Spoke with the complainant. They stated that they have had issues in the past with their business being shot by juveniles with BB pellets in the past (MA23-10114149). Today at approximately 0830 when they arrived to open the business, they observed several BB pellet marks in the front window that caused it to crack. There were no cameras located in the business. They wanted the incident documented for insurance purposes. They were provided the CAD number. CF573

DOOR TO SECOND FLOOR LOCKED - REST OF HOUSE CKD OK NO VISIBLE DAMAGE AND SIDE DOOR RESECURED UPON LEAVING

On Monday, August 14, 2023, at 1133 hours, I, Ptl. Field #573, along with other Maple Heights Police officers responded to 17500 Maple Heights Blvd for a complaint of a burglary in progress. Upon our arrival, we observed that the side door was open but had not been tampered with. Officers checked the address and observed no one on the property and did not appear as though anything had been visibly tampered with. Additionally all windows checked secured and we re-secured the side door. At 1257 hours, I, received broadcast to respond back to 17500 Maple Heights Blvd for a follow up. Upon my arrival, I spoke with the caller, Latara Charleston. Latara stated that she had received a notification that her side door had been opened at approximately 1130 hours. When Latara returned home, she saw that there was an outdoor table pushed up next to the side door underneath the kitchen window. When Latara checked the house, she saw that her son's PS5 was missing from next to his TV in his bedroom. Latara believed that it was her son, Kylan Charleston, was the one that had entered the house due to the fact that he would "leave no trace" of him entering the house. Latara stated that she had evicted him from 17500 Maple Heights Blvd but had not presented him with a copy of the notarized eviction paperwork. Latara also stated that his identification and mail still returns to the address on Maple Heights Blvd. Latara did not have any serial numbers or receipts for the PS5 and additionally, she stated that nothing else in the house had been disturbed or taken. I observed that the window Latara stated that Kylan would have entered through did not appear that it had been disturbed. Additionally, Latara stated that due to us re-securing the house after we cleared the residence; she had to have her other son enter the house through the kitchen window to unlock the door. I took pictures of where Latara stated that the PS5 had been located but it did not appear that anything had been placed there for some time due to a significant amount of dust and dirt covering the whole area. Latara wanted the incident documented. CF573

Nicole stated at approximately 1615 hours she parked between O'Reillys Auto and Pizza Hut to get a pizza. When she came out, she noticed damage to the passenger side of her vehicle (photos attached). Nicole advised me that she had already made an insurance claim with Electric Insurance (A100019507). I reviewed the southgate camera that overlooks the parking lot where Nicole stated she parked. Nicole is seen arriving inside the parking lot from Southgate Blvd at 1606 hours. Nicole parks and never exits her vehicle. No vehicles are seen striking her vehicle or even parking next to her. At 1646 hours, Nicole was seen leaving the parking lot. I checked the Flock cameras and noticed no damage to her vehicle on August 12, 2023, however, on August 13th, 2023, the vehicle damage was captured on camera in Shaker Hts, OH at 1424 hours. I advised Nicole of my findings, which she stated she doesn't know when or where the damage occurred. Nicole stated she will contact her insurance company and advised them not to use this CAD number.</p> <p>MM551</p>

4570 - KELLYS HAS THE VEHICLE. COMPLETE.

On the above date and time, officers responded to Lee Rd. near the I-480 entrance ramp for a report of an abandoned vehicle. On arrival officers observed a silver Hyundai Sonata bearing Ohio license plate JTM8749 and VIN 5NPEB4AC8DH785005 stopped in the middle north bound lane of Lee Rd. The vehicle was found unoccupied. Upon inspection of the vehicle, the rear passenger side door window appeared to have been broken out and the steering column was removed, indicating the vehicle may have recently been stolen. The vehicle information was ran through LEADS and did not return as stolen. The registered owner was Calvin Langford of 20605 Hillgrove Av. Photographs were taken of the vehicle and the vehicle was towed from the scene by Kelly's Towing. An attempt was made to contact Calvin via telephone unsuccessfully. A report will be generated if Calvin contacts the Maple Heights Police Department to report his vehicle stolen. Photographs attached to the digital media section of this sheet. NR570

Upon arriving on scene, officers learned the subject fled the area northbound towards McDonalds. Officers checked the area including McDonalds and located a white male standing in line sweating that matched the description of the subject. Officers detained the male until his BMV was brought up for comparison. The male, Josph Fisher, was later found to not be the subject involved. Although, Fisher had a felony warrant through the county. Fisher also had two crack pipes on his person. Fisher admitted to using heroin an hour ago. The Maple Heights Fire Department was called to the scene to check on Fishers' medical condition. Fisher refused transport and signed off. Fisher was issued a citation for drug paraphernalia possession. Fisher was then transported to the Cuyahoga County Jail for his warrant.

