574 TO COMPLETE

Upon arrival, I spoke to Russell Spatney. Russell stated he received a call from work that his mother, Francis Spatney, fell and needed medical assistance. When Russell arrived, he was confronted by his brother, Richard Spatney. Russell and Richard got into an argument and Richard spit in his face. Richard claimed nothing was physical and both Rusell and Richard did not want any further action. I spoke to Francis and she stated she did not see anything and she was not hit by anyone and that she accidently fell. Francis was then transported to the hospital and both brothers left. JL #574

ANIKA WAS EXTREMELY UNCOOPERATIVE. MALE WAS GOA/UTL NO SIGNS OF BREAK INS 566 TO COMPLETE

Officers arrived on scene and spoke with the home owner who refused to give her name. The female was uncooperative and refused to give officers any information. She stated the male who broke in the back window had already left. I observed all windows on the rear of the house and the windows were closed and I did not observe broken glass or signs of a disturbance. I then walked around the house and could see all windows were intact and all door ways were secure. It should be noted that multiple Officers were in the area before approaching the house and had seen no male leaving the house. I also spoke with a male who was walking down the street as Officers arrived and he stated he did hear yelling coming from the house but did not see a male walking around the house, enter the house or leave the house. All units cleared.

SERVED A CITE

While on patrol, I observed a male, identified as Lavelle Person Jr. exiting the 7/11 store. Persons was observed yelling obscenities in the parking lot after exiting the store. Officer Lowe was also on scene at that time. Officer Barfield and I then pulled into the parking lot of the store and engaged Mr. Person, ordering him to leave the property. Person refused to comply and continued arguing in an aggressive manner.

At that time, Officer Lowe advised Mr. Person was inside the store engaging in disorderly behavior, arguing with the store clerk. The clerk, identified as Juanita Jacobs, asked Mr. Person to leave the store several times. Officer Lowe then intervned and ordered him to leave the store. At that time, Officer Barfield and I pulled in.

After being ordered to leave the property several times, Mr. Person walked away. While walking away, Person continued to be verbally combative with officers. He then stopped in the middle of four lanes of traffic with oncoming vehicles. At that time, Officer Barfield attempted to secure him into handcuffs. Person attempted to flee on foot. He was taken into custody after a short foot pursuit. Person was issued a citation for criminal trespass and given and Maple Heights Mayor's Court date of 8/22/2023.

Aviah advised Naveon took her phone and threw it multiple times as she continued to try and fight to get it away from him. There were never punches thrown just pushing and shoving to get the phone. At one-point Aviah believes she was slapped on purpose in the face. Aviah advised she also wanted to retrieve a cell phone she let Naveon use after he broke his phone. Navon denied having a phone that belonged to Aviah. Aviah stated she wanted this incident documented so with her mothers help, they could get a protection order against Naveon. 4553 TO COMPLETE

I met with Keshia Wilkins and Deandra Gaston. Keshia stated she resides at 5313 Kohout Av. She stated some of the neighbors children along with an adult 'jumped her daughter, Kaeyona Wilkins." She stated she was on a Facetime call with her children when she observed this incident. She stated the adult ripped out her daughters medical band off her arm which she needs to medical reasons. I asked if there was any video showing the adult assaulting the child. Keshia stated "If there's no video it didn't happen?" I advised her I am only asking so I can prove the incident happened the way she is describing it. I spoke with several neighbors between Keshia's residence to Deandra's residence, nobody observed Deandra physically assaulting the juvenile. Multiple neighbors advised that Keshia's children attempted to fight Deandra's kids first and others stated Deandra's kids attempted to fight first due to a fight that started a few weeks ago. I spoke with Linzey Polite, who stated Kaeonya Wilkins struck her in the nose and pulled her hair. Kaeonya stated the same girl pulled on her medical equipment. This incident is documented and the juveniles were advised to stay off the neighbors properties. I advised the parents that all involved juveniles could face

assault charges. They both advised "I'll handle it my way." The parents did not seem happy with the outcome. I advised the parents if they get into a physical altercation, they would potentially be arrested. HK #553

