Spoke with the complainant. He advised today around 1100 hours he found his company van bearing OH license plate with the driver's side door ajar. The hard plastic of the dash had been partially ripped off as well as part of the turn signal stick. There were no signs of forced entry and it was unsure if the vehicle had been locked or not. It also appeared that the truck had rolled into a dumpster in the alley way behind the business. A security camera by the back door of the business was said to be low on battery by the complainant and no footage was captured. The complainant needed a CAD number to report the damage to insurance. The complaint stated on July 25, 2022 at approximately 1500 hrs., she discovered damage to her rental property (21515 Clare Avenue). The complainant stated she found approximately 15 floor tiles in the kitchen area that appeared to have deliberate damage to them. She also found damage to her garage door, as well as the siding of the home (if looking at home, left rear siding). The complainant said she contacted the tenant, Dana Coleman (the same day she found the damage) and spoke with her about the damages. Coleman said she would pay for the damage, but has gone back on her word. The complainant was provided with information on how to file a small claims case along with the case number.

Chavon reported that the father of their children had picked up the children from their Grandmothers house in Maple Heights and took them to Akron. The father (Unknown) has refused to take Chavon's calls and will not communicate with her. Chavon further reported the father lives in Akron with the children. There is no custody agreement between the two parties and Chavon was advised she would need to contact Akron Police Department and request an escort to the house.

While speaking with Chavon she also reported that the father had filed for a protection order against Chavon, which was granted but was allegedly terminated by a Judge.

On Monday, October 3, 2022 PO King #558 and I (Cdt. Field #573) responded to 15080 Rochelle Ave for a Fight/Disturbance complaint. Upon our arrival, we were met by Sgt. Frazier #540, PO St. John #548, PO Vasko #566. Sgt. Frazier advised that she spoke with Felicia Woods-Wallace, and Dearion Johnson who stated that their nephew's, Jemar Johnson, ex-girlfriend, Dechelle Webb, had come over earlier stating that she was there to pick up their child. Woods-Wallace and Johnson did not believe Webb was there to pick up the child and then told her to leave. When Webb refused to leave, they all then became engaged in a verbal argument until police arrival. PO St. John spoke with Webb who stated that J. Johnson had texted her telling her to come over to the above-mentioned address to pick up their child and that Webb did not know that she was unwelcome at that address. Webb then took custody of their child from J. Johnson, and PO King and I gave Webb and her child a curtesy ride to 4541 Granada Blvd. Webb was advised to not return 15080 Rochelle Ave or that she would be cited/and or arrested for Criminal Trespass. Upon my arrival Jeffery was not on scene however witnesses in the area reported to officers Jeffery was walking east bound on Maple Heights Blvd. after touring the area Officers were able to make contact with Jeffery. Upon my observation Jeffery had blood on his bottom lip and appeared to be highly intoxicated. Jeffery stated he did not know who assaulted him and continued to ask if he was free to go. Jeffrey was transported to Marymount hospital via Maple Heights fire department.

Before Jeffery left, he provided me with a call back number. I've attempted to call the number he provided for me but have been unsuccessful at making contact with Jeffery. A voicemail was left detailing my badge number, name and a good phone number Jeffery will be able to contact me at.

On Thursday, October 4, 2022, at 0005 hours, PO King #573 and I (Cdt. Field #573) received broadcast to respond to 14700 Brunswick Ave for a 911/unknown nature complaint. Upon our arrival to the above-mentioned address, we were met by Almanetta Parker. We spoke with Parker, who reported that she and her daughter, Rozetta Keys, got into an argument with Rozetta's father, Roy Keys. Prior to our arrival, Rozetta fled the area followed by Roy. While we were speaking with Parker, Rozetta then returned. We spoke with Rozetta who reported that she and her father were involved in a verbal altercation in her room.

When Rozetta got up to try and leave, Roy then put his hand out to try and stop her and, in the process, inadvertently struck her in the mouth causing it to slightly bleed. Rozetta went on to state that she didn't believe that Roy was attempting to cause her any harm. Rozetta then left the house followed by Roy. Sgt. Frazier #540 located Roy on E 146th near Brunswick Ave. Sgt. Frazier conducted a Field Interview of Roy who reported that he was arguing with Rozetta in her room and he tried to stop her from leaving the house. When Rozetta did end up leaving the house, he proceeded to follow her down the street. Roy was taken to the Valero Gas Station on Granger Rd to wait for a bus and leave for the night. LK558/CF573

