MALE SERVED HIS CITATION

On Monday, November 21, 2022 at approximately 1034 hours, I, Ptl. Thomas #560, was dispatched to 77 Ridge Peak Ct., for a report of a male inside of a house that is for sale. Prior to arriving, dispatch advised the realtor, Susan Corrigan, unlocked and opened the front door of 77 Ridge Peak Ct., and was greeted by a male later identified as Joshua Santos. Joshua stated he resided at the residence. Susan knowing, he did not live there, advised him to leave. Joshua gathered his belongings inside the residence and left. While arriving at the residence, Ptl. St. John #548 and I, observed a male walking west on Ridge Peak Ct. I identified Joshua and detained him. Joshua was placed in the rear seat of a marked unit and later complained of difficulty breathing, and suicidal ideation. Joshua stated he had been living inside the residence since November 11, 2022. While checking the house for damage, Ptl. St. John located the front door

knob and a black lock box on the door knob upstairs. The Maple Heights Fire Department, Rescue Squad 2, transported Joshua to Cleveland Clinic - Marymount Hospital. I served Joshua a citation for Criminal Trespass (ORD 642.12), ticket number MA33854. Joshua was also given Garfield Heights Municipal Court date of November 30, 2022 at 0830 hours. MWT#560

FEMALE IN THE LOBBY TO REPORT THAT HER CHILDS FATHER'S SISTER TOOK HER DOG

On November 21st, 2022 at approximately 1715 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights Police Station Lobby to speak with complainant, Desia Smith, regarding a civil matter.  
 Upon my arrival, I met and spoke with Desia Smith, who stated on July 31st, 2022 she and her child's father sister, Chanea Brooks, made a verbal agreement that Chanea will keep her dog "snowball" for her until Desia gives birth to her baby. Desia stated she is currently 36weeks pregnant and is due any day now. Desia mentioned that Chanea never mentioned anything about money to watch the dog. Desia stated she recently reached out Chanea attempting to get "snowball" back. According to Desia, Chanea is giving her a difficult time getting "snowball" back. Chanea also told Desia in order to get "snowball" back she will have to pay \$2,800-\$3,000 (Groomed, vet visits, shots. Etc.). Snowball is registered to Desia and she never agreed to let Chanea keep Snowball.

Desia was advised this matter is a civil matter and to file the complaint through Garfield Court. This matter will be document.

I spoke to Bria Cooke. Bria stated when she walked out to her vehicle at approximately 1000 hours she noticed the rear passenger side window broken and her steering column stripped. Bria informed me that the change from the inside of her glove box was missing. Bria did not know the exact amount she lost. I did not observe any glass on the ground from the broken window due to the maintenance crew cleaning it up prior to Bria noticing. Bria was informed this information will be documented, and was provided with the CAD number. FC567

On November 27, 2022, I spoke to Cooke who stated that after going through her vehicle she located an iPhone charging cord in it. Cooke belived it belonged to who ever had damaged her vehicle because she does not have an iPhone. A photo of the phone cord was taken as documentation. CF573/MH547

On Nov 22nd 2022 at 1900 hours, I, Ptlm. Westfield #554, along with other Maple Heights Units were radio dispatched to 6200 Lee Rd South. for a disturbance. Upon our arrival, I met and spoke with the complainant, Tazsa Jones, who stated her boyfriend left prior to our arrival on foot. #551 and Cdt. #572 canvassed the area and was able to locate the male. Tazsa stated she want her boyfriend out of her apartment tonight. Verbal argument because the boyfriend stayed out all night and wanted to go back out tonight. Tazsa wished to not press charges against the boyfriend. Tazsa signed a waiver of Prosecution. #551 transported boyfriend back and male gathered his small bag of clothes and left. The parties do not reside together nor have children together.

A B/M wearing a red jacket and red & black pants with a face mask on came into the store and purchased \$400.00 dollars of instant lottery tickets. He attempted to purchase more, but the name on the credit card was Sun Zengtang, and the clerk demanded to see his ID. The male stated it he would have to go get it and went outside and never came back. After the male left, the store received a fraud alert on the credit card. They are contacting the lottery commission to report the incident and to cancel out the instant lottery tickets. At this time they just needed it documented for the lottery comission. They will contact me if they need further. STB514

JUVENILE WAS TURNED OVER TO JUV BACK EN ROUTE TO THE CITY

After being gone for a couple of days, the juvenile returned home and started pounding on the front door and yelling to be let inside. The mother told him he would have to calm down first before she let him inside (she has had problems with the juvenile in the past and did not want him inside until he was calm). The juvenile did not calm down and started trying to removed the screens from the front windows to gain access though the windows. In the process he broke one of the windows. The juvenile then went to the rear of the residence and attempted to gain entry through another window, breaking it also. When the juvenile started kicking the rear door, the mother called the MHPD to respond. When I arrived, I observed the juvenile walk from the house and start walking away from me on the sidewalk. I had to give multiple commands for him to stop walking and to approach me. When he finally did, I asked him what had happened and he would only answer with I don't know and nothing. The juvenile also would only provide me with part of his name. When other officers arrived, I spoke to the mother who informed me of the above. When asked if the she had ever filed unruly charges against the juvenile, she stated she has been told by other officers on how to, but admitted she never has. The juvenile had a felony warrant through juvenile court and was transported to juvenile detention. STB514

