SANDY IS THE NEIGHBOR CAUSING UNDO STRESS TO THE CALLER AND ANOTHER RESIDENT
CALLER IS VERY UPSET AND WANTS AN OFFICER FOR REPORT -
566 TO COMPLETE

On above date and time I, Ptl. T. Vasko #566, responded to the above address for a report of general complaints.

Upon my arrival I spoke with the caller, Buffy Juby, she was extremely concerned about the neighborhood stray cats and requested that we help her do something to get them spayed and nurtured. Buffy further explained that the Maple Heights animal warden was already aware of this situation but he was "very rude". Buffy also explained that her neighbor who she identified as "Sandy" continued to take pictures and record Buffy when she is outside of her house. I explained to Buffy that once you leave your residence you lose a reasonable expectation of privacy and "Sandy" can legally record the public. Buffy only requested that this incident be documented.

566 TO COMPLETE

On the above date and time I, Ptl. T. Vasko #566 responded to the above address for a report of theft. Upon my arrival I spoke with the assistant manager Bryan. Bryan stated that around 1115 am a black male estimated to be 20 years old, wearing a grey zip up sweatshirt took approximately \$140 worth of laundry detergent. The male loaded the detergent into a shopping cart and then proceed to the side exit door and left the store without paying for the merchandise. It should be noted the side door is clearly blocked by bags of charcoal in an attempt to stop customers from exiting and entering the door.

FEMALES VEHICLE WAS BLOCKED IN THE DRIVEWAY BY THE MALES CAR. THEY SWITCHED CARS SO THATS NO LONGER THE ISSUE. THE FEMALE WILL MAKE ARRANGEMENTS TO GO TO A HOTEL FOR THE EVENING. THE MALE DID MAKE THREATS TO TAKE THE BOLTS OFF THE TIRES. BOTH PARTIES WERE ADVISED OF DOMESTIC VIOLENCE LAWS

On Tuesday, September 6th, 2022, at 0533 hours, I, Ptl. H. Kaur #553, and other Maple Hts units responded to 5476 South Blvd. for a disturbance. While responding to the area, I recalled going to the same address earlier today (MA2210191258)., for an Unauthorized Use of Motor Vehicle. The caller, Raiona Thompson, stated her ex returned home and became loud and irritable. He woke her children up along with her and threatened to remove her tires off her vehicle. Raiona stated she is attempting to expedite her move out of this residence. She stated Mark is unhappy because she does not wish to be with him any longer. While on scene, officers spoke with Mark Hudson also. Mark denied making any threats towards Raiona, and stated he works at 0830 hours. He stated he was sleeping when Raiona contacted the Maple Heights Police Department. Marks truck did appear to be in the driveway for some time. Raiona did not have any physical injuries and there was no evidence of a physical dispute inside the home. I advised both parties of Domestic Violence. HK 553

CALLER IS THE OWNER OF THE BUSINESS, HE IS ADVISING THAT HE JUST ARRIVED TO WORK AND NOTICED THAT THERE IS A LOT OF DEBRIS IN THE YARD AND IT APPEARS THAT A VEHICLE MAY HAVE HIT THE BUILDING. THERE IS SOME DAMAGE

On 09/06/2022 at 0936 hours, I spoke with Kimhuon Heang at K&D Alterations at 5161 Warrensville Center Rd Maple Heights. The business was last open 9/3/2022 until 1730 hours. It was closed on 09/04/2022 and 09/05/2022. When Kimhuon arrived this morning, he observed debris that appeared to be from a vehicle, some tire tracks in the lawn, and some minor damage to the brick business front and a plastic utility box on the west side of the business. I took photos and attached them to this sheet. Dispatch advised no MVAs were reported near the area. Kimhuon advised he will check his store cameras for available footage. If a vehicle is identified, an OH-1 may be completed. Kimhuon was provided a sheet number and advised to contact his insurance company. LK558

