On Monday, November 07, 2022, Officers responded to 17217 Mapleboro Avenue for a caller stating that her alarm went off and there was signs of an attempted rear forced entry. The caller, Derdra Sween, stated she received a notification from her alarm company for a glass break on the back door. Derdra stated she responded back to her house and did not discover any type of force entry but believed someone attempted to yank her back sliding door open. The window located near the rear sliding door was broken and Derdra explained that was already broken priorly and did not believe that it was tampered with. Derdra stated she wanted this information documented.

Dubos attempted to use her Visa Debit card at the gas pumps, it did not work; so she went to pay in the gas station. Dubos then purchased with her card twenty dollars (\$20.00) in US Currency worth of gas. When Dubos received an email copy of her receipt today, she observed that there was an unauthorized charge of six dollars and ninety-nine cents (\$6.99) in US Currency for a bottle of wine to her Visa Debit card. 4560 IS IN INTERVIEW ROOM B WITH ANGELAI MMORLICA.

On Monday, November 7, 2022 at approximately 1730 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a report of a motor vehicle accident. Upon arrival, contact was made with Angela Immorlica. Angela stated Tuesday, October 11, 2022 at approximately 0900 hours, while in the transition between 1st period and 2nd period, two students, A'Montae Brazzell and John Morris were horse playing around and ran into her. The impact caused by the two students made her brace herself by grabbing the door handle to her class room so she did not fall. When Angela grabbed the door handle, it caused her ring on her right index finger to get snagged on the door handle, causing it break and broke skin. If Angela did not grab to the door handle, she would have fell down the steps. Angela's class room is on the second floor (room 259). Angela stated the ring cost \$43.20 to get repaired. Angela was attempting to go through the school system in house procedure, but was unhappy with what was done. Angela wanted to formally document the incident and at this time does not wish to pursue charges against the students. If she decides to in the future this report will be supplemented. MWT#560

I, along with several Maple units arrived on scene at 16202 Maple Heights Blvd to find an open door at Apt 102C. Officers entered the apartment to try and locate any possible victims with negative results. There was no sign of physical struggle taking place inside the apartment. Officers were able to locate mail addressed to Alexis Phillips-Eve. I spoke with the caller in the apartment 204C who stated she heard some sort of altercation going on in the apartment below her. We checked the surrounding area to try and locate Alexis. Alexis was unable to be located and officers closed her open apartment door. BF572

FEMALE IN THE LOBBY TO SPEAK WITH AN OFFICER ABOUT HER KIDS FATHERS OTHER CHILD WHO IS 5, HUMPING THE GROUND

The complainant stated that this past weekend her ex-boyfriends 6 year old daughter was over at their house. She caught her ex-boyfriend's daughter laying face down on the ground in her backyard gyrating her hips against the ground. She advised her ex-boyfriend of what his daughter was doing. The complainant thought that her ex-boyfriends daughter is being exposed to inappropriate things at either her fathers house or her mothers house because of the behavior that the complainant's ex-boyfriend's daughter is showing. She just wanted advice about what she can do. She is already not allowing her ex-boyfriend to see the children they have in common. I advised her that she could notify Child and Family Services about the situation. MB512 PDN

On November 11, 2022 at 1936 hours, while in route to a call, I, Ptl. N. Ross #570, was traveling northbound on Warrensville Center Rd. when I observed a traffic violation on a silver colored Chevrolet Equinox. The vehicle was observed failing to stop at the stop sign on Hillgrove Ave. at the intersection of Hillgrove Ave. and Warrensville Center Rd. The vehicle took a right turn and merged into the far-left northbound lane on Warrensville Center Rd. I followed the vehicle and initiated a traffic stop near the intersection of Warrensville Center Rd. and Hansen Rd. The driver, Identified as Dean S. Stecker, advised he was on his way back to drop the vehicle off at his employer, Mr. Reliable Auto LLC located at 16801 S. Miles Rd. Stecker further advised he did not have a valid driver's license. Stecker was issued a citation for a traffic control device stop sign violation, a lanes of travel violation, and an operating a vehicle with no driver's license offense. Stecker had a valid driver respond to the scene and drive the vehicle back to Mr. Reliable Auto LLC.

