| I spoke to the Foreman for HM Miller Construction Company, Dave Snure. Dave informed me he arrived to work in the morning of 10/24/2022 and noticed the CAT Bulldozer had damage on the front and side windshield. Dave also informed me that it appeared that the rear left side tire appeared to have a gash in it but it did not penetrate the tire completely. The estimated value of the tire is approximately \$1,500.00. The estimated value of the windshield is approximately \$500.00. Additionally, there appeared to be a streak of oil under the Bulldozer. Dave informed me that it did not appear to have damage on the undercarriage of the machine, however he was uncertain how the oil marks got there. The cameras at Stafford Park were not working, I was unable to gain access to surveillance footage.<br>FC567. |          |                     |                        |             |         |

--568--

On 10/24/2022 at approximately 1054 hours, Ptlm. Thomas #560 and I, Ptlm. Duncan #568, responded to 5358 South Blvd for a damage to vehicle complaint. Upon arrival, we spoke with Steven Gardner. Gardner stated that he parked his Chrysler on South Blvd. in front of his house at approximately 0930 hours. At approximately 0945, Gardner stated he came back outside and observed there was fresh damage to his vehicle. There was a hole in the back windshield and a brick laying on the top of his rear seats. Gardner stated he did not see who did this nor does he know who would have done it. Ptlm. Thomas and I canvassed the area for witnesses and cameras and were unable to find any. This is being documented for insurance purposes only.

On October 24th, 2022 at approximately 1920 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby, regarding a theft. Upon my arrival, I met and spoke with complainant, Darmisha Alphabet, who stated someone unknown took her trailer without her permission. Darmisha stated her trailer was in her driveway and upon returning home it was no longer there. Darmisha mentioned she filed a claim with her insurance (Liberty Mutual).

I requested more information on the trailer such as the license plate or Vin. Darmisha was unable to provide me with neither. Darmisha stated she never had the trailer register through BMV. Darmisha stated she purchased the trailer from a friend and only kept the trailer in her driverway to storage some of her property. Darmisha stated she will attempt to contact her friend and get the information to report her trailer stolen. Upon Darmisha being able to provide any identifying

information on the trailer, I, Ptl. Westfield will complete a criminal incident report.

Delvon McShan contacted the MHPD to report a verbal argument between him and his co-worker Vincent Hill. Delvon stated he had problems working with Vincent in the past and tonight, their problems continued over dirty dishes. Delvon stated during the argument Vincent stated "your on strike two" while making gun gesture with his hands. Delvon felt threaten by Vincent. Vincent stated while they were arguing over dishes, Delvon pulled out a stun gun and tried to intimate him by charging the stun gun to make the "zapping" noise. Vincent stated he never threaten to shoot Delvon. Delvon stated he does not have a stun gun. I spoke with the manager, Frank Borovic, who stated he heard those two arguing and he heard what he thought was a stun gun but did not see it. Frank contacted the owner of Rascal House, who stated he will handle the matter internally. Neither Delvon or Vincent wished to pursue criminal charges, however they were advised to come to the station if they wanted to proceed with any further police action.

4571 REQUESTING INCIDENT NUMBER

On Tuesday, October 25, 2022, at 1922hrs I, Ptl. Jochum #571 was dispatched to the lobby of 5373 Lee Road for a general assist call.

Upon arrival, I made contact with Devon Montgomery Sr. Devon Sr. advised that he and his ex-girlfriend, India Eppinger, exchanged custody of their son, Devon Montgomery Jr. (DOB: January 21, 2021), in the parking lot of the Maple Heights Police Department. Upon receiving Devon Jr. from India, Devon Sr. observed a bump on Devon Jr.'s forehead near his right eye. When Devon Sr. asked India what caused the bump, she stated that Devon Jr. had hit his head on the wooden railing of his crib. Devon Sr. stated that Devon Jr. was last in his care of Wednesday, October 19, 2022. Devon Sr. further advised that this is the first time that he has observed what he considered a major injury to Devon Jr. upon India returning him. Devon Sr. wanted the injuries documented to show that the injuries were not sustained while Devon Jr. was in his care. Devon Sr. was advised to transport Devon Jr. to the hospital to be checked by medical staff. I photographed Devon Jr.'s injury and have uploaded the photo to this sheet.

I made contact with India via landline, who advised that at approximately 2130hrs on Monday, October 24, 2022, she heard a noise from Devon Jr.'s bedroom. upon entering the room she observed that Devon Jr. had a small red mark on his forehead. India further advised that since the incident Devon Jr. did not seem to be acting out of character or impaired in anyway.

