MALE IN PD LOBBY
HAPPENED YESTERDAY

On Monday, October 10, 2022 at approximately 1020 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a report of an animal bite. Upon arrival, contact was made with De'sean McGee. De'sean stated on Sunday, October 9, 2022 he was at his friend's house retrieving his wallet that he left earlier in the day when he was bit by a Pitbull. He stated he saw the dog chained to a post in the backyard of 20676 Applegate Rd., (next door neighbor's yard) when he was in the backyard of 20672 Applegate Rd. When he turned around the dog was next to him. He ran down the driveway and was bit in the right lower forearm. He stated the owner of the dog retrieved the dog and took it inside the residence. Contact was made with the dog owner, Heather James. Heather stated the dog has had two sets of shots and needs an additional two sets to be up to date. Heather is currently not home, but is in the hospital with cancer. Heather was cooperative with giving information. A county dog bite form was filled out and faxed down to county.

On October 10th, 2022 at approximately 2035 hours, I, Ptlm. Westfield #554, was radio dispatched to 5559 Clement Street regarding a welfare check. Upon my arrival, I met and spoke with the caller, Dorothy Donegan, who resides at this location. Dorothy stated she observed two juveniles walking up and down the street. I spoke with the juveniles who stated they been locked out their home since they arrived home from school at 1600 hours. Juveniles stated their father Derrick Taylor Jr. dropped them off at school this morning and usually go to work. Juveniles also mentioned their grandfather, Derrick Taylor, always home when they arrive from school and always watch them during the night. Both juveniles were transported to Maple Heights PD at 2045 hours, until I made contact with their father, Derrick Taylor Jr at 2210 hours. I spoke with Derrick Jr. who stated his father is now at home. Juveniles were transported back to their residence. I met with grandfather Derrick Taylor, who stated it was a miscommunication. Derrick Taylor was issued two misdemeanor citation for child endangerment.

On 10/11/2022 at 1013 hours, Ptlm. Thomas #560 and I, Ptlm. Duncan #568, responded to 5139 Greenhurst Dr. Maple Heights, OH 44137, for a damage to property complaint. Upon arrival, officers spoke with Tanisha Speed, the realtor, who stated that over the weekend, several windows at this address were

broken. There were also holes in the wall that Speed stated were not there the last time she was there. Speed stated she was last at the residence on 10/07/2020 at about 1000 hours. Officers checked the area and could not find any cameras that could have captured the incident. Officers also spoke with a few neighbors but no one reported hearing anything or witnessing damage being done to the residence. At this time there are no suspects. This is being documented for insurance purposes only.

I spoke with the General Manager of Drive Time, Drian Kinney. Brian reported, sometime on October 1, 2022, in the morning hours they used their dealer plate to test drive a vehicle with a customer. Brian believed at some point during the test drive the dealer plate fell off of the vehicle. Per Drive Time Corporate, Brian asked that the dealer plate not be entered into LEADS as missing/stolen. GRANDMOTHER REPORTING HER 15 Y/O GRANDSON BROUGHT HOME A STOLEN BICYCLE WHEN ASKED ABOUT IT HE WILL NOT TELL THEM WHERE HE GOT IT FROM. GRANDSON IS STILL CURRENTLY HOME.

On Tuesday October 11, 2022 at 1745HRS, I, Ptl. Jochum #571, was dispatched to 15417 Fernway Drive for a possible stolen bicycle. Upon my arrival, I spoke to Gary Hogan. Gary stated that his grandson, returned home earlier in the evening with a bicycle that was not his. Gary further advised that within the last year the juvenile has come home with bicycles that were not his approximately five times. I made contact with the juvenile who advised that his bicycle broke earlier in the day. An unknown male reportedly approached the juvenile in the area of Dunham Road and Rockside Road and offered him the new bicycle, a black 18 inch Kent brand bicycle with pink wheels, since his was broken, to which the juvenile accepted. The juvenile was unable to advise who the man was or any identifying information about the man. I made contact with the OIC and advised him of the situation. I was advised to photograph the bicycle and document the serial number in the event that anyone came to station to report the bicycle stolen. I photographed the bicycle and have uploaded the photos to this sheet. JAJ #571

LOBBY CALL
FEMALE AT THE STATION FOR REPORT A HIT SKIP, NO INJURIES.

--568--

On 10/11/2022 Schronda McDuffie responded to the PD to report a private property hit-skip. McDuffie stated that while her vehicle was parked in the parking spot of the Valero gas station (5321 Lee Rd.), a vehicle backed into her vehicle causing minor damage. McDuffie was able to take a photo of the vehicle she stated struck her. In the photo, the vehicle appears to be a light colored Jaguar displaying an OH license of JVA 9376. McDuffie showed Ptlm. Thomas and I the damage she claimed the Jaguar did to her vehicle. McDuffie stated the collision knocked her rear bumper slightly off track on the driver side. McDuffie's vehicle had pre-existing damage which made it hard to determine what could have been caused by the Jaguar. Valero's store cameras are also not working. McDuffie described the driver as a younger male and the front seat passenger as an older male.

