Upon arrival, I spoke with Talia Roberts in reference to a dispute with her daughter, Taniyah. Talia advised Taniyah came over to the residence to retrieve the rest of her belongings. Talia said her and Taniyah engaged in a verbal argument over being disrespectful. Talia told Taniyah that she wanted her to leave the residence. Taniyah complied with Talia's wish but while she was outside she threw a brick against the side of the house causing some paint and siding to chip off. Taniyah then proceeded to leave the residence but Talia tried to stop her and tell her that she wanted her car back but Taniyah left. Talia stated that she allows Taniyah to use her vehicle and has given permission for her to use it this past week for work. Talia wanted the car back after their verbal argument. I explained to Talia that this would be a civil issue and she needed to handle it in civil court. Talia stated all she wanted was to get her car back from Taniyah. I attempted to call Taniyah multiple times with no answer. Talia stated that she just wanted her vehicle back. Talia stated she would come to the police station if she wanted to file a police report for her vehicle. BF572

I spoke with Anthony Brown in the police station lobby in reference to a civil dispute. Anthony stated he has been paying HOA fees while living at Swiss Chalet. Anthony stated he was told that he needed to pay double in order to make up for the other tenants not paying. Anthony stated he would not and was told he would have his utilities shut off. I advised Anthony that only the power and water company could do so. Anthony was advised on how to file a civil suit for loss of monetary value. BF572

On the above date and time I, Ptl. T. Vasko #566 and other Maple Heights Police units were dispatched to the area of Home Ave and Garden St. for a report of multiple juveniles fighting in the area. While en route the complainant called back and advised that the juveniles had gotten into 3 separate cars and left the area going towards Lafayette Ave. While I was driving south bound on Lee Rd. I observed a red Dodge Avenger bearing Ohio registration JEM9611 north bound on Lee Rd. I could see that inside of the Dodge their were multiple juveniles inside. I spoke with the caller, Crystal Wiggins. Crystal stated her daughter, Khloe Hicks(7Y/O) had been getting bullied at school from her classmates. JFK Elementary principal Allen was made aware about this incident. Crystal stated that Khloe told her that she feared for her life at school and that she was hit in the head and blackedout. Both parties decided this incident would be handling internally. Principal Allen advised he will look further into this issue. Crystal just wanted this incident documented. CALLER IS IN THE MAIN OFFICE REQ OFFICER TO RESPOND SAYS HER DAUGHTER WAS THREATENED BY A SCHOOL SECURITY					
The caller stated school officer Addison called her daughter, Maleyah Tolley, out of a class room accusing her of wanting to fight somebody. The caller stated her daughter had called her and she heard school officer Addison say "you will be dealt with". I spoke to Officer Addison, who stated he had observed a student crying, when asked what was wrong, The student stated the Maleyah was speaking bad about her dead father. Addison located Maleyah and asked her what kind of problem she had with the student. Maleyah stated she did not have a problem with the student, but did have a problem with student Jakiyla Rhym. The caller was on on the phone and told officer Addison she was on her way to the school, so officer Addison escorted Maleyah to the office. Assistant Principal Morris had already been made aware of the situation and was speaking to the caller and Maleyah when I arrived. I was informed another school employee had witnessed the exchange between officer Addison and Maleyah. According to the other employee, Maleyah was the one using racial slurs and derogatory comments towards officer Addison and officer Addison had made no threats and remained professional during the exchange. The school is further investigating the incident. The caller only wanted it documented at this time. STB514

On Wednesday, April 19, 2023 at approximately 0945 hours, I, Ptl. Thomas #560, was dispatched to 16501 Broadway Ave., for a report of property damage. Upon arrival, contact was made with Sam Asakli. Sam stated he owns a body shop and has vehicles parked unlocked behind his building. Sam stated juveniles from Maple Heights High School sometimes go inside the unlocked vehicle to smoke. Sam noticed while doing a check on the vehicles behind the building there were cigarette burn marks inside a white 2013 Land Rover Range Rover on the middle console. Sam just wanted the incident documented and requested patrols in the area between 0800 hours, and 0830 hours. I advised Sam to lock all vehicles and if he sees anyone get into the vehicles through his camera, to contact the Maple Heights Police Department so we can respond. MWT#560

MALE IN PD LOBBY FOR THEFT REPORT

The caller originally reported this on 01-25-23 (23-10018713), but it was not completed at the time.

