garfield Heights Court date of November 23,2022 at 0830 hours. The receipt from Giant Eagle has been attached to this sheet. Arianna was arrested on a warrant and transported to meet with the city of Beechwood.

On Wednesday, November 16, 2022, at approximately 0725 hours, Ptl. Colangelo #567 and I, Cdt. Field #573, responded to 5148 Dunham Rd to assist Maple Heights Fire Department with an abandon vehicle. We observed a 2006 Saturn Ion bearing OH Temporary License Plate #P220141 (Expiration Date 06/19/2022) registered to Dmarkus Addison, parked in the rear of the building. We were advised by Maple Heights Fire Department that the area behind the building could be used as a firelane though it was not marked as one. Additionally we did detect the distinct odor of gasoline emanating from the vehicle. The manager was advised that they could request a private tow due to it being parked on private property. I photographed the vehicle and have uploaded the photos into this sheet. The vehicle was marked for abandon CF#573/FC#567

Responded to Auto Techs 5401 Dunham Rd for a report of an ex-employee using the company credit card, a continuation of a previous call for service (see CAD sheet 2210219095). On arrival, the store owner, identified as Marc A. Roth, advised the ex-employee, reported to be Ed Stanley, had possession of a company Shell Fleet credit card, card number 3. Roth advised that a total of \$3,200 was used on the credit card recently and that Stanley failed to return the card after his employment was terminated. Roth advised he has since shut the card off so no other transactions could clear. Roth was given the CAD number to start a fraud claim with the credit card company and for insurance purposes. Ptl. Colangelo #567 and I, Cdt. Field #573, responded to the lobby. We spoke with Mario Soria who is the manager of the Granger Court Apartments who stated that he received a text message from a tenant at approximately 1126 hours. The unidentified tenant texted Soria saying that they saw someone appear to take a catalytic converter from an unknown truck in the parking lot. The tenant then said that the person who appeared to take the converter got into a 1998 Subaru Outback bearing Pennsylvania Plate LYM5679. The tenant was able to take a picture of the vehicle plate as it was pulling out of the parking lot. Soria stated that he didn't know exactly which vehicle the converter was allegedly taken from or who the owner is. Soria was advised that if any tenants were to bring to his attention that their catalytic converters were missing to file a report with the Maple Heights Police Department in reference to this incident. 11/16/2022 15:33:46 14006 LISA DR DAMAGE TO VEHICLE 2210248704

CALLER ADVISED SOMETIME LAST NIGHT SOMEONE PUT SCISSORS IN CALLERS TIRE

CALLER BELIEVES SHE KNOWS WHO DID DAMAGE

CALLER DOES HAVE CAMERAS

Spoke with Domonique Pearson who stated that yesterday, November 15, 2022 she had parked their rental vehicle a 2020 Ford bearing Kentucky License Plate ACR906 at approximately 1730 hours in her driveway. Today at approximately 1300 hours, they drove the vehicle to the Northfield CVS. While driving to the CVS, they noticed that their passenger rear tire was rapidly losing tire pressure. After they parked at the CVS, they noticed that a pair of scissors was sticking out of the tire. Pearson reviewed her house cameras and did not observe anyone in her driveway but did observe at approximately 2210 hours last night a dark colored SUV did drive past the house approximately 3 times. Pearson stated that she has had issues with an unidentified family member but that the person does not know where she lives nor what type of vehicle she is driving. Ptl. Heitzer #547 observed that the scissors appeared to be deeply penetrated into the tire and bent as though the scissors had been run over. Ptl. Heitzer documented the above-mentioned damage to the tire and downloaded the pictures into this report. CF573/MH547

On Wednesday, November 16, 2022 at 2019HRS I, Ptl. Jochum #571 was dispatched to the intersection of Libby Road and Warrensville Center Road for an MVA. Upon arrival I made contact with Thomas Brown II. Thomas advised that while he was driving his mother's silver 2016 Ford Escape he struck the rear end of a vehicle that was stopped in front of 20016 Libby Road waiting for the light to change. The vehicle Thomas was driving had sustained minor scratches to the front bumper of the vehicle. Thomas provided the operator of the second unit his insurance information (PDN) Thomas advised that they would be settling the incident through their insurance companies. The second unit involved left the scene prior to my arrival. Photographs of the vehicle Thomas was operating have been uploaded to the digital filing system for this incident.

