On the above date and time, Officers responded to the area of a 5479 South Blvd. for a 911 hang up, suspected to be a domestic in progress. On arrival, Officers were initially unable to locate the exact address of the 911 call. While Officers were in the area, a female was observed leaving 5476 South Blvd and getting into an Uber vehicle. As Officers were canvassing the area, the female in the Uber shouted out to Officers that she was ok. Officers established contact with the female who was sitting in the backseat of the Uber and identified her as Anika J. Joyce. Anika continued to state "I'm good" and "I'm ok". She was uncooperative providing Officers information as to what transpired that required Police assistance and denied calling 911 at first, however, she admitted to calling as Officers continued to speak to her. Anika provided an Ohio I.D. that was ran through LEADS. Her information returned with an active warrant through the Maple Heights Police Department for theft (OCA: 1905693/ LID: 09360137). Anika was ordered out of the vehicle to be placed in handcuffs. Anika was compliant and as she was being placed in handcuffs (checked for spacing and double locked) she stated "If I'm going to jail, Chris going to Jail. Chris is going to jail too bitch". Anika was advised of her warrant at that time. Anika then motioned to her face and asked if it looked bad. A laceration was observed on Anika's right eyebrow. Anika was then asked who Chris was and what had happened. Anika did not provide an explanation to any questions asked. Anika was then transported to the Maple Heights Jail for her warrant with no issue. Due to a prior report (Ref: 2210202025), it is suspected that Christopher D. Simmons is the "Chris" Anika was referring to. This suspicion was unable to be confirmed due a lack of cooperation from Anika. If further pertinent information is discovered, a report will be made. stated was for The Children's Place. Knowles stated the account was opened on 03-18-2022 and is currently showing a balance of \$2,200. The second account is through 12 ZIBBY and shows a current balance of \$1,375. Knowles denied opening up either of these accounts. Knowles was given the Identity Fraud packet and it was explained to her that she would have to report this to the credit bureaus.

I spoke with Ray Kuchta on 12/12/2022 who advised around 1012 hours a black male in his early 20s entered the shop and asked to use a jump box for his vehicle. The male was wearing a tan jacket and green hoodie underneath. Ray let him borrow a gray DSR battery box (valued at \$250) and watched him walk across the street to Valero to jump his silver four door sedan (unknown make/model/license plate). The male then entered his vehicle with the jump box, exited out the western exit of the Valero and drove east onto Granger Rd. An employee attempted to follow the unknown male, who proceeded to run through several red lights at which point the employee no longer followed. Ray advised he wanted the incident documented. I spoke with an employee at Valero gas station who advised me when the owner comes in, he will check his cameras during the time I provided to advised me if he has any further information. LK558

MALE IN THE LOBBY FOR A FRAUD REPORT					
I spoke with Jason Coats who advised that on 11/24/2022 he began speaking with a female on facebook named Katrina Jackson that he had not met in person. Jason advised Katrina lives in Russell Springs KY, is 29 years old and was born on 02/15. Jason advised he sent Katrina \$150 to help her out with rent from Cash App which is linked to his Dollar Bank account. From 11/24/2022 until 12/11/2022 Jason sent Katrina five additional payments totalling \$520 (for a grand total of \$670). Katrina advised Jason she was receiving a final check from her employer and would sign it over for him to cash. Jason received the check for \$1900, took it to Dollar Bank and deposited it into his account. On 12/12/2022, Katrina was supposed to be arriving via Greyhound to meet Jason. Jason left at 0800 after Katrina had not arrived when expected and was advised no buses were expected from Kentucky that day. Jason then called his bank who advised the check he cashed was no longer good and that Katrina's Cash App account was linked to someone named "Thea Boothe". Jason filed a report with his bank who advised him to file a report with the police, and they would close his account and open a new one. I was unable to locate any suspect information for a Thia Boothe or Katrina Jackson through a search of LEADS, OLEN, or OHLEG. Jason was unable to provide any legible photos of the check he deposited. Jason was advised the incident would be documented and if any identifying suspect information was located a criminal report may be generated. LK558

