On Tuesday, October 18, 2022, at 0010HRS I, Ptl. Jochum #571 was dispatched to 5181 Clement Street for a disturbance call.

Upon arrival, I made contact with Linda Brown. Brown advised that her daughters Tramayne Fountain and Jayla Collins had engaged in a verbal argument while the two were in the basement of the residence. The argument continued while the two females proceeded to Tramayne's second floor bedroom. Brown stated that she attempted to get the two females to stop arguing, at which time Tramayne punched a glass mirror that was leaning against her wall, resulting in a laceration to her right index finger. Brown was advised on how to file for an eviction for Tramayne.  
I made contact with Jayla and Tramayne who both advised the same.

Officers photographed Tramayne's injuries and have uploaded the photos to this sheet.

MHFD responded to the scene and rendered aid to Tramayne for the injury to her finger. Tramayne refused to be transported to the hospital.

No parties involved wished to press the issue any further. All parties involved agreed to stay separated for the remainder of the evening.

She has also been placed on multiple medications in order to better deal with her emotions. Ultimately both parties stated this was a verbal argument and Santacia called the Police in an attempt to get someone to speak with her daughter. On the above date and time, I, Ptl. T. Vasko #566 responded to the Maple Heights Police Department lobby for a report of an MVA. I made contact with the caller, April Jones, April reported that while she was driving south on Northfield Rd. and made a right (west bound) onto Libby Rd. and a Blue Volkswagen Golf failed to yield while turning left while going into Circle K. Both drivers got out and began to exchange information. April was able to get a picture of the other drivers license and provided it to me along with an Ohio registration plate on the vehicle. The driver of the Volkswagen who was later identified as Michael Geiling then left in the Volkswagen once April stated she was going to call the police for an accident report. Michael did not provide his insurance or a phone number for him to be contacted at prior to him leaving the scene of the accident. April further reported she believed Michael was intoxicated due to him slurring his words.

After reviewing the picture of Michael's driver's license that was provided by April, his registered address was at 19703 Raymond St. Officers later arrived at the address on Raymond St. to find Michael walking over to a Blue Volkswagen bearing Ohio registration in his driveway in the rain with no shoes on. While speaking with Michael he admitted to getting into an accident and then left the scene in a panic. Michael was thick tongued and when he spoke I could detect an odor commonly associated with alcohol coming from his breath. I inspected the vehicle for damage and on the passenger side I observed a scrape that appeared to be recent and a purple piece of plastic lodge in between the fender and passenger side door. When I questioned Michael about him drinking during the time of the accident he refused to comment and said nothing.

Michael was cited for Hit skip and failure to yield when turning left (Citation #P29630). He was given a court date of October 26, 2022 at 1330 hours in the Garfield Heights Municipal court. Michael's vehicle was towed from his residence by interstate towing.

10/20/2022 00:16:49 5012 WARRENSVILLE CENTER RD ASSAULT 2210226693

4519 WAS OUT AT MARATHON ON AN UNRELATED CASE (2210226692) AND ADVISED DISPATCH A FEMALE AT MARATHON WAS CLEARLY ASSAULTED BUT WOULD NOT PROVIDE OFFICERS WITH ANY INFORMATION

While officers were speaking with the subject on the previous call, a female came out of the store stating she was going to beat someone's ass. When I asked why she was going to do that, the female stated because a male had just assaulted (her)". Her lower and upper lips were busted. The female told the female that was driving that she was not going to do her "people" like that after she got into the car, a white Ford Focus hatchback, with her. The female driving told her that she was going to take her home. I asked the subject female what happened and she refused to tell me. She was visibly intoxicated. I asked her where did the incident take place, and she told me that it happened at the "apartments on Lee Rd by Maple Street." When I asked where the male was, the female refused to tell me his name or any further information at all and would only say that she would call Maple Hts Police tomorrow if she wanted to report anything. After again asking the female not to leave and to tell me what happened, she stated she would call MHPD tomorrow if she wanted anything from us. The two women then left in the white vehicle. This information is FOI in the event the female decides to report the incident. GRA519.