NOT A REPORT, 553 ADVISED SHE WILL CONTACT THE PARENTS OF ALL INVOLVED

I spoke with William Daniels, he advised me his brother Delvon Daniels, was in a verbal altercation with a male by the name of De'Marcus a week ago. Today, while waiting for the bus at the bus stop on Lawn Ave- by the board of education, De'Marcus approached William and struck him in the face. William stated he struck De'Marcus in the chest in self defense. The two separated their ways. William walked to the PD after the incident. This has been an ongoing issue with Delvon causing problems between students. I left a voicemail for Williams mother in reference to this incident. I did not observe any visible injuries on William. NO EVIDENCE OF DRUG ABUSE WAS FOUND. THE VEHICLE WAS MARKED FOR ABANDONED AS IS CLEARLY HASN'T MOVED IN SOME TIME, AND HAS EXPIRED PLATES (10/2021).

On Wednesday, October 5, 2022 at approximately 1136HRS I, Ptl. Jochum #571 was dispatched to 5382 Lee Road, for a suspicious activity call involving a parked Hyundai Sonata in the garage of the apartment building. Upon my arrival I observed a dark blue Hyundai Sonata bearing OH Reg. backed into a parking space with copious amounts of dust on the vehicle. The occupant of the driver seat, later identified as Darion Hill, exited the vehicle. Darion advised that the vehicle belonged to his grandmother, and that he and his friends sit in the vehicle so as to not cause annoyance to his neighbors in the building. Dispatch was provided with the vehicles registered plate which returned expired (10/2021) to Billie Hill-Kareem, the grandmother of Darion. Due to the vehicle having an expired plate as well as not having been moved in sometime, the vehicle was marked as abandoned.

On 10/05/22 at 1523 hours, I, Ptlm. Duncan #568, responded to 14212 Tokay Ave. for a report of a stolen cell phone. Upon arrival, I met with the caller, Ayisha Jones. Jones advised that her son lost his phone today (10-05-22) at Milkovich Middle School during second period in Ms. Dudziak's class. Jones was able to track the phone to the area Pease Rd and 141. Officers spoke with a few residents in the area and none stated they have children that go to Milkovich Middle School. The phone is described as a blue I phone 12 with a black, yellow and red case. The phone was valued at \$1,200. When Jones attempted to call the phone, a boy with red tips in his hair answered the phone. At this time this is being documented for insurance purposes.

4571 WILL TYPE REPORT.

On Wednesday, October 5, 2022 at 1741HRS I, Ptl. Jochum #571 was dispatched to the lobby of 5373 Lee Road, for an MVA report. Upon my arrival I made contact with De'Sember Brown (DOB: December 1, 2003). De'Sember stated that at approximately 1645HRS she was driving south bound on Warrensville Center Road near the intersection of Maple Heights Boulevard. De'Sember stopped at the red-light of the intersection behind a small tow truck. Upon the light turning green the vehicles slowly began moving forward, however, the towtruck abruptly stopped at which time De'Sember rear-ended the tow truck. The driver of the tow truck proceeded to yell out the window, "I aint got nothing on me", then proceeded to drive west bound on Maple Heights Boulevard away from the scene. De'Sember was unable to advise any further identifying information for the tow truck, and I was unable to locate a photo of the vehicle while using the Flock system. The collision resulted in functional damage to the hood and bumper of the vehicle De'Sember was operating, a maroon 2007 Ford Fusion belonging to De'Sember's father, Curtis Brown. De'Sember provided me with the vehicle's insurance information. I photographed the damage to the vehicle and have uploaded the photos to this sheet. Due to the second unit not being on scene I was advised to complete a sheet on this incident.

On Wednesday October 5, 2022 at 2010HRS, I, Ptl. Jochum #571, was dispatched to 18716 Waterbury Avenue for a stolen vehicle. Upon my arrival, I spoke to Theresa Musarra. Theresa stated that at approximately 2000HRS, her live-in grandson, approached her and asked her if she would drive his friend home. Theresa agreed to do so and proceeded to the backyard of her residence while the juvenile entered the vehicle to wait for Theresa. Upon responding to the backyard of her residence, the juvenile's friend advised that he was going to ride his bike home. Theresa returned to the front of her residence and observed that her gray 2012 Ford Focus bearing OH Reg. was no longer parked in front of her home. Theresa advised that the juvenile has taken the vehicle with keys three times before, however he has always brought the vehicle back and she believes that he will return the vehicle this time as well. Theresa was provided with the incident number and advised to contact MHPD upon the juvenile returning the vehicle or in 48 hours of the original incident to file an unauthorized use report if the vehicle is not returned.