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Lobby for a report of juvenile complaints. I made contact with the caller Christian Ostenson, who lives at 5125 Stanley Ave. Christian reported to me that on 09/05/2022 around 1631 hours 2 juvenile children came to his front security door and kicked it. The juveniles then ran off towards Raymond Rd. Christian stated no damage was done to the front door and he did not want to pursue charges, he only wanted the mother of the children advised of trespassing on his property. Christian further explained the children live at 5115 Stanley Ave and he's seen them coming and going from the house. I went to 5115 Stanley Ave. and made contact with Jai Harris. Jai is the sister of the juvenile and identified him as Carson Williams, but did not know Carson's date of birth. Jai was advised Christian did not wish to pursue any charges but did want the juveniles to stay off of his property.

558 REQUESTING A SQUAD RESPOND TO CHECK ON THE FEMALE AT THE JAIL 5373 LEE RD

On September 6, 2022, I, Ptl. T. Vasko #566, observed a stolen vehicle in the parking lot of Mr. Z beverage and Deli. Maple Heights Police Units attempted to conduct a traffic stop on the stolen vehicle, however the vehicle fled by driving over a sidewalk and fleeing southbound on Broadway Ave. Maple Police units were ordered to not pursue the vehicle due to high traffic conditions. While the vehicle continued to flee southbound it struck an uninvolved truck and swerved into a nearby parking lot, stopped and then continued to flee southbound on Broadway Ave. An unidentified citizen flagged down a Maple Heights Police unit and advised him a person, later identified as Antajah Colvin exited the stolen vehicle and hid in nearby grass. Antajah then approached a Maple Heights Police officer with a bag in her hand and was detained. Upon looking in the bag 19 grams of marijuana was located in a glass jar. Antajah was brought back to the Maple Heights Police Station and was released shortly after. Antajah was issued citation MA31155 for possession of marijuana and given a court date of September 27, 2022 at 1530 hours in the Maple Heights Mayors court.

Officers responded to the area of Dunham Rd. near Rockside for a report of an unsupervised child wearing only a diaper running southbound on Dunham Rd. While in route to the area, dispatch advised that the child was picked up by Good Samaritan in a gray-colored SUV. Shortly after, the driver of the SUV called

into dispatch and advised that they had the child at Maple Heights Fire Station 02 and would be waiting there for Officers arrival. On arrival, the mother of the child was on scene and had control of the child. The mother was identified as Regina Preister. Regina stated that her autistic 5-year-old child was able to unlock the door at her home without her knowing and ran out of the house. She advised when she had been checking the inside of the house for him when she looked outside and saw him at the fire station. She advised that there have been no other instances of her child running out of the house and proceeding towards the roadway. Per dispatch, Officers had not been called to 5721 Dunham Rd. for any similar calls in the past. Regina was advised of child endangerment and notifying CFS if Officers responded back for similar calls for service. NAR570

Officers were dispatched to 16500 Rockside Rd. Clifton Steel for a report of a traffic dispute that turned into an assault. On arrival Officers made contact with both parties involved, Ducre Banks and Michael Zimet. Both Banks and Zimet were commercial truck drivers, and were heading towards the shipping and receiving area of Clifton Steel. It was reported that Banks was attempting to pull down into the receiving area when Zimet rounded a corner of the parking lot and pulled in front of Banks. Banks honked his truck horn at Zimet, causing Zimet to exit his truck and approach Banks. Both engaged in a verbal altercation at that time. Zimet then stated Banks gave him a "back hand" while arguing. Zimet did not have any obvious injuries. Banks denied becoming physical at any point. Zimet declined prosecution, however, requested Officers to speak to Banks about professionalism. Both parties were separated and advised of disorderly conduct. NAR570

Upon my arrival, I met and spoke with complainant, Roderick Tucker, who stated his next-door neighbor, Lehman Busbee, tossed a brick over the fence near him. I spoke with Lehman who denied throwing a brick. Lehman stated he asked Roderick to quit cutting his grass due to the grass being on their property line. Lehman mentioned everytime Roderick cut the grass he cause cuts and scratches on his wooden fence. Parties were advised to contact the building department regarding the property line. Also, Lehman and Roderick were provided info on how to file for a Civil Protection Order.