I checked vehicle in LEADS and found the owner, Ray Johnson, lives at 16080 Maple Heights Blvd. I went to Johnson's listed address and attempted to make contact with him. He did not answer. I spoke with the manager at the apartment and asked her to have Johnson call me. I was able to locate the vehicle in question on the property. The vehicle did appear to have fresh damage on the back passenger side of the bumper. Johnson contacted dispatch and stated that he would not speak with me. He stated that I can speak to his lawyer. I was unable to get insurance information for Johnson's vehicle. At this time, McDuffie will be advised that she will have to give this report to her insurance and they can sue Johnson for reimbursement.

CALLER WOULD LIKE AN OFFICER FOR A REPORT IN REF TO HIS NEIGHBORS DOG THAT CONTINUOUSLY DEFICATES IN HIS YARD.

On Tuesday October 11, 2022 at 1839HRS, I, Ptl. Jochum #571, was dispatched to 15500 Wingate Avenue for a neighbor trouble. Upon my arrival, I spoke to Tyrone Lee. Lee stated that his neighbor, Kim Garcia, who resides at 15404 Wingate Avenue, has been walking her small dog past his house and allowing the dog to defecate in his yard. Lee further advised that Garcia does clean up after her dog, however he has reportedly asked her in the past not to allow her dog to do that and he is becoming frustrated with the situation since nothing is being done to quell the situation. I made contact with Garcia who advised that the situation is not being done intentionally, however she agreed to stay away from Lee's house to prevent further tension. Lee was advised to civil court if the situation continues.

Both parties advised no physical violence occurred between the two. Spegith was advised on how to file for an eviction.

On Wednesday, October 12th, 2022, at 1644 hours, I, Ptl. H. Kaur #553, spoke with Cythia Bridges. She stated her son, John Merris Jr, 8-20-2010, goes to Milkovich Middle School. She stated a male by the name of Amonte Brazil - went into John's classroom and started a disturbance. The school suspended Amonte and John. They both also play Football for the school and are cousins. Cythia stated these issues began after she confronted her sister about money missing from her account. She stated Amonte's mother knew he took the money. After the issue was brought up, several others stemmed off of another. She stated Amonte brought a blaster gun (A gel blaster (or gel ball blaster, hydro blaster, gel gun) is a life-like toy gun designed to shoot a gel pellet that has been soaked in water (similar to an Orbeez). Gel blasters are similar to a paintball gun and are becoming more popular for use in activities similar to paintball skirmish and laser tag.) Cythia wished to make this report to document the ongoing issues Amonte has created. Cythia stated Amonte has been attempting to lure John into a fight. HK #553

549- CITE ISSUED FOR ANIMAL AT LARGE TO FEMALE

I spoke with Robert Purdy, who stated while he was walking his dog, three pit bulls came out from 14500 Tokay Ave. and began attacking his dog. Robert stated he began kicking at the dogs to get it off of his dog. Robert further stated a female that came out after the loose dogs stated it was not her fault his dog was weak and it could'nt defend itself. Robert stated his dog only suffered a minor injury (bite) to his back-right paw. I observed the small bite on the dog's paw.

After speaking with Robert, we spoke to Ashley Salajcik and her 16-year-old daughter at 14500 Tokay Ave. who stated their dog, a brindle colored pitbull, broke off of the leash and began running after Robert's dog. The juvenile stated she tried getting her dog off of Robert's dog as he was kicking at the dog. The daughter or Robert sustained no injuries during this incident.

A citation was issued to Ashley for Animals at Large (M32621). Robert countersigned as a complainant. Robert was advised how to file a civil suit in Garfield Heights Municipal Court. Ashley was given a Maple Heights Mayor's Court Date of 10/25/2022. BF572

COUNCIL WOMAN AGEE WOULD LIKE OFFICER TO MEET HER AT THE BALL FIELD BY THE PLAYGROUND SHE SAID SHE WAS NOTIFIED THAT
THERE WERE PEOPLE THAT HAVE BEEN SLEEPING AT THE PARK AT NIGHT AND WOULD LIKE OFFICER TO ESCORT HER

-- From 10/12/2022 18:41:58 To 10/12/2022 18:41:59 Disp R246 --

SPOKE TO RP, SHE WANTED THE JUVENILES TO LEAVE FOR THE NIGHT

On Wednesday, October 12th, 2022, I, Ptl. H. Kaur #4553, responded to 5400 Mayville Ave, Stafford Park. I met with the caller, Council Woman Agee. She advised me there was a block watch meeting the night prior. Many people expressed their concerns about people sleeping in the bathrooms and sheds at the park. She wanted me to check the bathrooms with her.

While checking the bathrooms by the concession stand, I located a male and female in front of the bathroom stall- on the women's side. I spoke with Deanen Redding and Matthew Kaylor. I did not observe them engaged in any criminal activity. While speaking with them, Ptl. Barfield and Cdt. Fronzaglio located a male "living in the shed area." The male was identified as Mario Welch. Maple Hts Pd has several priors with Mario. He is known to get aggressive with officers.

