MALE IN PD LOBBY
NO INJURIES

Will Johnson came into the MHPD to report an accident while inside the Home Depot parking lot. Mr. Johnson stated he was looking for a parking spot near the front door when a chevy sedan pulled backwards out of a parking spot and struck his vehicle on the driver side. Mr. Johnson spoke with the driver of the chevy Shayla Stewart but did not ask for her insurance information. Mr. Johnson was given this CAD number to begin his insurance claim.

Mr. Johnson was driving his 2012 Cadi STX. Mr. Johnson provided Statefarm Insurance

I spoke with a James Kingler (216-219-3588) who provided Mr. Johnson his phone number on behalf of Ms. Stewart. I spoke with James who stated he will get the necessary information from Ms. Stewart and contact me back.

The District Manager of Dominos, Jeffrey Nadack, contacted the MHPD to report an assault. Jeffrey stated employee, Martel Lovejoy, shoved him during a verbal altercation. Jeffrey stated Martel was upset about his pay check not being available and got into his face. While in his face, Martel pushed him. Jeffrey was not injured and did not wish to pursue criminal chargers, however, he did wish for police to advised Martel of trespassing onto the property. I spoke to Martel via telephone. Martel confirmed he was engaged in an argument with Jeffrey because they took money from his pay check that he felt was not appropriate. Martel stated he was leaving the store and Jeffrey followed him outside. There Jeffrey got into his face which caused Martel to push him away. Martel was advised of trespassing on Dominos property. Jeffrey signed a wavier of prosecution form.

I spoke with De'Nard Williams in the police lobby in reference to threats he was receiving from his ex-wife's new boyfriend "Raeshawn". De'nard stated he received multiple calls from Raeshawn from a blocked number. De'nard stated he spoke with Raeshawn once who threatened to beat him up and burn him in front of his children. De'nard stated he does not know if Raeshawn is his actual name or a last name for him. De'nard stated he only wanted this documented for now as a paper trail. De'nard stated if this progresses or continues he will seek charges. I advised De'nard to file for a protection order in GHMC once he learns the full name. BF572

I spoke with the caller, Amber Forney. Amber stated her kids were walking their dog(Amber advised me that the dog did not have a leash on). Amber advised an unknown black pickup truck drove by and struck her dog at approximately 1930 hours. Maple Heights police units checked the area, but was unable to locate the suspect vehicle. I advised Amber that Maple Heights city ordinance requires all dogs to be on a leash. Amber will be taking her dog to the vet hospital for the injuries on her dog. Amber just wanted this incident documented. ML563

The juvenile had her phone taken away and became upset. Her mother was disciplining her and she threatened to leave the residence. The mother restrained her and called for assistance. The mother wanted the female to be removed from the residence. The behavioral issue was explained that it had to be dealt with at the parent level and not criminal. While on scene, the female stated she was going to hurt herself. The FD was called and transported her to the hospital. CWF528

I spoke with T'Naja Walker in the police lobby in reference to a harrasment complaint. T'Naja stated last night there was some sort of altercation in the hallway of her apartment complex. T'Naja's neighbor, unknown first name, accused one of T'Naja's guests of taking some money that was on the floor as they left. T'Naja stated her guest came back and did not have the item in question. T'Naja stated that her neighbor began pounding on her door and causing a big scene. T'Naja stated this morning the neighbor came up to her brother and told him that people have died for less, and she had to stop her brothers from running up in her house, and they will get the money back in blood if they need to. T'Naja stated she contacted her building manager but has not heard back from them yet. I advised T'Naja I would document everything and advised her on how to obtain a protection order. BF572

Spoke with the complainant. He advised at approximately 1834 hours, a dark red sedan pulled into his driveway. A white male dressed in a white shirt, black pants, black coat and a dark gray fedora exited the passenger side of the vehicle and placed a small garbage bag on his front porch. The white male then got back into the vehicle and the vehicle left the area. The complainant advised he was not able to see a license plate. The garbage bag just contained random trash. The complainant has video footage from his doorbell camera. He was advised to save the footage if the vehicle or male returns. The complainant wanted this incident documented. COB549

