I spoke with the complainant, Saideh Anderson, who stated an old friend of hers, Adrienne Reese, has been trying to turn her daughter against her. Saideh stated her and Adrienne had a falling out over a male some time ago. Saideh has been allowing her daughter, Rashya, to go over Adrienne's residence after school since their children are friends. While Rashya has been over there Adrienne has been telling her to not listen to her mom. I advised Saideh since there is no crime occurring but we can document the incident. Saideh was advised to stop all contact with Adrienne and to stop allowing her daughter to go over. BF572

On Monday, October 31, 2022, at approximately 2320 hrs, Ptl. King #558 and I (Cdt. Field #573) observed a 2006 Chevrolet Impala, white in color, bearing Minnesota License, traveling north-eastbound on Maple Heights Blvd towards Raymond St. Upon the Chevrolet entering the above-mentioned intersection, it slowed down but did not stop to the Stop Sign, and continued straight through the intersection. We activated our Emergency Lights and Siren and conducted a Traffic Stop of the Chevrolet on Maple Heights Blvd just west of Warrensville Center Rd. Upon our approach of the Chevrolet, I spoke with the operator, identified as William Milton Jr. I advised W. Milton of the reason for the Traffic Stop and asked him for his identification and insurance. As W. Milton was providing us with his identification, he stated that he did not have a valid license nor valid insurance. W. Milton stated that the vehicle belonged to his brother, identified as Oredus Milton. We confirmed the driving status of W. Milton and that the Chevrolet was registered to O. Milton through Dispatch. W. Milton was issued Traffic Citation #P29731 for Driver's License Suspended/Stop and Yield Signs and was given the court date of November 9, 2022 at 0830hrs at Garfield Heights Municipal Court. O. Milton arrived on scene along with a valid licensed driver, identified as Irene Milton. The possession of the Chevrolet was turned over to I. Milton. CF573/LK558

 ADV CRIMINAL TRESPASS AND GIVEN CITATION

I spoke with the complainant, Alicia Smith, who is the Detective at Giant Eagle. Alicia advised she observed a male, Travis Torian, placing items into his jacket on the stores camera. Alicia and her security team stopped Travis as he passed the point of sale and took him into their office. Alicia removed Pier 33 Salmon fillets, Cholula hot sauce, and Grandma's cole slaw from his person. When we arrived Alicia provided us with an itemized receipt with the total coming to \$25.46. Alicia advised she would like Travis to be criminally trespassed from the premises. We advised Travis of his criminal trespass and issued him a citation (MA 34075) for Shoplifting ORC 642.12. Travis was advised he needs to appear at Maple Heights Mayor's court on 11/22/2022. BF572

On the above date and time, I, Ptl. T. Vasko #566, was contacted by Painesville Police Department to do a welfare check on Walter Jackson, whose last known residence is 15316 Ramage Ave. Water's ex girl friend, Ashley Reeves, received various text messages from Walter saying he was going to kill himself if she did not get back with him. I contacted Walters mom, Karen, who lives at the previously mentioned address and she stated that Walter was not at the house and had not talked to him that day. Karen refused to give me Walters phone number and ended the phone call. We later did a drive by to see if Walters Black Chevy Impala was at the residence but the vehicle was not there. This information was forwarded to Painesville Police Department. TV#566

DET HALLEY REQUESTED CAD SHEET

Ebony Arnold's mom passed away a couple of months ago and she is in the process of getting the house. Ebony Arnold advised that Kenneth Willis stayed in the basement previously. Kenneth Willis moved out and sealed off the basement which has a bad smell, as well as the neighbors, complained about the smell. Kenneth changed the locks on the side door and took Ebony's sister, Michelle Arnold's keys to the other sliding door. Ebony cannot afford the fifty dollars to hire a locksmith to get into the basement unlocked. Kenneth fights with Michelle and does not allow her to go down to the basement. Kenneth lives with his girlfriend due to the smell being so bad.

Ebony contacted the Maple Heights Police Department about the concerns. She was told how they would accompany her to unlock the basement if she wanted.

