The caller was going to start a business and contacted a consultation business to assist in the paperwork. In September he paid Loving Care 2 \$899.50 to assist him in filing the paperwork to start the business. He later received a notification the business had changed it's name to Golden Champions Academy. His contact with the business is a Shawnta Galston. Off and on they would be in contact, even though according to the male the contacts has been very few and far in between. The caller stated Shawnta stated she had several deaths in her family and was why she had not been in contact with him. The caller did make another payment for the same amount in January. The caller is upset that the company is not responding in a timely manner. The caller wanted to know what his options were. He was advised to contact his bank to see if they can assist in refunding the payments. He was also advised since he had made 2 payments and received some service, even though not to his satisfaction, this is a civil manner and he would have to file through Garfield Heights Municipal Court. 49-FEMALE WAS GIVEN TWO CITATIONS AND ADVISED FOR CRIMINAL TRESPASSING FROM RAINBOW APPAREL, SHE IS BEING TRANSPORTED TO MARYMOUNT

Spoke with Rainbow Apparel employee, Natricia Garrett. She stated Ebony Scott took a dress, some shoes and jewelry from inside the store and put them in tote bag and exited the store. Natricia attempted to stop Ebony. Ebony proceeded to throw the contents of her alcoholic drink at Natricia and then the empty can. The can did not strike anyone. Ebony left and walked to the RTA bus stop. Officers located Ebony there and she proceeded to be belligerent, vulgar and confrontational. Officers detained Ebony and placed her in the back of a marked cruiser and transported her to the jail until all information could be gathered. Natricia advised Ebony left with \$102.00 worth of merchandise. At the jail Ebony made comments about harming herself. A rescue squad was requested for her.

Ebony was advised of criminal trespass from Rainbow Apparel and was issued a citation for theft and disorderly conduct. She was given a Garfield Heights Municipal Court date of 4/19/2023 and the squad transported her to Marymount. COB549

Rokisha Evans stated she took her car to Nationwide Auto Care over 3 weeks ago for repairs. She stated they ran a diagnostic check and initially told her one thing was wrong. After a few more days they told her something else was wrong and they needed specific parts for the repair. Rokisha stated she has made payments to Nationwide already, in the amount of \$1,500.00; however, they are still telling her that they do not have the parts to fix her car as of yet and it will take more time to fix. Today, she stated the store told her that the car would be finished later today when the part came in. While I was speaking with her, she stated she called and they told her that the part "should" be in today, so the repair should be done either later today or tomorrow. Rokisha stated she will give Nationwide until tomorrow to finish the repairs, but will request an escort to retrieve her vehicle if the repairs are not completed by tomorrow afternoon. She just wants to document this series of incidents in the event she has to file a civil suite against Nationwide. She was advised that if they refuse to release the vehicle, she would need to file a civil law suit against them in GHMC. She will come back tomorrow if she needs the escort. GRA519.

The caller stated approximately 1 year ago she reported her firearm stolen through CPD. Last week she was contacted by Greensboro, NC district attorney saying they had recovered the firearm and were attempting to return the firearm. She verified this was legit and contacted them back. She was informed to contact her closest PD to get an address where they good ship the gun to. I informed the caller, as far as I knew the gun had to be shipped to a Federal Firearms License holder. She was informed she had to contact CPD to have the gun removed from LEADS as stolen. She is going to contact the district attorney during business hours to clarify how to gain possession of her gun. On the above date and time, I, Ptl. N. Ross #570, responded to 15900 Maple Heights Blvd. for a report of multiple people in the building moving furniture out of apartment 302 and 103, causing a disturbance. On arrival, I spoke with a party on scene, Diego Reyes. Diego was with multiple persons that were not identified. Diego advised he was moving furniture out of his deceased sons' old apartment. When asked if the Land Lord knew of him moving out, he stated that he did. Diego then called the Land Lord, Andrew Foggio. Diego had me speak to Andrew who advised that he was not aware of him moving items out. Andrew further advised that his sister, Carolyn Foggio, was the caller and owner of the property. Carolyn was merged into the phone call and advised Diego had keys to enter the building and that she wanted them returned. Carolyn also advised that Diego was behaving strangely by telling tenants of the building that he owned the property. Carolyn requested, after the furniture was removed and the keys collected, Diego be advised of criminal trespass. Diego and the person he was with finished moving the remaining furniture out and gave me the keys to the building. Diego was then advised of criminal trespass. I contacted Carolyn via telephone and advised her of the Maple Heights Police Department having the building keys. Carolyn advised her brother, Andrew, would pick up the keys. I contacted Andrew via telephone and advised him of the same. Andrew was given the CAD number and contact information for the Maple Heights Police evidence room. The keys were entered into PMI for safe keeping (TN: 33320). NR570