572 - WILL TYPE UP

I responded to the police station lobby and spoke with William Franklin in reference to an accident. William stated he was traveling westbound on Libby Rd when a car driving eastbound hit a traffic cone which caused the traffic cone to hit his car. William stated he didn't realize his mirror was missing until sometime down the road. William was unable to tell us exactly where this happened. I observed Williams vehicle, 2020 Toyota Camry, red in color, to be missing a driver side mirror and have scratches on the driver side door and roof. I was able to locate traffic cones on Libby Rd starting in front of 19409. BF572

571 - KELLYS HAS THE VEHICLE

On Wednesday, November 16, 2022 at 2225HRS I, Ptl. Jochum #571 was dispatched to the exit ramp of I-480 E at Northfield Road for a disabled motor vehicle. Upon arrival I observed a black 2008 Honda Odyssey bearing with its hazard lights on. I made contact with the owner of the vehicle, Bernard Pritchett, who advised that his vehicle had run out of gasoline and the battery died while he walked to get gas. Bernard contacted a friend to pick him and his girlfriend up from the scene while I had the vehicle towed by Kelly's Towing Company truck #1. Photographs of the vehicle have been documented and uploaded to the digital file for this incident. Bernard and his girlfriend, Amber Lane, were transported home by their mutual friend.

On Thursday, November 11, 2022 at 0240hrs I, Ptl. Jochum #571 was dispatched to 20718 Raymond Street for a violation of a protection order. While in route to the call, I was advised by dispatch that the protection order was no longer valid. Upon my arrival I made contact with, Anika Jackson. Jackson advised that she and Christopher Simmons, the father of Anika's daughter had engaged in a verbal argument over the phone about a crystal plate that Simmons had reportedly taken from Jackson. During the phone call Jackson told Simmons that she was going to drive to his residence to retrieve the plate, at which time Simmons reportedly stated, "Bitch if you go over there I'm going to fuck your parents up!" Jackson stated that she did not believe that Simmons would follow through with his statements, but wished for the incident to be documented. Jackson further advised that while she had a protection order against Simmons that she filed for in July of 2022, she repeatedly kept in contact with Simmons and frequently spent time with him in person. Jackson was advised on how to file for a new protection order. While speaking with Jackson, Officers observed that she was intoxicated, as she was having difficulty focusing and was slurring her words.

Destiny stated she received an alert on her home surveillance cameras and suspected it to be Destiny Hawkins. Nia showed us the recordings but it was not able to be identified

since the lighting was dark. Destiny stated that her boyfriend Devontae Moore received a text message from a talk to text number that was allegedly from Destiny that stated "if you don't break up with her I will kill her." Nia further explained that Devontae received that message on 10-30-2022. Nia was informed how to obtain a protection order. Nia stated she wanted the incident documented. FC567.

47-SCHOOL REQUESTING STAND BY FOR DISMISSAL 15 MINS APPROX

Ptl. Colangelo and I checked the area, not locating anyone carrying a knife. I responded to Ohio Preparatory School and attempted to speak with witnesses of the incident. I was directed to two second grade females. The juvenile females said they saw a white male, through a window, on the third floor of Signature Health, which adjoined with the Preparatory School. The juvenile females said the male had a knife while in Signature Health. Other staff members assured me that an individual was never seen outside of the school with a knife. I stood by for dismissal and the school was dismissed without incident. I checked with Signature Health security and asked them if they had any reports of a male inside the premises with a knife. Signature Health security said there were no reports of that nature. MH547

4554 / 4572 AT MARYMOUNT

Upon my arrival I observed the subject female, identified as Betty Morrison, screaming at individuals in the Save-A-Lot parking lot. I was familiar with Betty, who was known to suffer from alcoholism and mental illness from multiple previous encounters with her. I made contact with Betty, who smelled strongly of alcoholic beverage. Betty was immediately uncooperative with officers and was ultimately detained in handcuffs. I spoke with the store manager, Valorie Rosario. Valorie explained she had called the police on Betty several times before for causing disturbances in the store. Valorie said today Betty was in a long line at checkout. At some point, Betty passed all points of sale and was drinking a can of malt liquor (\$1.50) outside of the store. Betty left the can of malt liquor outside of the store and returned to the checkout line. Another individual had taken Betty's spot in line. Betty confronted the individual in line with a bottle of liquor in hand. Valorie said Betty was aggressive toward the other customer, which lead to the customer pulling a taser out. At some point during the incident, Betty passed all points of sale, again, with the bottle of liquor (\$5.00). Valorie wanted to pursue charges against Betty. Citations for Disorderly Conduct (MA35137) and Theft (MA35136) were drafted and signed by Valorie. Betty was advised of trespassing from Save-A-Lot and ultimately transported to Marymount Hospital. We spoke to the caller, who stated while she was outside she observed a bullet hole in the south exterior of her wall. When she checked inside she observed what appeared to be a bullet hole that had been patched over. She called the MHPD to report the situation. When we checked the exterior wall we did observe a bullet hole in the wall. We did not observe anything inside the wall. From the angle of the hole, it appears the shot had come from the SW. Checking the interior wall, we observed what was possible a bullet hole, but it had been plastered and painted. The caller stated she had moved into the residence approximately 3 months ago and the house was in the condition we observed. Dispatch checked for past calls in the area with shots fired, but did not locate anything. At this time, this is for documentation. STB514