The caller stated on 01-15-23, he went with some friends to the above address. While there a male he only was introduced to as "DJ" cut his hair for him. "DJ" told the caller he would type in his cash app information. The caller gave "DJ" his phone. After the fact the caller discovered "DJ" had transferred either \$895.00 or \$859.00 to himself. The caller reported this on 01-25-23 to dispute the charges with his bank. The caller believed this was taken care of until a couple of days ago when the bank reversed the charges back to him since the dispo was not completed. The caller does not remember the cash app name that "DJ" used. At this time, the caller only wanted it documented as it was originally supposed to be for his bank to investigate. He will contact MHPD if further is needed. STB514

DISPATCH REACHED CALLER HE STATED HIS DAD CAME AND GOT HIM AND ALMOST HOME TO UNIVERSITY HTS AND DAD WOULD BRING HIM TO STATION LATER AS THEY WOULD NOT GO MEET OFFICERS AT SUNOCO/DEREK GAVE 2 NAMES CARMELLO AND MARCELL

One of the males in the group that was stopped was wearing a grey hoodie underneath a black hoodie. The rest were all wearing black hoodies. One male the ran from the area the group was in was wearing a blue Nike jacket. Another male wearing a lighter colored hoodie also ran. Officers searched the area for those males, but could not locate them. The other males were found not to be armed. They stated they two that ran had just joined in with them as they were standing outside. Officer requested the victim to come to the scene to do an on street identification. However, at this time, officers have not made actual contact with the victim. Dispatch called the victim who gave different locations including stating that his father had picked him up and they were on their way home in University Heights. Supposedly, they will be responding to the station at around 1800 hours to make an actual report. While I was checking the area for the victim, I observed there were several people in the parking lot of Milkovich school and we had not received a call from anyone else in reference to this. If the victim comes to the station the information will be forwarded to Cpl. Basiewicz and a report will be completed. STB514

On Wednesday, April 19, 2023, at 2005 hours, I, Ptl. Field #573, responded to Mr. Chicken (5515 Warrensville Center Rd) for a report of a damage to property. Upon my arrival, I spoke with the manager, Sonja Box. Box stated that a customer, Calvin Clark, was driving through the drive through and his 1991 Work Truck bearing OH License Plate SQP4096, had become stuck on the metal awning. When Clark moved the truck forward, the awning's screws pulled out from the building and the truck dented the awning. Clark provided his information and insurance to Box. Box wanted this incident documented for insurance purposes. CF573

TO YESTERDAYS INCIDENT TOM

I was informed an unnamed citizen from Edgewood had sent a video of what appeared to be 2 juvenile B/Ms in a driveway. The video shows the taller male reaching into his waistband and pulling something out of his waistband. The male then puts in the items into a blue bag the shorter male was holding. Due to the quality of the video it was not possible to determine what was pulled out the waistband.

I was further told that this video was from Saturday the 15th in the morning hours. Whoever sent the video to the school did not provide an address or name of where it came from.

Since the incident in question happened on Wednesday and on the other side of town, I am not sure why the unknown person believed this was connected.

FEMALE ON STATION TO SPEAK WITH AN OFF ABOUT AN ON GOING PROBLEM WITH SOMEONE SHE DOESN'T KNOW COMING TO HER HOUSE

Ms. Black informed me that the prowler that was seen on her property on multiple occasions last year has returned. Her video surveillance system caught the prowler at 0029hrs and again at 0109hrs on 04/07/2023 and again yesterday at 0045hrs and again at 0117hrs. She requested assistance from PD. This is an ongoing situation as the suspect was caught on video several times last year as well. A temporary special attention will be placed on her residence and she was advised to call immediately when her cameras give her notification that someone is in her yard.