MALE: JAMAL WILLIAMS / UNKNOWN IF HE IS IN JAIL OR NOT
TEXT READ" JAMAL STATES HE WAS GOING TO SHOOT UP CALLERS CAR"

--568--

On 11/09/2022 at approximately 2025 hours, I was dispatched to the lobby to speak with Tatianna Williams. Tatianna stated that on 11/08/2022 at 1218 hours, Sharelle Howard (who she stated she was no longer friends with), texted her. In the text Sharelle said that Tatianna's husband, Jamal Williams, stated that he was going to shoot up Tatianna's vehicle after his current Domestic Violence case involving Tatianna was over. It is unclear how Sharelle got this information whether it was over a phone call or a text message. I was unable to verify the authenticity of the threat. Sharelle is a third party reporting this to Tatianna and she did not provide Tatianna with a record of this threat.

Tatianna stated that she has an active Temporary Order of Protection against Jamal and since the TPO was filed, he has not contacted her or asked anyone to contact her on his behalf. Tatianna just wanted this incident documented and requested that we do not contact Jamal.

On the above date and time I was assigned to handle an animal complaint reported by the above caller. The caller, Tammi Robinson stated her neighbor who lives at 19006 Fairway has been letting their dog poop in her yard. When Tammi asked the neighbors to not let the dog poop in her yard they responded by yelling at her and "calling me out my name". Tammi was advised next time the dog is in her yard to take a picture of the dog and advise the police and we could come and write a citation to the owner if she agreed to sign the charges. Tammi was also provided with the call number for this incident. Tammi's original complaint that was emailed to the Department can be viewed below.

TV#566

Good Day,

I am having problems with my neighbors allowing their dog to use the restroom in my yard and not pick it up. I have tried talking to them but that ends up in an argument and they are yelling and cursing at me. They said it's just a dog and it's not that serious. I have a sign in my yard asking for people not to let their dog use the restroom on my grass but they do anyway. I have a dog, he is licensed and on a leash. Their dog is NEVER on a leash and because they are very ignorant when you ask them to keep the dog out of your yard things are going to turn bad quickly as they are aggressive. The dog is a small dog but I should not have to clean up behind him/her. Please advise how you will proceed and can you make sure the dog is licensed and shouldn't their dog be on a leash? Thank You.

MALE IN THE VEHICLE WAS IN POSSESSION OF MARIJUANA. MALE WAS ALSO WANTED WITH GARFIELD HTS AND PARMA.

568 TRANSPORTED MALE TO GARFIELD JAIL.

On the above date and time, I, Ptl. T. Vasko #566 while on regular patrol in full uniform driving marked cruiser #4403 have the following to report. While on patrol I observed tail lights of a vehicle parked behind the church at 19000 Libby Rd. The vehicle is Blue Ford. This parking lot has recently been found to have two stolen vehicles abandoned in it. Upon my approach to the vehicle I identified myself and spoke with the driver, Anaysia Langford, while speaking with the driver I could smell the odor of raw marijuana coming from the vehicle. Anaysia and her passenger, Da Von Martin, were ordered out of the vehicle and the vehicle was searched. On the passenger side in the door panel a small .067 ounces of marijuana (TN#31875) was located in a clear plastic baggie. Da Von was cited for ORD 624.03 Possession of marijuana (Citation MA34025) in the Maple Heights Mayors Court on November 22 at 1530 hours. Da Von was transported to the Garfield Jail on a warrant.

