--568--

On 08-01-22 at approximately 0811 hrs, I, Ptlm Duncan #568, responded to the lobby for a call for service. Upon arrival, I spoke with the victim, Steven Oliver. Oliver stated that this morning (08-01-22) his ex-girlfriend, Nyasia Buzzard, stole his clothes and credit cards from his house. Oliver stated that the two had recently broke up last night. Oliver stated that any items he had of Buzzard's he left outside for her to grab. Buzzard came over while Oliver wasn't home and was let in by Oliver's mother. Oliver stated his mother was unaware the two had recently broken up.

Oliver stated his mother became suspicious of what Buzzard was doing in his room and she contacted Oliver via phone. Oliver stated Buzzard was not supposed to be inside of the residence and that he wanted her gone. Oliver's mother told Buzzard to leave and she took multiple items with her. The items Oliver reported missing were "jeans, shirts, shoes, everything". Oliver did not list any individual item as missing but did say "they were designer shit". Oliver stated he was contacted about fraudulent activity on one of his credit cards and that's when he noticed his credit cards were missing. Oliver checked his credit card accounts and noticed multiple unauthorized transactions. Oliver stated he cancelled all of his credit cards and disputed the transactions. Oliver declined to press charges at this point and stated he wanted to give Buzzard time to return his stuff. Oliver attempted to call Buzzard in my presence from his cell phone but it went straight to voicemail. Oliver stated that Buzzard had blocked his phone number and also blocked him on social media. Oliver attempted to call her again from a restricted number. The phone rang for a short time then was sent to voicemail again.

Oliver was given my business card with the report number listed on it and was told to return to the police department should he decide to press charges. Oliver was advised that if he wanted to press charges, he would need to bring a print out of the transactions that were unauthorized and the corresponding card info. At Oliver's request, Sgt Allen attempted to contact Buzzard on the cell phone but Buzzard did not answer. Sgt. Allen left a voicemail for Buzzard to call him back. Should Oliver return and press charges, I will convert this into a report. Nothing further at this time.

On Monday, August 1, 2022, at approximately 1528 hours, I, Ptl. Colangelo #567 was dispatched to 16112 Maple Heights Boulevard apt. 202 for a report of property damage. Upon arrival, I spoke with Coletta Nelson-Dorsey. Coletta stated she informed me that she noticed the rear driver side window shattered and broken. Coletta continued to explain she observed a brick on the floor in the garage near where her vehicle was parked. Coletta informed me that the garage to the parking complex is opened throughout the day due to other tenants leaving the garage doors opened allowing access to all the spots inside the garage. On the driver side of the vehicle both the front and rear windows had marks indicating that the suspect(s) attempted to smash the windows but were unsuccessful. I did not observe any cameras around the property to potentially capture the incident take place. Coletta stated she is unsure of anyone who would do this to her vehicle. There are no known suspect(s) at this time. This incident is documented, and photos were placed in the Maple Heights Computer System. Coletta was provided with the incident number, and given the Maple Heights Police Department non-emergency phone number. FC567

Mr Booth had been contacted by the Maple Hts Building Department in June to have a group of heavily damaged, unregistered and or inoperable/seldom moved vehicles from the parcel at 14900 Rockside. The building department gave Mr. Booth 30 days to move the vehicles. On 07/27/2022, officers tagged 3 vehicles that were in the front yard, outside of the enclosed fence as abandoned, giving final notice of 24hrs to comply with removing the vehicles.

On 08/01/2022, the vehicles were still unmoved, therefore, officers contacted Interstate towing to tow the vehicles.

Two of the vehicles were blocked in by one vehicle that had not been tagged. Interstate moved one vehicle in order to remove two of the abandoned vehicles. Mr. Booth stated that during the moving of his Hyundai Elantra, the front skid plate and undercarriage were damaged. He took pictures and brought them in to show MHPD. He was advised to contact Interstate Towing as well in reference to his complaint. Mr. Booth was given documentation to show that his vehicles were not in compliance and he had been given notification. Mr. Booth requested that the damage to the Elantra be documented as he intends to pursue a damage claim in GHMC.