THINKS HE'S HOMELESS
B/M 60'S VERY THIN WEARING JEANS, GRY HOODIE, BACKPACK AND HAS AS WATER BOTTLE NEXT TO HIM THAT LOOKS LIKE IT'S GOT URINE IN IT

Upon our arrival, we located the male sitting on the sidewalk with his legs in the parking lot. At first Adrian would not speak to officers. He eventually did speak to me and stated he wasn't doing anything wrong. When we explained he could not just sit in front of a business, he again stated he was doing nothing wrong. Adrian did eventually give me his identity information. While speaking to Adrian, I observed a plastic bottle sitting by his feet. The bottle had an amber colored liquid in it with foam on top, indicating it was probably beer and not urine. When I checked the bottle, I detected an odor of an alcoholic beverage (beer) inside the bottle. Adrian was issued a summons for open container of alcohol in public and given a Maple Heights Mayor's Court date. STB514

INFO EXCHANGED

On the above date and time, I, Ptl. N. Ross #570, responded to 5385 Sunnyslope Rd. for a report of a private property MVA. On arrival I spoke with the complainant, Tammie Hurt. Tammie advised her black 2019 GMC Terrain bearing Ohio license plate PDN was parked in a parking space with the front facing the building when a utility vehicle struck the rear driver side bumper area. The utility vehicle was a gray 2010 Chevrolet Express bearing Ohio license plate PDN. The registered owner of Chevrolet, Joanne Banks, was not on scene at the time. The Chevrolet was under the care of Jerome Poole at the time of the accident. Both vehicles were unoccupied at the time of the collision. The Chevrolet's parking gear broke while parked causing the vehicle to roll back into the GMC. Both parties exchanged insurance information on scene. GMC insurance: Progressive Ins. Policy number PDN Chevrolet insurance: National General Ins. PDN Photographs were taken and both parties were provided this CAD number for insurance purposes. NR570.

I spoke with Angelina Gutierrez. Gutierrez stated that her husband was going through their Nintendo Switch account and saw that there was a charge for a Nintendo Lite for (199.99). Gutierrez told him that she did not order a new switch. When Gutierrez checked her email, she saw in her trash a order confirmation for the switch and that it was to be shipped to a Paul Duffy at 19003 Longview Ave, Maple Heights OH 44137 using her credit card. Gutierrez wanted the incident documented to give to her credit card company and to cancel the order through her Nintendo Account. Gutierrez was provided with the CAD incident number. Additionally dispatch was unable to locate anyone with the name Paul Duffy associated with that address. CF573

I spoke with Dejah Blackmon. Dejah advised me that her sister, Adrianna Blackmon gave herself and her boyfriend permission to use her vehicle. Dejah stated due to a traffic stop during the time her boyfriend was driving the vehicle was impounded in cleveland last week. Dejah stated she advised Andrianna about this incident and she got upset. Dejah advised me that Adrianna told her she was going to call the police to report her vehicle stolen. On Friday, April 21, 2022 at approximately 2135 hours, I was on foot patrol at the 7Eleven convenience store when I observed a black male, later identified as Franklin Moses, walk out of the store at a fast pace. The male appeared to be nervous upon seeing me. I entered the 7Eleven and the employee at the register immediately informed me that the male that I observed leave the store had stolen from the convenience store. I yelled out to Franklin to come to me and he complied. As Franklin was approaching me, he had his left hand tucked under his jacket. Franklin was given commands to remove his hand from under his jacket and he complied. I asked Franklin if he had stolen from the 7Eleven and he stated no. After convincing Franklin to be truthful he stated he had stolen a bottle of Bud Light beer from the store; Franklin turned the beer over to me. Franklin was found to have several warrants for his arrest, one of the warrants being with the Maple Heights Police Department. Franklin was arrested and searched. Upon searching Franklin's person, a pipe containing metal wired choreboy was located on his person. Franklin was issued MM citation # MA34659 for drug paraphernalia and issued a Maple Heights Mayors court date of May 2, 2023 at 1530 hours. Frankling was transported to the Maple Heights Jail for his warrants. Franklin was also advised of trespass from the 7Eleven. DF#540

Spoke with Mauricio Avaral. He stated a male named, Gilberto Hernandez, who has been paying rent for a room at the residence became upset over a verbal argument about rent money the two were having. Gilberto was cooking in the kitchen when two other male residents became involved in the argument. The two males and Gilberto began verbally arguing. Gilberto had a knife in his hand as he argued with the males. The males called the police due to Gilberto's intoxicated state. There were no threats of violence. All parties were advised on the eviction process. The two other males left the residence for the time being. Gilberto went back to his room inside the residence. COB549

