LAST SEEN 9/1/2022

ADVISED CIVIL MATTER. THE CALLER AND THE FEMALE HAVE A PAYMENT PLAN ON THE CAR AND SHE HAS POSSESSION OF IT RIGHT NOW.

On Monday September 19, 2022 at 0748HRS, I, Cdt. Jochum #571, was dispatched to the lobby of 5373 Lee Road for an Unauthorized Use of a Motor Vehicle Report.

Upon arrival, I spoke to Varney Gray. Gray stated that his vehicle, a black 2021 Honda Pilot bearing OH Reg. was taken from his driveway at 19405 Longview Avenue sometime on Wednesday, August 31, 2022. Gray further advised that he believes his ex-girlfriend, Sonnie-Yennego Ballah, was likely the individual who took the vehicle. Gray then stated that the reason he is concerned about the vehicle being missing is that the payment is coming due and that Ballah sends him money monthly to pay for the vehicle. Ptl. Kaur advised Gray that due to this fact it would be a civil matter. Previous CAD sheets have noted that Ballah moved out of the residence in November of 2021.

CATO HOUSE REPORTING ELLEN TOWNENSAND MISSING SINCE SATURDAY 9/17/2022. 9/16/1961

LAST SEEN WEARING A RED LONG SLEEVE SHIRT AND BLUE JOGGING PANTS AND HER HAIR IS BRAIDED AND IN A PONYTAIL. B/F BLACK HAIR, BRO EYES 5'6 165 LBS. FEMALE IS SCHIZOPHRENIC AND DIABETIC AND NEEDS MEDICATION FOR BOTH.

Ellen was previously entered as missing (22-10188676), but had returned on 09-14-22. Ellen had not been observed by officers when she had returned. On 09-17-22 at approximately 1530 hours, Ellen left the group home and as of the time of this call Ellen has not been in contact with the staff. Staff informed me, Ellen used to be a residence at the Cato House and this was a normal occurrence with her being at the home for a few days and then leaving. Ellen was placed in a different group home and then was transferred back to the Cato House. Due to officers not observing Ellen when she had returned, the previously L.E.A.D.S. missing person entry is still valid. STB514

On Monday September 19, 2022 at 1705HRS, I, Cdt. Jochum #571, was dispatched to the lobby of 5373 Lee Road for a theft report. Upon arrival, I spoke to Felipe Balderas. Felipe stated that at approximately 1530HRS, he parked his work truck behind the Ohio College Preperatory School at 21100 Southgate Park Blvd. and off loaded his lawn equipment and began completing the landscaping on the building. He returned to his work truck at approximately 1550HRS at which time he observed his Stihl brand leaf blower was no longer in the bed of his truck. Felipe further advised he had purchased the leaf blower earlier in the year for approximately \$600.00, however he did not have a receipt for the leaf blower nor does he have insurance on the equipment. Felipe stated that he did not witness anyone taking the equipment nor did he have any leads on potential suspects. JAJ #571

On Tuesday, 9/20/2022 at 0806 hours, I, Ptl. Zelna #550, was dispatched to the lobby of the police department to speak with Warren Moore concerning an MVA. Upon arrival, I spoke with Warren who advised he was operating his vehicle OH REG turning southbound off Brunswick Av. onto Dunham Rd. when OH REG was traveling northbound and side swiped Warren's vehicle resulting in a scratch down the driver's side of the vehicle. Warren advised the operator did stop her vehicle and exchanged information with him. Warren advised the female resides on his street and he will be speaking with their family but he needed a police report number for his insurance company. RZ#550

09/21/2022 07:17:07 16771 GERARD AV FAMILY TROUBLE 2210203851

On Wednesday, September 9, 2022, at approximately 0717 hours, I, Ptl. Colangelo #567 responded to the Maple Heights Police Department Lobby to speak with a mother and daughter regarding family trouble. The mother, Jessica Morris stated she verbally disciplined her daughter because she arrived to the residence at 16771 Gerard Ave. after her curfew. Jessica stated the juvenile became upset and verbally argued back with her and almost hit her, but did not. Jessica stated she wanted to document the information and file unruly on the juvenile. Jessica informed me that she wanted the juvenile to understand that it is important that she does not become so upset when she gets disciplined. I informed Jessica and the juvenile of the State of Ohio Domestic Violence Laws and informed them that this incident will be documented. The juvenile stated she has experienced emotional issues and was apologetic to Jessica. Jessica and the juvenile were provided with the CAD Number and the Maple Heights Police Department's non emergency phone number.