2 males started fighting inside the bar and a female who had been with one of the males started fighting the females with the other male. One of the males had left prior to our arrival. The other male had a bloody nose and lip. MHFD responded to the scene and the male refused treatment. None of the involved parties wished to pursue charges against each other. The bar only wanted everyone advised of trespass which they were. STB514

On Wednesday, October 26, 2022, at 0200hrs I, Ptl. Jochum #571 was dispatched to 5177 Philip Street for a suspicious activity call.

Upon arrival, I made contact with Heather Bodnar. Bodnar advised that at approximately 0150hrs she stepped outside to her driveway to smoke a cigarette. While doing so she heard what she believed was a cellphone ringing behind her detached garage. Bodnar immediately ran into the house and called for police assistance. Bodnar further advised that she did not observe anyone outside, however over the course of the last few weeks she has noticed that the doors to her shed, which is located behind the garage, have been left open and things have been moved around inside the shed, however nothing has ever been taken. Bodnar has begun placing an old firepit in front of the shed doors to show if anyone is entering the shed. Officers checked the backyard of the residence as well as the shed for possible intruders, however none were located. While checking the backyard I observed that the firepit Bodnar had placed in front of the shed doors had not been moved. Bodnar advised that nothing appeared to be missing from the shed or garage. Bodnar further stated that she is going to be installing a security camera near the entrance to the shed so that if an incident like this occurs again she will have video evidence to provide Officers.

I spoke with Nicholas Moore in the lobby in reference to an assault. Nicholas stated he was assaulted yesterday in Stafford Park while walking home after

school. Nicholas had a small laceration under his right eye. Nicholas stated he would complete a statement form. He was able to provide first and last names for the individuals who assaulted him but was unable to provide last names for his friends that were walking with him. In his statement Nicholas was not very detailed with about the fight or what led up to it.

Nicholas's grandpa, who has custody, stated Nicholas told his grandmother a different story yesterday when he got home from school. This was never reported yesterday by his grandmother. Nicholas's grandfather was never able to provide us with the story Nicholas told his grandmother. We advised his grandfather we would follow up with the school. I went to Milkovich Middle School and talked with the 8th grade principal who was already aware of the incident. The principal stated the school was doing their own investigation into the incident and would follow up with police. We did not speak with the students at school as we were going to let school staff handle their investigation first. BF572

I spoke with Donald Cardinal, who stated he left his room to get dinner at 1830 hours on 10.25.2022, when he returned to the room, he saw that his Oxycodone pills were missing. He stated there was a total of 86 pills. There area no cameras that would have this on record. He stated he believes he left his bedroom door unlocked and slightly open on accident. In order to get a new prescription he needs to document this information with the PD. I have no further information at this time. HK #4553

553 TRANSPORTING RANDY TO GET THE TRUCK BEG MILEAGE 144340

On Wednesday, October 26th, 2022, at 1620 hours, I, Ptl. H. Kaur, #4553, and other Maple Heights Units responded to 15809 Morning Star Ave, for the report of a suicidal male. The male, Joshua Jarzab, made some concerning comments before leaving the residence. Joshua was involved in a verbal argument with his wife over some personal issues at home. We located Joshua on Ramage Ave near Glenwood Ave. Joshua was very cooperative - Joshua stated he did not wish to ride to the hospital in an ambulance, but he did agree to get evaluated the hospital if officers drove him. Ptl. Barfield and Cdt. Fronzaglio both transported Joshua to Marymount Hospital. HK #4553

Unit #1- Ford Edge, black in color, registered to Shenya Ellis  
Unit #2- Jeep Cherokee, white in color, registered to Kenya Sims,

The driver of Unit #1, Shenya Ellis, advised that she was traveling south on Warrensville Center Rd towards Rockside Rd in the eastern southbound lane. Ellis advised the driver of Unit #2, Kenya Sims, was traveling south in the center turn lane to turn left into Mr. Chicken (5515 Warrensville Center Rd). GABRIAL ADVISED THAT HE WILL BRING THE STATEMENT IN WHEN HE CAN, HE LEFT THE CITY AFTER GETTING INTO AN ARGUMENT WITH HIS MO

On Thursday, October 27th, 2022, at 1318 hours, I, Ptl. H. Kaur #4553, spoke with the complainant, Gabriel Israel, he stated he left his firearm in the center console of his gray Honda accord. The firearm was stolen sometime overnight. He stated he parked the vehicle there at approximately 2000 hours last night, 14104 Rockside Rd, Maple Heights 44137.