On the above date and time, officers responded to 16101 Maple Park Dr. for a report of a 4-year-old child that was left outside and that the parents were not home. The caller, Latasha Blevins, spoke with officers and stated that the 4-year-old stayed in apartment 7. Latasha stated the child was back inside of the apartment and that the parents had just returned home from being away. Officers made contact with the parents of the juvenile, however, would not allow officers to enter into the apartment. The mother, Tierra McDuffie, and the Father, Jimmy Steele, were advised of their child being outside while they were away. The child was identified as Jovonni Steele, DOB June 7, 2020. Tierra stated Jovonni was home with his 10-year-old sibling while they left to get food. Tierra was advised that the children in the home needed to have adult supervision at all times and that failure to do so could potentially result in criminal charges. Jovonni was visually observed by officers and he checked ok. NR570.

After being called out over the PA, the subject female came outside and did not have any weapons. She stated she had already thrown the knife in the front lawn and that there never was any gun involved. The caller also confirmed that there was never any gun involved. The knife, a large butcher knife, was located in the grass. Chrystal stated she was going through a very stressful time in her life and was only showing her friend the knife to say that if she really wanted to hurt herself, she would have already done so with one of the many knives she had in the house. After speaking with her, we were able to talk her into going to participate in a psych evaluation at Marymount. Squad transported her to MMH. GRA519.

I spoke to the caller, Jewel Dial at the above address. The residence is a group home for individuals with developmental disabilities. Ms. Dial is a caretaker at this group home. She advised she arrived at the home last night at 2300 hours for her shift. There were two other residents in the home at that time. They are Akia Givens and Florance Catching. Ms. Dial stated she placed her purse on the dining room table upon arriving at work.					
Upon leaving work this morning, Ms. Dial noticed her wallet was missing from her purse. She then returned to the group home and questioned Akia Givens regarding the missing wallet. Givens became agitated and denied taking the wallet. Ms. Dial advised the other resident, Florance Catching was sleeping during her entire shift.					
I then spoke with Ms. Givens regarding the wallet. She stated she saw the wallet on the table last night, but denied taking it. She and Ms. Dial had a verbal confrontation regarding the accusation. However, nothing physical occurred.					
Ms. Dial advised there was approx. \$350.00 cash in her wallet. Also inside her wallet was her drivers license, two credit cards (Capital One and Discover) and a Huntington debit card.					
Ms. Dial advised she is going to call and cancel her credit cards. I also advised her to monitor her bank account for any fraudulent charges. She will contact us if any of her missing cards have been used. JL575 / LK558

HOUSE IS EMPTY. 575 TO COMPLETE

I spoke with Kelly Betlejewski at Marine Services. She advised when coming into work this morning at approximately 0800 hours, she found a large pile of discarded personal belongings that had been dumped in the lot behind the building.

Upon checking the security cameras, a U-Haul truck was observed pulling around the back of the building at approximately 0300 hours last night. The camera did not pick up a license plate or any individuals, as the trucks headlights were facing the camera.

I found a piece of mail in the discarded items belonging to a Lillie Stewart on Rockside Rd, Maple Heights. I went to that address to attempt to make contact with Ms. Stewart with negative results. The house appeared to be abandoned. Ms. Betlejewski was advised to call us back should the truck return . JL575 / LK558

On 8/16/23 at 1246 hours, I was dispatched to Dunham Tire in reference to a theft of tires. I arrived on scene at 1303 hours. Upon arrival, I spoke to Rasheed Kamal. He advised that at approximately 1237 hours, a customer pulled in and requested two new tires to be put on the rear of his vehicle. The vehicle is a blue Dodge Challenger. The vehicle had a Northcoast Automall plate on the rear. There was no valid registration visible on camera. Mr. Kamal stated the male did not exit his vehicle while the tires were being replaced. Upon completion of the job, Mr. Kamal asked the male to come inside for payment. The male stated he cannot exit the vehicle, as he has a broken leg. He then handed a debit card to Mr. Kamal for payment processing. When Kamal went inside to process the payment, the subject quickly drove away, running over a floor jack used to change the tires. The debit card that was presented for payment is invalid. The name on the card is Karynese Buckhanon. The driver of the vehicle was described as a black male, mid 20's with shoulder length dreads.