On 08/09/2023 I spoke with Marcellus Dawson who advised he was in the process of replacing the front window of his house. Marcellus advised the window was broken around 0700 hours on 08/09/2023 during a verbal argument with his girlfriend Regina McKay. Marcellus advised Regina had already left the residence and Marcellus was in the process of replacing the window. Marcellus advised he just wanted the incident documented at this time and was advised on how to obtain a protection order should he need one. A photo of the window was digitally attached to this sheet. LK558

4554 -- JUVENILE IS AT THE RESIDENCE AND CHECKS OK / OK TO REMOVE FROM LEADS

At approximately 1050 hrs., I, Sgt. Jividen #537 spoke with the father on the phone. I advised him we were doing a follow up. I asked him if he has had any contact with his son since he reported him missing. He told me he has not. I asked him if he knew where he might be or who he might be with, he told me no. The father told me the only other family the child may try to go to would be his aunt, but he is not on good terms with her. The father did not have any other info to provide.

At approximately 1400 hrs., I called the father back and asked him if he had any updates. The father told me that shortly after he initially spoke with me, he made phone calls to some of his friends. He said one party, was able to locate his son on social media with a recent update. He said it looked like his son was at someone's house, but he could not tell who the house belonged to. The father said his son may try to stay with his grandmother, Carmella Chappell's residence in Cleveland. At approximately 1430 hrs., I tried to make contact with Tanika (the child's mother), but I did not get an answer. I was unable to leave a voicemail. At approximately 1515hrs., The father called back and said Carmella has possession of the child. Carmella said she will bring the child to the Maple Heights Police Department in a few hours after they get done shopping.
DJ#537

Ptl. Westfield responded to the grandmother's residence in East Cleveland. The juvenile was there. Dad stated the juvenile will temporarily living with the grandmother, while the parents figure out future arrangements. The juvenile was cleared from LEADS. GRA519.

4554 -- CIVIL MATTER / WILL COMPLETE DISPO

On August 09th, 2023 at approximately 1545 hours, I, Ptlm. Westfield #554, was radio dispatched to 21514 Raymond St. for a report of a theft of residence siding. Upon my arrival, I met and spoke with the complainant, Timothy Ashford. Timothy stated he hired a male by the name Ryan to come rehab the outside of his property located at 21514 Raymond St. by replacing the siding. Timothy stated Ryan was unable to do the work today so Ryan contacted his brother, Clinton Cunningham, to respond to do the work. Timothy agreed with Clinton responded. Timothy also mentioned that Ryan did roof work for him in the past. Timothy met Clinton at the residence to talk about the work and pay. Timothy stated when he returned back to the residence Clinton was taking the siding of the residence and loading the siding on the back of his 2005 Chevy pickup truck for scrap. Timothy stated Clinton never returned to finish the work. Timothy provided me with Clinton's contact info. I contacted Clinton regarding this matter. Clinton stated he advised Timothy replacing the whole outside of the residence was a two-man job and he could not do it along due to Ryan not responding. Clinton stated Timothy became irate and began yelling and putting his hand in his face. Clinton stated he packed up and left. Clinton stated he took the siding as scrap because they both agreed that he could take it for payment. Timothy was advised to file a complaint through Garfield Court system as a Civil Matter.

Officers located 8 juvenile males in the area of the Maple Heights Boulevard and Mayville Road. The males all stated there had been an argument between other juveniles parties including some females. An adult male came out of a residence, with what they took to be a pistol. All of the juveniles ran from the area. Some of 8 juvenile males stated the adult pointed the item at them and others said he kept it by his side. All of the juveniles stated there was nothing said about shooting. The juveniles stated the adult came out of a house on the south side of Milan. The only description they could provide of the house was a lot of cars

were parked there. Officers did check the juveniles without locating any firearms. Officers responded to Milan in an attempt to locate the house without success. I did speak to two of the callers. One stated they had just heard a lot of arguing and a lot of juveniles, she did not see or hear anything about a firearm. The second female stated she had heard the juveniles arguing and had told them it wasn't anything worth to get shot over (the female clarified that she was talking about if someone else had a firearm). Besides her making the comment, she had not seen or heard anything about a firearm. Neither female saw an adult involved and could not give a location, except down the