CALLER ADVISED A REPO TRUCK DAMAGED TO THE STEPS TO HIS HOUSE WHEN TAKING A VEHICLE. OCCURRED TODAY AROUND NOON					

--568--

On 12/12/2022 at approximately 1525 hours, I, Ptlm. Duncan #568, responded to 21105 Watson Rd. for a damage to property report. Upon arrival, I spoke with the complainant, Roderick Price. Price stated that between 1200-1230 hours today, Relentless Recovery repossessed his girlfriend's vehicle (OH plate JKE4349 VIN:1GKS2CE04BR164500) from his house. Price stated that during the repossession, Relentless Recovery caused damage to his concrete step located on the west side of his house. Price showed me the damage he was talking about and it appeared that one of the vehicles pulled the step away from the house. Price stated that the tow truck operator also caused damage to 21101 Watson Rd (the house just west of his). The occupant of that home and Price confronted the driver and he denied causing damage to either home. The driver left the scene with the vehicle. Price described the repo truck as a black and green truck and stated he saw "Relentless Recovery" on the truck.

I contacted a representative of Relentless Recovery and they were able to confirm that the vehicle was repossessed by them at 1215 hours. They were unable to provide a name or ID number for the tow truck operator. I requested to have a manager contact me by the end of my shift today.

On 12/10/2022 at 0551 hours, an email was sent to the Maple Heights Police Department referencing a noise complaint and parking complaint at a house across from Gabor's Deli. I was advised of the complaint on 12/12/2022 and made contact with Richard Veal who lives at 5695 Dunham Rd. Richard advised he had a birthday party the evening before the complaint and one of the guests had parked on his front lawn. Richard advised that the guest had also received a parking citation that evening. At the time of my arrival I did not hear any loud music from his residence and all the vehicles were parked legally in his driveway. Richard was advised of the complaint for any future gatherings at his residence. LK558

 CITE ISSUED X1.

While assisting Ptl Duncan #568 on a traffic stop in marked patrol vehicles(see MA22-10268982), I observed a black Dodge Durango bearing OH registration JCH4186 travelling eastbound on Raymond Street approaching Philip Ave. The Durango stopped at the stop sign, then continued through the intersection eastbound on Raymond St. As the vehicle passed the traffic stop, it began to excessively "rev" its engine, creating an excessive amount of noise. I turned my patrol car around and followed the Durango where it went left of center, facing east in the westbound lane, and proceeded to back into the driveway of 5080 Arch St. I activated my lights and siren at which point the vehicle stopped and the driver, later identified as Decarlos Adams, exited the vehicle without being prompted. I advised Decarlos the reason for the traffic stop at which point he provided his drivers license and insurance. Decarlos was issued citation P29654 for Excessive Muffler Noise (ORD 438.21) and provided a Maple Heights Mayors Court date of 01/10/2023 at 1530 hours. Decarlos was issued a verbal warning for left of center and window tint. LK558

On 12/13/2022, I, Ptl King #558 responded to T Mobile for the report of a disturbance. On my arrival, An unknown individual (later found to be a customer) let me inside and advised me that the caller, Richard Dobson, was causing a disturbance inside the store. I asked Richard to step outside and speak with me outside the store. Richard advised me that he was waiting for service inside the T Mobile when a new customer entered the store and an employee began speaking with them. Believing he was cut in line, Richard began to protest that he was next, at which point several customers began yelling at him. Richard than advised me he wasn't sure if his poor treatment was a "black thing". I advised Richard to stand outside and went inside to speak with the employee who assisted him and the manager. The employee, Kevona K'Shon Cohen-Fluker, advised me that she exited the rear of the store and observed a new customer enter and went to greet them. Richard became upset advising he was the next customer. Richard then began recording employees and getting extremely close to them where Kevona was concerned for her safety. Kevona advised she had to push Richard back to create distance because of how close he was getting to her. The manager, Michal Zietz, advised me that he heard the arguing and exited from the back and observed that several customers were yelling at Richard while he was attempting to get within arms reach of Kevona to record her on his cellphone. While speaking with Michal and Kevona, Richard walked into the store which began to cause a commotion. I advised Richard he was being formerly advised of criminal trespass and if he were to reenter he would be arrested or cited. I told Richard to wait for me outside and I would speak with him when I was completed. Richard then began to pace outside of the store windows back and forth while recording on his cellphone. While continuing to speak with Michal, Richard then reentered the store at which point I ordered him back outside. I explained to him he was violating the criminal trespass order I just advised him of and Richard continued to argue and attempt to speak over me. Richard now added that a customer in the store in a blue jacket with white stripes had struck him during the incident before my arrival. Officers then received a call of a man with a gun on the other side of the city (MA22-10269130). Officers escorted Richard off the premises and responded to the other call. I returned after the call was completed and asked about the female in the blue jacket. Michal advised it was an unknown customer and she had received a free screen replacement so no information from her was gathered. I asked about Richard claiming to have been struck, and both Michal and the employees advised the unknown customer had been trying to get in front of Kevona while Richard was attempting to record her. I asked Michal about viewing video footage. He advised me he would have to put in a request and was given my information to contact me with the footage. If any criminal activity is observed in that footage and a suspect is able to be identified, a criminal report will be generated. LK558