I made contact with the owner of the vehicle who advised that her grandson had returned the vehicle at approximately 2238HRS. The owner of the vehicle advised that they did not wish to file criminal charges at this time.

On Thursday October 6, 2022 at approximately 1330HRS, I, Ptl. Jochum #571, was dispatched to the lobby of 5373 Lee Road for a theft report. Upon arrival, I spoke to Kristen Hemphill. Kristen stated that at approximately 0955HRS, she used her ApplePay to send \$60.00 USD to her brother so he could rent a hotel room; However, she sent the money to her brothers old phone number. Kristen made contact with the owner of the phone number, Feliciano Harris, through text messages. Harris advised Kristen that she had not sent him any money and refused to return the money to her. Kristen provided me with Harris' number; However when I attempted to contact Harris, I received no answer. I left a voicemail for Harris and advised him of the incident.

On Thursday, October 6th, 2022, at 1700 hours Sgt. Jividen #537, Cdt Duncan #568, and I, Ptl. Zelna #550, were dispatched t the residence located at 5519 South for aa report of a male upset about littering. Upon arrival I spoke with the resident who advised his neighbor's garage roof has been recently worked on by a contracting company. The caller was upset because three shingles were on his property. Officers observed a large pile of debris on the north side of the garage (property the company was contracting for). It appeared the shingles may have accidentally fallen off of the roof or was dispersed by the wind. Officers did not view anything that appeared to be of criminal intent. The caller had no information for the contracting company. He stated the company has not been on the property for over a week.

Officers responded to 14612 Rockside Rd. for a report of a welfare check being requested. On arrival, officers spoke with the complainant, Regina Miner. Regina advised that her 83-year-old neighbor, Joseph Pado, was not answering his phone and not answering the door when she knocked. Regina further advised that Joseph was the recipient of open-heart surgery and she was worried about him. Regina stated that the last contact she had with Joseph was at approximately 0800 hours on this day, October 6, 2022. Officers had CVD contact the surrounding hospitals to see if Joseph was being seen as a patient. All surrounding hospitals advised Joseph was not a patient. Officers knocked several times on windows and doors on Joseph's residence with no response. Officers determined entry into Joseph's residence was necessary. By utilizing a rear window with an AC unit installed, officers removed the AC unit and made entry into the residence. Audible police notification was made multiple times once inside of the residence at high volume. Joseph was located on a couch in the living room area of the residence. Joseph was ok and advised he was sleeping and did not hear any attempts to contact him due to his poor hearing. Maple Heights Fire Department evaluated Joseph on scene, however Joseph denied transport. Photographs were taken of the point of entry into the residence and are attached to this CAD sheet. NAR570.

There was minimal damage caused around the window frame and the plastic wings of the AC unit were damaged. STB514

I spoke with Anthony Brooks, on 10.07.2022, at 1505 hours, he advised me he has active contracts with several properties as he owns an apartment cleaning business. The company, RHM Real Estate Group, which Anthony operates under. When Anthony reached out to the customers - Zachary Service, the boss, responded to him saying "Those emails are B.S." Gwendolyn stated she probably left her vehicle doors unlocked throughout the night. Gwendolyn believed someone entered her vehicle and took her iPad. When asked, Gwendolyn did not know the serial number for her iPad. Gwendolyn just wanted this incident documented for insurance purposes. I provided Gwendolyn the CAD incident number. ML563

Spoke with the complainant. He advised on 10/7/2022 at approximately 1600 hours, he was involved in a minor MVA. The MVA occurred westbound on Libby Rd. at Broadway Ave. A vehicle coming off of Broadway Ave. did not yield merging onto Libby Rd. The complainant, driving a gray Chevy bearing Ohio license plate, attempted to brake and slow down when he was struck from the rear by a 2021 Chrysler bearing Tennessee license plate. There was minor damaged caused to both vehicles. The parties exchanged information. The complainant did not bring his vehicle with him to make the report. I spoke with the driver of the Chrysler, Daniel Levay, via phone. He stated the events recounted by the complainant were accurate and that both parties exchanged information. COB549

On above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for a theft report. Upon my arrival, I met with the caller Anthony Chandler. Anthony stated that months ago he gave a pistol to his mother when she moved to Maple Heights for her protection. Recently his mother passed away and Anthony's sister Debra Hayden took possession of the firearm. Debra gave the weapon to a man (unidentified at this time) in order to "get the handle changed". While the man was transporting the pistol the vehicle he was transporting the weapon in, the vehicle was stolen and later pursued by an unknown Police Department. The vehicle crashed and two weapons were recovered by the unknown Police Department. Anthony gave me all of this information second hand from his sister Debra. At this time, I am still attempting to contact Debra in order to find more information on this matter. There is no information on the firearm, no make, model, serial #, or confirmation of owner.