On the above date and time officers responded to 5181 Clement St. for a report of an unruly juvenile. On arrival officers spoke with the complainant Linda Brown. Linda stated when she returned home she noticed damage that her daughter, Janiya Fountain, caused to her bedroom. Linda further stated that Janiya was no longer home and that her father, Jermain Fountain, picked her up prior to Linda returning home. Linda stated Janiya was upset with her due to her not allowing Janiya to have her boyfriend over to the home. Officers were escorted upstairs to inspect the damage caused by Janiya. Officers observed the bedroom door broken off at the hinges, broken glass/ mirrors, and personal items that appeared to have been thrown around the room. Linda stated she was going to contact the Cuyahoga County Juvenile Courts to have unruly charges brought against Janiya. Linda was provided the CAD number for documentation. Officers requested Cleveland police check the residence of Janiya's father, 1939 Green Rd. Apt. 347, to ensure Janiya's wellbeing. At 0058 hours the Cleveland Police (CPD) contacted CVD and advised Janiya was at Jermain's residence. CPD further advised Janiya was with her sister and that Jermain was at work. Janiya checked ok. Darlene stated her brother, Deleny, had been over victing her and they had been drinking. Deleny decided to spend the night. Deleny's wife, Shaunta came over
looking for him because she thought Deleny was at Darlene's with another woman. Shaunta had been on the porch yelling until Deleny opened the dorr.
Shaunta came inside the house still yelling and asking where the other woman was. Deleny calmed Shaunta down and they both left.

Officers contacted Deleny and Shaunta at their residence. Both parties stated it was a misunderstanding.

All parties stated nothing physical had happened and there was no evidence of injuries. STB514

Spoke to the caller and she stated that her next door neighbor to the right of her had removed logs that she had placed next to her driveway approximately 8 years ago. The neighbor then placed the logs on her property in her front yard under her window. The caller was advised to contact property management about finding out her actual property lines. Additionally the caller was advised that if she wanted service to remove the logs then she would need to contact them and possibly move them to the treelawn. CF573

Tanya Porter stated her daughter took her house keys and would not give them back. While I was speaking with Tanya, she appeared to be intoxicated with her slurred speech. Ptl. Kaur conducted a traffic stop that she left in and after talking to her, she stated she threw the keys towards her sister, which matched up what the sister told me. THEFT OF LICENSE PLATE WHILE MR. MORGAN WAS IN CANADA

Charles Morgan stated he while he was recently on a trip to Canada, the license plate OH PC GZX6602, was stolen off his black 2015 Audi Q5. 551 - VEHICLE WAS LOCATED IN FRONT OF 18104 EDINBORO. IT WAS ABLE TO BE STARTED AND DRIVEN BACK TO SOUTH BL.

I spoke to victim, Curtis Granger. Granger stated sometime overnight unknown suspect(s) took his 2014 Kia Optima from his driveway OH-registration of EIM9846. Granger saw his vehicle in his driveway last on 08/10/2023 at approximately 2330 hrs. Granger noticed his vehicle stolen at 6am. While checking with neighbor cameras, Granger located his vehicle near 18104 Edinboro Ave. I observed the steering column peeled. All the windows were intact. I noticed a doorbell camera at 18104 Edinboro Ave. Video shows the vehicle arriving at approximately 0120 hrs this morning. The camera did not capture anyone getting out of the vehicle and the video was dark. I also observed a doorbell camera at 5740 South Blvd., however, the video was dark and was hard to see footage from across the street. Granger was able to retrieve his vehicle back to his residence. I advised him to go to the police department and obtain a free club for his vehicle. Photo of the vehicle damaged is attached to this call sheet. Granger has State Farm insurance and is going to contact them. JL #574

 CALLER RESPONDED TO THE STATION LOBBY TO PROVIDE A STATEMENT AND PURSUE ADDITIONAL ACTION.

Upon arrival, I spoke with Shandra Jimenez who stated that she wanted Dalton Leonard out of her house. Shandra stated that Dalton has lived in the house for 4 months. I explained to Shandra that she would need to file eviction paper work to have Dalton out of her residence. Shandra stated that she served Dalton with the eviction paperwork last night and has 30 days to leave. Shandra stated that she was standing at the stairs talking to another resident inside the house while holding a knife because she was making food. I spoke with Dalton who stated that Shandra was waving a knife while standing at the stairs. Dalton stated that he was afraid that Shandra was going to come after him with the knife. However, no threats were made with the knife. Dalton was given information on how to obtain housing and assistance. BF572