On 12/13/2022 at approximately 1505 hours Aux. Lt. Thomas advised of a fight that was in progress at Stafford Park. Sgt. Frazier #540, Ptlm. Mijangos #551, Ptlm. King #558 and I, Ptlm. Duncan #568, responded to the scene. Upon arrival we observed several juveniles in the area but none actively fighting. A school official on scene was able to point out the female who started the fight. I attempted to speak with the juvenile and she would not tell me why she was upset. I was able to speak with the juvenile's mother Jaclyn Davis (DOB 12-20-82) on the phone. Jaclyn stated that she was currently in the hospital. I advised Jaclyn of

the situation and that the school would be contacting her about the incident.

At 1626 hours I was dispatched to 5692 Adams St for a juvenile complaint. Upon arrival I spoke with Dariel Wilson who stated that the juvenile and her friends were just at her house, attempting to fight her juvenile sister. Wilson stated that the juvenile was jumped by another juvenile female at Stafford Park earlier today. I spoke with juvenile 1 and she stated she has been having issues with juvenile 2 for months. Juvenile 1 stated the issue between them is an ex-boyfriend they share. After speaking with Juvenile 1, I was approached by Darlisa Wilson. Darlisa stated that she was struck by one of the juveniles. Wilson stated she was stuck in the back of the head and did not require medical attention.

I spoke with juvenile 1 at her residence on 16775 Gerard Ave. I also spoke with Denasia Pickens who stated she was in charge of juvenile 1 while Jaclyn was in the hospital. Juvenile 1 stated that juvenile 2 and her friends actually came in front of her house right before police arrived. Pickens was advised of the situation at Stafford Park and that the school would be handling this internally. Juvenile 1 and juvenile 2 were advised to stay away from each other.

CRIMINAL DAMAGE TO AUTO. CALLER STATES SOMEONE ATTEMPTED TO STEAL HER VEHICLE A 2020 KIA FORTE GREY IN COLOR THE REAR

WINDOW IS BROKEN
CALLER STATES HER ALARM JUST WENT OFF ON HER VEHICLE
SHE DID NOT SEE ANYONE

I spoke with the caller, Tyknisha Patterson. Tyknisha stated when her vehicle alarm activated. She walked to her vehicle and observed the rear passenger side window was broken. I observed the inside of Tyknisha's vehicle. I did not observe any damage to the steer wheel. I canvassed the area for security cameras, but none were found. Tyknisha just wanted this incident documented for insurance purposes. I provided Tynisha the CAD incident number. Photographs of the vehicle damages were attached to this sheet. ML563

On December 14th, 2022 at approximately 1648 hours, Dispatch informed me that, Tyknisha Patterson, wished to add additional info to her statement. I contacted Tyknisha via telephone and she informed me that the following morning upon returning to her vehicle she found that person(s) unknown took approximately \$1,000 worth of Christmas gifts from her truck, two car seats which was located in the rear seat and a gold necklace chain unknown value. Tyknisha was advised her report will be updated.

Complainant believed her PNC Bank account had been hacked. She presented a piece of paper from PNC that stated nothing about a loss of money, but something having to do with an account validation. The complainant while explaining this had numerous other complaints about several different things that did not make a lot of sense. She could not provide any documentation for anything she was speaking about. She was advised to contact PNC in the morning and follow-up with them and to return with any further information if provided. COB549

MHPD officers responded for an unwanted guest at 5328 Clement St. During the incident, the subject, Jeffrey Whitted, learned of his prior warrants and attempted to flee on foot from officers. Once apprehended, Mr. Whitted threw a baggie of suspected crack cocaine over a 6-foot gate, which landed in the neighbors back yard. Mr. Whitted also possessed two small baggies of marijuana, a digital scale and rolling papers in his front right pants pocket. Mr. Whitted was issued citations for the marijuana and paraphernalia possession (see report MA22-10269998).

