On Monday, 9/26/2022 at 1031 hours, I, Ptl. Zelna #550, was dispatched to the lobby of the police department to speak with Michelle Toth concerning internet Fraud. Upon arrival I spoke with Michelle who advised her son was using 'Snapchat' and sent an unknown person pictures of himself. Michelle was concerned because she did not want those photos to end up in a public location. I advised Michelle to limit her children concerning social media usage and not much further could be done concerning him sending snaps to unknown individuals aside from ceasing the activity. Michelle was satisfied with this and requested I speak with her son concerning speaking with strangers on the internet - and I did so. RZ#550

CALLER SAYS HER 32YR JOHNATHAN KIRKSEY LIVES OUT OF STATE AND HAS A HISTORY OF VIOLENT BEHAVIOR. HE GAVE HER SOME MONEY FOR MEDICINE, AND NOW HE'S DEMANDING SHE PAY IT BACK. SHE ADVISED THE MONEY IS SPENT AND SHE TOOK IT AS A GIFT, AND HE'S RESPONDING WITH VIOLENT THREATS AGAINST HER LIFE. SHE'S VERY SHAKEN AND WORRIED HE'S GOING TO SEND SOMEONE TO THE HOUSE TO HARM HER.

--568--

On 09-26-22 I, Ptm. Duncan #568, along with Ptm. Westfield #554, responded to 20919 Hansen Rd. for a complaint of threats. Upon arrival, I spoke with the victim, Angela Pearson. Pearson stated that her son, Johnathan Kirksey, gave her money in the past and was now stating it was a loan. Pearson told Kirksey she does not owe him anything. Kirksey responded back asking if Pearson still lived on Hansen. Pearson blocked Kirksey on social media and has not heard from him since. Pearson asked officers to reach out to Kirksey and advise him that she no longer wants any contact from him. I made contact with Kirksey via phone and advised him that Pearson wishes him to no longer contact him. Pearson was also provided information on how to obtain a TPO.

On Tuesday, September 27, 2022, at approximately 1130HRS, I, Cdt. Jochum #571, received a phone call at from Robert Cercek. Robert advised that he resides in Michigan and is assisting his sister, Genevieve Cercek, with selling her home located at 5234 Arch Street. Robert stated that he had his cousin, Timothy Cercek, who resides in Bainbridge Ohio, respond to the home at 0800HRS on Monday, September 26, 2022 to remove items from the garage that were to be auctioned off online. Robert had advised Timothy only to enter the garage and not to enter the home. Genevieve was at the home when Timothy was at the house and reportedly did not let him into the house. Timothy reportedly removed the items for auction from the garage then left the home; However, the buyer of the home responded to the house on Tuesday morning and observed that there were items from inside the home missing and some furniture in the home had been damaged. Robert further advised that he believes Timothy was likely the culprit as he at one time did have a key to the home, however there are no witnesses to anyone entering the home and removing the items. Robert further advised that he is unsure of what all items were removed from the home or what was damaged in the home, but estimates the total cost of damages and missing items is approximately \$1,000.00 USD. I attempted to make contact with Timothy via landline, however, I received no answer.

On Tuesday, September 27, 2022, at approximately 1502HRS while on patrol in the area of Stafford Park near Milkovich Middle School, I, Ptl. Jochum #571 and Ptl. Colangelo #567, observed a large group of juveniles crowding around an active physical altercation between two juvenile females on a sidewalk near the driveway of the middle school. Officers dispersed the crowd and secured the two juvenile females in handcuffs which were checked for fit and comfort then double locked to prevent tightening. Officers identified the females as, juvenile two (DOB: 04/23/08) and juvenile one (DOB:01/27/09). Both females advised that the other initiated the fight. Juvenile two's mother, Markeya Pinkney responded to the scene and transported juvenile two home. Juvenile one's mother, Latasha Moore, responded to the scene and requested EMS for juvenile one. EMS responded to the scene, however Moore refused transport to the hospital for juvenile one. Moore transported juvenile one home. Neither party wished to pursue charges at this time.

09/28/2022 13:43:58 17225 LIBBY RD VANDALISM 2210209813

CALLER REPORTING HIS HOUSE WAS VANDALIZED

I spoke with the complainant, Zubair Sheikh, who was the owner of 17225 Libby Road. Zubair said he recently evicted a tenant, Ciara Woods, and her nine kids from the property after they had lived there for approximately three years. Zubair said throughout the course of Ciara's three years of living at the property extensive damage to the house had been done. After the eviction Zubair estimated 5 to 6 thousand dollars worth of appliances needed to be replaced, 10

thousand dollars worth of material would need to be purchased for repairs and an estimated 25 to 30 thousand dollars would need to be spent on labor costs. Zubair was already working with the insurance company to have the costs of damages repaired and was familiar with the civil process if he decided to seek restitution from Ciara. Zubair asked that this information be documented for insurance purposes. Photos of damages to the house were entered into the Maple Heights Computer System. MH547

On September 28, 2022, I, Ptl. T. Vasko #566 while on regular patrol in full uniform have the following to report.

