MESSAGE LEFT FOR ANIMAL WARDEN

Upon my arrival to the area, I was waved down by juveniles at 5499 Clement Street. The juveniles directed me towards the back yard of 5493 Clement Street and said there was a dog loose. The juveniles later informed me that the dog had wandered from the property prior to my arrival. I tried approaching the dog, which was large. The dog seemed aggressive. Other officers and I were able to control the dog and transport it to the Maple Heights Dog Cages without incident. Prior to leaving the scene, I noticed that the dog had a bowl outside but it was empty. There was no sign of food or water left out for the dog. The dog had a collar around its neck but no registration attached. When the dog settled, it was apparent it was not being fed as needed for the size of it. The dogs ribs and spine were showing due to the perceived lack of nourishment. The homeowner, and owner of the dog, Anthony Crawford, who had left the dog unattended, was cited for Animal at Large (MA35134), Registration of Dog (MA34555) and Neglect of Animals (MA34556). MH547

On Monday, December 5, 2022 at 2051HRS, I responded to 17507 Maple Heights Blvd. for a complaint of solicitors in the area. Upon my arrival I made contact with Denise Dammons. Denise advised that throughout the afternoon a male and female wearing neon yellow work jackets knocked on her door three separate times. On the third and final time the two knocked on her door, Denise opened the door and told the individuals to stop soliciting and to leave her property. The male reportedly started laughing while approaching the house, at which time Denise closed her door and contacted police. The male did not attempt to make contact with Denise again. Denise's doorbell camera captured footage of the two individuals. Photos of the individuals were documented and uploaded to the digital filing system for this sheet. Denise was advised to post a "No Soliciting" sign on her property.

I received a notification from Flock about a stolen vehicle, 2009 Toyota Corolla black in color traveling north on Warrensville Center Rd by Donnybrook Rd. As I was searching the area, I located the vehicle in the driveway of 20503 Libby Rd. As I was approaching the driver side of the vehicle the driver, later identified as Fatima Berthe which was confirmed through her BMV photo, opened the driver side door. Fatima was asked to step out and was detained pending our investigation. The front seat passenger, Ronnie Thompson, was also asked to exit the vehicle and was detained pending our investigation. I advised Fatima the license plate on her vehicle was coming back to a stolen Toyota Corolla. Fatima stated the plate belonged to her cousin who was the owner of the Toyota. Fatima stated she dropped her vehicle off to a "Hihth Bunch" to get her back windshield fixed. "Hihth" placed the license plate on her car because her temp tag was expired and she had the license plate in her trunk. Fatima stated her cousin put the license plate in her trunk at some point. Fatima was advised she would be issued a citation (P29579) for Fictitious License Plates (ORC 4549.08) with a Garfield Heights Municipal Court date of 12/14/2022. The vehicle was towed by Kelly's Towing. The license plate was removed and entered into evidence TN:32056. BF572

On 10/28/2022, Att. Gregory T. Stralka was appointed the fiduciary over the estate of 77 year old William Kish who was found deceased in his home on 12/09/2021 via an apparent suicide (MA21-10234229). Atty Stralka was notified that between the dates of 03/09/2022 and 04/14/2022, \$38,030.43 was taken from William Kish's PNC bank account xx-xxxx-x502. Atty Stralka did not know who had access to William's bank account prior to him being named fiduciary. Atty Stralka did not wish to make a written statement to this, however, he did provide a copy of that month's bank statement. Atty Stralka stated PNC bank has already re-reimbursed the account of all funds from those transactions and probate court advised him to report the incident to the police so PNC Bank can investigate whether this were in fact unauthorized transactions that took place prior to Atty Stralka being named fiduciary and executor of the estate. The original suicide report, listed above, will be supplemented. GRA519