--568--
 On 11/11/2022 at approximately 0448 hours, Ptlm. King #558 and I, Ptlm. Duncan #568 responded to the area of Libby Rd. and Warrensville Center Rd. for a welfare check on a male laying on the sidewalk. Upon arrival, officers located the male, later identified as Anthony Orr, laying in the bed of a pick up truck. Officers were familiar with Orr due to dealing with him prior that morning (See CAD# 2210244627). Orr once again stated that he has blood clots in his leg and that he couldn't walk. Orr stated that he was out walking and his legs gave out. Orr stated this during our previous dealing with him. Orr also once again advised that he needs walking instruments (i.e. a cane or a walker) to assist with him walking. Orr did not have these instruments with him, even though this same incident happened approximately 2 hours prior. I also smelled a strong odor of an alcoholic beverage coming from his person. Orr admitted to drinking a few beers earlier. Due to Orr's conduct, he caused one passerby to contact the police department which prompted a welfare check and another passerby to load him in her truck for his safety. It did not appear that Orr was able to properly care for himself or make good judgment due to his impairment. Orr was issued a Maple Heights Citation # MA34026 for Disorderly Conduct Intoxication and given a Maple Heights Mayor's Court appearance of 11/22/2022 at 1530 hours. Orr was transported to Marymount by MHFD.

 FEMALE ADVISED THE DRIVER OF A CHEVY MALIBU TRIED TO RUN HER OVER IN THE PARKING LOT AT DOLLAR TREE, DRIVER TOLD HER THAT SHE DIDNT SEE BUT CALLER THINKS IT WAS INTENTIONAL BECAUSE THE FEMALE DRIVER DID NOT APOLOGIZE AND WHEN THE CALLER WENT INTO DOLLAR TREE, THE DRIVER DROVE BACK THROUGH THE LOT

CALLER WAS NOT ABLE TO GET A PLATE BECAUSE IT WAS TOO DARK

On Friday, November 11, 2022 at 2004hrs I, Ptl. Jochum #571 responded to the lobby of the Maple Heights Police Department, located at 5373 Lee Road a report of a disturbance that had occurred in the parking lot of the Dollar Tree located 5418 Northfield Road. Upon my arrival I made contact with Phyllis Smith and her daughter Tameena Hatcher (DOB: 01/17/2006). Smith advised that at 1754hrs while she and Hatcher were walking from her vehicle to the front doors of the Dollar Tree, an unknown female in a red Chevrolet Malibu drove past them at a high rate of speed, nearly running over Smith's foot. The unknown female proceeded to park the Malibu in a parking space, at which time Smith proceeded to the vehicle and attempted to gather the plates information. While doing so, the unknown female yelled out her vehicles window and asked what Smith was doing. Smith told the female that she was gathering her plate information so she could report the incident to the police. The unknown female stated that she had not seen Smith and then began cursing at Smith. Smith and Hatcher walked away from the Malibu without gathering the plate information and proceeded toward the front door of the Dollar Tree. Upon reaching the front door, Smith

observed that the unknown female in the red Malibu had pulled behind her vehicle, blocking it in. Smith and Hatcher began walking back to the vehicle at which time the unknown female in the Malibu pulled off at a high rate of speed, once again narrowly missing Smith. The female drove out of the area. Hatcher corroborated Smith's recounting of the incident. Neither Smith or Hatcher were injured during the incident. Smith stated that she does not know the identity of the female or the vehicles plate information and that she wished for the incident to be documented.

WARRENSVILLE HTS CHECKING THE ADDRESS

On Friday, November 11, 2022 at 2054hrs I, Ptl. Jochum #571 was dispatched to Giant Eagle located at 5321 Warrensville Center Road for a domestic in progress. Dispatch advised that an anonymous caller stated they observed a male in the front passenger seat of a silver Hyundai bearing OH Reg. JGH3975, punching a juvenile in the back seat, while the vehicle was in the parking lot of Giant Eagle. The vehicle reportedly pulled out of the parking lot and proceeded west bound on Libby Road. The vehicle was flagged on a flock camera heading west bound at the intersection of Libby Road and Broadway Avenue. Officers toured the area however they were unable to locate the vehicle. The vehicles registered plate returned to Sam Bell, who resides in Warrensville Heights. Warrensville Heights PD responded Bell's address and made contact with him. Bell advised that his son, Deondre Graves, was in possession of the vehicle, however Bell did not provide his address or contact information. Detective Sperie #501, who was at the Giant Eagle during the time the original call to dispatch was received, advised that no one had approached him to report any such incident.

