 STAFF IS ENR TO SPEEDWAY REGARDING ELBA
 New Location MAS2 11/28/2022 17:05:31 MARYMOUNT

On Tuesday, November 28, 2022, at approximately 1653 hours, I, Ptl. M. Lowe, along with Ptl. H. Kaur #553, responded to 16400 Rockside Road (Speedway gas station) for a report of a suicide in progress.

Prior to my arrival, dispatched advised all Maple Heights Police units that the caller, Love Peebles stated that an unknown woman, Elba Miller was cutting her wrist with a sharp object inside of the gas station.

Upon my arrival, I advised Elba to exit the gas station, which she complied. Elba admitted that she was suicidal and wanted to kill herself. Elba stated she picked up a screw that was lying on the ground outside out the gas station. Elba stated she then entered the gas station and proceeded to her left wrist with the screw. Elba stated she had been going through a hard time in life and was depressed. I observed a self-inflicted cut of Elba left wrist with blood coming out of the wound. Ptl. H. Kaur conducted a pat down on Elba and located the screw in right side pant pocket. MHFD paramedics arrived on scene and transported Elba to Marymount Hospital for medical evaluation.

A photograph of the screw was attached to this sheet.

A Photograph of Elba wrist injury was attached to this sheet.

 CITED 4 TIMES

On 11/28/2022 at approximately 2235 hours, I, Ptlm. Duncan #568 observed a Nissan traveling west on Raymond St. The Nissan made a right turn on to Lee Rd. without coming to a stop at the red light located at Raymond St. and Lee Rd. I initiated a traffic stop on the vehicle and made contact with the driver, later identified as Walter Wagner. Wagner was advised of the violation and while speaking with Wagner, I observed the odor of marijuana coming from inside of the vehicle. I asked Wagner to exit the vehicle and he started putting items in his pocket from the center console. Wagner was again asked to exit the vehicle. Wagner then attempted to reach under the passenger side front seat. Due to the way Wagner was behaving he was detained in handcuffs and the item he placed in his pocket was later found to be a pack of cigarillos. I conducted a probable cause search of the vehicle for the odor of marijuana an located 1.17g of marijuana in plain view near the center console. Wagner was issued a Maple Heights traffic citation (P29781) for not having his drivers license on his person,

expired plates and the red light violation. Wagner was also issued a Maple Heights misdemeanor citation (MA34703) for the possession of marijuana. Wagner was given a mandatory Maple Heights Mayor's court appearance. The marijuana was entered into PMI as evidence tracking number TN:31975.

MALE IN PD LOBBY APPLE WATCH SENT TO WRONG ADDRESS SENT TO OLD ADDRESS AND THOSE RESIDENTS ARE REFUSING TO GIVE IT TO THE COMP Freeman states he ordered two apple watches, one on October 3rd and the second on November 23rd. He ordered these through Spectrum and they were delivered through Fedex. The first watch was mistakenly delivered to 5214 Thomas Street in Maple Heights, which is Freeman's old address (now resides in Cleveland Hts). A second order was placed, however it was also delivered to the same location. Spectrum advised they required a police report of this incident to fix this issue. MM569

On 11/29/2022 at approximately 2213 hours, I, Ptlm. Duncan #568 observed a green SUV (HNP 8524 VIN: JTEHH20V020144181) traveling west bound on Raymond St. and fail to come to a complete stop at the clearly visibly stop sign located at the intersection of Raymond St. and Camden Rd. I initiated a traffic stop on the vehicle and made contact with the driver, later identified as Janai Carter. I advised Carter of the reason for the stop and while speaking with Carter I observed the odor of marijuana coming from inside her vehicle. Carter denied having any marijuana inside of the vehicle. I asked Carter to exit the vehicle and I conducted a probable cause search due to the odor of marijuana. I located two smoking devices (a bowl and a gas mask modified to inhale marijuana) with marijuana residue inside them. Both items were taken and submitted to PMI as Evidence under tracking number TN:31918. Carter was issued a Maple Heights misdemeanor citation (MA35082) for possession of drug paraphernalia. Carter has a Maple Heights Mayor's court appearance on 12/20/22 at 1530 hours.

WANTS TO TALK TO THE LT WHO RUNS THIS PLACE REF OFFICER HARASSMENT

Albert was issued 3 citations (expired plates, DUS and loud exhaust). Albert's vehicle was towed as a result of the violations. Officers were originally called to Albert's house for the report of him driving recklessly down Catherine Street. Officers tried to speak with Albert on scene, but he was explosive and refused to listen to officers. Albert would not listen to his mother either, who was also on scene. Albert was gone prior to officers arrival in the lobby.