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple Heights Police Department lobby for a report of potential protection order violation. On arrival I spoke with the caller, Lavell Gaddis. Lavell stated he previously had a protection order against him with the protected party being Denise Delaney. Lavell stated that when the protection order was active Denise contacted him on multiple occasions and had recently sent a letter to his mother, Andrea Gaddis. The letter was provided, however, was not signed by Denise. Upon checking Lavell's information, it was found that he no longer had an active protection order against him. Lavell was concerned on how Denise was able to locate where he and his mother Andrea lived due to text messages he received approximately 2 weeks prior. Lavell provided photographs of the text messages he received. In one of the photographs texts reported to be Denise reads "19405 Beverly Ave STOP PLAYIN WITH ME LEAVE ME THE FUCK ALONE" and "PDN DON'T FUCK AROUND AND BE IN JAIL FOR YO BIRTHDAY BITCH". Lavell advised Denise contacted him multiple times while the protection order was active. Lavell was advised that he could not contact her in any way even if she contacted him while protection orders are active. Lavell requested documentation and was given this CAD number. Scans of the provided documents are attached to the digital media section of this sheet. NR570

4548 -- ARRIVING AT MARYMOUNT

On the above date and time, I, Ptl. N. Ross #570, along with Ptl. St. John #548, responded to 14604 Kennnerdown Av. for a report of an unruly juvenile hitting the complainant, Keosha Curry. Keosha was the mother o the juvenile. On arrival I made contact with Keosha who advised the juvenile was in the basement of the residence and originally stated she wanted to have the juvenile be seen at the hospital for a mental evaluation. I made contact with the juvenile in the basement and she was observed being in a highly agitated state. When attempting to speak with her, she refused and shouted obscenities. The juvenile then attempted to walk up the stairs past me. I initially attempted to stop her, however, Keosha stated to "let her go". The juvenile then left the residence and began to walk away. I again attempted to stop her and Keosha stated to "let her go" again. The juvenile then was walked away towards E 141. Keosha stated that the juvenile would return and she would contact us when she does. At 1948 hours Keosha called officers back out to the residence stating the juvenile returned and was attempting to break out windows on the house. Upon returning to the residence, the juvenile was observed in the back yard kicking trashcans and shouting. I asked Keosha if she wanted the juvenile to be seen for an evaluation to which she stated yes. Keosha then began walking away again. Ptl. St. John followed her southbound towards Krems Av. I arrived in the area after speaking with Keosha. The juvenile was ordered to stop multiple times by myself and Ptl. St. John. The juvenile refused and did not comply with orders given. I then took physical control of the juvenile's arms. Ptl. St. John assisted and took control of the juvenile's right arm while I had control of the left. The juvenile was actively resisting officers by attempting to pull her arms away. The juvenile was then placed in handcuffs, checked for spacing and double locked, and escorted to a Maple Heights Fire Department Squad to be transported for evaluation. The juvenile continued to resist while being placed on the cot and would not allow officers and fire personnel to get her properly strapped in. The handcuffs on the juvenile were repositioned and secured to the back of the cot so she could not interfere with her being secured. The juvenile was then successfully transported to Marymount Hospital for an evaluation. Keosha responded to the hospital as well. NR570

On the above date and time, I, Ptl. N. Ross #570, along with other Maple Heights Police officers, responded to 5258 Forest Av. for a report of an assault that took place. On arrival, officers spoke with the complainant, Timothy Dawson. Timothy appeared to be heavily intoxicated due to his bloodshot eyes, slurred speech, imbalance, and odor of alcoholic beverages emanating from his person. Timothy advised that his fiancé's son, Damon Hutcherson, assaulted him and struck his left forearm with an unknown object while at 5254 Forest Av. The injury was observed and appeared to be a minor cut along with some bruising. When asked what happened prior to him being hit with the object, Timothy advised Damon was being disrespectful to him and his fiancé Tonya Porter. I then asked if Timothy knew of anything that prompted Damon to strike him, to which he could not answer effectively. Officers then made contact with Damon and his older sister Terion Porter at their residence of 5254 Forest Av. Damon advised that Timothy is constantly intoxicated and that he got upset, prompting him to hit Timothy with an object. Terion advised the object was a pool stick. Officers then requested to speak Damon's mother, Tonya Porter. Terion advised Tonya was

also heavily intoxicated and unable to be awoken. Terion was advised to have Tonya contact the Maple Heights Police for a statement. Timothy requested to have charges pressed against Damon, however he was unable to provide a written statement was too intoxicated. Timothy was advised to come to the Maple Heights Police Daparment to complete a written statement when sober. A photograph of Timothy's injury is attached to the digital media section of this sheet NA570