Additionally I observed that the car was covered in copious amounts of dirt and leaves and did not appear to have been moved in some time. I photographed the vehicle and have uploaded the photos to this sheet. The vehicle was issued parking citation R14112 for parking on the sidewalk, and marked as abandoned.

On Saturday, November 12, 2022 at approximately 0936 hours, Ptl. Heitzer #547 and I Cdt. Field #573 received broadcast to respond to 15818 Broadway Ave (Dollar General) for a shoplifting complaint. Upon our arrival, we spoke with the manager, Candice Earnhart. Earnhart stated that an unknown tall male with a beard that was approximately 40-50 years in age, wearing a yellow hooded sweatshirt, gray pants, baseball hat and a cane, came into the store at approximately 0916 hours. After a brief conversation between Earnhart and the male, he identified himself as "Mike" and gave her his number (216)-632-2047. "Mike" then went to continue his shopping. At approximately 0954 hours, "Mike" started to exit the store with a shopping cart containing several bath towel sets, sheet sets and laundry baskets, valued at approximately \$200.00. Earnhart yelled for Mike to stop, but he refused and then fled the area in an unknown direction. We advised dispatch to see if there was anyone associated with "Mike's" phone number and they advised that it was last registered to Reginald Boone. Reginald's BMV photo did not match the characteristics of the suspect. After reviewing the store surveillance system we were unable to get a full unobstructed view of "Mike." We contacted the number and spoke with a male who identified himself only as "Tom." "Tom" stated that he had never heard of Maple Heights before and while trying to gather further information he hung up the phone. "Tom" was left a message to contact Maple Heights Police Department. Spoke with the caller who reported that a thin built, younger black male (30's) who was wearing a blue face-mask, blue jeans and a gray shirt walked into the store. At 1330 hours, the male exited the store carrying a blue/green plastic tote containing approximately \$200.00 worth of laundry detergent. After reviewing the Dollar General's surveillance cameras we observed the male exiting the store, and entered an older model dark sedan and exited the parking lot onto Broadway ave. We were unable to locate the vehicle in FLOCK to cite the male for theft. CF573

 571 - SPOKE WITH JUVENILES MOTHER WHO ADVISED HE PROBABLY WENT TO A FRIENDS HOUSE AND WILL ALLOW HIM TO STAY THERE FOR THE NIGHT. FEMALE WAS ALSO ADVISED ON HOW TO FILE UNRULY

On Saturday, November 12, 2022 at 1947hrs I, Ptl. Jochum #571 was dispatched to 5571 Grasmere Avenue, for an unruly juvenile. Upon my arrival I made contact with Shakeiya Edwards. Shakeiya stated that her son has been increasingly disrespectful in recent history and has not been following Shakeiya's instructions, resulting in Shakeiya taking his video game system from him. The juvenile became upset at which time the two engaged in a verbal argument. The juvenile left the house following the argument. Shakeiya advised that her son typically will walk to his friends house located on Thomas Street. Shakeiya did not remember the exact address, however she is in contact with the friends mother, so she will know when he arrives there. Shakeiya stated that she was okay with her son staying at his friends house until the incident had a chance to calm down. Shakeiya was advised on how to file for unruly.

On Saturday, November 12, 2022, at approximately 2210 hours, I, Ptl. F. Colangelo responded to the Maple Heights Police Department Lobby to speak with Candis Johnson and her juvenile daughter for a harrasment report. Candis stated her daughter received a voicemail from a number they did not know 216-375- 3137. The voicemail addressed Candis' daughter and stated that they know the vehicle in the driveway outside their residence, a white Mercedes - Benz, and they will come inside the residence. Candis and her daughter did not know the name of the individual that left the voicemail but believed it to be a male named Aiden. Candis informed me she wanted this information documented. Candis was informed to contact the Maple Heights Police Department if she discovered any further information, and was provided with the call number.