This is for documentation at the request of Mr Booth. Photos attached. GRA519.

On August 1, 2022, at approximately 2254 hours, I, Ptl. M. Lowe #563 responded to 14401 Corridon Ave. for a property damage report. Upon my arrival, I spoke with the caller, Ailyson Clipper. Ailyson stated while she was out town, she believed that some neighborhood kids were playing basketball in the back and front yard of her home. Ailyson believed while the kids were playing they accidentally threw the basketball at the windows, which caused damage. Ailyson stated her children and the kids in the neighborhood play basketball at her home all the time. Ailyson stated she gave permission to the neighborhood kids to play basketball while she was out of town. When asked, Ailyson stated there was nothing taken out of her home. I observed minor shattered glass in the front door and back window. Ailyson said she did not have security cameras on her home. I canvassed the area for cameras, but none were found. Ailyson believed it was an accident from a neighborhood kids. I observed no forced entry at the front door or the back window. Ailyson just wanted this documented for insurance purposes. Ailyson was provided the CAD incident number to give to her landlord. Photographs of the damage windows were attached to this sheet. ML563

Officers made contact with a small child on Warrensville Center Rd near the fire station after an RTA driver called in that the child was walking down the street alone. The child was identified. Juvenile said she was walking to grandmas. When we asked if her mom knew she was gone, Madison said "no she is sleeping". She was able to point out her place of residence from the rear of my cruiser (she was buckled in). She guided me to 19762 Maple Heights BLVD. I observed the doorway to her residence left open. I entered the duplex stairwell, and walked up to the second floor where teh juvenile said she lived. The door to the home was open as well. I knocked and announced police. A woman, identified as Kyera Dismuke, came to the door. She was informed about what happened. Dismuke came down to speak with officers. Dismuke said the juvenile goes to grandmas every morning, and that is why she may have been walking that way, although she has never done it before. It appeared that there was no neglect or lack of care by Dismuke. Officers gathered contact information for Dismuke, and Fatina Maxwell (grandma) in case this happens in the future. All information is attached. MM569

Stuart Clark came into the MHPD to report damage that occurred to his vehicle while backing out of his driveway. Mr. Clark stated on the evening of August 1, 2022, he attempted to back out of his driveway and struck a large rock pile that the owner of 5333 Thomas Street left in the street. Mr. Clark stated the workers had already left for the day and they did not pick up the pile of rocks before leaving. (Officer's Note: I observed this pile of rocks while on patrol on August 1, 2022 during the day while workers were present). Mr. Clark suffered minor scratches to the bottom of the rear passenger-side quarter panel (photo added). I advised Mr. Clark to get estimates of the damage and file a lawsuit at GHMC.

I spoke with an unidentified male at 5333 Thomas Street, who stated "Doug" hired him to help repair the driveway. This male was not a contractor and wished not to get involved. However, the male did call "Doug" and let me speak with him. Doug stated he was the owner of the residence and he hired a contractor to repair the driveway, however Doug stated he "did not know" the name of the contractor nor the company he hired. Doug refused to speak with me further after I advised him of the damages the rock pile left. I did advised Doug to have the rock pile cleaned off the street prior to leaving for the day. I then spoke with the Maple Heights Building Dept. who advised me that "Doug" Woods" with the phone number of 216-214-2444 ,was the owner of the residence and the person who pulled the permit to fix the driveway. They also advised me that "Doug" owns several properties throughout the city and he is at their office often. The person who actually uses that phone number is a William Woods. I showed the Building Dept the drivers license photo of Mr. Woods, which she positively identified as "Doug". I advised the building dept. to make sure he provides an ID next time.