REPORT PULLED

Scot Germann told Ptl. Kaur and Sgt. Faunce that he was at his uncles, Michael Germann, residence. Scot stated that Michael yelled at him to leave the residence at which point Scot stated he did. Scot said once he got in the middle of the street to his car, Michael began punching and slapping him in the face several times. Scot said he managed to run away and go to a neighbor in order to call the police. Scot was checked out by the MHFD as he stated he sustained injuries as a result. The MHFD stated to officers that from what Scot was saying he did not have injuries consistent with being struck in the face. I did not observe any injuries to Scot that would indicate him being struck in the face multiple times either. Scot stated that no one witnessed this as it was just him and his uncle outside. Officers went to speak with Michael who stated that he never assaulted Scot. He told Scot to get out of his house and Scot began to leave. Michael stated that Scot fell down the porch steps before running away. Michael stated that he and Scot were engaged in a verbal altercation but nothing physical. BF572

On April 24, 2023 I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for Scot who stated he wanted to pursue charges against his uncle Michael for punching him as stated in the previous call. Upon Officers initial response their was a lack of evidence to support the allegations. Scot then advised his aunt, received a call from Michael later in the day and Michael told her he lied and did in fact punch scot. I made contact with the aunt and she stated she would come in and make a written statement with scot at a later time.

While responding to a call in the area of Raymond Street and Anthony Street, I observed a disturbance on Raymond Street near Lee Road. I observed a male, later identified as Donavin Brown, forcibly putting a juvenile female, PDN into the rear passenger seat of a vehicle. Upon speaking with all parties involved, I was informed that the juvenile snuck a male inside of her residence. When the juvenile's Aunt, Miracle Cray, arrived she observed the male and she told the juvenile she was in trouble. The juvenile stated she ran from her home because she was afraid her cellular phone would be taken. Members of the juvenile's family chased after her on foot where she was subdued by Donavin and placed in the vehicle with Miracle. Miracle transported the juvenile back home without further incident. On April 23, 2023, I, Ptl. T. Vasko #566, while on regular patrol, observed a black Ford Focus (PDN) traveling north bound on Lee Rd. I could observe a temporary tag taped to the back windshield. The temporary registration tag appeared to be worn from the sun and about a quarter of the tag appeared to be ripped off and could not be read in its entirety. I conducted a traffic stop on the vehicle by activated my overhead lights and sirens. The Ford came to a complete stop on Raymond St and I made my approach on the passenger side. I identified the driver as, Gabrielle Williams, I advised Gabrielle of the reason why I stopped her and she said her children had ripped part of the temporary tag off and she hasn't been able to purchase hard plates yet. Dispatch advised that Gabrielle had a warrant out of Beechwood. I had Gabrielle step out of the Ford and placed her in the back of my marked cruiser. It was also discovered Gabrielle did not have a valid license. The registration plate was seized due to it not being able to match the Ford. A photograph of the picture was taken and uploaded with this sheet. Upon closer inspection the temporary registration tag was issued on 08/09/2022. The registration tag was entered into evidence (TN#33568). Gabrielle was cited with traffic citation number P-31928 for Failure to display registration O.R.D. 436.09. Driving with no driver's license O.R.D. 436.072a1, and Misdemeanor #MA34038 citation Tampering with records O.R.D. 642.18 Gabrielle was served copy of her citations and custody was transferred to Beechwood Police Department for her warrant. Gabrielle had been given a court date of May 16, 2023 at 1530 hours in the Maple Heights Mayors court.

Antionette Combs contacted the MHPD to document that her 15yo son was destroying his bedroom. Ms. Combs stated the juvenile suffers from mental illness and was currently taking his medication. Ms. Combs refused to get the juvenile evaluated. I did provide several options on sources for the juvenile. I provided Ms. Combs with the State HELP flyer for juveniles as well as how to file for unruly. Ms. Combs was satisfied.

I spoke with Oscar Hunter who advised while driving on Applegate Av, at the intersection of Applegate Av and Sunnyslope Ln. Oscar observed a blue Kent mountain bike parked on the roadway next to the sidewalk with broken handlebars. A check of the bicycle's serial number (PDN) returned not on file. Oscar collected the bike and brought it to Maple Heights PD. The bicycle was entered into evidence as found property (TN: 33560). Photographs of the bicycle were digitally attached to the sheet.