The tires that were taken are 265 / 45 / 20 tires, valued at \$170.00 each for a total amount of \$340.00. Photos of the suspect vehicle and fraudulent debit card were attached. JL575 / LK558

*****IN THE POLICE LOBBY*****

MALE IS ADVISING THAT HIS BUSINESS HAS AN ACCOUNT WITH OREILLY AND SOMEONE WENT INTO THE STORE WITH A FICTITIOUS NAME AND MADE MULTIPLE PURCHASES WITH THEIR ACCOUNT.

I spoke to complainant, Raymond Schentur. Raymond stated he is the store manager for Poms Tire Service in Oakwood Village, OH. Raymond has accounts set up throughout the area for O'Reilly's. Raymond stated there has been unauthorized purchases at several O'Reilly's including the store in Maple Heights. Raymond stated the suspect used a fake name when purchasing from O'Reilly's. Raymond has not paid the bills yet and I advised Raymond that O'Reilly's is the victim and that a representative needs to come to the Maple Heights Police Department to report the unauthorized transactions. Raymond stated he will contact them and provided them this information. JL #574

Upon further inspection of the hole found in the back of the residence, it appears that someone drilled a hole into the back of the residence east of his rear entrance. The hole is lined up to the previous damage reported in (MA23-10171493). I checked the interior of the home directly behind the hole and observed no exit hole or any further damage. FTO Mijangos looked through the hole and did not observe any bullet fragments. Caller, Robert Holmes, did not know who may be messing with the back of his residence. Robert noticed the hole not there on Tuesday August 15th, 2023 in the late afternoon hours. Robert stated he is going to install cameras in the backyard in the future. Robert just wanted this documented at this time. Photos of the hole is attached to this call sheet.

I spoke with Donna Gordon in the police station lobby in reference to her window being broken. Donna stated that she left her residence around 0630 hours for work. Donna stated that she received a call from her son stating that their window had just been broken. Donna stated that she looked on her security camera system and she was able to observe two juvenile males approach her residence and then throw rocks at her window. Donna stated that one of the juveniles was a black male wearing a white shirt and dark shorts. The other juvenile was a black male wearing a grey shirt and dark colored pants. Donna stated that she believes the juvenile males to be Lawrence Thomas and Michael Edwards because they did the same thing to her residence last year. Donna also stated that her son stated he heard that it was Michael and Lawrence as well. Donna stated that the juveniles were dropped off in a white vehicle but was unsure of the make or model. Donna completed a witness statement and stated she was going to talk with her neighbor to obtain a better security video. Donna stated she would contact the police department when she obtains the video. A report will be completed when more information is obtained. BF572

I spoke to complainant, Jasmine Vereen. Jasmine stated that she had a verbal argument with her brother, Jovan Vereen. When Jasmine's friend, Dajah Roberson, came over, Jovan started arguing with her. While Dajah was attempting to leave in her vehicle, Jovan came outside and broke her passenger door handle off (OH registration GTK7092). Dajah stated that she had to go to work. Dajah and Jasmine stated nothing was physical. I advised Dajah if she wants to press charges on Jovan for criminal damaging, to come to the police department after work to sign charges. Jovan left prior to police arrival.

MALE IN THE LOBBY FOR A THEFT FROM HIS EBT CARD REPORT

On the above date at 1037 hours, Stephen Vasas came on station to report a fraud offense. He advised that sometime in late July, he received a call from a person claiming they needed to re-verify the account for his EBT card. Vasas then provided all the information about the account that caller was asking for.

Mr. Vasas advised that on August 11th, he went shopping at Marc's in Garfield Heights. When he attempted to pay for his merchandise, totaling \$90.55, his EBT card was declined. The clerk advised him he only had \$4.00 left on his account. Mr. Vasas stated his account should have had \$5974.87.