On Wednesday, April 12, 2023, at 0020 hours, I, Ptl. Field #573, was dispatched to 18115 Maple Heights Blvd for a report of a 911 hang up. Upon my arrival, I spoke with the caller, Victoria Sullivan. Sullivan stated that earlier a frind of her son's, that she had been letting stay at her house, was intoxicated and she told him he had to leave. The male left for a short time but then returned. When the male realized that Sullivan had locked him out of the house, he pounded hard on the side door causing the door frame to break off. Sullivan stated that she did not wish to pursue charges against the male nor did she want to provide officers with his name. CF573

I spoke with Aberlena Bell who advised around 1500 hours, she was parking her rental vehicle, a white Kia Soul bearing FL registration PDN. While parking, she backed into a dark colored sedan in the lot. Aberlena advised it caused some minor scratches to the other vehicle, and minor scratches to the rear driver side bumper of her vehicle. Aberlena went inside Foreman Mills to see if she could find the driver. When she went back outside the other vehicle was gone. Aberlena advised she wanted to report the incident in case anyone noticed the damage to their vehicle. Aberlena provided her insurance information PDN. I took photos and digitally attached them to the sheet. LK558

PARTY ON STATION WITH OCCUPANCY PAPERWORK FOR HER PROPERTY

Roxchey Rodgers came to the MHPD for a civil issue regarding her house she purchased on East 141th. Rodgers stated she did not get the keys from her realtor so she went over to the house. An unknown male was there and stated this was his house and he was not moving. Ms. Rodgers realtor advised that the male was the sellers brother. The realtor was unaware that the brother would not move out once the house was sold. I advised Ms. Rodgers to place a 24hr notice of entry on the front door. I also advised Ms. Rodgers to place the 72hrs of eviction on the front door. Ms. Rodgers understood the process which needed to be done in order to get the male out the house.

JIONNA HAWKINS

-- From 04/14/2023 16:15:12 To 04/14/2023 16:15:14 Disp R231 --
While in the Maple Heights Police Department a female later identified as Jionna Hawkins was screaming and yelling at her neighbor in the lobby Jeanette Turner. Jionna advised she is being stalked by multiple people and further advised the neighbor across the streets husband was looking at her and pacing back and forth with a firearm. Jionna believes that the male wants her "becuase of how she looks". Jionna further advised that the concil man in the area has been stalking her and she has a protection order against him (which was determined to be untrue) while spekaing to Jionna Hawkins she appered to be very hyper and seemed to be suffering from some sort of manic episode. Note: officers have had a multitude of disturbances involving this female in reference to Menacing Complaints and seeing people who are not there. After speaking to Jionna further she advised the male in the lobby was the one holding the gun.

I spoke to the complainant, Jeanette Turner, who advised her neighbor, Jionna Hawkins, had called the police on her this morning about harrasment reference MA23-10081669. Jeanette advised since she moved to her residence the female, Jionna Hawkins, at 5301 E 141st St. has been making in appropriate comments and yelling at no one while on her front porch. Jeanette advised Jionna has been harrasing her today and had been yelling sexually explicit comments towards her husband. Jeanette advised she just wants her and her husband to be left alone and further advised she wants peace and quiet at there residnec. Jeannete was further advised on how to obtain a protection order.

I spoke to Jeanette's husband Leon Morgan who advised he did not say anything to Jionna. Leon further advised he was not carrying a firearm and further advised he did not want anything to do with Jionna.

I observed video footage from Jeanette on her phone. No where in the video shows Leon or Jeanette approaching Jionna's residence. The only thing in the

footage shows Jionna sitting on her porch yelling at nothing and screaming sexually explicit remarks.

The driver of the Ford stated he was E/B on Watson and stopped at the stop sign at Clampher. An unrelated gray vehicle had the right of way and he waited until the gray went, then he went. The Cadillac had been stopped behind a parked vehicle by the stop sign. When the gray car went, the Cadillac came from behind the parked car and struck the Ford which had continued through the stop sign as he had the right away. Zori was a passenger in the Ford.