Officers were dispatched to 14418 Maple Ave. for a report of Metro Medical Equipment truck being parked behind the residence since September 3, 2022. It was further reported that the house at the address was vacant and there were potentially squatters in the residence. On arrival, officers located the medical equipment box truck. There was no license plate on the vehicle and the VIN on the vehicle did not return with any information on file. The ODOT number on the vehicle was attempted to be used to locate an owner with no success. No owner information for the vehicle was able to be located. The house at the address was confirmed to be vacant, however, it did appear to have signs of people using it. The rear entrance into the residence was left open, however, when officers announced their presence no one acknowledged it. Dispatch was able to locate an owner of the property, Adroit Consulting LLC. A call was made to Adroit Consulting LLC with no answer. A voice mail was left requesting a call back. The vehicle on the property was ruled to be abandoned. An abandoned vehicle notice was left on the windshield of the box truck. Vehicle to be towed after 1438 hours on September 8, 2022. The Building Department was contacted to re-secure the rear door of the residence. NAR570

4553 TO UPDATE DISPOSITION. COMPLETE.

I spoke with Todd Kranz, who advised me he was involved in a verbal disagreement with a coworker., Richard Harris, he made comments to Todd about "Confronting him instead of going to management." He then said he believes Richard said "I'm going to out a bounty on you." Todd stated he is afraid to go to work. I contacted Norfolk Southern and spoke with the Vice President of Operations, Mike Duncan. Mike stated Richard has been an employee with the employer for over 10 years. Todd has been an employee there for two months. He stated there are several other employees that joke with each other. However, a meeting was held with Richard and the manager- Marcus Steele. Todd then got upset with the employer because they "told Richard that he complained about him." Mike advised me it was important for them to speak with Richard and advise him to stop his behavior. They also moved Todd to a different shift. Mike advised me he will forward the concerns to the HR department and police assistance is no longer needed as this matter is nothing criminal. HK553

On Friday, September 9, 2022at approximately 0209 hours, Maple Heights Units were dispatched to 5450 Hollywood Ave. for a report of breaking and entering in progress. Taja Cooper was at Cleveland Clinic - Marymount Hospital and advised Cleveland Clinic PD that her ex-husband, Marriel Cooper was attempting to break into her residence. Upon arrival, officers checked around the residence with initially negative results. Taja's children met officers at the front door and advised Marriel has a white Ford Crown Vic. Officers located a white Crown Vic in the garage and with the permission from the teenage children officers located Marriel inside the unattached garage laying on top of the rafters. Once Marriel was detained, Taja was contacted and she stated she did not want to pursue charges against Marriel. [NOTE: Marriel does not reside on Hollywood Ave.]. Taja signed a waiver of prosecutions, and I, Ptl. Thomas #560 uploaded a copy to the photo section of this CAD. Marriel left the residence without further incident. MWT#560

Penelope stated she drove a 2019 black Mercedes Benz C30 (JVD2644)(55SWF8EB0KU313652), and her front passenger side fender and wheel rim struck the rear driver side quarter panel of the other unit (unit 2) (JTQ1067)(2HGFC2F6XKH523289) a black 2019 Honda Civic, on September 07, 2022, at approximately 2215 p.m. The operator of unit 2 arrived on scene, Bibby Boclear IV arrived to the station. Both vehicles sustained minor damage. Penelope and Bibby stated they exchanged information on scene and were required by their insurance companies to file a report. I spoke with Katheryne Stokley who advised that she is going through custody arrangements through the court system in regards to her two children. The children's guardian is Katheryne's father, Gerald Stokley. Katheryne advised she noticed she was no longer receiving court paperwork for her custody case in July 2022. She called Lake County Courts, and was advised they got her court papers sent back with a handwritten "return to sender" message written on it. On 08/14/2022, Katheryne advised me that she was sent a text by Gerald stating that he no longer wants to have any sort of contact with her. On 08/15/2022, Katheryne advised she captured a photo of Gerald on her property, even though he lives in Willoughby OH. Katheryne stated to me that she believes Gerald is stealing her mail to interfere with her custody case. Katheryne stated she wanted Gerald to be notified of Criminal Trespass on her property. I called Gerald at approximately 1145 hours on 09/09/2022 and advised him over the phone of Criminal Trespass. Katheryne was then advised to contact the Postal Police, and how to get a protection order. LK558