TAKING A REPORT FOR A FRAUD, WALMART CARD.

On Wednesday, December 14, 2022 at 2040HRS, I made contact with Michelle Gorman via telephone. Gorman had e-mailed MHPD to report that her Walmart.com account had been hacked and that someone had attempted to purchase \$215.29 worth of products from the website at 1113HRS on Tuesday, December 13, 2022 and send them to a Nicholas Wu, at 300 E Lake Mead Parkway, Henderson, NV, 89015. Walmart.com reportedly flagged the purchases as fraudulent and canceled the order and refunded the money to Gorman. Gorman proceeded to cancel her Walmart credit card that was associated with the account that evening. At approximately 1400HRS on Wednesday, December 14, 2022, while reviewing her Walmart.com account, Gorman observed that she had a chromebook laptop in her shopping cart that she had not put in there. Gorman proceeded to cancel her Walmart.com account. Gorman downloaded screen shots of the transaction details and emailed them to me. Gorman also contacted the Henderson NV police department to report the incident to them. Henderson PD advised Gorman to report the incident to MHPD as she resides in the city. Gorman was provided with the sheet number and advised to keep track of all charges on her credit/debit cards to make sure none of them were compromised.

Upon my arrival I made contact with Derek Wallace, who advised that his girlfriend, Kayla Murray, drank bleach following a verbal argument between the two. Wallace further advised that Murray suffers from postpartum depression and had been drinking alcoholic beverages since 1700HRS. Officers located Murray hiding in a bush behind 14504 Tabor Avenue. MHFD Rescue Squad responded to 14504 Tabor Avenue and made contact with Murray. Murray advised that she had not drank any bleach and that she simply left the home to get away from the argument. Murray was not exhibiting signs of poisoning and was coherent and able to answer all questions. MHFD Rescue Squad medically cleared her. Murray was escorted back to her home at 14513 Brunswick Avenue. Officers made contact with Murray's mother, the owner of the home and advised her on how to complete the eviction process.

On December 15th, 2022 at approximately 1042 hours, I, Ptlm. Westfield #554, was radio dispatched to Rite Aid located at 21800 Libby Rd. for a report of counterfeit funds. Upon my arrival, I met and spoke with the manager, Jake Sparks, who informed me that someone unknown entered the business on December 8th, 2022 and December 12th, 2022 with counterfeit funds and purchased two \$500 gift cards. The subject(s) spent a total of \$2,000 in counterfeit funds. Jake stated the bank took possession of the funds and also notified the United States Secret Service regarding this incident. Jake was able to provide me with the United States Secret Service submission #(203-2023-000105-W) and (203-2023-000103-W).

At this time, it is unclear if it was the same subject on both days. Jake mentioned they're conducting an eternal investigation to determine if it was the same store employee who took \$2,000 in counterfeit funds.

She stated that they are accusing her of owing a water and sewer bill that is in arrears as well as November's rent. She stated that she arrived home today to see that the property management had come, emptied out all of her belongings into a dumpster, which is out front, and changed the door locks. I spoke with the manager of Drug Mart, Jason Kucsma, who stated his cashier provided an unknown male with three separate money orders in the amount of \$600.79 each for a total of \$1802.37 on December 11, 2022 at 1849hrs. The male paid with 19-\$100 bills. These bills were transferred in their night deposit at the bank. Jason stated the same male is on camera making another three money orders in the amount of \$600.79 each for a total of \$1802.37 on December 14, 2022 at 2016hrs. After making this transaction and after the male had left the store, the head cashier began to count the night deposit and noticed that these 19-\$100 bills were counterfeit. Jason provided me with a still photo of the same male making these transactions. The male is described as a medium complex black male with a thin mustache and a short faded hair-cut. These photos are attached to this CAD. Jason provided me with the second set of 19-\$100 bills, but stated they have yet to hear back from the bank about the first set, however, they are expecting a call from the bank soon.

I spoke with Agent Wes at the US Secret Service. Wes stated that the amount is not enough to make a federal case, however, he wanted the documents from Drug Mart along with the photos of the suspect. Wes provided me his email of Wes.Mackey@USSS.DHS.GOV. These documents and photos were emailed to the said address. Wes advised me he will contact me if he was able to identify the male in the photo.