<p>On Thursday, October 20, 2022 at approximately 1547 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a report of an animal complaint. Upon arrival, contact was made with Bonnie Hampton. Bonnie stated her neighbor two houses to the east of her has a small white and</p>					

black dog that continues to come near her yard, and sometimes goes into her backyard. Bonnie stated the owner of the dog (Bonnie did not know the name) does retrieve the dog, but recently the two got into what Bonnie felt was a dispute. Bonnie stated the neighbor got too close to her and made her feel uncomfortable. Bonnie stated the reason why she felt uncomfortable was because the neighbor is taller and younger than her. Bonnie was advised if the dog comes back onto her property, record the dog, and call the Police Department. MWT#560

PER 571 OUT AT THIS ADDRESS

On Thursday, October 20, 2022 at approximately 1930HRS, Mark Gabor, the resident of 5374 Lee Road Apt. 101, responded to the front parking lot of MHPD. Mark advised that he was having issues with his cable service and that he suspected someone had damaged the cable wire coming into his apartment. I responded to the address and traced the cable wire to the service box and observed that approximately halfway through the line there was a very tight loop that had split the plastic coating of the wire and was potentially causing the issue with the cable service. The damage did not appear to be caused intentionally. I photographed the cable and have uploaded the photograph to this sheet. Mark was advised to contact Spectrum, his cable provider, in the morning to report the issue to them.

Dispatch advised a black vehicle had struck a silver vehicle that had been parked on the street. The vehicle was currently sitting in the middle of the street.

Upon my arrival, no vehicles were located at Friend Avenue and Lee Road. Checking the area, a black Lexus (vehicle # 1) was located parked and unoccupied on Friend Avenue and Henry Street. Vehicle # 1 had heavy front-end damage.

Contact was attempted with the registered (Tarnia Washington) owner of vehicle # 1, but there was no answer at the residence. Checking the interior of vehicle # 1, I located a traffic citation issued to Tyesha Washington.

No debris was located where vehicle # 1 was located.

Officers checked the surrounding area without locating any other damaged vehicles in the area. No debris was located to indicate where the accident actually occurred.

Contact with the registered owner has been attempted by going to the residence and attempting to call (rings a couple of times and goes to a fast beep) without

success.

Due to not knowing what was struck, where the accident actually happened at an OH-1 cannot be completed at this time. If further information is obtained, an OH-1 will be completed. STB514

On Friday, October 21st, 2022, at 1135 hours, I, Ptl. H. Kaur #4553, stopped a black GMC Terrain, for running the stop sign located at Clement St and Jackson Ave. I initiated my traffic stop in front of 17416 Maple Heights Blvd. While approaching the drivers side door of the vehicle, an odor of raw and burnt marijuana was emitting from the vehicle. The driver, identified as Davon Norflet, advised me he has raw marijuana inside the vehicle, in the center console. He also advised me his firearm was in his drivers side door. I removed him from the vehicle- collected the marijuana, the firearm and secured it until my traffic stop was complete. I issued Davon a citation for the marijuana and the Stop Sign violation (P28871.)

On the above date and time, I, Ptl. T. Vasko #566 and all other Maple Heights Police Units responded to the above address for a report of a weapons offense. Upon my arrival, I came into contact with the caller, Johnny, as I approached his vehicle I could see a mark on the left side of his face and blood was coming out of his right ear. After Johnny initially refused to get out of his vehicle and stated " I'm sorry for calling you guys I just want to go home, nothing happened." Johnny eventually stepped out of the vehicle and spoke with officers but refused to comment on why he called. Janisha Monroe-Taylor, who lives at the

residence came outside and spoke with officers. Janisha (who was heavily intoxicated) reported that Johnny said something rude and refused to leave the residence once asked. At this time her husband, Demetrius Taylor, and an unidentified friend began physically fighting with Johnny and escorted him out of the house. We asked where Demetrius was and she stated "he left" and then refused to call him. Johnny ultimately refused to pursue any charges on anyone and asked to leave. Due to Johnny's injuries an ambulance was called and Johnny was checked out. EMS wanted to take Johnny to be checked out at the hospital but Johnny refused to go. Due to Johnny's altered mental state his vehicle was moved to the Maple Heights High School parking lot and his keys were turned over to his sister at the Police Station.

PARTY ON STATION TO REPORT AIR PODS STOLEN

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for an escort request. Upon my arrival, I made contact with Marice who stated earlier in the day he dropped his Apple air pods in the Magic Hair and Beauty store. Marice later discovered he lost the air pods and tracked the air pods to an apartment of the corner of Broadway Ave and Libby Rd. Marice was informed we would not be doing an escort due to the time of night and to come back and request an escort in the morning

The complainant, Emmanuel Boyd, who was highly intoxicated advised he got into a verbal argument with his friend, Antonio Kyles, over property that was in Antonio's vehicle. Emmanuel advised he was at and address on Sunnyslope and decided to sit on Antonio's car preventing him from leaving. Emmanuel advised Antonio then drove off while Emmanuel was still on the car. Emmanuel advised he did not want to let go because there was still property in the vehicle. Emmanuel advised Antonio drove to 20913 Hillgrove Ave. where he fell off the vehicle. Emmanuel had an injury to his right elbow and was transported by the Maple Heights Fired Department to the hospital. Emmanuel advised he would come in at a latter date to file a report which he never did. I attempted calling Antonio at 216-501-8535 there was not aswer and I was unable to leave a voicemail. BWS548