Mr. Vasas advised he called the number on the back of the EBT card to report the fraud. He was advised that fraudulent charges on his account were made in Massachusetts. Mr. Vasas stated the funds will be placed back on his card, as he just wanted to document the incident. Mr. Vasas was provided the sheet number and a Victim of Identity Theft Packet. On 8/17/23 at 1705 hours, I was dispatched to the above address in reference to a theft offense. I arrived on scene at 1715 hours. Upon arrival, I spoke to the caller, Lateasha Lester. She advised that at approximately 1430 hours, she placed her wallet in her car, as she was planning to leave her residence. She then went back inside her home for a few moments before leaving.

After leaving the residence, an alarm went off inside her vehicle indicating the vehicles key fob was not with the vehicle. Her key fob was attached to her wallet with her house keys. At that time, she noticed the wallet was missing and returned home. Also inside the wallet was her PNC Bank card, driver's license and medical insurance cards. The wallet was described as brown with clear plastic on one side and a Polo logo (bear) on the back.

After searching for the wallet with negative results, Ms. Lester checked her online bank statement and found two fraudulent charges on her account from today, both at a Shell gas station. The first charge was in the amount of \$273.34 at 1631 hours. The second charge was for \$30.00 at 1632 hours. Ms. Lester then contacted her bank and cancelled her debit card. It is unknown at this time which Shell station her card was used at, as the charges are still pending. A criminal report will be generated if any suspect information or video footage of the suspect is located. JL575 / LK558

FEMALE IN THE LOBBY TO REPORT A HIT SKIP

HAPPENED AT 1740 HRS

On 8/17/23 at 1800 hours, I was dispatched to our station to take a report in reference to a hit-skip crash. I arrived on station at 1816 hours. Upon arrival, I spoke to the complainant, Ariale Washington. She advised at approximately 1740 hours today she was traveling Southbound on Northfield Rd. at Libby Rd, she was stopped at the light when a vehicle bumped her from the rear. The vehicle then reversed and fled the scene, Westbound on Gardenview Rd. Ms. Washington provided a possible plate on the suspect vehicle, Ohio registration JNW5255. She advised the vehicle was a black Nissan sedan. She described the driver as a female of Puerto Rican decent. However, the registration provided was not a match. Ms. Washington advised she did not wish to make a report but wanted the incident documented. There was minor damage to the rear bumper of her vehicle. Photos of the damage are attached. I cleared at 1824 hours. JL#575/LK#558

Edward was very uncooperative and provided misleading information about this incident. Edward was advised on how to obtain an eviction notice. Both parties were advised to stay separate from the night. Edward decided to leave and stay with his sister for the night. Edward just wanted this incident documented. 58-FEMALE WAS ISSUED CITATION MA33024

On 08/17/2023 at 1442 hours, Officers were asked to assist the Animal Warden who receive a complaint regarding two dogs' condition in the backyard. On our arrival, we spoke with Animal Warden Houchins who advised us that he received a complaint from the APL as well as a neighbor at 20704 Mountville. The complaints were that two dogs were left outside from 08/16/2023 until 08/17/2023. The Animal Warden knocked on the front door, the windows, and rang the Google doorbell but did not get a response. The Animal Warden went to the backyard and observed a white pitbull and a merle pitbull puppy both in cages with straw on the ground. The Animal Warden observed both dogs had empty bowls without food or water, and feces pressed into the straw at the bottom of the cages. The Animal Warden took photographs which were digitally attached to this sheet. Officers then left the scene and advised the Animal Warden to contact police if he was going to take the dogs. The Animal Warden called his supervisor who advised him to take the dogs and the Animal Warden took possession of both dogs. The Animal Warden took a photograph of the merle puppies gums, which he explained to me that the lighter color was signs of dehydration. The owner of the dogs, Basera Philpott, came to the Maple Heights Police Department on 08/18/2023 at 0949 hours and spoke with the Animal Warden. Basera advised that she was at work from 0730 hours until 1730 hours on 08/17/2023 and that her husband had put the dogs out at 1400 hours before he left at 1420 hours. She also advised that the dogs typically sleep with them in the house and showed an Instagram photo to officers showing the white pitbull in the bed with her child that was posted on 08/17/2023. Basera was issued citation MA33024 for Cruelty to Animals, ORD 618.06a2. Basera was given a Maple Heights Mayors Court Date of 09/05/2023 at 1530 hours. LK558