DONNIVAN GRESHAM 11/05/2018

On December 15th, 2022 at approximately 1530 hours, I, Ptlm. Westfield #554, was radio dispatched to Raymond St and Joseph St. for a report of a found juvenile approximately the age 3 years old. Upon my arrival, I met and spoke with the City School Bus Driver, Amir Stoner, who was operating School Bus #11. Amir stated while in the area of Maple Heights Blvd and Hansen Rd. Amir observed a wondering juvenile approximately 3-year-old walking on the side of Community Baptist located at 5045 Warrensville Center Rd. which is three houses from the juvenile's residence. Amir contacted his boss, Charinita McDonald, who advised Amir to continue with his route while she contacts the police.

Officers responded to the area of Hansen Rd. and was flagged down by a male later identified as, Brian Gresham, who was currently looking for his 4-year-old son, Donnivan Gresham. Brian stated they were getting ready to leave the residence at 1530 hours to pick up his daughter from school. Brian stated that Donnivan walked out the front door. Brain stated when he noticed Donnivan was not inside the residence he immediately began searching for him. Brian informed me that he currently does not have a working phone, therefore he had to use a neighbor's phone to contact the Maple Heights Police for assistance, which he contacted police at 1552 hours. Donnivan was turned over to Brain.

Charinita informed me that Amir had Donnivan for approximately 10 minutes before officers arrival.

Child & Family Service was contacted regarding this matter. They advised they do not have any open complaints nor cases with Brain.

On Thursday, December 15, 2022, at 2112 hours, I, Cdt. Field #573, and Ptl. Colangelo #567, responded to Maple Heights Police Department lobby for an animal complaint that occurred at 14916 Brunswick Ave. We spoke with Jordan Vargo who stated that between 1030-1100 hours, while he was in his driveway cutting wood, the dog from 14912 Brunswick Ave ran aggressively towards him and ran onto his driveway from his neighbor's yard. Vargo stated that he took a 2x4 piece of wood that he had been cutting to use it to push the dog away from him. The male that lives in 14912 Brunswick Ave came out and called to the dog "Chloe" for approximately a minute before the dog responded and ran back into the house. When we asked Vargo what the dog looked like he stated that it looked "big and aggressive" but when asked what the color of the dog was he was unable to definitively describe it. Vargo went on to state that the dog was possibly black and white, but that he knows his neighbor owns a black and white dog but did not know if it was the one that attempted to attack him. Vargo stated that he does have security cameras but that they did not capture the incident because he turns them off while he is on the property. Vargo was advised that officers would document the incident. CF573/FC567

On Friday, December 16, 2022 at 0026HRS, I, Ptl. Jochum #571, was dispatched to 20509 Franklin Road for a disturbance involving a male and female. Upon my arrival, I made contact with Barbara Curtis. Curtis advised that Adryell Montgomery, a resident of the group home that Curtis manages, returned home at approximately 0000HRS. Upon his return home, Montgomery began watching television at a loud volume. To prevent fellow residence from being disturbed, Curtis asked Montgomery to turn the volume down. Montgomery became irate and began yelling at Curtis. Montgomery proceeded to throw the television remote at Curtis, at which time she ran to the bathroom, locked herself in, and called for police. Curtis further advised that Montgomery suffers from schizophrenia and that he regularly is late in taking his prescribed medications, which often results in him having outbursts. Officers made contact with Montgomery in his upstairs bedroom. Montgomery agreed to stay in his room for the remainder of the evening.

On Friday, December 16, 2022 at 0508hrs, I, Ptl. Jochum #571 responded to 20917 Clare Avenue for a weapons offense call. Upon my arrival I made contact with Jessica Gadison. Jessica stated that her neighbor, who she knows only as "Sir", was standing in front of his house (21002 Clare Avenue) with a shot gun in hand, pointing it at her friend's unoccupied vehicle. Jessica stated that "Sir" did not make direct threats towards her or her friend during the incident. Jessica's friend, "Mack Washington", left the scene prior to Officers arrival. Upon "Mack" leaving Jessica's residence, "Sir" and his unidentified friend proceeded to enter a parked Hyundai SUV and left the area in an unknown direction of travel. Jessica further advised that on Wednesday, December 14, 2022 at approximately 1430hrs, while her friend was parking his vehicle in her driveway, Sir approached the male with a second unknown male and began speaking to her friend about Jessica's guests parking in front of his house. During the incident neither "Sir" nor his friend brandished any weapons or made any threats. The incident was captured on security camera, which allowed me to get photographs of both "Sir" and his unknown friend. Photos of the men have been uploaded to this sheet.