I spoke with Paul Gabelein who advised he returned home and saw a male, later identified as John Oliver Jr, on his back patio. The male then went across the street on his mobility scooter where he resides. I walked across the street to 5201 Anthony and spoke with John. John advised he had been off road on his mobility scooter and got stuck, when he tried to use a portion of Paul's driveway/patio to get traction. I advised John that he was being advised of criminal trespass, that he was not welcome on Paul's property and if he returned he may be arrested or cited. I advised Paul that if John returned to contact us. Paul was unhappy that John was not immediately being given criminal charges and advised he would call Chief Hansen #183 to voice his displeasure. I spoke with Tracy Jones who wanted to report that her granddaughter was assaulted at Milkovich Middle School by a "Maleah" (unknown last name, 13 years old). The juvenile advised that while in the hallway, Maleah yelled at her from behind calling her a "scardy bitch" for calling police about Maleah's previous harassment. The juvenile advised she ignored Maleah and walked away when her hair was grabbed from behind and was yanked around. This altercation also knocked over a teacher, Mr Dickson who witnessed the incident along with security camera footage. Tracy Jones stated that she currently just wants the incident documented, however any further issues and she will pursue criminal charges. LK558

Upon my arrival I spoke with the caller Lethia Freeman, Lethia advised me when she came home she realized her van bearing Ohio registration had a rock thrown through the front driver's side window. Lethia advised me she had no idea who did it but suspects it was a juvenile due to the heavy foot traffic of juveniles leaving school and walking down Mapleboro Ave. There is no suspect description at this time and no cameras could be found after canvassing the area.

4567 STATED TO MARK THIS CALL AS A REPORT.

On Friday, September, 09, 2022, I responded to 20608 Donnybrook Road for a report of a female that was hit on her throat by her boyfriend. The female was identified as, D'Nita Mockadee. D'Nita informed me that her ex boyfriend, Maurice McDuffie, and her were laying on her bed and began to verbally argue. While they were still lying down on the bed, D'Nita requested for Maurice to leave and Maurice back handed her with his right hand and struck her throat. D'Nita stated that Maurice was intoxicated when he did this, and he left the residence in a blue rental car when she began to call the police. Upon my arrival, D'Nita stated she was upset and was not sure if she wanted to pursue criminal charges. I informed D'Nita that she had the right to pursue criminal charges and a report will be sent to a prosecutor if she wished to pursue charges. D'Nita decided to pursue charges at that time. On 09/11/2022, at approximately 0935 hours, I spoke to

D'Nita via telephone. D'Nita explained to me that she no longer wished to pursue criminal charges against Maurice McDuffie. D'Nita stated that Maurice agreed to not contact her any further and she did not want to pursue criminal charges because she did not want him to go to jail. At approximately 1000 hours, I responded to D'Nita's residence at 20608 Donnybrook Road, and D'Nita signed a waiver of prosecution form.