I spoke with Jordan Vargo in the police lobby. Jordan stated after speaking with officers earlier in the day he went back to the property to put up a security camera on the garage. While doing so, his neighbor that he is having trouble with came outside yelling profanities at him. Jordan stated he is scared for his safety when he is at the property remodeling. Jordan stated he believes the neighbor will come back onto the property in the evening sometime and continue to damage his property. Jordan stated the neighbor across the street has a camera that covers his property. Jordan stated he would try to obtain the video from the neighbor. Jordan advised he would like extra patrols in the neighborhood as no one should be on his property. Jordan was advised on how to obtain a CPO. A report was generated by Ptl. Thomas REF 2210258785. An email was sent to Ptl. Thomas in regards to the incident. BF572

Thomas had thrown a glass at a wall in the hallway where no one was after being upset. There was no violence or threats of violence. Thomas was highly agitated with his family and became aggressive with officers. Thomas continually talked about wanting to die and going to hospice. Thomas said he would shoot at officers so we would have to shoot him back. Thomas' family stated they were tired of dealing with him and his aggressive nature. On Friday, December 9, 2022, at 1236HRS I responded to the lobby of 5373 Lee Road for a report of a civil dispute. Upon my arrival I made contact with Erika Wofford. Erika stated that she paid a \$1,000.00 deposit on a vehicle with Soamazin Automotive LLC. located at 19810 Miles Road, Warrensville Heights, OH, 44128. The employee she paid the money to is a "Shawn Hicks". Shawn reportedly advised Erika that he needed to complete additional work on the vehicle but that upon finishing the work he would contact Erika to pick up the vehicle. Erika further advised that the vehicle she paid the deposit on has been registered in her name. Erika was given a loaner vehicle from the company until the work on her vehicle was completed. While driving the loaner vehicle, she was pulled over by Garfield Heights Police Department, who advised her that the registered plate on the vehicle did not belong to the loaner vehicle. Erika was issued a traffic citation for improper plates. Erika was advised to contact Warrensville Heights Police Department as well as to civil court for the incident.

CONTACT WAS MADE WITH THE PROPERTY MANAGER AND THEY ARE GOING TO BOARD UP THE WINDOW

On Friday, December 9, 2022, I, Ptl. Jochum #571, was dispatched to 14901 Turney Road, for a suspicion call. Upon my arrival I made contact with the caller and resident of apartment 504, Deborah Semock. Semock advised that at approximately 1530hrs she heard glass breaking from the rear ally of her apartment building. Semock then heard loud footsteps running north down the ally. Semock looked out her rear facing living room window and observed a figure in a black hoodie running down the ally. I proceeded to the rear of the apartment complex, where I located a broken rear living room window to apartment 404. While looking through the window Officers observed that the apartment appeared to be vacant with no furniture in the residence and piles of trash scattered throughout the living room, kitchen, and bedroom areas. I also observed that the front door of the apartment was open. Officers made entry into the apartment to check for possible intruders. The apartment checked clear. Officers advised dispatch to contact maintenance for the building and advise them of the incident. Maintenance personnel advised that they would be in route to fix the window. Officers attempted to make contact with first floor neighbors of the apartment, however we received no answer at the doors.

Photographs of the scene were documented and uploaded to the digital filing system for this sheet.

I made contact with Twanisa Hall, the listed leaseholder of the apartment, via telephone. Hall advised that she moved the majority of her items out of her apartment on Tuesday November 22, 2022. Hall returned to the apartment on Wednesday December 7, 2022 to remove the last of her property as well as her curtains from the windows. Hall stated that she is certain that she locked her apartment door prior to leaving on Wednesday. Hall was unable to advise of any potential suspects.

Officers did not observe security cameras on the building that would have captured footage of the incident or suspect.