Jessica stated that tensions between her and "Sir" have been high since he has recently begun approaching Jessica's guests and telling them to move their vehicles from in front of his house. Jessica believes that "Sir" is consistently armed with a firearm while he is interacting with her guests, however he has never brandished the firearm during the interactions. Jessica was unable to advise of "Sir's" name or contact information. Jessica was advised to contact her ward representative to set up a mediation between her and "Sir".

I attempted to make contact with "Mack" via telephone; However, the phone number that Jessica provided me for Mack is no longer in service. Jessica was advised to have "Mack" file a report with MHPD if he wishes to file a report in reference to this incident.

BUSTED BACK WINDOW OF VEHICLE 2013 KIA SORRENTO
POSSIBLY OCCURRED BETWEEN 2A-5A

--568--

On 12/16/2022 at approximately 0817 hours, I, Ptlm. Duncan #568 was dispatched to 16741 Gerard Ave. for a damage to property complaint. Upon arrival, I spoke with Dominique Allen (the victim). Allen stated that overnight, someone broke out the driver side rear window to her Kia Sorento (OH plate JWX2967 VIN: 5XYKTCA66DG322016). Upon investigating further, I also observed that the steering column had been peeled down. Allen stated she last saw her vehicle at approximately 0100 hours, when she parked it in her driveway. Allen observed the damage to her vehicle at approximately 0700 hours. I checked the area and did not locate any cameras to potentially capture suspect information. This is being documented for insurance purposes only.

--568--

On 12/16/2022 at approximately 1426 hours, dispatch advised officers of a non-verbal, male juvenile, attempting to gain access to the caller's residence at 5110 Greenhurst Dr. Ptlm. St. John #548, Ptlm. King #558, Ptlm. Ross #570, Ptlm. Vasko #566 and I, Ptlm. Duncan #568 responded to the area.

Upon arrival, officers met with the caller, later identified as Raya Norman. Norman stated that she observed a small juvenile attempting to enter her residence through the side door. Norman stated teh juvenile was wearing only a t-shirt and a diaper. Ronald was also carrying a blanket with him. Norman allowed the juvenile to enter her residence. Once inside, Norman attempted to speak with the juvenile but he would not respond. I attempted to speak with the juvenile and he also would not respond to me. The juvenile did not appear injured in anyway and was skipping around the house, eating pizza. Norman provided the juvenile with a pair of pants. Ptlm. Ross transported the juvenile to the Maple Heights Police Department. Once on station, the Maple Heights FD was requested to

check the juvenile's well being, since he was outside for an unknown amount of time without a coat, pants or shoes. Due to the juvenile being non-verbal, Maple Heights FD transported the juvenile to Marymount Hospital.

At 1701 hours Sean Greene contacted the Maple Heights Dispatch to report the juvenile as missing. I, Ptlm. Duncan, responded to Sean's address, located at 5113 Greenhurst Dr. Upon arrival, Sean stated that he last saw the juvenile at approximately 1630 hours. Sean stated that he fell asleep and that his son must have wandered off. I advised Sean that his son had been missing from his residence since 1426 hours, when Norman reported him at her side door. Sean stated he must have misjudged the time. Sean was issued a misdemeanor citation for Child Endangerment (MA34954) with a Garfield Heights court appearance on 12-28-2022 at 0830 hours. Sean was advised that the juvenile was currently at Marymount hospital and a representative of Child Protective Service was on scene with him. I contacted 696 KIDs and also reported this incident. I was given incident number 22546314.

On 12/16/2022 at approximately 1540 hours, I, Ptlm. Duncan #568 observed a dark colored Ford Fusion (OH plate HNP8970 VIN:3FAHP0HA5CR168416) traveling east bound on Granger rd near Maple Ave. I observed the Fusion passing stopped cars on Granger Rd by traveling left of center. When the vehicle reached the intersection of Granger Rd. and Libby Rd the vehicle went through the red light. I initiated a traffic stop on the vehicle and while speaking with the driver, identified as Roger Ortiz, I was advised by Chief Hansen #183, that he observed the Fusion go through the red light on Granger Rd at E141 st. At the time of these violations, traffic was heavy. Ortiz stated that he was on his way to pawn some jewelry so that he could pay bills. Due to Ortiz's driving with a willful and wanted disregard for the safety of the public, he was issued a citation for reckless operation (P29530). Otiz's vehicle was also towed by Interstate towing for this violation. Ortiz has a mandatory Garfield Hts Municipal Court appearance on 12-28-2022 at 0830 hours.