This is a continuation of MA23-10178853. Female did not see the male. The female saw headlights and believed them to be the male's car. The female has been in constant contact with the male and his family about her child. Her phone is off so she was not talking to him today. The female only wanted him away from her residence. There is no proof that he was near the residence other than his car being at the neighboring building. Female was advised to call if he returns. No protection order was observed in Maple Heights. She was again advised to respond to Garfield Heights to report the incident at Save A Lot and near Sunoco. CWF528

On the above date and time I received a call for a disturbance at the above address. Upon arrival, I made contact with the caller Mary Varagas. She stated a black male wearing a hat, shorts, a gray shirt and carrying a book bag was pulling on the door handle and wanted to be let in for an appointment. Mary stated due to his behavior she was scared and refused to let the male in. The male then threw a trash can at the window of the business and left a scuff mark and walked off. Officers located the male and identified him as Leon Perrymond, a block away from where the incident took place. Leon stated he was upset because H&R block is "playing with his money". Leon was issued a MM citation (#MA34045) for the Maple Heights Mayors Court on September 5, 2023 at 1530 for disorderly conduct. Mary signed the citation. TV#566

ADVISED ON HER WARRANT

I ran a random registration check on a Hyundai, OH registration HTT9608. Female owner showed a warrant out of Euclid PD for improper handling of a firearm in a vehicle and drug abuse. Driver appeared to be a female and a traffic stop was conducted. Driver was the owner and I advised dispatch to confirm the warrant. As I was speaking to the driver, Danae Rock, I could smell an odor of raw marijuana coming from the interior of the vehicle. I observed a small bag near the center console of the vehicle. I asked Danae what it was and she replied marijuana. The warrant was confirmed however, Euclid PD stated to advise and release. Danae was then sent on her way. The marijuana was seized and place into evidence (TN:35289). JL #574

 4566 - LISA DOESN'T WANT TO PURSUE CHARGES / SIGNED WAIVER OF PROSECUTION FORM / WILL TYPE IT UP

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for an unknown male in a driveway sending texts to the caller. The caller Precious stated she did not know these males or what they wanted. Upon our arrival Precious was gone but I spoke with the resident, Lisa Allen. Lisa stated that while she was in the basement a male came into the house a took a PlayStation 5 and stated "you can get this back when Precious gives me my money". Lisa's granddaughter came down stairs and told her what happened. Officers arrived on scene and Lisa asked how we knew about the incident and I advised her that Precious had called. Lisa had told me what happened and I had her call Precious who was at work. I briefly spoke with Precious and she stated that she doesn't owe anyone money and has no idea who these people are. I left to retrieve a statement for Lisa and when I came back Lisa was off the phone with Precious and Lisa stated she did not want to pursue charges anymore. Lisa signed a Maple Heights Police Department waiver of prosecution form which

FOUND DOG
 FEMALE IN PD LOBBY
 FOUND NEAR THE HAIR STORE AND FIFTH THIRD BANK

I spoke to complainant, Tiffany Hines. Hines stated she found a black and tan dog running across Libby Rd., near Fifth Third Bank. The dog had a tag on it #27123. I contacted Cuyahoga County Animal Shelter and they stated that the dog belonged to Teeann Owens. I was able to contact Teeann's daughter, Marvin Owens. Marvin stated her mother Teeann is older and the dog must of got out of the residence. Marvin stated she would come to the police department and come get the dog. Marvin came and took custody of the dog upon Marvin's arrival, she stated there is a second dog missing, which she also described as a small, black, brown and white dog. JL #574

SEE OH-1 AND REPORT

On Sunday, August 13, 2023 Officers were alerted to an altercation in the Maple Heights Police Department lobby. I, Sgt. Frazier, could hear screaming coming from the parking lot of the Maple Heights Police Department (MHPD). Upon hearing the screaming, I glanced at the Maple Heights camera screen and I observed two females, later identified as Aria Williams, and Cieara Poindexter aggressively walking into the lobby and charge at a male, later identified as Terrence Nakoneczny. At this time Ptl. Vasko, who was assisting someone with a tow release, Ptl. Vasko radioed to Maple Heights Officers that there was a fight in the MHPD lobby. I arrived to the lobby along with other Officers and we began to separate all parties. Aria (MA34047) and Cieara (MA34046) were issued summons to appear in the Garfield Heights Municipal Court.