I spoke with Ray. Ray expressed that he was upset with RTA Police's response times for his complaints of drinking and smoking in the RTA stations, among other complaints. I explained to Ray that RTA police often ask Maple Heights Police Units to respond to their station should their response be delayed. Ray also advised he had been threatened off of RTA property because of situations that began on RTA buses. I reassured Ray that Maple Heights Police will respond should he call to report complaints off of RTA property and should he need immediate assistance, RTA would direct Maple Heights Police Units to assist until their police units can make it to the scene.  DRIVER ADVISED

While in the area of Lee Rd and Libby Rd we observed the vehicle in the parking lot of 7-11 with the owner/operator, Trevaughn Patterson, standing outside appearing to be in the middle of a possible drug transaction with an unknown female. Patterson initially pulled out of the parking lot traveling northbound on Lee. Upon observing officer's in a marked zone car behind his vehicle he then pulled into the driveway of an unidentified house and waited for officers to drive past. Once the officers drove past, he then proceeded southbound on Lee back towards the 7-11. When officers turned around and proceeded back southbound on Lee Rd, Patterson then once again turned into another unidentified house driveway and waited for officers to pass. Patterson then went back northbound on Lee Rd and into Cleveland. Approximately 10-20 minutes later, we once again observed Patterson's vehicle parked in a parking lot by Raymond Rd/Lee Rd. Upon observing officer's presence, he immediately exited the parking lot onto Lee Rd. Officers activated our emergency lights and sirens to conduct an Investigatory Stop of the vehicle and Patterson then appeared to ignore them and immediately turned into the parking lot of 5100 Lee Rd apartments. Patterson exited the vehicle and was advised of the reason for the stop. Patterson stated that he had gotten lost and was trying to find his sister's apartment building. When Patterson was asked why he then continued into Cleveland, he initially denied it but then stated that he didn't know. Patterson had valid license and registration and sent on his way. On November 13th, 2022 at approximately 1900 hours, I, Ptlm. Westfield #554, responded to the Maple Heights Police Station to speak with, Evelyn Patrick, and her niece Ajanae Coleman, the complainant regarding an assault. Ajanae stated she was at her boyfriend, Anthony Reed, residence located at 21302 Hillgrove Ave. According to Ajanae, she informed Anthony that she was ready to go home, which laid to a verbal argument, because Anthony was ignoring her and continue to play his video game. Ajanae informed Anthony that she will walk home and proceeded to walk to the door to leave. Anthony ran to the door, bagging her to wait because he did not want her to walk home at night. Ajanae stated she and Anthony sat back down and Anthony continued playing his video game. Ajanae stated when Anthony walked away from his video game she poured water over his game. Anthony came back into his room and noticed it was water over his game he got upset and struck her across the face with an open hand. Anthony began apologizing for putting his hands on her, according to Ajanae. However, Ajanae began swinging at Anthony with a closed fist. Ajanae stated Anthony grabbed her and attempted to put her outside his home. Ajanae began calling family members to respond to Anthony's home. Evelyn arrived and transported Ajanae to MHPD to file a report. Ajanae asked to speak to officers without her aunt being present and advised that she did not wish to press charges against Anthony for assault and she stated that Anthony never held her inside of the house against her will. Ajanae signed a waiver of prosecution which Sgt. Allen #519 provided. Ajanae and Anthony don't have children or live together. Ajanae do not have visible injuries, but stated that her face was swollen earlier. The waiver of prosecution signed by Ajanae will be attached to this sheet. #554.

On October 31, 2022, I responded to 19006 Fairway for a report of trespassing onto the property. I spoke with 20yo Jamiyah Graham, who showed Ring camera footage of several juveniles entering the property and looking inside her mailbox. Jamiyah stated that the residence belongs to her mother, Aziza Gray, who was not home at the time. Jamiyah was advised to have Aziza contact us when she was available.

On November 13, 2022, I spoke with the complainant, Aziza Gray, in reference to a follow up about individuals trespassing on her property. Aziza stated on 10/16/22 and 10/27/22 individuals came onto her property and went through her mailbox. Aziza just moved into the residence on 9/4/22. Aziza stated nothing was taken from her mailbox nor was any property damaged. Aziza believes the juveniles may live on the street due to the time the two incidents occurred. Aziza said the juveniles have not been back nor has she seen them since 10/27/22. Aziza was advised there would be an increased patrol presence in her neighborhood. BF572