I spoke with the juvenile callers who explained they were walking home from school with other friends. The juveniles said their friends went into a neighbor's yard on Walvern Boulevard and the neighbor suspected them of trying to steal a package from his property. The neighbor began trying to chase the juveniles. The juveniles ran to their residence, 16012 Walvern Boulevard. The neighbor followed them to the address and knocked on the door. The juveniles called 911 because they were scared. No package was actually stolen and the neighbors resolved the issue amongst themselves. MH547

On Friday, December 09, 2022, at approximately 1710 hours, I, Ptl. Colangelo #567 responded to 5040 Tatra Street for a juvenile who was bit by a dog. Upon

arrival I spoke with the Juvenile, Clifford Finklea's Mother, Johanna Hadu. Johanna stated her son was at the neighbors, Gary Sweeney's house playing with his ten week old pitbull puppy. Johanna informed me Clifford had permission to play with the dog and goes to Gary's house often to play with the dog. Clifford had a small cut either from a dog bite on his top right lip corner. Gary informed me that his dog is up to date with all of his shots, and that the dog does not have any history of biting anyone or any other animal. Johanna stated she believed that this incident was an accident and did not want to pursue charges, and signed a waiver of prosecution. Maple Heights Fire Units transported Clifford and his mother, Johanna to Southpoint Hospital.

The callers stated they had been parked in a parking spot in Southgate and when they wanted to back out, a blue Ford truck was stopped behind them. They beeped the horn to get the driver's attention so the driver was aware they were trying to back out. The driver did not move and the husband got out of his car and asked the driver to move so they could leave. The driver became upset and told the husband he would leave move when he was ready. They exchanged words and when the husband stated he was calling the police the truck pulled away and left the area. The truck did not attempt to follow them home. They were unable to get a license plate of the vehicle and just wanted the incident documented. STB514

On 12-12-2022 at approximately 1142 hours, I responded to 16201 Maplewood Court and spoke with Buffy Juby. Buffy stated she noticed her detached garage port had damage on it that appeared to be from a vehicle striking it. The bricks on the outside of the car port were broken and caved in and there was pieces of a shattered tail light cover on the ground near the broken bricks. Buffy stated she did not see anyone hit the garage port and her home surveillance cameras did

not capture the incident. Buffy stated she wanted documentation of the damage.

47-NOT AS ADVERTISED, CHANGING THE CALL TYPE TO SUSPICION

On Saturday, December 10, 2022 at 1701hrs Maple Heights PD units were advised of two suspicious males looking into a vehicle at Octopharma Plasma (5398 Northfield Road). Upon my arrival I made contact with Nicole Johnson, an employee at Octopharma Plasma. Nicole advised that while walking into the building from the north side door, she observed a small white SUV with a male sitting in the driver seat, parked facing the building next to her coworker's vehicle (Black 2019 Kia Forte bearing OH Reg. HZP4335). Nicole then observed an additional male in a black ski mask looking into her coworker's vehicle through its taped rear passenger side window. Nicole immediately entered the building and gathered additional employees to confront the male. Upon the group of employees exiting the north side door of the building, the male in the ski mask immediately entered the front passenger seat of the white SUV and the two men drove west bound on Southgate Park Blvd. toward Warrensville Center Road.

I made contact with the owner of the vehicle, Antoinette Thomas. Antoinette advised that the broken rear passenger side window had been broken out and her vehicle had been stolen on Wednesday, December 7, 2022. Antoinette's vehicle was recovered on Thursday, December 8, 2022. Antoinette further advised that there was no new damage to her vehicle and nothing had been taken from the vehicle.

While on scene I was advised by the manager on duty, April Lee. April advised that she believed when the males pulled out of the parking space, they side-swiped her vehicle (white 2015 Hyundai Veloster bearing FL Reg. 98CBBA ) Upon reviewing security camera footage Officers observed that there was no contact made between the white SUV and April's vehicle when the white SUV backed out of the parking space. Photos of the white SUV were documented and have been uploaded to the digital filing system for this sheet.

I reviewed Flock camera footage in the area during the time of the incident, however I was unable to locate any images of the suspicious vehicle.