On Sunday, October 23, 2022 at 0015 hours, Ptl. King #558, and I (Cdt. Field #573) and other Maple Heights Police officers received a broadcast to respond to Danny's Tavern (15313 Broadway Ave) for a Fight/Disturbance complaint. Upon our arrival, we were advised that the female parties that were involved in the physical fight were outside of the above-mentioned address. We observed Latasha Thomas rolling on the ground yelling while Tarra Caffey was attempting to help her off the ground. Another female, identified as Temeisha Crismon, was continuously yelling at Thomas and Caffey and causing a disturbance. Officers

attempted to gather information from both Thomas and Crismon but they initially refused to provide any along with their identification. Ptl. King and Ptl. St. John #548, spoke with the caller, identified as Sequoya, who stated that Crismon and Thomas were in a physical altercation with a male who was currently in the bathroom. Ptl. King and Ptl. St. John then observed William Burton exit the bathroom. Ptl. King then confirmed with Sequoya that Burton was the male that she observed fighting. Burton then proceeded to go to the bar to finish his alcoholic beverage. When officers asked for Burton for his information, he refused to provide it and told officers, "Do what you gotta do." Burton was then detained in double locked handcuffs and secured in the rear of Zone Car #4426. While officers were escorting Burton to the Zone Car, he continuously yelled at officers, Crismon, Thomas and Caffey; causing a disturbance and other bar patrons to stare. Burton yelled at officers that he did nothing wrong but just broke up a fight between two females (in reference to Crismon and Thomas). Burton had to be asked several different times by different officers to provide his information. We issued Thomas MM Citation #MA33952, Burton MM Citation #MA30562, and Crismon MM Citation #MA33953 all for Disorderly Conduct Intoxication for Garfield Heights Municipal Court for November 02, 2022 at 1330 hrs. Thomas, Crismon and Burton were all advised of their court date, and given copies of their citations. Burton was transported to Maple Heights Police Dept to wait for a ride to prevent any further altercation with Crismon and Thomas. CF573/LK558

CALLER ADVISED LAST NIGHT SOMEONE SHOT AT SONS CAR IN CLEVELAND AND THEY ARE NOW THREATENING TO SHOOT UP HER HOUSE  
SON CHILDS MOTHER RAYNASIA HORTON AND HER BOYFRIEND ARE THE SUSPECTS

I spoke with caller, Lynette McMurray. Lynette stated her sons child mother Raynasia Horton threaten to physical harm her because her son and Raynasia are having relationship issue. I advised Lynette if Raynasia comes to her home to contact Maple Heights Police Department immediately. I advised Lynette on how to obtain a protection order. At this time Lynette did not want to press any charges but was just seeking advice on how to handle this situation. Lynette just wanted this incident documented. ML563

 HOLD FOR NIGHT SHIFT

On Sunday, October 23, 2022, at 1826 hours, Ptl. King #558 and I (Cdt. Field #573) received a broadcast to respond to Maple Heights Police Department Lobby for an MVA Report. Upon our arrival, I spoke with Caroline Books who stated that she was driving her 2021 Toyota RAV4, silver in color, southbound on Northfield Rd just south of Libby Rd in the western lane. As Brooks was she was passing the Rite-Aid Pharmacy (21800 Libby Rd) she saw a 2018 Nissan Versa, black in color pulling out, eastbound, of the parking lot in front of her. Brooks then swerved her vehicle out of the way but the Nissan had scraped the bottom right rear passenger door and right rear alloy wheel, black in color. Brooks and the owner of the Nissan, Kimberly Franklin, exchanged information. Brooks said Franklin was not the driver but that Franklin's brother was driving. Brooks was given the sheet number for this incident and advised on how to obtain a copy. I contacted Franklin and she stated that she was teaching her brother Demarco Harris, how to drive. Harris had pulled too far out of the parking lot (facing east) to turn onto North Field Rd, and before Franklin could tell Harris to back up, the RAV4 had scraped the Nissan. Franklin was given the sheet number for this incident and advised on how to obtain a copy. The Nissan was the at fault vehicle. CF573/LK558

On Monday, October 24, 2022, at 0119 hrs, Ptl. King #558 and I (Cdt. Field #573) and other Maple Heights police officers responded to 16013 Mendota Ave for a Suicidal Male complaint. While in route officers were advised by Radio that Richard Harris had called to his girlfriend telling her that he was going to go into garage to sit in his running vehicle to commit suicide. Officers then checked the garage and saw that it was secure and did not appear to have anyone in it. Officers then knocked and announced several times on the house door and received no response. The house was locked and did not appear to be occupied. Radio then attempted to contact Harris via landline and was unsuccessful. CF573/LK558