 4519 -- SEE REPORT

On Friday, August 18, 2023, at 2310 hours, I, Ptl. H. Kaur #553, and other Maple Heights Units responded to the Maple Heights High School, located at 1 Mustang Way. for multiple fights in different parts of the school. One of the males, Elijah Hardwick, advised officers his white New Balances had just been stolen after he got jumped. Elijah stated the juvenile's name who took the shoes attends school with him and goes by the name of Terri. There was no other information for Terri at this time. While checking the area, Ptl. Ross located a male, identified as Emone McNary, Emone stated he found the shoes right outside the high school parking lot. He stated he did not have knowledge of the shoes being stolen.

Emil Wintz, the victim's father. Arrived at the Maple Heights Police Department on 8/21/2023. Wintz stated he observed a video that showed a mutual fight between his son, Elijah Hardrick, and the alleged suspect. Emil stated his son is not hurt from the incident and he does not wish to pursue criminal charges against the other male as the shoe have been returned to him. He did not have any further information on the video or what platform he saw it on. He provided me with a written statement. He also signed a waiver of prosecution. HK #553

FEMALE IN THE LOBBY TO MAKE AN MVA REPORT

On Saturday, August 19, 2023, at 1048 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department Lobby for a motor vehicle accident. Upon my arrival, I met a female, Doris Williams. Williams stated that she was traveling eastbound on Raymond Rd through the intersection at Lee Rd. As Williams was traveling through the intersection (she had the right of way), her 2021 Volkswagen Tiguan bearing OH License Plate #HUM2234 (Unit 1) was struck by a 2020 Ford station wagon bearing OH License Plate #HWA7183 (Unit #2) driven by Brandon Kirtland as he went through the red light. Williams vehicle sustained minor dents and scratches to the right quarter panel of her vehicle.

Williams stated that she and Kirkland exchanged information on scene but wanted the incident documented for insurance purposes.

Pictures were taken.CF573

CALLER NEEDS REPORT FOR SOMEONE BREAKING INTO HER SONS APARTMENT
HE IS CURRENTLY IN A NURSING HOME AND SHE CAME HERE TO GET SOME OF HIS BELONGINGS AND FOUND ANOTHER PERSONS THINGS (ID, KEYS, MARIJUANA)

On Saturday, August 19, 2023, at approximately 1131 hours, I, Ptl. Field #573, responded to 5500 Northfield Rd (Alpine House) Unit #509 for a complaint of a burglary. Upon my arrival, I was met in the lobby by a female, Sharonda Davis. Davis stated that she was getting clothes for her son, Timothy Walters, when she saw on top of the mini fridge by the TV a brown Tommy Hilfiger Wallet (containing a credit card for Tyler Henry and a Ohio P-EBT card for Jameera Hargrove), and a set of keys to a red Hyundai Elantra on a basket ball key chain. Davis stated that the items were not her son's and believed that they belonged to a worker. Additionally Davis stated besides the items on the fridge nothing had been taken from her son's room or was out of place. I observed that there the unit door had not been tampered with and I did not observe any signs of forced entry. I spoke with the site manager, Michael McDaniel, who stated that Henry is an employee at the facility. Prior to my arrival, Davis had removed the items from the room and had taken them down with her to the lobby to turn over to police. The wallet and the keys were taken for found property and entered into PMI (TN: 35413).

CALLER STATES SHE AND HER HUSBAND ARE BEING THREATEN FROM A FEMALE , FATIMA GODDARD, 216.258.1556, THIS IS THE NUMBER WHERE THE TEXTS ARE COMING FROM , HER HUSBAND DID SOME MECHANIC WORK ON HER CAR

NO ACTUAL THREATS WERE MADE. 4573 TO COMPLETE DISPO.