On 12/17/2022 I spoke with Summar Anderson Slaughter. Summar advised on 12/05/2022 she applied for a data entry job with Micro-Sphere SA. She interviewed on 12/06/2022 and was offered a position on 12/07/2022. Her supervisor "Liana Meneghin" advised her to contact a "Jennifer Wood" and "Amanda Suydam" to order equipment and set up an office space. Summar was sent two checks by Silicon Valley Bank. One for \$4830.10 and the other for \$2510.20. Summar deposited the checks into her Key Bank account. Summar sent Jennifer \$2915.10 and sent Amanda \$1000. Both payments were sent on 12/13/2022. The next day, Summar was advised by her bank that her account was locked and that the checks she deposited came back to a real account with Silicon Valley Bank, but not one belonging to Micro-Sphere SA. Summar called Micro-Sphere and asked about the checks she had been sent. The receptionist she spoke with advised that she was confused by the situation and did not know who Summar was. The receptionist advised the company she worked for was Micro-Sphere not Micro-Sphere SA. Summar contacted her bank and they advised her to complete a report with police. Several photos of Summar's documents and bad checks were electronically attached to this sheet. If a suspect is able to be identified, a criminal report may be generated. LK558

On 12/18/2022 at approximately 1121 hours, I, Ptlm. Duncan #568, responded to 20116 Libby Rd. for a burglary report. Upon arrival, I spoke with the caller, Jessica Malave. Jessica stated that she is an agent with Realty Now Property Management. Jessica stated she was showing the house to a potential tenant today, when she observed that the front door was wide open. Jessica checked the interior of the residence and observed damage inside of the residence. Copper pipes were removed from the first floor bathroom and from the basement. Jessica showed me the basement and I observed running water where the main water pipes used to be attached. Jessica stated that the house has been vacant for approximately 2 months and that the previous tenants moved out willingly. At this time there are no suspects for this crime. There were no video s or witnesses for this crime. Photographs for the damage have been attached to this report. Should a suspect be positively identified a criminal report will be generated.

CALLER IN THE LOBBY TO REPORT HIS NEIGHBOR DAMAGED HIS FLOOD LIGHT ON THE HOUSE AND TO DROP OFF VIDEO FOOTAGE FROM
LAST NIGHTS INCIDENT

On Sunday, December 18, 2022 at 1323HRS, Jordan Vargo, responded to the lobby of MHPD to report that the motion activated flood light on the west side of his property (14916 Brunswick Avenue) was damaged sometime in the early morning hours. Vargo further advised that he believes that his neighbor, Terrence Smith, who resides at 14912 Brunswick Avenue, is the culprit, however he does not have proof. Vargo stated that over the course of the proceeding two weeks, he has filed five reports with MHPD in reference to Smith damaging his property. Vargo estimated the cost of the damage to the flood light to be approximately \$200.00 dollars. I attempted to make contact with Vargo's neighbor, who resides at 14915 Brunswick Avenue to gather possible video camera footage of the incident; However, I received no answer at the door. I attempted to make contact with Smith at his residence; However, I received no answer at the door. Photographs of the damage to the motion activated flood light was documented and will be uploaded to the digital filing system for this sheet.

Spoke with Aisha Ford and Vernon Jackson. They were here to exchange custody of their child. Vernon had the child and was turning it over to Aisha. Vernon was upset that Aisha's mother, Diane Blevins, was trying to take the child instead of Aisha. No parties had any court paperwork stating what the actual arrangements were or backing any of the other claims they were making. Officer's tried to advise the parties we would document the incident, but parties were agitated with each other and were shouting and talking aggressively between them. The parties were more focused on being petty and childish with each other than listen to anything officers were trying to say. Aisha had called police first to say Vernon was not giving the child back. Vernon followed up calling police and stating he was scared of the two females and wouldn't come into the police station. Vernon stated he would turn the child over, but wanted everything they were doing and saying reported. He also stated to record that Aisha was talking to him. This made Aisha and her mother agitated and they all began yelling at each other again over top of officers. Aisha took possession of her child while she, her mother and Vernon continued shouting and being childish. The parties were

advised this is a civil matter that needs to be handled in family court. COB549