While driving northbound on Mayville Rd near Libby Rd a vehicle, bearing Ohio temporary registration plate was stopped in a no parking zone disrupting to the flow of traffic. I conducted a traffic stop on the vehicle and made a driver's side approach. I advised the driver, later identified as Randy Flowers, as to why I stopped him. Randy stated that he was waiting to pick up a friend at a nearby address. Randy presented his identification and once asked stated he was not valid. As I was speaking to Randy I could smell the odor of raw Marijuana coming from the vehicle. I advised radio of Randy's driver's license number and they advised he had multiple warrants from various surrounding agencies and was suspended. Randy was ordered out of the vehicle and reported he had marijuana in the center counsel. After searching the vehicle, I located 18 grams of suspected marijuana in a plastic bag, a glass pipe and a scale in the vehicle. Randy was cited for driving under suspension and given a warning for parking in unauthorized places (P-28972) Randy was also given a citation for possession of marijuana (MA-30560). A court date has been set in the Garfield Heights Municipal Court for October 5th 2022 at 1330 hours.

The seized property has been entered into evidence (TN#31401)

On 09-28-22 at 2225 hrs while stationary on Cato near Raymond, I observed a white Toyota Tacoma traveling East on Raymond. The Toyota then turned south on Cato and pulled into a drive way on the east side of Cato. The Toyota then reversed out of the driveway and continued into the drive way on the west side of Cato (5116 Cato), striking a orange Mitsubishi that was already parked in the driveway. Officer St. John and I observed this collision and observed the truck drive away without reporting the collision. I initiated a traffic stop on the vehicle at the intersection of Raymond and Cato. When I activated my emergency lights, the operator of the Toyota slammed on the brakes and slid the vehicle sideways. The driver, later identified as Bobby Nichols II, immediately exited the vehicle. Nichols was held at gunpoint and ordered to walk backwards towards the patrol car. Nichols was detained in handcuffs and placed in the back of 4426. The passenger of the Toyota, later identified as Shishal Hitchcock was also detained. Officer St. John spoke with Shakeya Zuber (owner of the Mitsubishi). Zuber

stated she was in her living room when the collision happened and observed the truck driving away. A decision was made to tow the Toyota for the hit-skip. While conducting an inventory search of the vehicle, Officers observed an open bottle of Meukow Cognac in the front passenger seat. Nichols was cited for not wearing a seatbelt, peeling tires and hit-skip. Nichols was issued Traffic Citation# P29212, Misdemeanor Citation# MA34336 and has a mandatory Garfield Heights Municipal Court appearance set for 10-05-22 at 1330 hrs. Nichols was able to provide insurance for his vehicle. The vehicle was towed by Interstate. The alcohol was confiscated, photographed and disposed of.

At approximately 0028 hours, while PO Vasko #566 and I (PO Field #573) were traveling northbound on Broadway Ave, we observed a 2018 Kia, black in color, bearing OH License Plate traveling past us (southbound) with no headlights on. We activated our overhead lights and siren and conducted a Traffic Stop of the Kia at the intersection of Broadway Ave/Orchard St. Upon our approach of the Kia, we detected the distinct odor of Marijuana. I spoke with the operator of the vehicle, identified as Anijah Evans, and advised her of the reason for the traffic stop and asked for license and insurance, which she complied. I also asked Evans if there was any "hemp" in the Kia and she advised that there was none. While I was speaking with Evans, PO Vasko observed in plain view in the Kia's center console a metal grinder, pink in color. Evans handed PO Vasko the grinder and upon opening the grinder, PO Vasko located suspected Marijuana residue in it.					
Evans was issued a MM Citation #MA30561 for Drug Paraphernalia and she was given the court date of 11OCT22 at 1530 hours in Maple Heights Mayor's Court. Additionally, Evans was given a Warning and advised on her headlights.					
The grinder was entered into evidence (TN#31403)

FEMALE IS ADVISING THAT IPHONE 11 WAS DROPPED IN FRONT OF THE SCHOOL YESTERDAY AND THEY HAVE BEEN TRACKING IT AND IT IS PINGING AT E 11ST/EDNA IN CLEVELAND

I spoke with Jasmen Austin, she advised me she dropped her phone in the staff area parking lot of Milkovich Middle School, located at 19800 Stafford Ave. She stated her phone is a black iPhone 11. She was able to ping her phone on Harvard Ave, in the area of Harvard Deli. The location was varying based off movement. She later advised the phone was pinging at Steelyard Commons- in the 2nd District of Cleveland. I was able to get Cleveland PD to assist her further. I documented this information for Jasmen. She did not have the serial number for the phone - the phone is valued at \$1000.00. She located the phone in a phone drop box - located in front of the Walmart store. She was able to get with security and unlock the machine to get her phone. HK #4553