 SEE REPORT

On Friday, September 09, 2022 at 2111hrs, while on patrol in the area of Stafford Park, I, Cdt. Jochum #571 and Ptl. Colangelo #567, observed a gray Kia Optima parked next to a wooden fence with a no parking anytime sign, with a male and female standing next to the vehicle. I made contact with the two individuals. The male later identified as Donte Smith Jr. and the son of the Kia owner, and the female, later identified as Jazmyne Jones. Upon approaching the parked Kia to view the rear plate, Ptl. Collangelo observed in plain view, a clear plastic bag of suspected marijuana in the cupholder. Smith Jr. provided Officers with permission to search the vehicle resulting in Officers locating and collecting the clear plastic bag of suspected marijuana, a balled-up receipt paper

containing suspected marijuana, an opened cigarillo with suspected marijuana, and a .22 Caliber Heritage MFG Inc. revolver bearing serial number 1BH055977. The suspected marijuana and revolver were collected as evidence. Smith Jr. was issued Citation #MA34004 for Possession of Marijuana ORD 624.03. The marijuana was weighed at 27.6 Grams. The marijuana and revolver were photographed and photos have been added to this report. The marijuana was entered into PMI as evidence (TN: 31064). The revolver was entered into PMI as found property (TN: 31065) JAJ #571

MARYMOUNT/ AREA CHECKED FOR THE OTHER PARTY, GOA/UTL

On the above date and time, I, Ptl. T. Vasko, while working regular patrol in marked cruiser #4403, responded to 14800 Granger Rd. for a report of a male attempting to attack the caller, Kenneth Blinky. Upon my arrival the aggressive party had already left and I spoke with Kenneth. Kenneth stated he and a male

he identified as "Jay White" were arguing over the price of a repair for Jay's vehicle. Jay became upset and a physical altercation ensued resulting in Jay leaving and Kenneth having minor injury. Kenneth was transported to Marymount hospital for pains in his leg. I later contacted Kenneth in person and he advised he did not wish to pursue charges against Jay. Kenneth was provided with a waiver of prosecution and signed it. The waiver of prosecution was been attached with this sheet. Jay has yet to be positively identified.

BOTH MALE CITED FOR DISORDERLY CONDUCT.

Upon my arrival, a resident flagged me down and pointed to two black males who were walking away from a vehicle parked in the roadway. I observed one of the males, later identified as Antonio Ballard, had a bloody mouth and the second black male, later identified as Sean Holmes, had a ripped white t-shirt. Both males advised that I did not see what I observed. Other officers determined from the resident and other bystanders that Antonio and Sean had engaged in a physical altercation. They are mutual friends who were at a party at Sean's family's residence. Antonio and Sean were both issued citations for disorderly conduct and given Garfield Heights Municipal Court dates of 9/21/2022. COB549

On Sunday September 11, 2022, Officers responded to 18112 McCracken Rd. and made contact with the resident, Reginald Hudson, who advised that upon returning to his home on Saturday September 10, 2022, Tanisha Howell, the mother of his three year old daughter, pulled into his driveway and stated that she came to his house because he was not answering his phone when she was calling. Following a brief verbal exchange, Hudson advised Howell to leave, which she reportedly complied and left the property. Hudson asked Officers to make contact with Howell and advise her of criminal trespass. Officers attempted to make contact with Howell via landline multiple times, however they received no answer.

On September 11th, 2022, at 0211 hours, I, Ptl. Zelna #550, was dispatched to the residence located at 21505 Gardenview Dr. for a report of damage to property. Upon arrival I spoke with Joyce Thomas, who alleged she suspects her daughter's boyfriend or someone on his behalf may have damaged her front window to her home but has no evidence to support her suspicions. Joyce wanted the damaged window documented for insurance purposes. I observed and photographed a front window on the residence that appeared to had been damaged recently. Picture of damaged window attached to this sheet. RZ#550

Jay wanted to know why the vehicle was cited when day shift came out. I explained that the male was cited earlier on today's date and we had to wait until the next date. I checked the license plate for any unpaid parking cites and nothing was outstanding. Jay also wanted me to know that the dispatcher he spoke to was unprofessional. I explained dispatch was not part of the MHPD. STB514

