560 TO UPDATE DISPOSITION. COMPLETE.

On Monday, August 28, 2023 at approximately 0756 hours, I, Ptl. Thomas #560, was dispatched to Interstate 480 for a report of a motor vehicle accident. Upon arrival, I observed a white Dodge Caravan bearing OH registration JXG4892, and a red Ford Focus bearing OH registration GVL8193. The Dodge had minor front-end damage from rear ending the Ford. The Ford had a damaged rear bumper, that was able to be clipped back on. Neither vehicle was disabled, and neither driver stated they had injuries when asked. The drivers were in heavy traffic and the operator in the Ford had to hit their brakes to prevent them from rear ending the driver in front of them. Drivers exchanged information and just needed this documented for insurance purposes. MWT#560

On the above date and time, officers responded to 14818 James Av. for a report of family trouble. On arrival officers spoke with the caller, Candis Latham. Candis stated her 16-year-old son Derrick Donald was being disobedient and would not do the household chores he was tasked with doing. Candis stated that she went to discipline Derrick by taking his cellphone away from him. Candis stated that Derrick then "swung on" her due to his phone being taken away. Candis stated she used a plastic toy bat to hit Derrick. Officers then spoke to Derrick who stated she took his phone and attempted to hit him with the plastic bat. Derrick stated that he put his arms up to defend himself from the plastic bat. Derrick stated the cause of the argument was that he was on his phone while doing the house hold chores, washing dishes, and Candis wanted him to get off his phone. Darrick stated that he did complete the chore that Candis requested him to complete. No injuries were sustained by either party involved. Candis was advised on how to proceed with unruly charges through the Juvenile Court and was provided the CAD number for documentation. NR570

On Tuesday, August 29, 2023 at approximately 1218 hours, I, Ptl. Thomas #560, was dispatched to 14102 Tokay Ave., for a report of a motor vehicle hit skip. Upon arrival, contact was made with Nicole Cortes - Sporcich. Nicole stated she parked her marked USPS van (van # 0323439), was parked northbound on E.141 St and Tabor Ave., when an unknown vehicle struck the passenger side mirror (NOTE: typically drivers side mirror, but steering wheel is on the opposite side) and broke the glass off the mirror. There was no other damage done to the van. The Post Office needed this documented for insurance purposes. The supervisor on scene stated she would call in with the insurance information. MWT#560

74 - FEMALES ARE UTL / GOA

I spoke to resident, April Durkin. Durkin stated that approximately 10 male juveniles came over into her yard and wanted to fight her juvenile daughter's, Donrita Durkin 14 years old, boyfriend, Brandon White. Donrita stated that her ex boyfriend, Derrick (unknown last name) was in the group of juveniles. The juveniles left prior to police arrival. I checked the area with negative results. April just wanted this documented at this time and will contact the police if they return. JL #574

KELLYS HAS VEHICLE

Other agencies had cleared the scene upon MHPD arrival. The driver of the Nissan had already been transported to the hospital. According to BHPD (CAD#23-0023095), the driver of the Nissan stated that while driving along I480, somewhere after the I271 split, an object (found to be a wheel chalk) flew from the eastbound side of the road and became imbedded into the windshield of the Nissan, shattering the glass. The driver was able to eventually stop the car along the left lane. The driver was injured by the shards of glass that sprayed all throughout the interior cabin of the Nissan. The Nissan did not strike any other vehicle, nor did it strike the median barrier. Officers from BH nor NRPD reported any indication of witnesses or knowledge of the vehicle that the wheel chalk came from.

The driver was originally to be transported to Marymount Hospital, but was diverted to Metro because of the trauma received to his eyes. We contacted MetroHealth ED and the driver, Frederick Davis had been discharged.