At 2330 hours, I responded to the area of 5597 Kenton for a report of shots fired. While on the way to the call, I passed 5480 Thomas and observed a thick cloud of smoke in the air and smelled what I believed to be fireworks after they have been set off. Other units and I checked the area and did not observe any signs of gunfire, damages, or shell casings. Officers spoke with several people outside who advised they didn't hear any gunfire. I spoke with Cynthia Harris who advised she heard the popping noises and wanted to advise police as she thought they were gunshots.

 566- VALID DRIVER HAS THE VEHICLE

On September 30, 2022, I, Ptl. T. Vasko #566, While on regular patrol, in full uniform have the following to report.

While sitting at the intersection of Lee Rd. and Libby Rd. I observed a black Chevrolet bearing Ohio registration sitting at the red light facing south bound. I ran the license plate through LEADS and was notified the registered owner, Norman Hagwood had a suspended driver's license. Once the traffic light turned green the Chevrolet pulled into a 7/11 and the driver exited the vehicle and went into 7/11. I was able to positively identify the driver as Norman Hagwood using a LEADS BMV photo. I observed Norman get back into the Chevrolet and drive east bound on Maple Heights Blvd. I activated my overhead lights and sirens and conducted a traffic stop in the area of Maple Heights Blvd and South Blvd. Upon my approach to the Chevrolet I identified myself and asked Norman if he knew he was suspended to which he answered "no". While talking with Norman I could smell the odor of raw marijuana coming from inside the vehicle and observed a small plastic bag with a green leafy substance consistent with marijuana in plain view on the center counsel. Norman was removed from the vehicle and advised me there was more marijuana inside of the arm rest. Upon a probable cause search of the vehicle I found another bag containing marijuana, a scale and a green grinder with small amounts of marijuana inside. Norman was given a traffic citation (P-28973) for driving under suspension and a minor misdemeanor citation for possession of marijuana (MA-34337). Norman was given a court date in the Garfield Heights Municipal Court for October 12, 2022 at 1330 hours.

A total amount of 18.5 grams of marijuana, a scale, and a grinder were seized and placed into evidence (TN#31414).

47 - CITED FOR IMPEADING TRAFFIC

At approximately 0845hrs, Aux. Sgt. R. Feathers #484, radioed to police units, requesting a unit to respond to the intersection of Dunham Road and Rochelle

Avenue for a traffic complaint. Aux. Sgt. Feathers was at the intersection controlling traffic for the arrival of elementary school students and staff. Aux. Sgt. Feathers said a female, later identified as Kiara McCarroll, was attempting to make a right turn into the elementary school's driveway, but traffic in the driveway had backed up all the way to Dunham Road, preventing her front entering the driveway. Because Kiara could not pull into the driveway, she was blocking the northbound lane of traffic on Dunham Road. Aux. Sgt. Feathers said he directed her to turn left onto Rochelle Avenue, as he had done with other parents, so the northbound lanes of traffic could flow smoothly. Aux. Sgt. Feathers said Kiara refused to move her vehicle to Rochelle Avenue to wait to get into the elementary school driveway. I responded to the area and waited for Kiara and her vehicle to return from the busy school area. A traffic stop was initiated and Kiara was cited (P29091) for Impeding Traffic (Slow Speeds) based off of Aux. Sgt. Feathers allegations. MH547

IN THE LOBBY  
 HAPPENED 480 W/B BEFORE THE NORTHFIELD EXIT. DISP ADVISED THIS IS IN BEDFORD HGTS. MALE ADVISED BH JUST SENT HIM TO MAPLE.  
 HE ADVISED THAT SEMI LOST DEBRIS WHICH STRUCK HIS VEHICLE CAUSING DAMAGE.

On Friday, September 30, 2022 at 1310HRS I, Ptl. Jochum #571 was dispatched to the lobby of 5373 Lee Road for an MVA report. Upon my arrival I made contact with Calvin McCoy. Calvin advised that at approximately 0630HRS while driving west-bound on I-480 West near the Northfield Road exit, his vehicle, a silver 2015 Dodge Challenger was struck by three pieces of metal debris that had fallen out of the rear of a semi-truck that was hauling refuse. The debris struck the front bumper, hood, windshield, passenger side door, and undercarriage of his vehicle, resulting in multiple scratches to the front bumper, a broken front windshield, damage to the undercarriage, a dislodged passenger side head light, and a dent to the passenger side door. Calvin stated that he was unable to gather the trucks information as immediately following the incident he exited the highway at the Northfield Road exit, while the semi-truck continued

west-bound on I-480. Calvin provided me with his State-Farm insurance information. I photographed the damage to Calvin's vehicle and have uploaded the photos to this sheet.