Upon further investigation and speaking with Ebony Arnold, Ebony kicked in the basement door and discovered that the basement was dirty and a pipe had broken in the basement there were dog feces and raw sewage in the basement and it was very dirty. Ebony is going to have the basement cleaned and have her brother Kenneth Willis probated since he appears to have mental issues.

CALLER IN MAPLE PD LOBBY FOR REPORT, HE MAILED BILLS IN MAILBOX AT GIANT EAGLE, THE AMOUNTS WERE CHANGED AND FRAUDULENTLY CASHED					
On November 2nd, 2022 at approximately 1912 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby for a fraud report. Upon my arrival, I met and spoke with James Malkowski, was stated on October 20th, 2022 he placed six (6) PNC checks in mailbox to pay his bills. James stated today he noticed his PNC bank account was overdrafted. James mentioned he responded to his bank regarding this matter. According to James, PNC informed him that his account was flagged due to a bad check. James bank presented him a copy of a check dated for November 20th, for amount of \$2,600.20 to, Cashe Hassis. James advised that he never wrote a check for that amount. James stated PNC was able to freeze his account and start a investigation. James wanted this incident document so that PNC can run their investigation. #554

On Thursday, November 3, 2022, at 0946 hours, I, Ptl. Zelna #550, was dispatched to the lobby of the police department to speak with Kiara Mccarroll concerning a protection order violation. Upon arrival I spoke with Kiara who provided me with partial paperwork for a consent agreement with an individual named Danielle Scott. Upon further investigation it was discovered Kiara does not have a current protection order against Danielle Scott. Kiara advised she had a previous incident with Danielle and thought the judge awarded a protection order. Kiara was advised and provided with information on how to obtain a protection order. Kiara stated this incident stems from that fact that she is receiving many unknown text messages harassing her about personal issues. No threats of harm were made. Kiara advised she is going to pursue a protection order and follow up with her lawyer concerning their judge's incident consent agreement. RZ#550

On 11/03/2022 at approximately 1410 hours, Ptlm Heitzer #547 and I, Ptlm. Duncan #568, responded to 20913 Kenyon Dr. for a breaking and entering report. Upon arrival, we spoke with Maximilian Grogan-Crane. Crane stated that he is the property owner of this address and that today, a new tenant (later identified as Jadaza Bryant) informed him of damage she found while moving into the home. Crane escorted Ptlm. Heitzer and I into the residence and lead us into the basement. While there we were shown where several wires were cut and removed from the property. Bryant also reported that a bay style window had a panel that she originally found off track but she has since put it back. The screen for this window was located on the ground outside of the house, just under the window. Crane stated that the house has been vacant since the end of July, 2022. There were no cameras on the property. Crane could not give a more specific time period of when this may have occurred and stated he typically leaves the managing of the property to REMAX, the company he contracts through. At this time there are no suspects and this is being documented for insurance purposes only.

On the above date and time, I, Ptl. T. Vasko #566 responded to the Maple Heights Police Department Lobby for a call for service. Upon my arrival, I made contact with the caller, Latarri Mcglothin, Latarri stated on October 15, 2022, she sold some items such as laundry detergent to a male she identified as Reno Smith, who she believed to be in his 40's. Latarri sold \$47 worth of merchandise to Reno and Reno paid her by cashapp. Reno later disputed the charge through his bank and the money was taken out of Latarri's account. Latarri requested this incident be documented so she can dispute this civil complaint.

 CALLER STATED THAT THE DAYCARE REFUSED TO GIVE HIM HIS CHILD

Levy showed paperwork from Cuyahoga Court of Common Pleas stating he is to take custody of his child by 5pm on every other friday. It also states it is the Crystal Perry's (mother) duty to inform the daycare center that this is to occur on their property due to the court order. Today Levy attempted to pick up his child and was refused by the daycare. Levy stated the daycare worker called Perry, who told them he is not to have the child. Levy was advised this will be documented.