On 02/22/2023 at 1933 hours, I, Ptl. N. Ross responded back to 19200 Raymond St. to collect the completed missing persons packet from Arnita Hall that was dropped off by Ptl. T. Duncan #568. The reported missing person was juvenile, DOB: 03/14/2009. The juvenile was reported to be a black male standing at 5 foot 1 inch weighing 100 pounds. The juvenile was reported to have last been seen wearing a blue shirt, gray pants, white socks, brown boots, and a "army" colored schoolbag. It was not specified if the juvenile had any scars, marks, or tattoos. No mental health or physical health issues were reported. Per Arnita's statement, the juvenile left the house without Arnita's permission. The juvenile was not mad at the time he left, just advised that he was going for a walk. No photographs were provided of the juvenile. Arnita was not asked if the juvenile's missing status could be posted to the department Facebook page. The juvenile's information was entered into leads as a missing juvenile. (NIC: M817210751) NR570

CHEVY IMPALA OLDER MODEL - STILL IN THE PARKING LOT OF GAINED FUNERAL HOME STRUCK A 2014 AUDI Q5

Spoke to the complainant. She advised that she had parked her Audi in the back parking lot of the funeral home in a makred parking space. When the complainant left the funeral, she saw that a black Chevy's front had "ran over" the entire back bumper of the the Audi. I observed that the Audi had parked outside of their allotted parking spot and that the Chevy was parked within their allotted parking space. The Audi had very minimal scratches to the rear bumper and the Chevy did not have any fresh damage. The complaintant wanted to make a report to document the incident and get a CAD number to provide to her insurance. CF573

 4570 RETURNED TO NITRA AND ADVISED DISPATCH THAT IT IS NOT A THEFT // WILL TYPE DISPO

On February 23, 2023 an online report came into the Maple Heights Police Department. The complainant, Jefferica Pollard, stated the catalytic converter was stolen from her car in my driveway on Tuesday night/early Wednesday morning. The muffler is on the ground under her 2010 Black Chevy impala. I responded to the residence and he Chevy Impala was observed in the driveway. Upon inspection of the catalytic converter, it was observed to still be on the vehicle. There was heavy rusting on the exhaust pipe system appearing to have caused the pipe connecting the converter and the exhaust to give way. Photographs were taken of the exhaust system of the vehicle. Jefferica will be advised that the converter was not stolen. NR570.

On February 24, 2023 at 0250 hours, I, Ptl. N. Ross #570, responded to 15508 Maplewood Ave. for a report of property damage to a window. On arrival I spoke with the caller, Ajah Hardges. Ajah advised she was out earlier in the night with her family getting some drinks. Shortly after Ajah returned home at approximately 0230, she heard the sound of breaking glass near the side of the home. Ajah discovered a glass panel on the side door of the home was broken. She looked outside of the home and did not notice anyone near the residence and did not observe any vehicles leaving the area. Ajah suspected it was a female that she saw while she was out drinking, however, did not provide any identifying information. There was no object observed to have caused the damage to the panel. Ajah was advised to contact her landlord to have the glass repaired as soon as possible. Photographs of the damage were taken. No suspects have been identified at this time. NR570.

One account from Money Key in the amount of \$500.00 and the other account from Citizen Pay in amount over \$2000.00. Jovan stated she believes these accounts were open by her former boyfriend and child's father, Tracy Hopson. Jovan didn't have any proof that Tracy made these accounts, however she stated that a child's support letter was sent out to them with both of their social security numbers on it. I advised Jovan to file disputes on the open accounts and contact the Ohio Attorney General office to report identity fraud.

FEMALE NEEDS A IDENTITY FRAUD REPORT

I spoke with Monica Bacchus who advised me on April 14th 2022, her vehicle window was broken and her purse was taken in East Cleveland. Monica filed a report but didn't know what the report number was to give me. Monica stated that her friend Frank Devese at 1151 Shaker Blvd Apt 5 began receiving bills from Shell Gas Station for a credit card in Monica's name. Monica stated the address on her ID that was taken in East Cleveland was for that address. She called up Shell and they asked her what her current address was. She provided it and they began sending bills to her current address. Monica stated that she never applied for a Shell card and believes whoever took her purse opened the account. Monica provided me her most recent bill for \$310.38. The document was scanned and digitally attached to this sheet. Monica stated she already had an ID Theft packet from the state and only needed her report number which she was provided. LK558

Treinell Trotty contacted the MHPD because the employee at Dollar General was disrespectful with her 80yo mother, Judy Banks. The employee, Neais Williams, stated Judy came into the store after making a purchase and accused her of switching her grocery items. Judy stated she purchased \$14.00 worth of merchandise and when she got home, the items she purchased were not in the bag. I spoke with the manager of Dollar General who would review the cameras tomorrow at 1000 hours and refund Judy if possible.