Councilwoman Agee advised me I can allow the juveniles to go home without incident. I recorded the parents information for both juveniles on my body camera. They were both very cooperative and left the park area. Councilwoman did not wish to advise the juveniles of criminal trespass.

Due to the history and officer safety alerts with Mario, I immediately went to Ptl. Barfield's location to assist with the full extradition Felony warrant for Mario. The warrant was for a parole violation. Mario was arrested and transported to Cuyahoga County Jail by Ptl. Vasko. The County denied Mario due to him complaining of blisters on his feet from walking so much. Mario was turned over to St. Vincent Charity Hospital, without incident.

4573 - WILL COMPLETE DISPO

On Thursday, 10/13/2022 at approximately 2141 hours, PO King #558 and I (Cdt. Field #573) responded to 5550 Waterbury for a Suspicion complaint. Upon our arrival, we spoke with Cynthia King who stated that at approximately 7-10 min prior while she was looking through her spotlight camera live feed she saw 2 unknown short males wearing dark clothing and masks walk up to her house and then throw rocks through her front living room window and her first-floor bedroom window. We observed that both windows were broken and that the glass was shattered. I documented the above-mentioned damage and downloaded the pictures into this report. King stated that she believed that her ex-boyfriend, Ulysses Davis, who she has an active Protection Order against, had paid the two males to damage her property due to him threatening her earlier in the day (MHPD I#2210221502). We were unable to retrieve any usable footage from King's home security camera. If a suspect is able to be identified a report will be generated. CF573/LK558

Upon arrival I spoke with Tameika Diggs, who alleged that she had custody of her niece. Tameika advised of several incidents that occurred in Cleveland that have been reported by her to CPD. Tameika admitted she does not have a signed custody agreement to have full custody of the juvenile. I advised Tameika that due to this fact I could not charge Sherrel Jones with Custody Interference as Sherrel is the mother and guardian of the juvenile, despite Tameika disagreeing with parental guidance choices. Danielle stated she does have the spare key and was willing to drive out from Twinsburg to give her mom a key to start her vehicle. Danielle later arrived and provided me with a key to start Michelle's vehicle. Danielle stated she mom suffers from several mental conditions but when she takes her medication, she is fine. Danielle was advised to contact Cuyahoga County Probate Court to get assistance for her mother. Michelle later retrieved her vehicle and left the scene.

71-SUBJ WAS ISSUED CITATION MA34010 FOR ANIMAL AT LARGE

On Friday October 14, 2022 at 1910HRS, I, Ptl. Jochum #571, was dispatched to 15317 Edgewood Avenue for a neighbor trouble/animal complaint.

Upon my arrival, I spoke to the reporting party, Jose Martinez. Martinez advised that earlier in the evening his neighbor's brown boxer mix was running around the neighborhood. At one point the dog ran up to Martinez and began barking at him. Martinez recorded the incident on his cellphone and showed me the footage. Martinez further advised that this has been an ongoing issue and that he was willing to sign charges against the owner for animals at large. I proceeded to 15311 Edgewood Avenue where I made contact with Lakishia Freeman, the owner of the brown boxer mix, and advised her of the situation. Freeman stated that her dog had gotten out earlier in the evening but that her dog did not attack anyone. Freeman was issued citation MA34010 for animal at large.

On Sunday, October 16, 2022 at approximately 1114 hours, I spoke with Kimberly Weischoff. Kimberly stated her ex girlfriend, Vera Freeman (Green) has been contacting her when she was told not to. Kimberly also stated that Vera came to her residence at 5255 Forest Avenue and left a business card to show that she was at her residence when Kimberly was not home on 10/15/2022. Vera left 4 separate voicemails on 10/15/2022 on Kimberly's voicemail box at 0034 hours, 0039 hours, 0044 hours, and 0155 hours. Kimberly could not provide Vera's exact date of birth but stated it was possibly February 11 or 16 and she is approximately 51 years old. Kimberly was advised on how to obtain a protection order and directed to contact police if Vera arrives to the residence not welcomed.

TRANSPORTING PATIENT TO MARY MOUNT HOSPITAL

On the above date and time Maple Heights Police units received a call from a 3rd person caller stating at 5154 Camden there was a male with a gun stating he wanted to harm himself. Units arrived on scene and made contact with Yasmeen Craig, a resident at the above listed address. Yasmeen stated her husband, Girard Craig, stated he was "tired of taking care of everyone" and wanted to kill himself. I asked Yasmeen if her husband told her of any plan to harm himself and she stated "no". I further asked if she was in fear for her life or if Girard had threatened her with the firearm. Yasmeen answered "no" to both questions. We later made contact with Girard, who was found laying in his bed attempting to sleep. Girard stated he had no plans to harm himself and did disputed that he said he wanted to harm himself. Due to the statements made by Girard's wife, Girard was transported to Marymount hospital for an evaluation. Yasmeen stated she was going to take the weapons in the house and keep them at her mother place in Cleveland tonight. Nothing further to report.