FEMALE ADVISED SHE WAS ATTACKED BY A PITBULL ON MONDAY. SHE WAS JUST RELEASED FROM THE HOSPITAL AND WOULD LIKE A REPORT.

11/18/2022 00:40:02 Disp R246
PER 519 THERE WILL NOT BE A REPORT ON THIS, ONLY A SHEET

On Thursday, November 17, 2022, I, Ptl. Jochum #571, was dispatched to the lobby of MHPD, for a report of a dog bite. Upon my arrival I made contact with Allison Harman. Harman stated that at approximately 0000hrs on Monday November 14, 2022, she was at 18401 McCracken Road spending time with her friends, Jasmine Brown and Nyrese Byrd in the basement of the residence. Harman began playing with Brown's male black and white pitbull. When Brown told Harman to put the pitbull back into his cage, the pitbull bit Harman on her right hand, resulting in a laceration to the base of Harman's middle finger and two smaller lacerations near the base of her thumb. Harman drove herself to Cleveland Clinics Avon Hospital, where she was treated by Doctor Petera. Harman received stitches to the lacerations on her hand and was discharged. Following Harman receiving stitches, her hand began to swell and was causing her pain. On Tuesday, November 15, 2022 at 1616hrs Harman was admitted to University Hospital's Saint John Medical Center, where she was treated for Cellulitis and Tendonitis reportedly resulting from the dog bite. Harman was released from University Hospital's Saint John Medical Center on Thursday, November 17, 2022 at approximately 2000hrs.

Harman provided me with her discharge paperwork from Saint John Medical Center. Additionally Harman signed HIPPA disclosure forms for both Cleveland Clinics Avon Hospital as well as Saint John Medical Center.

I made contact with medical staff at Cleveland Clinics Avon Hospital, however they were unable to advise if an Animal Bite Report was generated.

I attempted to make contact with both Brown and Byrd, however I received no answer from either.

Once I am able to make contact with Brown I will complete an Animal Bite and Exposure Report Form for this incident and will be forwarding it to records.

The caller was in bed when she heard a window breaking. She stated when she looked she discovered a back window had been broken. Checking the vehicle in the driveway, she also observed both sides had been "keyed" and the plastic covering the previously broken driver's window had been ripped off. She called MHPD to report the incident. The caller stated she believed her boyfriend's ex-girlfriend, Artilya Hall, had done the damage, even though the caller admitted she had not seen who had done it. While I was there, Artilya called the male and I spoke to her. She stated she had called because the male had called her accusing her doing the damage and she had been hung up on (I did observe the caller hang up on Artilya before I could speak to her). When she called back, Artilya denied doing the damage and stated she was at work and had been there all night. When I advised her not to have any contact with either party, she

stated she has been in mutual contact with the male over the last week. Due to the caller not actually seeing who had broken the window, the caller requested to have the incident documented. She was advised on how to obtain a civil protection order. STB514

While in the area of Stockton and Mayville Sgt. Allen observed a vehicle matching the suspect vehicle from calls 22-10249868 and 22-10249907. When the vehicle was stopped the driver was the suspect, Artilya Hall, from the listed calls. While speaking to Ms. Hall, it was discovered that she did not have a valid driver's license and the license plates on her vehicle expired on 10-03-21. While conducting a inventory of the vehicle prior to towing the vehicle a open bottle of Carlo Rossi white Zinfandel in the front passenger seat floor. Ms. Hall was issued a traffic citation for the no driver's license and expired plates. She was issued a summons for the open container. She was given a Garfield Heights Municipal Court date. STB514