------------	----------	------------------	------------------	------------

On Friday, September 9, 2022, I, Cdt. Jochum #571, received an online report for neighbor trouble at 15617 Mendota Avenue. I made contact with the reporting party and resident, Cathy Sable, via landline. Sable advised that on multiple occasions since her neighbors residing at 15613 Mendota Avenue moved in, the male neighbor has been threatening her three dogs when he sees them in Sable's back yard. On September 9, 2022 Sable let her dogs out into her fenced in backyard to use the bathroom. Upon doing so the three dogs began barking at Sable's female neighbor who resides at 15613 Mendota Avenue. The female yelled at Sable, stating, "Why do you have to let those God damn dogs out all the time?" The male neighbor exited the residence and also began yelling at Sable. Sable stated that the incident made her fear for her and her dogs' safety. Sable further advised that since the original incident, her children have put up a tarp along the fence to prevent her dogs from seeing the neighbor in an attempt to alleviate the tension between her and her neighbors. Sable was advised to contact MHPD for any further assistance with the incident.

4519 - CARS CLEAR FROM WALVERN AND OBAMA.

On September 12th, 2022 at approximately 0850 hours, I, Pltm. Westfield #554, along with other Maple Heights Units responded to Obama Elementary School located at 5800 Glenwood Ave. for a regarding a video of a student with a firearm.

Upon our arrival, Sgt. Allen #519, and I, met and spoke with, head of Security Asim Rose, who showed us a video of Mikoko Hazzard 10-year-old, male playing with a black firearm. Security supervisor Rose mentioned that another student provided him with the video. Supervisor Rose stated that the student sent the video of him playing with the firearm to his other friends which was a group text chat with approximately 4-5 other students.

I observed the video; Mikoko was seen pulling the black firearm from his red front middle hoodie pocket with his right hand. Mikoko than pointed the firearm towards his phone screen while holding the phone with his left hand. I observed the video and it appears that Mikoko was clearly not on school grounds while he was in possession of the firearm. Mikoko told the school staff that he recorded the video on Sunday, September 11th, 2022. Mikoko's mother, Ciara Thomas, responded to the school. Ciara mentioned that they're bouncing from home to home with multiple family members. Ciara stated Monday - Friday they stay at her aunt, Nicole Thomas's, house located at 15408 Walvern Blvd. and on weekends they sleep at other family members houses (in Shaker Heights and Cleveland). Ciara mentioned that Mikoko and his friends play with BB Guns. Officers made contact with Nicole to search her home for the firearm. Nicole signed the consent to search waiver. Officers searched the residence and did not locate any firearm. NOTED: The background video footage of the student playing with the firearm, was not the same background in Nicole's residence. The color of the wall and the window frame are different and there is an air conditioner unit in the window, which is not in any windows of the house on Walvern. It's clear that he did not have possession of the firearm in the City of Maple Heights. Ciara stated she believed the firearm belongs to Paris Garrett, who is Ciara cousin who reside in Bedford. Ciara contacted Paris and asked him how did he allow Mikoko to gain access to a gun. Paris told her that he no longer had the gun, that the gun he had was taken by another person. At this time, we cannot decipher where Mikoko was when the video was taken. However, the gun was never on school property nor Mikoko never threatened with the firearm. DCFS will be contacted in reference to this incident.

On September 12th, 2022 at approximately 1425 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby for a report of assault. Upon my arrival, I met and spoke with complainant, Latisha Baker, who stated on September 11th, 2022 she and her live-in boyfriend, "Muk" engaged in a verbal argument. Latisha stated she left the residence until the situation die down. Latisha stated Muk began calling her cell phone nonstop attempting to argue with her. Latisha stated she ignored Muk calls for day, upon returning home at approximately 2300 hours Muk damaged her 2017 GMC Terrain bearing Ohio License Plate #JTA7941, by throwing a brick at his driver side window and front windshield.