On Friday, November 04, 2022, at 1940 hrs, Ptl. King #558, myself (Cdt. Field #573) and other Maple Heights Officers received broadcast to respond to 20607 Libby Rd for a Damage to Property. We spoke with Gary Mayes who said that he heard kicking on his metal storm door. When Mayes opened his front door, he saw that his storm door was partly dented in the bottom panel. Neighbors told Mays that two 8 year olds were playing "ding dong ditch" and had kicked the door damaging it. We contacted Bell's and Jackson's mothers, Lisa Bell and Sawmise Jackson, both stated that they would pay for the damage to the door. Mayes stated that he did not wish to pursue charges against the juveniles. CF573/LK558

<p>At approximately 0015 hours, while Ptl. King #558 and I, were north facing on Cato Rd just south of Raymond Rd, we observed a 2010 Ford Fusion, red in color, bearing OH License plate #JUK9990 traveling westbound on Raymond Rd. The Fusion then proceeded to slow down but did not make an attempt to stop at the stop sign as it continued through the intersection at Raymond St and Cato St. I activated our overhead lights and siren and conducted a Traffic stop of the Fusion at the intersection of Thomas St and Raymond St. Upon our approach of the Fusion, we detected the distinct odor of Marijuana and observed four (4) occupants in the vehicle. I spoke with the operator of the Fusion, Theodore Brooks Jr., and advised him of the reason for the stop and asked for license and insurance. I also observed that the front passenger, identified as Daunteze Bell, did not have his seatbelt on asked for his identification, which he complied. . Brooks was able to produce his Driver's License but stated that he did not have insurance. I asked Brooks if there was any "hemp" in the Fusion and stated that they had smoked all their Marijuana. We had Brooks, Bell and the two back seat passengers exit the vehicle. Officers conducted a search of the Fusion and Ptl. King located a clear plastic bag containing 14g of suspected Marijuana. Ptl. King additionally located under the driver seat a clear glass jar containing 23g of suspected Marijuana. Bell stated that the suspected Marijuana in the glove box was his and Brooks stated that the glass jar of suspected Marijuana under the driver seat was his.</p> <p>Brooks was issued a MM Citation #MA33951 for Possession of Marijuana and Uniform Traffic Ticket #P29732 for Stop Signs; Brooks was given the court date of November 16, 2022 at Garfield Heights Municipal Court at 0830hrs. Bell was given MM Citation #MA33954 for Possession of Marijuana and was given the court date of November 16, 2022 at Garfield Heights Municipal Court at 0830hrs. Additionally Bell was given a verbal warning and advised of seat belts.</p> <p>Per Sgt. Frazier #540 we were advised to change the Citations for a court appearance at Maple Heights Mayor's Court on November 22, 2022. I attempted to contact Brooks and Bell to advise them of their new court date/time. I left a voicemail for Brooks of his court date at Mayor's Court. When I attempted to contact Bell to advise him of his court date, he hung up the phone before I could advised him of the information. When I went to contact Bell again, he did not answer and his voicemail box had not been set up.</p> <p>The clear glass jar containing 23g of suspected Marijuana (TN:31808 ) and the clear plastic bag containing 14g of suspected Marijuana (TN:31809) were turned into evidence. I spoke with the complainant, Venus Jackson, at her residence. Venus stated while she was outside this morning her neighbor, Christopher Ranallo, told her that he was going to shoot up her house while everyone is inside. Venus said this is all over Christopher's car being broken into some time ago and he believes that Venus and/or her family is responsible.

I talked to Christopher over the phone and he stated he believes Venus and her family are the ones responsible for breaking into his car on Friday. Christopher stated while he was coming out of his house this morning Venus said hello and he did not respond. Christopher said Venus and her family ran over to his car and started yelling at him. Christopher said he told them to never come on his property again as this has been an ongoing issue. Christopher said he never made any threats towards Venus or her family.

I advised both parties to stop talking to one another. BF572

PARTIES FROM THESE 2 VEHICLES WERE INVOLVED IN SUSPICIOUS ACTIVITY.