On Wednesday, September 21, 2022 at approximately 1338 hours, I, Ptl. Thomas #560 was dispatched to 15707 Turney Rd. for a report of neighbor trouble. Upon arrival, contact was made with Aaron Housiaux. Aaron stated he lives at 5050 Thomas St., and he has neighbor kids run into his yard, play in his yard, and leave trash in his yard constantly. Aaron also stated the neighbor kids have opened his back gate and let his dog out before too. He stated he is in the works of getting a lock for his gate, cameras for the property and a no trespassing sign for his property. He has already made contact with a few parents on the street and advised them of his complaint. Aaron did not provide any information on what houses the kids are coming from and wanted to document the incident.

Officers responded to 5471 Hollywood Ave. for a report of property damage. On arrival officers met with the complainant, Renee Hill, and another resident of the home, Raymond Pitman. Both Hill and Pitman reported a white-colored Jeep SUV to be the suspect vehicle. Hill stated an unknown female exited the vehicle, began yelling for her children, went to the rear of the residence, and broke a glass panel on the rear door of the residence. No CCTV cameras were available for review. Hill advised they rented the residence. She was advised to contact her landlord and advise them of the damage to the residence. They stated they do not know who the female is. No suspects have been identified. Photographs of the damage are attached to the digital media section of this sheet. NAR570

Officers responded to the parking lot of 15701 Broadway for a report of dispute in progress. On arrival Officers separated and spoke with both parties involved, the complainant, Ira Carroll, and his girlfriend, Caneshia Moore. Carroll stated that he and Moore were watching the Cleveland Browns football game and after the game ended, the two got into a verbal altercation. Carroll stated he requested Moore to leave and she became angry with him. Carroll appeared to be under the influence of alcohol due to his slurred speech and the odor of alcoholic beverages emanating from his person, however, he was cooperative with officers. Moore stated that Carroll physically assaulted her prior to police arrival. Moore stated Carroll hit her in the face causing an injury to the inside of her mouth. Upon further inspection of Moore's mouth, officers were unable to determine if the injury was recently sustained. Carroll denied assaulting Moore. Moore further claimed Carroll broke the stereo radio inside of her vehicle. Upon inspection, the stereo radio had a visibly shattered screen. During the interview of both subjects, Moore shouted obscenities directed towards Carroll, prompting officers to dismiss Carroll from the scene. Moore refused to pursue prosecution for the claims of physical assault and property damage, waiver signed and attached. Moore was then dismissed from the scene and left without any further incident. On Monday, September 23, 2022, I, Cdt. Jochum #571, was dispatched to 5989 Dunham Road, for a disturbance call. Upon my arrival I made contact with the caller, Christina Kinsella. Christina advised that Lorenzo Graceffo Jr., the father of her daughter, arrived at their shared residence at approximately 0000HRS, bringing with him an unknown female. While at the residence, Lorenzo reportedly broke out his bedroom window on the rear of the house. Lorenzo and the female remained at the residence until approximately 1030HRS when Christina called Police, at which time Lorenzo left the area on foot. Officers toured the area but were unable to locate Lorenzo or the female. Christina was advised on how to file for a protection order. Photographs of the damaged window have

been documented and uploaded to this sheet.

NO REPORT AT THIS TIME. NO SUSPECT AND ONE BOOK THAT WAS TAKEN WAS RETURNED. THE OTHER WAS NOT ACTIVATED.