On Saturday, August 19, 2023, at 1932 hours, I, Ptl. Field #573, was broadcasted to respond to the Maple Heights Police Department for a complaint of threats. Upon my arrival, I was met by April Sibley. Sibley stated that several weeks ago, her husband had done work on a female's car and was paid for the work. A short time afterward, the female's car had stopped working (because she had Sibley's husband put on a used converter that he did not previously test). The female became angry when Sibley's husband told her that he would fix it, but she would have to pay since he warned her about putting untested used parts onto the vehicle. The female started to call and test Sibley and told her that she would come by her husband's work (Amazon in North Randall) every day. No direct threats of harm were made towards Sibley or her husband. Sibley only wanted the incident documented. CF573

FORWARDED TO 570 FOR DISPO

On the above date and time Maple Heights Police officer responded to 17421 Broadway Av. for a report of a disturbance. On arrival officers spoke with the callers, Carlis Williams and her brother Marcus Blackburn. Both parties advised that Carlis's ex, David Washington Jr., came to the residence and accused her of having another man in the residence. Carlis stated that she told David that she was a grown woman and she could have whoever she wanted at her residence, however, that she did not. Carlis stated that David became jealous and began to argue with her. Carlis stated she then told David to leave the residence. David complied and exited the residence via the front door. Once outside David began to pound on the door causing one of the locks on the door to break. David then entered into his, reported to be, early 2000's dark colored pickup truck, drive through the front yard, and leave the scene. No accurate make or model was provided. Carlis advised she did not want to pursue charges for Criminal Trespass against David and signed a waiver of prosecution. Carlis was provided information on how to obtain a protection order. She then left with her brother Marcus for the remainder of the evening. NR570.

73-WILL COMPLETE

On Sunday, August 20, 2023, at 1639 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department lobby for a motor vehicle accident. Upon my arrival, I spoke with Brianna Brown, who stated that she had been involved in an accident on Kennerdown Ave at approximately 0900 hours. Brown stated that she was driving her rental vehicle, a 2015 Volkswagen Tiguan bearing OH License Plate #JNC7110 south on Granger Rd towards Rockside Rd. As Brown was about to turn left onto Kennerdown Rd, a white van went left of center and side swiped her driver side door and then fled the area. While I was advising Brown that Granger Rd turning into Dunham was a southbound street only currently and that she would of made a right hand turn. Brown stated that she might have been on E 141st St traveling southbound. I asked Brown if she had any further information on the vehicle that had struck her, she stated that she had the owner's information and insurance she just did not want to talk to him anymore because the accident had caused her to go into a schizophrenic episode and doesn't remember much. Brown did state though she has been in contact with the other driver since the time the accident occurred. Brown stated that when she has calmed down she would provide further information for the other vehicle to police and the exact location of where the accident may have occurred. I observed a dent in Brown's driver side door. I took pictures of the damage to Brown's door and downloaded them into the media section. Brown only wanted the incident documented for insurance purposes. CF573

Caller stated on 08-19-23 he realized his bicycle was missing. When he reviewed his security camera footage, he observed on 08-19-23, at approximately 1450
hours, an unknown person entered his backyard and left with the bicycle. I observed the person was wearing a light gray hoodie and possibly grey pants. Due to
the distance, no other information was able to be obtained. The caller stated the bicycle was a men's gray with black dots mountain bicycle. The caller bought
the bicycle approximately 2 years ago for \$200.00. He had no other information on the bicycle. The caller only wanted this documented at this time. STB514

On the above date and time officer conducted a traffic stop near the intersection of Libby Rd and Granger Rd on a gray Kia Optima for travelling westbound on Libby Rd at a high rate of speed. The driver of the vehicle was identified at Aristano Winfrey. Aristano did not have a valid driver's license at the time of the stop. Aristano also had multiple warrants on his record. The license plate on the vehicle was Ohio Temp. Q530733 which returned to a 2007 Cadillac Escalade. Due to Aristano's driver's license status and the fictitious plates on the vehicle, a tow was sent for the vehicle and Aristano was detained for his warrants. As an inventory of the vehicle was being completed, a second Ohio Temp. plate was located by the one being displayed. The plate was Q373001 which returned to a 2009 Kia Optima with VIN KNAE228995302611, the correct plate for the vehicle. Additionally, a metal herb grinder containing 0.3g of suspected marijuana was located in the center console of the vehicle. Aristano was issued multiple traffic citations by Sgt. Allen #519, (Traffic citation P32634). Aristano was also issued a criminal citation for the possession of marijuana by Ptl. Ross #570, (Citation MA34611). The Solon Police Department wanted Aristano on a failure to appear warrant and was transported to them by Sgt. Allen. The Kia Optima was towed from the scene by Kelly's Towing. The metal herb grinder containing suspected marijuana was entered into PMI as evidence, (TN: 35416). NR570.