On Thursday, December 1, 2022 at approximately 1807 hours, I, Ptl. Thomas #560 was dispatched to 14700 Tabor Ave., for a report of an animal bite. Upon arrival, contact was made with Donna Barthany. Donna stated she was outside (did not say where) when a brown bulldog bit her and her 9 year old white shiatzu-terrier mix. Donna stated the dog did not have on a leash and ran across the street to her and her dog prior to biting them. Donna suffered minor bites to her right big toe, and right middle finger, along with scratches on both of her knees from falling onto the concrete sidewalk. Donna's dog suffered bites to the upper right front leg where the leg connects to the torso, minor bites to the inside upper back legs, and a bite to the outside left leg. Donna refused medical treatment and stated she will go to the doctors office the next morning. I advised Donna to take her dog to the vet as well. Contact was made with the bulldog owner, Melanie Nevels at her residence at 14423 Tabor Ave. Melanie stated she saw her dog biting Donna and her dog and got her dog off of Donna. Melanie's dog's name is Ginger, and is a brown Bulldog. She did not have vaccine records with her at the time. An animal bite form was completed and faxed to the Cuyahoga Board of Health. Melanie was served with three citations, ORD 618.09 Vicious Dog, ORD 618.03 Animal at Large, and ORD 618.04 dogs required to wear tags. Melanie was given a Maple Heights Mayor's Court Date of December 20, 2022 at 1530 hours. MWT#560

I spoke with the complainant, Marshall Brooks, who stated his ex-girlfriend Kikema Workman broke the window of his backdoor, entered the residence and took his car keys. Marshall stated Kikema lived with him but is currently in the process of moving out after the two of them ended their relationship. Kikema still has a key to the residence and some of her belongings are still inside. Marshall was advised on how to file a civil suit against Kikema in Garfield Heights Municipal Court. Photographs were taken of the damage and attached. Marshall provided me with Kikema's phone number while she was texting him. When I called Kikema, I identified myself and asked to speak with Kikema Workman. After stating I had the wrong number she hung up the phone while speaking to me.

I spoke with Tracie Dekle, she stated after her wife, Dorothy Hill, left for work. She was calling her son, Gerald Hill, to check on him. Dorothy asked Ashley where Gerald, she asked if she was okay. Ashley made multiple comments to harm Tracie. She also told Dorothy she is in the hospital because her skull is cracked- and she has other injuries. I advised Tracie to contact the PD if Ashley continues to harass her. HK #4553

Upon our arrival, Ptl. Lowe and I, Ptl. M. Heitzer #547, detained the suspect female, Brittany Fitzgerald, in handcuffs based off of the call and her erratic behavior. Brittany smelled strongly of alcoholic beverage and was irate. Before placing Brittany in the back of my patrol vehicle I checked her pockets on her sweater and visually inspected her for any potential weapons. While checking Brittany she exclaimed, "Check my pussy if you want to. Please, please, un-zip my pants. Please." Brittany sat in my cruiser but would not put her legs in the car, preventing me from shutting the door. At one point, I attempted to push Brittany into the cruiser but she contorted her body and used her legs to prevent me from shutting the door. Eventually Brittany put her legs in the cruiser and she was secured. While in the back seat of my cruiser Brittany shouted and hit the partition multiple times with her head, hands and feet. Once it was determined that Brittany was not going to be charged in relation to the Rascal House incident, I attempted to find a way for Brittany to get home due to her intoxicated state. Brittany continued to be irate with officers and would not communicate with us to help us get her home safely. Ultimately the determination was made that Brittany was going to be charged with Disorderly Conduct While Intoxicated as well as OVI. Brittany was served a citation (MA34554) for Disorderly Conduct While Intoxicated along with her other charges/citations. A DVD of my POV footage and my in-car camera footage was burned and entered into evidence (Tracking # 32021). This case will be heard in the Garfield Heights Municipal Court. MH547

--568--
On 12/03/2022 at approximately 2328 hours dispatch advised officers that they received a 911 call from a male, later identified as Gregory Brazzel Jr., that a
male, later identified as Eugene Billups, was following him around in a white truck. Gregory also reported that Eugene shot at him. Dispatch then reported that
Gregory had pulled into the parking lot, hung up the phone and Ptlm. St. John #548, Ptlm. Vasko #566 and I, Ptlm. Duncan #568 responded to the area.

I was able to locate the white Chevrolet pickup truck involved at the intersection of Lee Rd and Broadway Ave. The Chevrolet stopped in the roadway on Lee
Rd, just north of Broadway Ave. and I initiated a traffic stop on it. I made contact with Eugene and he stated that Gregory had pulled a firearm on him. Eugene
did not specify where this happened at. I requested Eugene to go to the Maple Heights Police Department and he agreed.

On arrival, Ptlm. Vasko was speaking with Gregory. Gregory stated that Eugene is dating his sister, Trishawn Brazzel. Gregory stated that he and Eugene saw
each other on Maple Heights Blvd (neither party gave an address on the blvd.) and exchanged unpleasant words with each other. They then mutually agreed to
go to the Marathon on Lee Rd. and fight. Eugene then began chasing him around in his vehicle.

Ptlm. Vasko and I searched both vehicles involved with consent from Gregory and Eugene and we did not locate any firearms.

Both Gregory and Eugene were issued a Maple Heights misdemeanor citation for disorderly conduct. They both have a Garfield Heights Municipal court
appearance on 12-14-20 at 0830 hours.