At approximately 0313 hours, while Ptl. King #558 and I (Cdt. Field #573) were east facing on Libby Rd just west of Lee Rd, when we observed a 2010 Ford Fusion, black in color, bearing OH Temporary License Plate traveling northbound on Lee Rd. The Fusion went through the intersection of Lee Rd/Libby Rd, and turned into the parking lot for Dedicated Senior Medical Center (5264 Lee Rd). The Fusion appeared as though it was going to short cut the through the parking lot. We then attempted to follow the Fusion through the parking lot. After initially losing sight of the Fusion, we regained visual of the vehicle as it parked by the side of the building. Upon the operator of the Fusion observing our marked Zone Car, the vehicle then immediately pulled out of the parking lot on Libby road eastbound back towards Lee Rd. As the Fusion pulled out on to the roadway, we observed that its rear tail lights were not activated. I activated our overhead lights and siren and conducted a Traffic Stop of the Fusion at the intersection of Libby Rd and Lee Rd. We approached the Fusion and I spoke with the driver, identified as Ian MeneFee, and advised him of the stop and asked for license and insurance (which he provided). Ptl. King observed that the front seat passenger, identified as Pre'shious McCutcheon, did not have her seatbelt on and asked for her identification, which she complied. While officers were speaking with MeneFee, McCutcheon and the back seat passenger, Dasha Allen, reported that they were trying to hide behind the building because they were being chased by McCutcheon's ex-girlfriend. McCutcheon went on to state that her and her ex-girlfriend had been involved in a physical altercation earlier in Bedford and that she was now chasing them in a Jeep Renegade, white in color, with a North Coast Auto plate on it.

While on the Traffic Stop, Ptl. St. John #548 observed a Jeep Renegade, white in color, bearing OH Temporary License Plate P687832 matching the description circling the area. As the Jeep passed our traffic stop, McCutchen, MeneFee and Allen stated that that was the vehicle. Ptl. St. John was able to re-acquire the Jeep at Cato St/Raymond street and conducted an Investigatory Stop of the Jeep. (See MA22-10240607).

MeneFee was issued Uniform Traffic Ticket #P29735 for Taillights; MeneFee was given the court date of November 22, 2022 at 1530hrs. McCutcheon was given a warning for her seatbelt. LK558/CF573

Upon my arrival three involved parties were yelling back and forth across the street from each other. I spoke with Tonyae Antoinette Mills. She advised she parked her vehicle on the street directly across from her mother's residence. The neighbors across the street, where Tonyae's vehicle was parked, automatically confronted her due to their belief her vehicle was too close to the edge of the apron. I advised Jesse Coleman and his mother, Fanny Coleman, who were extremely agitated and yelling at Tonyae, myself and other officers, that the vehicle was legally parked and not prohibiting their entrance or exit from their driveway. Jesse and Fanny continued being belligerent and would not stop until Jesse finally was able to get his mother to go inside. I spoke with Tonyae's mother, Felicia Williams. She advised this is an ongoing issue with Jesse and Fanny. Felicia stated Jesse and Fanny use foul language, threats to damage vehicles parked near their residence and aggressive posture when they are upset with her and her family. Felicia further stated she has contacted her City Council Representative for mediation and will follow-up with then after this incident. COB549

MALE LET OFFICERS CHECK THE HOUSE. FEMALE WAS NOT THERE.

On 11/06/2022 at approximately 1938 hours, officers were dispatched to 18819 Waterbury to check for a missing juvenile at her father, Marlon Browns home

(2210241095). Upon arrival officers spoke with the resident of the home, Marlon Brown. I recognized Brown from the previous traffic stop on this report. Brown advised his daughter was not in the home and granted consent to search for her in his home. I stood outside with Brown and Pt. King 558 and Ptl. Duncan 568 entered the home with Browns girlfriend, who is also entered on this report. Ptl. King and Ptl. Duncan exited the home. They advised me they observed an AR15 and a handgun magazine in the attic area of the home in plain view. I returned to the station and checked my paperwork on this previous traffic stop. My notes from this previous traffic stop included a CCH for Brown. Browns' CCH shows him as a prohibited person with a felony drug conviction through Cuyahoga Common Pleas Court (CR09524845B003). This information was not known at the time that Officers were on scene.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a 911 hang up. Upon my arrival, I made contact with the owner of the residence, Bianca Laster, Bianca stated her ex-boyfriend was in her driveway attempting to retrieve earrings he bought her and more than likely argue with her. The Bianca stated he ex boyfriends name was Anquonn Carter. Bianca did not wish to pursue any charges and only wanted Anquonn to leave the property. Bianca was informed this incident would be documented and was advised if Anquonn came back to call the Police.