 On August 29, 2023 at approximately 2056 hours, officers responded to the area of 6148 Dunham Rd. to assist the Maple Heights Police Department with a female lying on the ground near 6148 Dunham Rd. that was in and out of consciousness. When the Maple Heights Fire Department arrived on scene to transport the female she became argumentative and began cursing out the firefighters. The Maple Heights Fire Department advised they needed assistance due to the female refusing to go to the hospital and unable to care for herself. Upon officer's arrival the female later identified as Lori Gillen was very argumentative and had a pungent smell off alcohol emitting from her person. Lori was advised she needed to go to the hospital and she began giving officers the middle finger and saying she was going to stay where she was at. Lori was advised she needed to go with the Maple Heights Fire Department multiple times. Lori advised she was not going anywhere and she did not want to be touched. Officers tried multiple times to have Lori get up and go to the hospital which she refused. Due to Lori getting more agitated and the need for her to get medical treatment Lori was carried to the cot by officers and handcuffed to the cot due to her attempting to swing her arms at officers. Lori was transported to Marymount Hospital and given a summons for Disorderly Conduct. Lori was given a Maple Heights Mayors Court date of 9-19-2023 at 1530 hours. Citation MA30089.

The two vehicles were, a red Ford sedan bearing Ohio temp. plate R059845 and VIN 1FAHP3H22CL169046 and a black Nissan SUV bearing Ohio plate JLR7625 and VIN 5N1AT2MT3GC778244. The occupant of the Ford was identified as Davion Nelson and the occupant of the Nissan was identified as Corionte Thomas. The two advised they met up at the park to hang out and talk. Upon doing a plain view scan of the interior of the vehicles, Officers observed a green leafy substance suspected to be Marijuana in the front center cup holder of the Ford. Officers conducted a probable cause search of the vehicle and located more suspected Marijuana in the center console of the vehicle. Officers also located an open bottle of alcohol in the back seat of the vehicle. Davion was issued a citation for Possession of Marijuana (ticket MA 34613) and given a warning for the open bottle of alcohol. The open bottle of alcohol was disposed of while on scene. Corionte did not have any items in plain view that would merit a search of the vehicle. The two were advised of park hours and were instructed to leave the premises. Both parties complied and left the scene. The suspected Marijuana was logged into PMI as evidence (TN: 35559). NR570.</p>

Capathia Craig contacted the MHPD to report damages to her vehicle caused by her husband, Michael Craig. Capathia stated that Michael was intoxicated and walked away from her house after breaking out her front windshield to her 2013 Chevy. Michael was located on Lee Road South at Evening Star. Michael was intoxicated and taken into custody for his warrant that was not related to this incident. Capathia and Michael are legally married, however, Michael moved out of their Turney Rd residence a long time ago. Capathia and Michael were drinking together tonight when they began to verbally argue. Capathia was driving Michael home when they began to mutual struffle with each other. After the scuffle, Michael cracked the front windshield with his hand. Capathia was advised to come to the PD when she was sober to write a statement and sign charges, which she refused. Capathia was also advised of the shared property law while still married to Michael, and that she would need make a claim when she files for divorce.

Ishan Khafiz contacted the MHPD to report her neighbor's, Charles Woods' dog barking. Ishan and Charles engaged in a verbal dispute. When speaking with Ishan, I detected a strong odor of alcohol emitting from her person, in addition, Ishan was uncooperative and continued to verbal argue with Charles while I was on scene. Charles was upset with Ishan because he let his dog outside to use the bathroom and the dog started barking at Ishan, who was sitting on her porch. Ishan yelled at his dog to shut up which upset Charles. Charles was advised that a barking dog could result in a citation, which he understood.