I followed up with the manager of Dollar General on 2/25/2023. The manager admitted to the error being on her cashier and would refund Judy in full. After contacting Judy, she stated she was able to retrieve her items from the manager.

I, Sgt. Frazier, responded to the Milkovich Middle School for a report of a parent causing a disturbance. Upon arrival, Officers were told the parent vacated the premises prior to us arriving. Officers checked the area but was unable to locate the parent. I spoke with the staff at the Milkovich Middle School, they informed me that the parent, who they identified as Darius Alford, came to the school to confront them about his daughter being assaulted. The school staff stated Darius was loud, and was very aggressive while speaking with staff. The school security had to intervene and asked Darius to leave the officer. Darius left the office and stood in the corridor of the entrance, according to the staff and security, Darius refused to exit and began banging on the glass to the office. Once the MHPD were called, Darius left the area in a black Chevrolet Silverado 1500 with a tool box on the rear. The staff stated they wanted Darius advised of trespass and also stated they will be sending a trespass letter out to Darius. I contact Darius via telephone. Darius stated he learned that his daughter was assaulted and responded to the school to see how the school was handling the assault. Darius stated he was upset and yelled, but he denied banging on the glass. Darius was advised of trespass for all of the Maple Heights School premises.

-- From 02/24/2023 16:01:34 To 02/24/2023 16:01:38 Disp R239 -- THIS IS GRANDMA SHE HAS GUARDIANSHIP OVER THE STUDENT. HE WAS REFUSING TO LEAVE THE SCHOOL					

Officers spoke with the juvenile in the middle school office. The juvenile stated that he did not want to go home because his grandmother, Charlene Johnson, is hitting him. While speaking further with the juvenile it was determined by his own admission that it is from discipline. The juvenile explained that this is not a frequent occurrence but only happens when he is not listening. The juvenile said his grandma hits him with a metal brush. I observed a couple bruises on the juvenile's arm but they appeared to be old. I photographed the marks on the juvenile's arm and attached them to the CAD. The juvenile told officers that in the past, his grandma would sometimes hit him with her hand as well. I did not observe any injuries to the juvenile's face. Rebecca Zverina, school counselor, advised officers she contacted CFS and spoke with Elizabeth (#22600143). Officer spoke with the CFS case worker, Brittany Malecki, who stated she has been working on the case for quite some time and she is in constant communication with Charlene regarding the juvenile's behavior. Brittany stated the allegations was nothing new. Brittany responded to the school to speak further with the juvenile. The juvenile was left in the care of the school staff per Brittany. BF572

 NEEDS REPORT

I spoke with Rachael Hudson who advised she is concerned for the welfare of her grandson. On 02/23/2023, Rachael was informed by the juvenile's father, Darryl Hudson, that he would call her after he dropped the juvenile off at the juvenile's mother's house. The juvenile's mother is Alana Jones. The juvenile did not call Rachael so Rachael called Alana and spoke with her and the juvenile. Alana stated she was getting the juvenile ready for bed around 2200 hours. At 0000 hours on 02/24/2023, Rachael received an accidental call from Alana and could only hear background music which sounded like Alana was at a bar. Concerned for who was watching the juvenile, Rachael and her husband Hugh went to Alana's residence at 6200 Lee Rd South and waited in the parking lot. At 0100 hours, Alana was dropped off at home by an unknown friend. Alana claimed the juvenile's older brother, Trevone Jones, was watching the juvenile. Rachael advised when she helped Alana into the apartment, that Alana was heavily intoxicated and no one but the juvenile was in the apartment. Rachael advised me that the juvenile was capable of making phone calls by himself should the need arise. I advised Rachael the incident would be documented and to call Child and Family Services and advised them of the incident. LK558

 SAID THAT HE IS SUPPOSED TO HAVE HIS DAUGHTER TODAY FROM 1600-1900 / THE MOTHER WILL NOT GIVE THE CHILD TO HIM / CALLER HAS COURT PAPERWORK