Upon my arrival, I spoke with Tracey Stovall who stated a male that she did not know was inside her vehicle. Tracey stated as she was walking out of Sylk's Bar after dinner when she unlocked her car door. When she got to her car she noticed a male, later identified as Brian Pringle, sitting in the front seat. Brian told Tracey that he thought it was his friends car because when he pressed the unlock button on the car keys Tracey's car unlocked. Brian stated it was a misunderstanding as his friend had a black SUV. Both parties agreed it was a misunderstanding and went on their way. BF572

On Saturday, December 10, 2022 at 2102hrs, I was dispatched to a vehicle that struck a deer near the intersection of Warrensville Center Road and Mountville Drive. Upon my arrival I observed a silver 2018 Toyota Camry bearing OH Reg. with functional damage to the front driverside fender parked in the parking lot of Convenient Food Mart. I made contact with the owner, Katrinas Stepter. Stepter advised that while she was driving south bound on Warrensville Center Road near Gardenview Drive, a deer ran from the east side of the road and into the center most south bound lane of Warrensville Center Road causing Katrinas to strike the deer. Katrinas and her front seat passenger, Shirley Tobias, advised that they were uninjured and did not need MHFD rescue squad to respond. I photographed the damage to the vehicle and have uploaded the photos to the digital filing system for this sheet. Officers removed the deer from the roadway and placed it on the tree lawn in front of 5321 Warrensville Center Road and advised dispatch to leave a message for the service department to have the deer removed.

On Sunday, December 11, 2022, at approximately 1856 hours, I responded to Southgate Park to meet with Deborah Barnes in regards to her Son, Jason Jones. Deborah explained her son Jason is diagnosed with Schizophrenia and Bipolar and has been off his medications for an extended amount of time. Deborah also explained Jason suffers from Post Traumatic Stress Disorder and was a Veteran. Deborah continued to inform me that when Jason was at home he began to have a mental episode and broke the ceiling fan in his room. Deborah arrived home and went to Jason's room. Deborah attempted to calm Jason down. Deborah stated Jason physically removed her from the door entrance to allow him to exit. Deborah stated Jason picked up a knife and then dropped the knife and ran out of the residence. Deborah informed me Jason did not threaten her with the knife. Deborah followed Jason toward Stafford Park and then lost sight of him, and was unsure which direction he traveled. Ptl. Matash #569 and myself searched Stafford Park and were unable to locate Jason. I transported Deborah back to her residence on Beechwood Avenue to have her fill out a missing persons form, other units searched the area but were unable to locate Jason. Deborah did not have any visible injuries and Deborah stated she was not hurt. While Deborah was filling out the information on the form, she received a call from her mother. Deborah's mother stated Jason arrived to her residence at 5500 Northfield Road and then left. Cpl. Basiewicz #514, and Ptl. Jochum #571 searched the area and located Jason near the RTA Bus Stop on Southgate Park Boulevard. Jason complied to being transported to the hospital. Maple Heights Fire Units arrived on scene and transported Jason to Marymount Hospital for an evaluation.

On Sunday, December 11, 2022 at 2045hrs I, Ptl. Jochum #571, was dispatched to 15501 Woodbrook Avenue for a welfare check. Upon my arrival I made contact with Mark Jones. Mark advised that his son's ex-girlfriend, a female he knows only as "Gloriana", has been contacting his family throughout the day and threatening to shoot the house. Gloriana had reportedly texted family members and advised them that she and her new boyfriend were driving around the area of the house in a blue vehicle, unknown make or model. The incident was reported to day shift Officers and a report was generated (Report # MA22-10267592). Officers toured the area but were unable to locate Gloriana or the blue vehicle she was reportedly in. All individuals in the house checked okay.

On Monday, December 12, 2022 at 0155hrs, Officers were dispatcher to 14609 Raddington Avenue for an unwanted guest. Upon arrival Officers made contact with Raymia Miller. Miller advised that at approximately 0140hrs she recieved a notification on her cellphone that her ring security camera had picked up motion in her driveway. Upon viewing the footage Miller observed Raven James, walking up her side driveway and looking into the house windows, then walking back down the driveway. James proceeded to call Miller and tell her to have Rayshaun McKinley exit the house. Miller advised James that McKinley was not in the house, at which time James called the police. James called Miller from a blocked number. Miller recorded the phone conversation. Miller also allowed Officers to view the security camera footage. Miller further advised that she believes James drives a small black car but is unsure of the make or model. Officers toured the area for the vehicle but were unable to locate it.