 MALE WAS CITED AND ADVISED OF HIS WARRANTS

On Thursday, August 31, 2023, at approximately 1309 hours, Ptl. Thomas #560, and I, Ptl. Field, #573, were traveling eastbound on Libby Rd towards Anthony St and observed a blue 2019 Nissan Altima bearing OH License Plate #JDS9358 traveling eastbound in front of us with heavy window tint. We activated our overhead lights and siren and conducted a traffic stop of the Nissan at the intersection of Libby Rd/ Anthony St. Upon our approach of the vehicle, we detected the distinct odor of marijuana emanating from the vehicle and observed air fresheners hanging from the rear view mirror. Ptl. Thomas advised the operator, identified as Marcus Andrews, of the reason for the stop. Andrews stated that the vehicle was his girlfriend's son's vehicle. Ptl. Thomas asked Andrews for his license and he stated that he did not have one. Thomas advised Andrews that due to him not having a valid drivers license that the vehicle was to be towed. Search incident to tow, I located inbetween the driver seat and the center console an aluminum bag containing 4.1g of Manhattan Cannabis Flower. Thomas was issued Traffic Citation #P29837 for driving under suspension, window tint (5%), and rear view mirror. Thomas was also issued Minor Misdemeanor Citation #MA35251 for possession of marijunana. Thomas was given the Maple Heights Mayor's Court date of September 19, 2023 at 1530 hours, for both of his citations. Kelly's Towing took possession of the Nissan. The suspected marijunana was taken for evidence and entered into PMI (TN: 35578). CF573

On Thursday, August 31, 2023, at approximately 1455 hours, Ptl. Thomas #560, and I, Ptl. Field #573, were facing eastbound stopped at the intersection of Libby Rd facing Warrensville Center Rd. While stopped, we observed a gray 2018 Nissan Altima bearing OH License Plate #JYK1946 stopped at the light to turn right onto Warrensville Center Rd. The Nissan was stopped over the stop bar and had excessive tint. Once the light turned green, we activated our emergency lights and siren and conducted a traffic stop of the Nissan after it turned into the Shell Gas Station parking lot (5300 Warrensville Center Rd). Upon our approach of the vehicle, we detected the distinct odor of marijuana emanating from the vehicle, additionally, I observed that the passenger was not wearing his seatbelt. Ptl. Thomas advised the operator, Jermaine Arnett Jr, and the passenger, Xavier McCaine of our observations. Xavier advised me that he had a small plastic bag marijuana in his black bookbag that was on the passenger floor board. In the front pocket of the bag I located a small clear plastic bag containing 1.5 g of suspected marijuana. Due to the main pocket of the bag being locked, Xavier allowed me to cut open his bag because he couldn't remember the lock combination. In the main pocket of the bag I located three (3) bags of suspected marijuana (1 bag containing 33.2g of Re-UP JARS, 1 bag containing 16.7g of URB Cannabis, and 1 bag containing 33.3g of URB Cannabis). Jermain was issued Traffic Citation #P29838 for driving under suspension, window tint (33%), and stop light. Xavier was given MM Citaiton #MA35252 for possession of marijuana. Jermain and Xavier were given the Maple Height Mayor's Court date of September 09, 2023 at 1530 hours. The suspected marijuana was taken into evidence and entered into PMI (TN:35574). CF573

		On Thursday, August 31, 2023, at approximately 1625 hours, Ptl. Thomas #560, and I, Ptl. As the Ford approached the intersection it activated its right hand turn signal to turn right at the intersection. As Ford went through the intersection, it continued straight and did not turn. We activated our overhead lights and siren and conducted a traffic stop of the Ford in the parking lot in the Magic Hair and Beauty (5301 Lee Rd). Upon our approach of the vehicle, we detected the distinct odor of marijuana emanating from the vehicle. We advised the operator, Andrew Carter, of the reason for the stop. Due to the odor of marijuana we asked the other occupants (Rashawn Carter-driver side rear passenger, and Joe Hamilton-front passenger seat) for their information and they complied. I advised R. Carter to exit the vehicle, and I conducted a search of him. I located in Carter's left front shorts pocket a clear plastic bag containing 2.8g of suspected marijuana. R. Carter was issued MM Citation #MA35253 for possession of marijuana. R. Carter was given the Maple Heights Mayor's Court date of September 19, 2023 at 1530 hours. At 2120 hours Officers received a squad assist call for a female that would not wake up at the above address. Upon arrival of responders, the caller, Donald Beard, stated a female he met at the RTA station was in his bed and would not wake up. Donald stated that he just met the female and that he did not know her name. Officers went into Donald's room to find a female laying in bed. The female was breathing but did not respond to Officers. The female eventually responded to Officers but appeared to be attempting to deflect questions by acting like she was asleep and talking very low and not answering follow up questions. For example, Officers would ask what her first name was, the female would not respond and then after asked several more times only responded with "T". The female was later identified as Tiana Anderson 21 y/o. Tiana's LEADS information came back as homeless. Tiana refused medical treatment. Officers originally believed Tiana was intoxicated due to how she was acting. Tiana was cleared by EMT's and the call was cleared.