On Tuesday, August 2, 2022, at approximately 1902 hours, I, Ptl. M. Lowe #563 responded to 5321 Warrensville Center Road (Giant Eagle) for a theft report. Upon my arrival, I spoke with the security of Giant Eagle. They advised me the suspect, later identified as Belinda Arnold knowingly exited the store without paying for a packet of chocolate chunk cookies and bagels. Security stopped Belinda and brought her to the security office and called 911 to report the theft. Security stated the items Belinda attempted to steal totaled \$13.97. I spoke with Belinda about the incident. Belinda admitted to exiting the store with the unpaid chocolate chunk cookies and bagels. Security trespassed Belinda from the store. Belinda was given a citation for Theft and a mandatory court appearance date on 8/16/2022 at 1530 hours, which will be held at the Maple Heights Mayors Court. A photograph of the receipt and Trespass notice were attached to the sheet. ML563

I, Cdt. Jochum #571 and Ptl. Saverko #562 were dispatched to 14411 Tabor Ave for a domestic. Ptl. Kaur #553 and Ptl. Vasko #566 responded to assist. Upon arrival, officers spoke to Kyjanae Bagley. Bagley stated that her and boyfriend, Kelvon Curtis got in an argument over a sexual favor. Bagley refused to provide that sexual favor due to being tired from work. She stated Curtis got upset and told her that he was going to cheat on her, which started a verbal argument between the two. Bagley stated that they were laying in bed arguing when she got hit once in the face by Curtis. Bagley stated that she struck Curtis back, at which time Curtis got up and left the residence. Bagley began to be uncooperative and refused to discuss further details. Bagley continued to advise Officers that she did not wish to press charges and believes that alcohol likely played a role in the incident. Additionally, Bagley was unable to advise officers if she and Curtis lived together or just stayed together from time to time. Curtis left the residence prior to officers arrival. Due to being unaware if Bagley actually lives there or not, and the fact that her story kept changing, along with her being uncooperative, charges will not be filed at this time.

I spoke with Earl Wilson who advised me that he parked his 2018 Kia Soul bearing OH registration on south side of the street across from his house facing eastbound. This was at 1600 hours on 08/03/2022. He was woken up by a neighbor at 0735 hours and observed damage to the front driver side quarter panel of his vehicle that was not there the previous night. Earl believes the vehicle may have been struck by another vehicle while on the street but at this time there are no witnesses to the incident. I was unable to locate any useable video footage. Photographs of the vehicle are attached to the sheet. Earl advised me that his current insurance policy has lapsed as of several days ago. LK558

TURNED OVER TO BADGE 1300 CLEVELAND PD

On above date and time, I, Ptl. T. Vasko #566 observed a black Dodge Avenger bearing Ohio registration parked and unoccupied in parking lot of 5301 Lee Rd. (Magic Hair & Beauty). The cities camera system (Flock) had recently alerted me that the owner of the vehicle had a Felony warrant for burglary. While watching the vehicle for a short period of time I was able to positively identify the registered owner using a BMV photo on my MDT. We approached Travies (the registered owner to the vehicle) and made contact. Travies identified herself with her social security number and was detained in handcuffs (gapped and double locked) while the hit confirmation was sent to Cleveland. Cleveland responded they wanted to take custody of Travies. While unites were administratively inventorying the vehicle for a tow, a small amount of suspected marijuana, and a suspected crack pipe was located in Travies purse. The suspected marijuana was entered into evidence along with the suspected crack pipe. Travies was issued a misdemeanor citation (MA30557) for possession of marijuana to be heard in the Maple Heights Mayors Court on August 16, 2022 at 1530 hours. Custody of Travies was transferred to Cleveland Police Department.

On the above date and time, I, Ptl. T. Vasko #566 responded to 14321 Granger Rd. for the caller, Miracle Vince, reporting she found people unknown to her in her garage. Maple Heights police units responded and began to canvas the area while I spoke with Miracle. Upon speaking with Miracle, she advised me that the suspects, a white male and black female ran west bound through the backyards. Ptl. Kaur first located the suspects on Milo Ave., when the suspects noticed Ptl. Kaur's vehicle they fled east bound back into the backyards of the houses. Sgt. Crawford #546 located the suspects on Forest Ave. hiding in the driveway behind vehicles. Sgt. Crawford gave both suspects loud verbal commands to get on the ground which they initially refused to do. Once more Maple Units arrived on scene both suspects were detained and identified. Juvenile one was a ward of the state and later transported by Ptl. Kaur to the Jane Edna building. Juvenile two had multiple Felony warrants and was transported and custody was exchanged with Mentor police department. The caller Miracle did not wish to pursue any charges against the juveniles.