On Friday, September 24, 2022, at 2007 hours, I, Ptl. H. Kaur #4553, responded to Speedway, located at 16400 Rockside Rd. for a theft report. Upon my arrival, I spoke with the General Manager/ Tomekia Casson-Holloway. She advised me a lottery book was missing and was returned after she held a staff meeting with all of her employees. She stated a \$20.00 scratch off ticket with an \$80.00 dollar win was also cashed out. The cameras in the store did not catch any of this activity. She stated she contacted asset protection services to look into the camera systems, if there is any further information in regards to that she will notify me. She stated she does not know which employee is responsible for the theft at this time. She filed a report with the Ohio Lottery Commission and they advised her to document this information with the Maple Heights Police Department. The book that was initially missing was book #715-09-5047. The second book was not activated therefore the individual who took the other book was unable to get any cash out of it. HK #553

I called and spoke with Cheri Thomas at 0015 on 09/24/2022. She advised the last she remembered she was at a friends house at 20517 Mountville. She stated she woke up in an unidentified location and wasn't sure how she got home or to the hospital, where she currently was. Cheri stated she remembered going to the bathroom and noticed she wasn't wearing underwear when she removed her skinny jeans. Cheri advised she wasn't sure if she wished to have police involvement at this time, and seemed slightly confused and very tired. Cheri was advised to contact Maple Heights Police when she woke up to advise what she wanted to do regarding filing a criminal report. LK558

THEFT OF PIZZA BY AN EX-EMPLOYEE / OCCURRED OVER AN HOUR AGO / SUSPECT IS NOT ON SCENE

The complainant, Ruby Knox, advised an ex-employee, Candis Goudlock, paid for three pieces of pizza and a couple drinks and paid with an EBT card. Ruby advised the food did not go through on the card and Candis left the scene. Ruby advised the reason why it did not go on the card is because it was a entered "hot food item" and EBT only accepts "cold food items". Ruby advised she wanted Candis advised of trespassing from the store. I was unable to make contact with Candis Goudlock at this time. BWS548

CALLER IS A TEMPORARY TENANT AT THIS HOME QUARATINING FOR COVID. SHE IS AFRAID OF THE OWNER OF THE HOME AND WOULD LIKE OFFICERS TO BE AT THE HOME FOR WHEN SHE REMOVES HERSELF AND HER CHILDREN TONIGHT. SHE WAS UNABLE TO CLARIFY WHY SHE IS SCARED FOR HERSELF AND CHILDREN.

DID PREVIOUSLY TEST POSITIVE FOR COVID AND HER 10 DAY QUARANTINE IS SUPPOSED TO BE OVER ON MONDAY.

Female, Shaquil is upset that the staff members will not allow her or the children to eat for the remainder of the night. Shaquil believed the owner of the program was abusing her authority and Shaquil stated she no longer wishes to reside at the residence any longer. Spoke with the complainant. She advised she was staying voluntarily at a residence that houses COVID patients for the last eight days in conjunction with the women's shelter. She stated a nurse who stated she owned the residence had rude things to say about her children who the nurse believed damaged things in the basement. The complainant does not know the nurse's name or the name of the company the house is run under. The complainant also stated she was denied food she had brought with her that was stored in a community refrigerator in the residence by another staff member due to the fact the head nurse needed to be spoken with first. The complainant stated she did not like how the nurse told her she was on her way last night after the complainant spoke with her. The complainant contacted the police last night (ref. MA22-10207068) complaining about this incident. The complainant left of her own accord due to her displeasure of the services received. She wanted the incident documented. She was also advised to let the women's shelter know about the services. COB549

On 09/25/2022 I spoke with Jerome Nall who advised before he called police, he heard a strange noise from outside his residence. Upon investigating he observed a plastic piece of hose that was left at the front door and believed someone either left it at on the property after hitting his door or throwing it into his yard. Jerome advised that he believes it was a male juvenile who lives next door at 15412 Northwood along with several of his friends. I went next door and spoke with the father, John Iacano, and advised him of the complaint. I advised John that his sons were not welcome on Jerome's property and that they may be cited if they are caught on the property. I advised Jerome how to obtain a protection order and that he could sign a trespass citation if the juvenile returned to his property. Jerome advised he would call if there were any further issues.