Later in the night Donald called back into dispatch stating that Tiana would not leave and dispatch stated he was going to threaten her with a knife. Officers arrived and found no evidence if a struggle nor any knives being out of place. Donald could not remember what he stated to the dispatcher. I attempted to speak with Tiana but continued to act like she could not hear me or responded with one word answers. I asked Tiana if she was threatened by Donald or if she had ever seen a knife. Tiana acted if she did not hear me. Donald stated she wanted Tiana to leave the house. Once I told Tiana that she needed to leave she "woke up" and began asking why she had to leave and that Donald invited her to the house. I explained to Tiana she needed to leave and she reluctantly complied. Tiana was given a courtesy transport to the RTA station on Warrensville Center Rd.

Mr. smith advised he went to the daycare to pick up his child at 1000 and the daycare was closed. He tried to call his child's mother and she will not text or call him back. I spoke with the child's mother who advised Mr. smith knew the daycare would be closed and that he is not supposed to pick up the child until 1600 hours. The child's mother advised Mr. Smith can call her after 1700 and make arrangements to get the child. I attempted to call Mr. smith but have been unable to reach him. CWF528

I spoke to the male who stated Julia Taylor had followed him from Sheffield to Maple Heights. While somewhere on Raymond Street, the female's vehicle struck the rear of his vehicle. When asked where this had happened at, the male stated he was not familiar with the area and did not know. When I checked his vehicle for damage, I observed a tail light was broken, but the male stated that was old damage. I did not observe any other damage to his vehicle. The male stated he was in Maple Heights to work on a house on Raymond Street. When I asked for the address, the male stated he did not know the address and only knew what the house looked like. The male only wanted information on how to obtain a protection order. The information was provided to him. The male will call the MHPD if further is needed. STB514

DOG WAS DROPPED OFF // ENROUTE BCK TO THE CITY

I spoke to several younger juveniles that were near the road whom stated a dog fell out of a truck. The kids did not have a license plate or a good description of the vehicle. I observed a younger tan pitbull dog bleeding from all four legs and mouth. I rushed it to the VCA vet clinic for treatment. The dog was then dropped off. The vet clinic will contact the police department if the dog is chipped with owner information. JL #574

73- SPOKE TO CALLER // MUTIAL FIGHT - JUST ADVISED OF CRIMINAL TRESPASS

On Saturday, September 2, 2023, at 1912 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers, responded to 5174 Arch St for a complaint of a weapons offense. Upon my arrival, I spoke with the caller Cierra Dell, who stated that earlier her 12 year old son had been involved in a mutual fight with another unidentified juvenile. The other juvenile later on came over to their house with several other unidentified juveniles to fight him. Cierra told the juveniles

that if they want to fight then they all can fight. At which point the other juveniles started to leave the area. Ciarra did not observe any weapons and did not want to pursue any charges against any of the juveniles. CF573

I spoke to victim, Ronnita Stearns. Ronnita stated that she had three amazon packages delivered on her front porch between August 27 through the 29th, 2023. Ronnita was out of town during the deliveries. When Ronnita returned on August 31, she noticed that the packages were missing. Ronnita stated several party decorations were taken, valued at \$48.98, along with a 2,000 watt pool heater, valued at \$45.99, and a pool vacuum cleaner, valued at \$189.99. A 18 inch child's bicycle was also taken, valued at \$108 and a set of training wheels, valued at \$16.99. The approximate total value taken was \$409.95. Ronnita did show proof of the packages that were delivered on her front porch. Ronnita did not have any cameras on her residence. I also checked across the street in front of Ronnita residence and did not locate any cameras. Ronnita just wanted this documented so that she can contact amazon for a replacement. JL #574 FC#567