The driver of the Cadillac stated after the gray car went through the stop sign, he had stopped at the stop then continued through the stop sign. He stated the Ford had not stopped at the stop sign and actually struck his vehicle.

Both vehicles had minor damage, which was photographed and attached to the sheet.

Minor damage to both vehicles. With the damage and conflicting stories there was no way to determine fault. Both parties were okay with this being documented and will deal with their own insurance companies. Photos attached.

 MALES CHECK OK // VEHICLE IS PARKED FOR THE NIGHT - THEY RECIEVED A RIDE

On the above date and time, officers responded to the Taco Bell located at 5591 Warrensville Center Rd. for a report of two males "passed out" in a vehicle in the drive through. On arrival, officers observed a gray Pontiac SUV bearing Ohio license plate PDN with two males inside sleeping. I, Ptl. N. Ross #570, reached into the vehicle, unlocked the doors, turned the vehicle off, and removed the keys. As I was doing this, the driver of the vehicle, Stephen Ownes Jr, woke up. Stephen and his passenger, John Ownes, were ordered to step out of the vehicle. When asked what they were doing prior to arriving at Taco Bell, the both stated that they were out earlier and both admitted to having some "drinks". The Maple Heights Fire Department responded to the scene to clear them of any medical issues. Both parties were cleared by the FD. I then requested Stephen to conduct an HGN test to which he complied. Ptl. B. St. John #548 observed the test as it was being conducted. Stephen did not show any clues for Lack of Smooth Pursuit, Stephen did not show any clues for Distinct and Sustained Nystagmus at Maximum Deviation. Stephen did not show any clues for Onset of Nystagmus Prior to 45 Degrees. Stephen was then asked if he consumed any narcotics earlier to which he stated no. No further tests were performed. Due to the fact that Stephen and his passenger were sleeping in the vehicle, officers determined that neither party was safe to operate the vehicle. John advised his wife could pick them up from the scene and drive them home. Stephens vehicle was parked in the Taco Bell parking lot and secured. Taco Bell staff was notified and allowed the vehicle to stay overnight. Stephen and John were picked up by John's wife without further incident. NR570.

On the above date and time, I, Ptl. N. Ross #570, was requested to 21203 Franklin Rd. to assist the Maple Heights Fire Department with a House Lockout due to the home potentially having food on the stove. On arrival, I spoke with FD personnel and Njeri Motley. FD advised it did not appear that there was any food left on the stove from what they could see from outside. Njeri stated she did not own the property and that she was a renter using Air BnB. Njeri advised Amana Spicer was the property owner and the complainant for the call. Njeri stated the front door utilizes a key pad for renters to access the property and that she accidentally locked the padlock rendering the key pad inoperable, causing the lock out. The FD gained access into the home via the back east side window by prying it open, breaking the window locking mechanisms. Photographs were taken of the damages. NR570.

Upon my arrival for 23-10082632, a male was walking out the door, carrying a case of water and other items. As I, Sgt. G. Allen #519, opened the door to Family Dollar, the store manager ran up to the male and advised that he had stolen items. She alerted me to the 10 packages of vacuum sealed tuna that he had shoved into his back pants pockets. While speaking with the subject, James Carter, I noticed that he had several packages of slim jim meat sticks in his front pants pockets. When I asked if those items had been paid for, James handed turned them over as well. Store manager recovered all of the items that were not paid for and advised him of trespassing. She informed me that she did not want to pursue theft charges and only wanted James advised and to not return. James was advised of Criminal Trespassing and sent on his way. GRA519.

 ENTERED INTO LEADS/NCIC, NIC/PDN.

Paula stated that on 04-14-23, around 1300 hours, her boyfriend, David Rivers, left the residence. Paula stated David got paid and she assumed he went to the store as he normally does on payday. Paula stated she had been in bed when he left and had not thought about. When she got up and David was not back yet, she attempted to contact him by telephone with no answer. On 04-14-23, at approximately 1900 hours, Paula received a text saying he would be home by 2100 hours. David did not come home.

David is approximately 5'09", 176 pounds with a medium build. David is bald, but has a mustache that is gray in color but he dyes it black. David has brown eyes and wears glasses, but they are at the residence. David has a scar on his shoulder blade (Paula thinks it is the left shoulder, but wasn't positive). David does not see the dentist and has false teeth, but only wears his upper plate.