This morning he realized the firearm was missing. There was no damage by the vehicle, the vehicle was unlocked. Parked in the street- firearm 9mm Sig Sauer Serial # unknown at this time. Valued at 600.00-700.00 dollars and was loaded with 12 rounds with (regular full metal jacket ammunition), no identifying marks or stickers. There is camera on his mother's residence- not sure if the cameras are working. Gabriel advised me he has covid- I left a statement form in his mailbox to complete. After an hour, I contacted Gabriel to see if the statement was complete- he did not answer. I attempted to call him several times after that and did not contact him.

Gabriel contacted dispatch at 1750 hours and advised he got into a verbal argument with his mother and left Maple Heights. After advising him he needs to bring the statement form to the station with the firearm information - Gabriel stated he will try to come up to the station but did not give a specific time. At this time, I have no further information on the firearm or this incident. HK #4553

Both parties were seperated and Jasmine was taken to Marymount Hospital for a mental evaluation by request of both Jasmine and Damisha, Maple Heights Fire Department transported Jasmine to Marymount as Damisha followed behind. We spoke with Allen who reported that her ex-boyfriend, Demetrius Shannon, got into a verbal argument with her. Allen told Shannon that he had to leave and rather than wait for Allen to drive him in their shared 2013 Chevrolet Malibu; Allen took the keys to the Chevrolet and left the area in the vehicle. Allen went on to state that she did not have vehicle information because it is registered to her sister. Allen was advised that her sister could

Prior to this call I, Sgt. Frazier, spoke with Ari Klarfeld via telephone. Ari contacted the CVD center requesting to speak with the OIC. I contacted Ari, who stated he is the owner of New Direction Towing and his employee has broken into his business and has forged his signature on checks. Upon speaking with Ari further, he stated the male who he suspects is doing this is Thomas Szczyt. Upon receiving the alarm, myself and Ptl. Vasko responded to the business. Thomas and another male, David Boglino, were on scene. Ptl. Vasko and I had prior history with the two males and we knew they worked for the business. Upon speaking further with Thomas, he stated he is the co-owner of the New Direction Towing company. Thomas provided The Secretary of State document, listing him as the co-owner; this was confirmed on the Secretary of State website.

Officers left the business and I followed up with Ari, and informed him that we could not make Thomas leave the premises due to him being a co-owner for the business. Ari was advised to respond to the MHPD is he wished to file a report for the passing bad checks. Ari stated he was being threatened by Thomas while at his residence in Beachwood, Ari also claimed Thomas opened a credit card in his wifes name. Ari was advised to contact Beachwood PD where he resides to file a report. DF#540

On Thursday, October 27, 2022, Ptl. King #558 and I (Cdt. Field #573) at 2358 hours, responded to 5493 Clement for an Animal complaint. Upon our arrival, we could hear a dog barking coming from the backyard. We observed a large dog, black in color, tied up in the back yard barking loudly. We attempted to make contact with the owners of the dog by knocking and announcing several times at the front door to no avail. We advised Radio to contact the Animal Warden to conduct a follow up with the owners of the dog. A Citation will be issued upon verification of the dogs owner. LK558/CF573

On the above date and time, I, Ptl. T. Vasko #566 responded to the above address for a report of damage to a vehicle. Upon my arrival, I spoke with the caller, Tanaya Eaton. Tanaya stated sometime between 0300 and 0400 someone attempted to gain access to the vehicle but she did not see them. After inspecting the vehicle, the passenger side rear window was broken out and the steering Column was damaged, there was also damage to the ignition and when Tanaya attempted to put her key into the vehicle the key would not enter the ignition due to the damage. Tanaya stated that her mother, Annie Eaton owns the vehicle and is currently in Oregon. Tanaya was advised we could document this incident and to have Annie call the Maple Heights Police Department to make a report. The area was canvassed and a camera was found in the residence of the caller, however Tanaya stated the reflection from the kitchen light prevents the camera from seeing outside when it is night time. Pictures of the vehicle have been uploaded to this disposition.

MALE WANTED THE INFORMATION DOCUMENTED. 4567 TO COMPLETE DISPO.