Fire Chief Kavaliunas called and had me listen to a voice mail left at extension 6035. The voicemail sounded like it could have been gunshots but there was no talking. I located the phone number belonged to a Mark Fotia who resides in the city of Maple Heights. I called Mark who stated he was trying to call the Maple Heights Fire Department while he was on the RTA train. Mark stated there were no gun shots and he did not know what noise it would have made in eth background. Mark indicated he was calling to ask a question about a food safety issue in his home where he thawed something and wanted to know if he could re-freeze it. Mark was very apologetic that it sounded like gunfire but stated he was alive and well. CWF528

On 08-05-2022 at approximately 1017 hrs, I, Ptlm Duncan #568, spoke with Nia White, regarding an incident where her house caught fire on February 2nd, 2022. White stated that on this date while she was in Las Vegas her house located at 5537 Garden St caught on fire (MHFD report #2022-0676). White said while she was gone there were people working on the house. White stated that her landlord, Abraham Stern, said it was the workers fault the house caught on fire and that he would move her into another property. White stated she was unable to recover any belongings from 5537 Garden St because it was under investigation. White stated Stern gave her the lockbox code to the new property but then moved someone else into the property and changed the code, locking her out. White Stated Stern advised her she can get whatever property from the address on Garden St. White stated that when she went by the house, it was completely knocked down. White stated she intends to file a civil suit against Stern and just wanted this documented.

On 08-05-2022 at approximately 1133 hrs, I, Ptlm Duncan #568, responded to the lobby to speak with a male wanting to file a harassment report. Upon arrival, I met with Allen Smith. Smith stated that he was here to file a police report against Jessica Copes. Smith stated that Copes has been sending him unwanted sexual messages and naked photos. Smith also stated Copes has been warned of telecommunications harassment in the past. Smith described their relationship in the past as just boyfriend/ girlfriend. Smith stated due to Copes' actions, he has left his previous job, switched his vehicle and tinted his windows. Smith previously applied for and was awarded a civil protection order against Copes. This order expired on 4-25-2022. Smith stated he is in the process of getting another civil protection order against Copes and just wanted to document this incident. Smith stated he did not want to press charges against Copes and signed a waiver of prosecution.

After checking the prior history with Smith and Copes, An officer reached out to Copes on 09-02-2021 and she advised she would no longer contact Smith (21-10167152).

IN THE LOBBY REF FRAUD REPORT - \$500 WAS GIVEN TO THE ONLINE SCAMMERS

--568--

On 08-05-2022 at approximately 1202 hrs, I, Ptlm Duncan #568, responded to the lobby to speak with a female reporting a fraud. Upon arrival, I spoke with Edna Weatherly. Weatherly stated that yesterday (08-04-2022) at approximately 1300 hrs she was the victim of a scam. Weatherly stated she called Spectrum yesterday to add the channel Peacock to her service. Spectrum advised Weatherly that she would have to call Peacock directly and provided her with the number 804-666-8702. Weatherly called the number and spoke with a male identified as Logan Williams. Weatherly told Williams that she is an elderly female and wanted to add Peacock to her Tv service but did not know how to.

Williams replied that he loves helping out the elderly and the two began working on her computer. Weatherly gave Williams remote access to her computer and he began controlling the mouse. While Weatherly thought they were working on her account, she also had her PNC banking information open. Williams claimed to have accidentally deposited \$2,000.00 in her account and that he was going to get fired. Williams asked Weatherly to help him out and directed her to go to Walgreens to get gift cards.

Weatherly went to Walgreens and was able to get (1) Target Gift Card for \$500.00. Williams told Weatherly to scratch off the black line on the back of the card which revealed the card and access number. Williams then told Weatherly to take photo of the card and send it to him. Weatherly did so. Williams requested Weatherly to go to get Gift Cards from Best Buy and Weatherly refused. Weatherly then checked her PNC account and realized she never received a \$2,000.00 deposit. She called PNC and confirmed that there was not a \$2,000.00 deposit pending either. Weatherly contacted Target and reported the scam. Target provided Weatherly with the claim. Weatherly was given a business card with the MHPD report number listed. Weatherly was advised to contact the credit bureau and place a fraud alert onto her account. Weatherly was also referred to the Ohio Attorney General's Office Consumer Fraud page.