MALE IS IN THE LOBBY

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for a report of an assault. Upon my arrival, I made contact with the caller, Alonzo Patrick, Alonzo reported while at Oreilly auto parts (5489 Warrensville Center) a male employee that Alonzo described as black male with a medium sized afro, about 350-375 Lbs. wearing the name tag "Leeroy" became irate when Alonzo asked for him to put his recent purchases in a bag. Alonzo further reported that Leeroy began to curse at him and flail his arms around while behind the counter. Alonzo exited the store and then returned in order to get the employees name so he could report the employee to Oreilly cooperate. At this time Leroy came from behind the counter and began to charge at Alonzo. An unidentified employee who was possibly the manager stopped Leeroy from advancing further. Alonzo then left the store. Alonzo requested this incident be documented so he could provide Oreilly cooperate with documentation.

CALLER STATES SOMEONE KEYED HER CAR AND THREW A BRICK THROUGH THE FRONT WINDSHIELD  
UNKNOWN WHO OR WHEN THIS HAPPENED  
CALLER WILL WAIT BY CAR AND FLAG OFFICERS DOWN

On the above date and time, I Ptl. T. Vasko #566 responded to the above address for a report of damage to a vehicle. Upon my arrival Police units spoke to the owner of the vehicle, Ashley Blair, Ashley stated that she came outside to her vehicle, a Dodge Challenger bearing Ohio registration had been damaged by an unknown party. After inspecting the vehicle, I observed the windshield had been smashed by and unknown object causing cracks through the entire windshield, what appeared to be a scratch down the entire drivers side of the vehicle and a smaller scratch on the passenger side of the vehicle behind the door. Ashley stated she has no problems with anyone and doesn't know why someone would do this to her vehicle. The area was canvassed and officers could find no working cameras or witnesses. A report will be generated if any evidence is obtained. Ashely was provided with a report number and advised this incident will be documented. Photos of the vehicles have been attached to this report. TV#566

On Saturday, November 26th, 2022, at 0927 hours, I spoke with Alyssa King in the Maple Heights Police Department lobby, located at 5373 Lee Rd. Alyssa stated her ex-husband's new girlfriend, Chevonne Martin, spoke to her in a disrespectful and threatening manner. Alyssa stated she called her ex-husband, Micah Brown after a minor disagreement. She called him at 0800am to explain what caused her to get upset. However, Chevonne took the phone and told Alyssa "You don't know what I'm capable of, I know your Facebook account." She stated she has a shared parenting agreement with Micah- he picks the children up and drops them off at Alyssa's residence. Alyssa does not want Chevonne to show up at her residence. I contacted Micah and advised him of the concerns Alyssa had. Micah stated he would not bring Chevonne to Alyssa's residence to avoid any altercations. The children were given to Micah for the evening. HK #4553

Upon my arrival at 5493 Clement St, I heard a dog barking in the backyard. I am familiar with this address as I was here a couple weeks ago. We have received numerous calls for service at this address for a dog outside barking. Sgt. Allen and I attempted several times to make contact with anyone inside the residence but no one came to the door. The previous calls show an Anthony Crawford as the owner of the dog. Sgt. Allen left a card on the door for Anthony to contact the Maple Heights Police Department as soon as possible. Anthony will be issued a citation for Barking Dog (MA33855). BF572

I spoke with Raymond Barksdale in the police lobby in reference to a hitskip accident. Raymond stated he was working security at Paragon Bar and Grille and around 0200 hours he was notified by patrons that his car was just struck in the parking lot. Raymond stated the patrons attempted to stop the vehicle from leaving but they were unsuccessful. Raymond was shown the surveillance video by the owner but did not take a picture or record it. Raymond was advised to obtain the video from the manager and bring it to the police station. I observed damage to the trunk area of Raymond's 2017 GMC Terrain. I took photographs of Raymond's vehicle which are attached. BF572

On Monday, November 28, 2022 at 0031HRS I, Ptl. Jochum #571 was dispatched to 19314 Raymond Street, for a suspicious activity call involving a dark colored sedan that was backed into the driveway of the address. Upon my arrival, I observed a 2011 gray and blue Ford Fusion. I made contact with the neighbors who reside at 19318 Raymond Street advised that the house was abandoned approximately two months prior and that to their knowledge no one should be at the residence. Officers did not observe a registered plate on the vehicle. Officers provided dispatch with the vehicles VIN which returned to Daricka Coates. Officers toured the area but were unable to locate the vehicle owner. Due to the vehicle having no registered plate as well as being parked in the driveway of a reportedly abandoned house, the vehicle was marked as abandoned. House was secured and a neighbor stated the lights have been on since the person moved out.