Michael stated that he contacted Citizens Bank to dispute the unauthorized charges. Citizens bank cancelled his card and issued him a new one. Michael stated that Citizens Bank is not going to make him liable for the transactions. Michael stated there were four separate transactions however, he did not know the dates on them. Michael stated transaction #1 was from Spectrum for \$266. Transaction #2 was from CCC Transportation for \$265. Transaction #3 was from LGM Financial for \$596. A separate charge for \$300 was from SQ Able, however, Michael stated that this was pending and the bank advised him the charge would not clear. Michael stated no one has access to his card and did not have any suspect(s). Michael did not have a bank statement on him showing these transactions. I spoke to complainant, Lorenzo Smith. Lorenzo stated that his black Audi Q7 broke down on Thursday August 31, 2023, at approximately 1900 hrs. Lorenzo stated that the vehicle lost power so he left it parked near 5149 Anthony Street. Lorenzo stated that the key was left in the vehicle because he could not get the key out. The vehicle was also left unlocked. Lorenzo came back on Sunday September 3, 2023 at approximately 1400 hrs., and noticed his vehicle was not there. Lorenzo stated that he still makes payments on the vehicle through 7/17 credit union however, Lorenzo is currently three months behind. Lorenzo stated that the vehicle is currently insured through progressive insurance. I checked the repo log since Thursday August 31, 2023 and could not locate anything. I also checked flock since June 2023 and did not receive any hits. Lorenzo could not contact the credit union due to the holiday weekend and will contact them Tuesday September 02, 2023 . Lorenzo also could not provide proof of ownership of the vehicle. Lorenzo is going to bring the title to the police department on Wednesday September 06, 2023. I noticed a doorbell camera at 5137 Anthony Street and made contact with the resident. The resident stated that the camera does not record. I will attempt to contact the credit union on Wednesday September 06, 2023, and will conduct a follow up on this matter. JL #574 FC #567

 573 - JUVENILE WHEN HOME WITH HIS GRANDMOTHER. PD TO UPDATE DISPOSITION. COMPLETE.

On Sunday, September 3, 2023, at 1703 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers responded to the area of 15701 Edgewood Ave for a complaint of juveniles. Upon my arrival in the area, I located the caller, Nicholas Moore, at 15805 Greendale Ave. Moore stated that he was at the park and was told by some friends that some juveniles that he had been having issues with were coming to the park so he should leave. Moore stated that he wanted to stay at the park to see if they would fight him. When the other juveniles came to the park and wanted to fight him, like Moore initially wanted to, he then fled the area and hid in the garage of 15805 Greendale Ave. Cdt. Lavaglio #574 located Moore's grandmother, Delinda Johnson, at Southgate USA Park. I transported Moore to Johnson's location. I spoke with Johnson who stated that she did not wish to pursue any charges against the other juveniles due to the fact Moore initially wanted to engage in a mutual fight with them. Moore was released to Johnson and returned home. CF573

 TRANSPORTING MARYMOUNT
 New Location MAS2 09/04/2023 01:27:36 MARYMOUNT

Danielle Hyche had been outside of the residence for over an hour trying to talk to Tracy Thomas. Tracy advised he just didnt want Danielle in his yard anymore. I spoke to Danielle who seemed to be confused and had slurred speech about what is going on. Danielle advised she wanted to get a cellphone from the residence. Danielle further advised she tripped and fell while outside. Upon viewing her face I could see a laceration above her eye and it was actively bleeding. Due to Danielle's confused state I had EMS respond to the location. EMS transported Danielle to Marymount hospital due to her condition. Danielle's vehicle KAZ3960 was towed due to it being parked in the driveway and pertruding in the street and partially blocking a fire hydrant. Danielle had no one who could move the vehicle. The vehicle was towed by Kelly's towing. BWS548