On Friday, October 28, 2022, at approximately 1737 hours, I responded to the Maple Heights Police Department Lobby to speak with Richard Fetzer for an internet scam. Richard explained to me on 10/19/2022 he received an email from liv5609saq@gmail.com that his Paypal account was charged \$1,399.99 for a Brazzers Ultra HD Annual Subscription. Richard continued to explain that he contacted the number provided on the email 1(888)- 63- 65689 because he did not make that purchase. The operator on the other line informed him in order to get the money back on his Paypal account he has to go to the store and buy \$1,000.00 in ebay gift cards and give them the card numbers. Richard bought five \$200.00 Ebay gift cards and shared the card numbers to the operator on the other line. Richard informed me that he started to believe that the email seemed to be a scam and immediately contacted Ebay and Ebay froze the activity on the cards. Richard stated Ebay had him contact FTC.GOV to make a claim to get his money back (reference # 152966643, and # 153024209). Richard stated

he wanted this information documented and was provided with the CAD Number for his records.

 EMAIL SENT TO PUBLIC RECORDS FOR CALL RECORDINGS

There were several young juveniles inside this residence all under 10yrs old. Mother, Deanna Dishman, was able to find a disconnected phone and look through the call history. There were seven 911 calls made when a 10min span. Her 9yr old son, did not admit to speaking to 911 dispatchers, however, he hid in shame when confronted about making the calls. Mother wished to hear the 911 tapes so identify the voice so she could handle the discipline. Everyone inside the residence was ok.

--568--

On 10/30/2022 at approximately 1041 hours, dispatch reported an unruly juvenile at 6148 Dunham Rd. (Discount Drugmart). Upon arrival, Ptlm. Heitzer #547 and I, Ptlm. Duncan #568, met with Patricia Gambrell. Gambrell stated that she is a Foster mom and that one of the children had just ran away from her. Gambrell stated Stovall just left prior to the arrival of officers and that she saw Stovall travel west on Turney Rd. Stovall was described as a 13 year old black female wearing a black hoodie and blue jeans.

Ptlm. Heitzer and I checked Turney Rd. west bound from Dunham Rd to Hathaway Rd. (in Garfield Hts.) but were unable to locate Stovall or anyone matching her listed description.

Ptlm. Heitzer and I returned to Gambrell to have her complete a missing person packet. This time when we attempted to speak with Gambrell, she seemed less concerned with speaking with officers and more concerned with contacting her staff and 696 Kids. Once Gambrell was finished with her phone call she completed a missing person packet for Stovall. Gambrell stated she was not too familiar with Stovall because she was just recently placed with her on Friday, October 28th, 2022. Gambrell did state that Stovall was removed from her mother's (later identified as Martoria Calhoun) custody by county officials. Gambrell believed Stovall lived in Warrensville Heights, prior to being placed with her. Officers reviewed her statement and asked her to provide her date of birth, her social security number or her drivers license. Gambrell refused. I advised Gambrell that since she was Stovall's legal guardian we needed her information for contact purposes only. Gambrell still refused. I was able to obtain her information from her license plate. After we retrieved all the information we could from Gambrell we advised her that we no longer needed her.

I contacted Warrensville Heights PD and asked if they were familiar with this juvenile. I was advised by their dispatch that Stovall was recently removed as missing out of their database within the last week. Warrensville Heights PD was also able to provide me with Calhoun's contact information.

I made contact with Calhoun and advised her of the situation. Calhoun stated she has no idea where Stovall could have gone and does not believe she knows anyone in the area of Garfield Heights (where Stovall was last seen heading). Calhoun was able to provide two recent photos of Stovall which have been attached to this report.

I contacted 696 Kids and filed a report with Ramona and she provided me with intake ID#22501534.

At 1740 hours, Stovall was recovered on Schreiber Ave. by Maple Heights Police Officers and was returned to Gambrell.

The Maple Heights Missing Persons spreadsheet was updated.

Stovall was removed from LEADs as missing / runaway juvenile by Chagrin Valley Dispatch.

Officers spoke with loss prevention employee, Holly. Holly stated she observed two males, Earl Clayton and Joshua Martin, conceal two boxes of model toy cars in their bookbags. Earl and Joshua ran away from the store when confronted, but returned to the store to retrieve their bicycles. When Earl and Joshua returned, loss prevention detained them. The value of the toys were \$80. Earl's mother, Deseannette Fuller was contacted and informed of the incident. Joshua's mother, Marquita Jackson, was also contacted and informed of the incident. Marquita responded to the Discount Drug Mart. With the permission of Deseannette, Marquita took custody of Earl and her son, Joshua. Discount Drug Mart will file direct charges through the Cuyahoga County Juvenile Courts.