Upon closer observation he observed that the juvenile was not injured. I made contact with the juvenile who advised that she was not injured during the incident. The juvenile refused EMS.

While speaking with the complainant, officers heard disturbance east on Mapleboro Ave. Sgt. Allen and I, responded to the disturbance and spoke with Chanel Grace, who was standing outside screaming. Chanel and her sister Chere Grace, had engaged in a disagreement. Both parties were intoxicated, as they were having a sister's sleep over at their older sisters house. Chere believed Chanel was not attempting to cause harm to her, stated she was not injured and not in fear of Chere. Chere also stated that Chanel is currently dealing with a lot in her life and had a short mental overload. Chanel was released and she left the residence and Chere went to her own residence. THREE CITATIONS ISSUED TO TAMIA MOTIN

Brianna stated here baby's father had a "fling" with a female. The male had told Brianna the female was Tamia, but the "fling" was over. They were trying to work through the problems, but the male had moved out of the house. Earlier today, Brianna had received a phone call from Tamia saying she was going to come over to sort it out. Brianna told Tamia if she came over she would call the police. Tamia called back later and said she was outside the house. Brianna looked outside and saw a vehicle parked on Gardenview at Kenyon. Brianna watched the vehicle pull out, but kept watching. She observed the vehicle driving past her residence several times with the headlights on and off at different times. When Tamia stopped in front of Brianna's house, Brianna called the MHPD. When officers arrived, the vehicle was not on the street. While I spoke to Brianna, Ptl. Westfield checked the area. At about the same time, Brianna informed me that was the vehicle and pointed over my shoulder and Ptl. Westfield advised me over the radio that the vehicle was approaching the house. When I looked, I observed the vehicle driving without it's headlights on. I used my flashlight to signal the driver to stop, but she did not. Ptl. Westfield was able to make a traffic stop on Warrensville Center Road. Tamia stated the male was supposed to be at the house and she had come over to talk to him. Tamia was advised the male does not live at the house and to have no contact with Brianna. Tamia was also advised of criminal trespass. Ptl. Westfield issued Tamia traffic cites. STB514

He has never said anything to her. This morning about 1100 hours, she saw him sitting on her porch. When asked what he was doing he said he was tired and he was just sitting. She told him he could not sit on her porch and he left. She is going to call the MHPD when she sees him again so officers can ID him and check on his well being. STB514

Flock systems indicated a stolen Hyundai Sante Fe black in color bearing OH license plate. Officers located the Hyundai along with an occupied gray-colored Range Rover in the drive way of 5840 Dunham Rd. Once officers approached, the Range Rover left the scene, heading northbound on Dunham Rd. A male standing near the Hyundai in the driveway fled the scene on foot heading northwest towards Wheeler. The Hyundai was confirmed via VIN number to be stolen out of Lakewood Police Department. Lakewood PD was contacted and responded to the scene to process and take custody of the vehicle. Crime Scene Tech Maurer from Lakewood PD took custody of the vehicle at that time. NAR570

On Sunday, October 2, 2022 at approximately 1011HRS I, Ptl. Jochum #571 responded to 5575 Oakwood Avenue, for a juvenile complaint call. Upon my arrival I made contact with the caller, India Lee, who advised that the her juvenile neighbors who reside at 18819 Waterbury Avenue, had been running in her yard while playing with nerf guns while Lee and her daughter were sitting outside on their porch. This activity was an annoyance to Lee and her daughter who both went inside their residence to stay away from the activity. Lee also advised that the parents of the juveniles frequently play loud music at all times of the day and night. I proceeded to 18819 Waterbury Avenue, where I made contact with the juveniles and advised them of trespass, as well as the parents of the cities noise ordinance.

4570 MALE HAS LEFT FOR THE EVENING WILL COMPLETE

On October 3, 2022 at 0257 hours, I, Ptl. N. Ross #570, responded to 5150 Camden Rd for a report of theft. On arrival I met with the complainant, Dominique O'neal. O'neal stated that earlier on in the day, at approximately 2200hours, her and her boyfriend, Eric Turner, got into a verbal altercation, causing Turner to leave the residence. As Turner was leaving the residence, he left with O'neals iPhone 11, car keys, and work badge. O'neal advised that Turner was living at the residence, prior to the argument, and had to return to collect his personal property. O'neal advised she did not want to pursue criminal charges and that she only wanted her property returned. O'neal was provided the CAD number for any follow up and for personal documentation. O'neal was advised to contact the Maple Heights Police if there were any issues with Turner retrieving his property at a later date. Turner was contacted via telephone and left a voicemail. Per the voicemail, he was instructed to return the Items to Turner to avoid any potential criminal charges. NAR570