I, Ptl King #558, and other Maple Heights Officers responded to 15808 Wingate for the report of a male, identified as Steven Oliver, outside of the house pointing a gun at the caller. On our arrival, Ptl Ross #570 and I observed a White Maserati bearing OH registration back out of the driveway of 15808 Wingate and stop in the intersection of Wingate and Glenwood. Due to my previous encounters with Steven, I knew he was the owner of the vehicle. Ptl St. John #548 activated his lights behind the vehicle and ordered Steven out of the vehicle. Steven was detained and placed in handcuffs which were double locked. Officer's observed that Steven's seatbelt was buckled and that Steven had been sitting on top of the seatbelt. Steven was then placed in the back of vehicle 4426 and advised of his Miranda Rights which he stated he understood. Steven advised he and his girlfriend Nyasia had been celebrating his birthday and got into an argument. Steven stated he had let her out of the driveway to leave when officers arrived. Steven would not elaborate further on the incident when asked several times. I spoke with Nyasia and she stated while the two were arguing, Steven pounded on the hood of her vehicle with the butt of a pistol and she called police. Nyasia advised that she did not wish to pursue any criminal charges. Steven denied any involvement of a firearm and stated that he did not strike the vehicle. Photos of Nyasia's vehicle, a gray Kia bearing OH registration, were taken and added to the sheet. Nyasia was advised the incident would be documented and to contact a civil attorney if she wished for the damages. A check of LEADS indicated the Steven was suspended with privileges but did not have a copy of his privileges. Steven was issued citation P28975 by Ptl Ross #570 for ORC 4510.11 DUS, ORD 438.29b7 Failure to Wear Seatbelt, and ORD 432.34 Obstructing an intersection. Steven was given a Garfield Heights Municipal Court date of 10/19/2022 at 1330 hours. The vehicle was towed by Interstate. Photos of the Maserati were attached to this sheet. LK558

On 10/9/2022, I, Cdt. Fronzaglio, and Ptl. Barfield along with other Maple units received a call via third party from a grandmother who lives in North Carolina. The grandmother stated her 16-year-old granddaughter called her stating her father, Nathan Branch, held a gun to her head yesterday and threaten her with it. The juvenile also told her grandmother that her father took her and her brother's phones away, was holding them hostage and not allowing them to go anywhere and was also terrorizing the entire family.

We responded to Wendy's, 5360 Warrensville Center Rd, to speak with the juvenile as she was at work. While speaking with the juvenile she stated that she has been having ongoing issues with her father. When asked about the gun the juvenile stated her father never actually put the gun to her head but was waving it around inside the car when he came and picked her up from work the other day. The juvenile stated it was just her and her father inside the vehicle when this all took place.

After speaking with the juvenile, we went over to 5650 South Blvd to speak with Nathan Branch about the incident. Upon speaking with Nathan, he advised that he and his daughter have been having ongoing issues since she was sent up here from Virginia by her mother, Nathan's ex-wife. Nathan stated she sent both children to stay up here because she has some child endangerment case open in Virginia. Nathan stated the juvenile has been unruly as of recently by sneaking out of her bedroom window in the middle of the night and being caught with male juveniles. Nathan said the juvenile is supposed to be taking medication for depression but has stopped taking it all together. Nathan stated he and the juvenile had an argument when he picked her up from work because he told her that he was looking to place her into a group home because of her behavior and that he and her brother were going to be living in Solon. When asked about a firearm Nathan denied owning one and gave consent for Ptl. Matash to search his vehicle which yielded negative results of a firearm. Nathan denied any event occurring where he was waving a firearm with the juvenile in the car due to the fact that he doesn't own one.

While Nathan was outside with Ptl. Matash and his vehicle, Ptl. Barfield and I went inside the residence to speak with Nathan's aunt, grandmother, and

grandfather. While speaking with Nathan's aunt she stated that she has observed the ongoing issues between Nathan and the juvenile but has never seen a firearm with Nathan. Ptl. Barfield was able to observe child freely moving about the house and everyone checked okay and stated they were not being terrorized or held hostage. BF572