I spoke with Lavelle Rean in the police lobby in reference to a custody dispute. Lavelle stated he had court ordered paperwork showing that he was supposed to have his daughter on Wednesdays, Fridays, and Saturdays from 1600-1900 hours. Lavelle was able to provide me with that paperwork. Lavelle stated that his child's mother, Beloved Corleon, is not abiding by the court papers. I contacted Beloved and explained to her that it was in her best interest follow the court ordered papers. Beloved stated that she would not be giving Lavelle their daughter because she is appealing the judge's decision. While trying to speak with Beloved, Beloved's mother interrupted the conversation to advise that she no longer wants Lavelle to come around her property. Beloved's mother stated she would like Lavelle criminally trespassed. Beloved stated another reason she would not give Lavelle their daughter was that his driver's license was suspended. I advised her everything would be documented and should be handled in family court. I advised Lavelle he was being criminally trespassed from Beloved's residence to which he stated he understood. I advised him that the two of them need to meet at the police station to exchange their daughter. Lavelle was advised everything was documented. BF572

CLEVELAND REFUSING TO TAKE THE CAR OUT

On the above date and time I, Ptl. T. Vasko #566, was alerted by Flock camera system of a stolen Mercedes bearing Ohio registration, vanity plate "Dr. Lee". The owner of the Mercedes is Darrell Lee. I observed the vehicle west bound on Libby Rd. and South Blvd. I could see the driver, later identified as Vivian Robinson-Lee. Vivian appeared to be about a 60 y/o black female and had no reaction to seeing my marked cruiser. I activated my overhead lights and sirens and conducted a traffic stop. The driver Vivian, was identified as the owner's (who is now deceased) wife. Vivian provided her marriage license, listing Darrell as her husband and she was the listed on Darrell's death certificate, Darrell's social security number was confirmed on the documents. Cleveland police department was advised Vivian was in possession of the vehicle but refused to take the vehicle out of LEADS until the person who reported the car as stolen (Vivian's son) responded to Cleveland PD to inform them that the vehicle was located. Vivian was advised to follow-up with Cleveland PD. tv566

** IN THE PD LOBBY**
CALLER SAID HE LET SOMEONE TEST DRIVE HIS VEH 3 WEEKS AGO AND NEVER BROUGHT IT BACK

I spoke with the caller, Willie Means. Willie stated on February 1, 2023 he made a civil agreement with Robert Mitchell, Jr. Willie stated Robert was planning on purchasing his vehicle, a 2003 gray Dodge ram pickup truck for a price of \$3,000. Willie stated that Robert gave him \$1,000 to him to let him test drive his vehicle. Willie agreed to this and took the \$1,000, which Robert provided to him. Willie stated he is not the registered owner of the vehicle, did not know the VIN number or did not have the title transferred into his name yet. Willie stated Robert hadn't returned any of his phone calls in an attempt to receive the full payment of their civil agreement. I attempted to make contact with Robert over the phone, but there was no answer. I explained to Willie that this incident is a civil matter. I advised Willie on how to file a claim in Garfield Heights Municipal court. I provided Willie the CAD number. Willie just wanted this incident documented. ML563

IN PD LOBBY / WANTS TO SPEAK WITH AN OFFICER ABOUT A SCAM THAT OCCURED FOR A DOG

Kylin Latimer came into the MHPD to report fraud. Kylin stated he attempted to purchase a dog for \$200 on Facebook from one of his Facebook friends, Jason Davis. Kylin stated he doesn't know Jason personally, but they have mutual friends. Kylin stated he paid Jason \$100.00 as a deposit for the dog on Friday February 17, 2023 using CashApp. Kylin stated after the deposit, Jason told him that someone else was interested in the dog and was willing to pay \$250.00. Jason told Kylin that he was there first so he would sell him the dog but Kylin needed to pay in total. Kylin then paid another \$100.00 to complete the total purchase for the dog. This payment was made the same way as the first payment. Jason then told Kylin that the dog was sick and was at the vet but refused to tell him which vet. Kylin has not received the dog. Kylin has put a claim in the CashApp and his bank. Kylin was advised to file a civil lawsuit in Garfield court but he would need to file a report with IC3.gov for the internet crime to confirm that Jason Davis was the person he was communicating with.

stated her daughter was attempting to leave the house with out her permission due to chores not being done Lathia began to argue with her daughter and then went through her phone and found she was "talking crazy to other people" by cussing at them. Lethia in turn diciplined her daughter my smacking her in the mouth. I then spoke to the daughter who stated she did not feel she was being trated right. I observed no physical marks on the daughter and advised her she needs to listen to her mother.tv566
