On August 22, 2022, I, Ptl. T. Vasko #566 responded to the lobby for a report of a property dispute. Upon my arrival, I made contact with the caller, Tanisha Howell. Tanisha reported that yesterday (08/22/2022) she met with the father of her child Reginald Hudson at the Maple Heights Police Department in order to transfer custody of their daughter. During the transfer of custody Tanisha noticed her daughter was not being returned in the same clothes that she dropped her off in and she was wearing clothing too small. When Tanisha asked Reginald where the original clothing was, he became irritated and did not answer. Tanisha reports she has continued to call Reginald in order to get the clothing back but he has refused to cooperate. I attempted to contact Reginald in order to come to a resolution but was unable to contact him. Tanisha requested this incident to be documented.

ANIYA CITED FOR DC

On August 23, 2022, I, Ptl. T. Vasko #566 and other Maple Heights Police units responded to the above address for a verbal fight involving a weapon. Upon our arrival, we observed Aniyah Carey and Johnathan Gibbs arguing in the street. After separating both parties Jonathan began to explain to me that Aniyah is his girlfriend, and she recently found out he was talking to another girl (Dejanae Braxton). Aniyah then drove to Dejanae's house on Hazelwood Ave. and began to threaten to fight her. After speaking to Dejanae, she confirmed while inside of her house Aniyah arrived at the end of her driveway and threatened to fight her for talking to Jonathan. Aniyah was cited for disorderly conduct (MA 30558) and given a Maple Heights Mayors court date of August 30th at 330 PM. All parties then left the scene. Their was no evidence of a weapon being involved during this incident.

On 8/23/2022 at 2152 hours, I, Sgt. Crawford #546, observed a silver Mitsubishi SUV traveling westbound on Libby Rd. at Phillip St. in the center median/emergency lane passing several cars and a moving bus. I initiated a traffic stop. The SUV, bearing OH, was operated by Marshae Thompson. Marshae had a suspended driver's license. Marshae was cited for the traffic violations. The SUV was inventoried and towed due the owner, Lavell Tremmel, in the SUV

also not having a valid driver's license. During the inventory I located a bag of marijuana under the passengers seat. Lavell admitted the marijuana was his and a citation was issued. The marijuana, 4.19g was entered into evidence, TN# 30800

On arrival the caller, Raikette Finnie, advised her boyfriend, Anthony McKenzie, showed up to her house attempting to talk. When she refused to talk to him, he became angry and kicked her side door open, breaking the door frame in the process. McKenzie chased her around the inside of her house before they both exited out of the side door. In the process of attempting to get away from McKenzie, Finnie dropped her cell phone and McKenzie attempted to grab her shoulder. Finnie was able to get away from McKenzie and walk to her neighbor's house to call the police. Finnie advised she observed McKenzie with her cell phone before he left the scene prior to Officers arrival. Finnie declined prosecution on McKenzie and was given information on how to obtain a protection order. Finnie voluntarily signed a Maple Heights Police Department Waiver of Prosecution. Customer at McDonalds, Ayesha Montgomery stated she waited a long time to get her food while at the drive through at McDonalds 15629 Broadway Ave. Ayesha asked the employee, a juvenile, to get the manager so she can make a complaint. Ayesha explained the juvenile slammed the drive through window and went to his manager. Ayesha informed me that the juvenile came back later with his manager and Ayesha stated he "laughed at her." Ayesha stated the juvenile informed her he called his mom to respond to address Ayesha. Ayesha continued to state that the juvenile said his dad will come here and shoot the place up. Ayesha stated to me that she replied, "you're daddy aint the only one with a gun. The juvenile stated that Ayesha was upset and he called his mom after she said to him "call your dad he's not the only one with a gun..." I spoke to the juvenile's mother, Andrea Davis. Andrea stated she received a call from the juvenile that stated someone threatened him. Andrea responded to McDonalds and confronted Ayesha. Both parties agreed to respond to the police station to make a report. I spoke to all parties together and concluded with them this is all a big misunderstanding and everyone agreed to leave and go on civilly. No charges to be filed.

Kathi Miller informed me that her neighbor at 5239 Beech Ave. has multiple cars going in and out of the residence at all hours of the day and night. Kathi provided a list of vehicles with license plates and descriptions she noticed throughout the first few weeks of August. Kathi stated she did not notice any type of "drug deal" however she did not want to be obvious that she was observing the activity to the residents and visitors. Kathi explained it does not appear that anyone stays at the residence, they only come at different times on different days. This CAD Log and information will be shared with the SEALE Narcotics Unit. On Friday, August 26, 2022, at approximately 1018 hours, I, Ptl. Colangelo responded to the Maple Heights Police Department Lobby to speak with Michael Thurmond for an assault report. Michael explained he is a Maple Heights High School Security Guard and on 08/24/2022 he was kicked in the groin and spit on by a freshman student. The student is identified as, Jason Dowell Jr. (11-20-227). Michael explained Jason is on an IEP for his behavior. Michael continued to explain throughout the day on 08/24/2022, he informed Jason multiple times to remove the hood from his head, and at approximately the 4th time Jason stated to him he is not going to remove his hood or do anything. Michael began to escort Jason to the office and once administration began to intervene Jason became upset and began to kick toward Michael. Administration gained control of Jason, and Jason spit at Michael. Michael advised he did not want to file charges but only wanted the incident to be documented.

Cherise Pollard stated she believed another resident in her apartment complex, Tia Ooten, put a key scratch on her vehicle. A 2010 red Ford Escape sustained a key scratch mark on the back driver side door. Cherise stated she was the protected party from Tia but the order is no longer active. Cherise informed me that she can not confirm that Tia in fact caused damage to her vehicle but she believed she would be the only person to commit the offense. Cherise also believed that Tia caused additional damage to her bumper since it appeared that the bumper is partially separated from its' original spot. Photographs are documented in with this CAD log.

On Friday, August 26th, 2022, at 1959 hours, I, Ptl.H. Kaur #4553, responded to the Maple Heights Police lobby. for a theft report. I spoke with Roslyn Farmer, who stated she was at Gaines Funeral Home, located at 5386 Lee Rd between 1800-1830 hours. She stated she was attending a funeral when she left her vehicle unlocked in the parking lot of the funeral home. When she returned to her vehicle she observed her purse missing. Roslyn stated her purse contained her medical HSA card, her Ohio Drivers License, US Bank Card, United Health Care Card, Wisely- Payroll card. A citation from Shaker Heights PD, and a food card from Beachwood. She was able to deactivate her bank cards but needs this information documented for BMV purposes. HK553