11/19/2022 06:27:00 LIBBY RD LEE RD DISABLED MOTOR VEHICLE 2210250761

On November 19, 2022 at approximately 0627, while in marked Maple Heights Unit 4426, I activated my emergency lights and siren and conducted a traffic stop on a black 2021 Dodge Challenger that was parked on Lee Rd. just north of the intersection of Libby Rd. with its hazards on. Due to the time of day and traffic I spoke to the owner/operator, Ernest Trammell, who seemed agitated and advised he ran out of gas. While speaking to Ernest his mother arrived on scene and filled up a gas can so Ernest could go home. After Ernest filled up with gas he got back into his vehicle and did a burnout just north of the intersection of Libby Rd. and turned his car southbound while burning out and then turned eastbound to drive down Libby Rd. at a high rate of speed. I decided not to pursue the vehicle due to the driver having a diagnosis of Bipolar Schizophrenia (hearing voices) and not regarding the safety of himself or others. On November 19, 2022 at approximately 2000 hours, I spoke to Ernest Trammell's mother, Veronica Trammell, who advised her son has bipolar Schizophrenia and further advised she wants to get her son some mental help. Veronica further advised her son Ernest hears voices in his head and she further advised she believes the voices are causing him to do "bad" things. Veronica was advised her son would be getting a ticket for Reckless Operation and sent for a re-examination due to his behavior and his reckless nature in driving his vehicle. I advised Veronica I would respond later in the night to serve Ernest a citation. On November 19, 2022 at approximately 2350 hours, Ernest Trammell called 911 and hung up the phone. Ernest advised there was no problem and he was served a citation for Reckless Operation citation P29708 and advised of his driver's license re-examination. BWS548

CALLER WANTS TO REPORT HIS PHONE STOLEN FROM HIS CAR
MALE IS IN THE PD LOBBY

I spoke with Jawaun Gambrell in the lobby who advised that around 2300 hours, he was at Convenient Food Mart. He left his phone (Iphone XR, black with a red case, valued at \$500), on his seat and left his vehicle unlocked. When he returned, his phone was missing. He retrieved his mother's phone and attempted to track his phone. The phone advised it was pinging around 19181 Raymond Av. Jawaun advised he knocked on the door and an unidentified male at the residence advised he did not have the phone. Jawaun advised that if someone was located with his phone he was not interested in pursuing criminal charges. I advised Jawaun the incident would be documented. LK558

 --568--

On 11/20/2022 at approximately 0520 hours, I, Ptlm. Duncan #568 along with Ptlm. St. John #548 were patrolling Libby Rd. While on patrol, we observed a Cadillac SRX stopped in the roadway on Libby Rd. near Prayner. We made contact with the occupants. The driver was identified as Lamar Malcolm. The front seat passenger was identified as Penny Wilson. (Officer note's: At this time Wilson refused to identify herself to officers. Wilson was later transported back to station where she was identified). While speaking with Wilson, I immediately noticed that Wilson had bruises on her face and a bloody eye. I asked Wilson how she sustained the injuries to her face and she stated "He's a good man". Wilson appeared to be in distress and repeated "He's a good man". I advised Ptlm. St. John to remove Malcolm from the vehicle and to secure him in a cruiser. Officers conducted an inventory search of the vehicle and located "chore boy" and a burned spoon with a suspected drug residue. The spoon was located in the driver's door panel. The "chore boy" was found outside of the vehicle on the passenger side, where Wilson was previously standing. Officers further located suspected PCP in 3 glass vials. Due to the nature of the call and possibility of drugs both parties were transported to the City of Maple Heights Jail. We then interviewed Wilson and Malcolm separately at the Maple Heights Police Department. Both stated that they did not know each other and that they just met. Malcolm stated, he was stopped on Libby Rd. because he ran out of gas. Wilson approached his vehicle and he observed the injuries to her face. Malcolm allowed Wilson to sit in his vehicle.

During the scope of our investigation we were able to determine that this was not a Domestic Violence incident. We also discovered that Malcolm was under a non-compliant license suspension. Malcolm's vehicle registration was also expired by over a year. After doing a NIC test the suspected PCP was determined not to be PCP. Malcolm was issued a misdemeanor citation (MA35100) for possession of drug paraphernalia. Malcolm was also issued a traffic citation (P29606) for driving under suspension, not wearing a seat belt, impeding traffic and for expired plates. Wilson was issued two misdemeanor citations (MA33853) (MA33852) for possession of drug paraphernalia and for failure to identify. Wilson and Malcolm were given a Garfield Heights Municipal court appearance on 11/30/2022 at 0830 hours. The vehicle was towed by Interstate.

VERBAL ALTERCATION ONLY. PARTIES WERE ADVISED.

On my arrival, I spoke with Shanae Hall who was sitting in a vehicle in the driveway. She advised she got into a verbal altercation with her girlfriend Ashley Simmons who lives at that residence. Officers observed a broken window in the storm door of the residence. Shanae had a cut on the knuckle of her right hand. Shanae declined EMS. Dispatch spoke with the caller who advised they no longer wished for police, did not care about the damage to the storm door, and did not want Shanae advised of trespass. Officers then left the scene. LK558