TABITH CALLED BACK AND PROVIDED THE INFORMATION ON THE NEW HOMEOWNER THAT SHE HAS BEEN DEALING WITH: JEFFREY FRYE W/ NEW BEGINNING HOME LLC

A neighbor contacted the MHPD to report a male yelling screaming while breaking out the windows to the above residence. Once I arrived, I immediately observed all the windows on the north side have been broken out. I then observed Joseph Malcolm through the open rear door. Joseph spoke with him while he stood in the door way. Joseph stated Tabitha and him were the owners of the residence and he was "remodeling". Joseph suffered a small cut to his left hand which was bleeding. I advised Joseph that I can call for medical assistance, however Joseph refused and stated he was ok. Joseph admitted to breaking out the windows because he was replacing them. Joseph continued to explain his actions by telling me he had tenants inside the residence that haven't paid rent in 5 months and he was cleaning out their belongings. I advised Joseph that had to evict them properly, but Joseph stated they had already moved out (without the property). Officers were able to find "New Beginnings" as the current owner, however there was no name attached.

Tabitha spoke with CVD via telephone and advised that she had already moved out of the residence. Tabitha stated Joseph told her that he was going to move out, but Tabitha was not sure if Joseph had moved out. Tabitha provided CVD with the new owner information, Jeffrey Frye.

I spoke with Mr. Frye, who stated he just recently purchased the home. Mr. Frye stated the home was occupied by Tabitha and Joseph prior to the purchase. Mr. Frye stated he spoke with Joseph earlier in the day and advised him of his options. Mr. Frye told Joseph he could stay at the residence and pay rent or take \$300.00 (given by Mr. Frye) and move out this weekend, if Joseph did not decide, Mr. Frye was going to start the eviction process. I advised Mr. Frye of the damages caused by Joseph, which Mr. Frye stated he will stop by the residence to assess the damages.

Officers arrived on scene and spoke with Veronica Tremell. Veronica stated she was told earlier today a probate order for her son, Earnest Tremell, would be faxed over to the Maple Heights Police Department. OIC Heitzer 547 informed Veronica that we had not recieved that order. We were however aware of a misdemeanor warrant for FTA on obstruction through MHPD for earnest. This was confirmed. Veronica called to have us arrest Earnest on this warrant, as she is in fear for his safety and the safety of his family.

Officers asked Veronica if any weapons were present in the home and she said no. Officers entered the home and went to the basement where Veronica stated Earnest was when she called. She also verified he had not left the home. Officers checked the basement and did not find anyone. I then saw a bathroom and heard water running from inside of it. Ptl. Thomas noticed a box for a Taurus G2C lying near the bathroom, which was empty. Officers showed Veronica this box and she said she was not aware that firearm was in the home, and did not know who had it. After the water turned off, officers yelled for Earnest, and advised him the police were in the basement. There was no answer. Officers were not able to confirm it was Earnest in the bathroom, or if the subject in the bathroom had a weapon. Per Chief Hansen, officers were given the call to allow the family to leave the residence, and to leave Earnest in the home until officers can have the probate order in hand. Officers watched the family leave the residence and all officers cleared the scene. MM569