Paula believes David was wearing dark blue jeans, a blue plaid shirt, and black tennis shoes. The only jewelry David wears is a black watch.

Davis is currently prescribed the following medications: Lisinopril; Rosuvastatin; and Carcodilol. According to Paula, David has no medical issues and is not suffering from dementia or mental issues.

David does have his cellphone with him. When asked about the area code, Paula informed me Davis is on his daughter's cellphone plan and that is why he has a Maryland area code.

David did leave in his blue 2008 Jeep Compass, Ohio registration PDN.

Paula was honest and informed me David used to use crack cocaine. Paula stated as far she knows David has not been using lately but is not cannot guarantee he not using.

Paula did not have a picture of David, but do to email issues, I did not receive a copy of it.

David was entered into the missing persons spread sheet.

David was entered into L.E.A.D.S. as a missing person PDN.

Paula does request that when David is located she is contacted so she knows he is safe. STB514

On April 15, 2023, at 2010 hours, I, Ptl. Field #573, responded to Little Caesars' Pizza (21650 Libby Rd) for a private property accident. Upon my arrival, I spoke with Joseph Georgio who was driving a 2013 Fiat 500. Georgio stated he was driving up the aisle to leave when Ashlee Tucker, who was driving a 2013 Chevrolet Cruz drove through the parking spots. Tucker pulled the car out of a parking spot before Georgio could stop his vehicle and hit Georgio's driver side front tire and wheel well causing damage to the front quarter panel and wheel. Tucker's front grill sustained minor damage. Both parties provided and exchanged insurance. Both were issued the CAD number. Photographs were taken and attached. CF573

Johnson states that he was in his vehicle in the parking lot of the condominiums located at 16080 Maple Heights Blvd. He was listening to music. The president of the condos, Angela Sanders, came up to Johnson and told him to turn into down. According to Johnson, Sanders did this "aggressively". Johnson has had issues with Johnson in the past, and wanted this incident documented in case of further issues.

NIC/PDN

On Sunday, April 16, 2023 at approximately 1534 hours, I, Ptl. Thomas #560, was dispatched to 20501 Franklin Rd., for a report of a welfare check. Upon arrival, contact was made with Natasha Cole. Natasha stated her sister, Erica Love made comments that appeared to be suicidal. Natasha could not elaborate what they were other than Erica going to church this morning. Natasha called their mother, Lise Wagner. I advised Natasha to have Lise come to the Maple Heights Police Department to provide more information. Once Lise was at the Police Department, she provided me a text message from Erica that stated, "27 year of pain and I been holding on for my kids but I am tired and I cant give them the life that they deserve so while they are with the people that can properly look after them I am done I can't fight no more went to church I left it with God ow I'm leaving to be with him as well I hope you understand". Erica later made statement on her Instagram story stating she is tired and exhausted, but did not elaborate what she meant. Lise stated Erica does not live at the residence, but does sleep there from time to time. Sgt. Allen #519 requested CVD dispatch to do a ping of her number and the last ping was at 1709 hours, near West 90 and S. Marginal near rail road tracks. Cleveland Police Department was requested to check the area. At 1835 hours, the ping was at the same location. Lise completed a missing person packet to the best of her ability. Erica is entered into LEADs as missing PDN and put into the missing person spreadsheet. MWT#560

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple Heights Police Department lobby for a complaint regarding a juvenile. On arrival I spoke with the complainant Lanisa Rucker. Lanisa reported that earlier in the day at approximately 1130 hours, she received a phone call from her daughter advising that her little brother was burnt with a pan while at their father's girlfriends house, the father being Justin Rucker and the girlfriend being Sheree Matthews. Lanisa spoke with her son on the phone after speaking with her daughter and he stated the burn was caused by bacon grease. After speaking with her son, Sheree spoke with Lanisa and advised that the burn was accidental. Sheree then provided images to Lanisa of the location of the supposed burn on the boy and, at the time, no visible injuries were observed. At approximately 1900 hours, Justin dropped both children of at Lanisa's house. Lanisa then inspected the burn on her son and advised it was on the opposite side of his body that Sheree showed her earlier. Lanisa provided a photograph of the burn. The burn was observed to be on her son's upper rib area underneath his left armpit. Her son was not taken to the hospital for any medical treatment. Lanisa advised she believed the burns were caused accidentally. Lanisa requested documentation of her son's injuries. One photograph attached to this sheet. NR570