4554 - JENNIFER W/ CFS REMAINING ON LOCATION AND SPEAKING WITH MOM

Maple Heights Police units were dispatched to 19609 Fairway Ave. for a report of a lost child. Upon my arrival, I spoke with the caller, Patrick Daniel. Patrick stated he found a child, walking in the middle of road towards his home. Patrick stated the child looked confused and lost. Patrick believed the child had autism due to the child not able to talk. Maple Heights Police units located the home for the child at 19703 Fairway Ave. Upon our arrival Maple Heights Police units observed more children outside of the home. Maple Heights Police units made contact with the mother, later identified as Audra Bailey. Audra confirmed that the infant has suffered from autism. Audra stated she is the mother of the infant . Audra stated her sister, later identified as Trudian Bailey lives with her and also responsible for the child. Maple Heights Police units made contact with Trudian. Trudian stated she also gives care to him. Trudian has a child, who also lives at the residence. Due to the improper care of the juvenile's Children & Family Services were contacted. Case worker Jennifer was notified about this incident. Trudian and Audra was given a citation for Endangering Child and a mandatory court appearance on 8/12/2022 at the Garfield Heights Municipal Court at 1330. Due to Trudian and Audra immigrating to the US, they do not have LEADS information. ML563

I spoke with Trel over the phone, who stated Shantae is upset with him and to avoid a problem he did not want to return home. Trel later returned the vehicle to the MHPD, which was then turned over to Shantae. Shantae moved all her belongings out of Trel's apartment, therefore, she will not return.

I spoke with Edward Fryerson who stated his neighbor pointed a security camera towards his backyard. Edward feels that his is an invasion of his privacy. I advised Edward that as long as the camera wasn't pointing inside of a window, then his neighbor was not committing a criminal offense. Edward stated the neighbor does not like him and has called the police on him in the past, therefore he did not feel comfortable talking to her about it. Edward was advised to contact his council person to help mediate their issues.

Unit 1 was stopped facing southbound on Northfield Rd at the intersection of Libby Rd. Unit 2 was stopped behind unit 1 facing the same direction. The driver of Unit 2 admitted that when the light turned green, she let her foot off the brake and looked down. This caused the front of Unit 2 to make contact with the rear of Unit 1. Unit 2 was advised she was the at fault party for the accident. She also advised that a third car was present during the incident and was in front of Unit 1. That unidentified vehicle left before police arrive. Both Unit 1 and Unit 2 were able to drive away from the incident. Photos of the accident were attached by Sgt

On Sunday, August 8, 2022 at approximately 2339 hours, I, Ptl. Thomas #560 observed a large group of dirt bikes and ATV 4-wheelers traveling southbound on Warrensville Center Rd. coming from Warrensville Heights. I advised other Maple Units of the situation and turned on my emergency lights and blocked the northbound lane for safety purposes due to the large amount of dirt bikes and 4-wheelers. Once the bikers and 4-wheels past me, I observed multiple vehicles drive southbound in the northbound lanes and block the intersections off for the riders. I was able to get a license plate at Warrensville Center Rd. and Southgate Park Blvd. to a blue Jeep Wrangler. I advised radio of the plate on the Jeep to document its activities. The group of riders and other vehicles went westbound onto Rockside Rd. then northbound on Dunham Rd. Marked Units continued to follow the group of riders. At the intersection of Rockside Rd., and Dunham Rd., I was able to get a license plate to a gray Dodge Ram, who was also blocking intersections off when the light was red for the riders. I also observed a dark colored Dodge Charger with a Maryland license plate blocking traffic but I was unable to obtain the plate number. While the riders were traveling northbound onto Dunham Rd., the riders took up both sides of the street. Marked Units had their emergency lights on so oncoming traffic could see the riders coming. Numerous riders cut me off and "brake checked" me then slowed down to allow the group to gain more of a gap from officers. The group of riders, and other vehicles involved then traveled eastbound on Libby Rd., running red lights. I was able to block the southbound lane of travel at Libby Rd. and Broadway Ave. so the group of riders did not cause an accident. I followed the riders until they reached the I-480 bridge at which point they entered into Cleveland. Ptl. Heitzer #547 observed the blue Jeep behind him at the intersection of Lee Rd., and Libby Rd. Ptl. Heitzer conducted a traffic stop on the Jeep and cited her for red light violation, and impeding traffic. I counter signed the ticket. While speaking with driver and the two passengers inside the vehicle, they initially stated they were not with the group of riders, but later admitted to being with the group of riders. At no time, were any units pursuing the group of riders or other vehicles involved. We followed strictly for safety purposes. MWT#560
