CALLER WANTS TO MAKE A REPORT FOR HER BROTHER, HE WAS FOUND UNRESPONSIVE YESTERDAY, SHE IS STATING THAT SOMEONE TOOK  
 ITEMS FROM HIS APARTMENT

Reference MA23-10027298. I spoke with Adriene Hawkins who advised her brother Shawn Hawkins was transported to the hospital on 02/05/2023 from 20008  
 Clare Ave Apt 210. Adriene stated that she believes Shawn's ex-wife, Robin Efford, took Shawn's keys to his vehicle (unknown gray sedan), his wallet, and his  
 cellphone (Android unknown Galaxy model, 216-326-7395). Adriene stated when she checked the apartment after Shawn was transported, she was unable to  
 locate his wallet, his cellphone, and his keys and that Robin was with EMS when the initial call was placed. Adriene also stated that the hospital claimed they did  
 not have any property for Shawn. Adriene stated Shawn's vehicle was still in the parking lot as of 02/06/2023 when she checked before coming to the police  
 department. Adriene stated Shawn's vehicle was a gray sedan but didn't know the make or model. At this time I was advised Shawn was not conscious,  
 however did not have a power of attorney and that his next of kin were his adult children who were not present. Adriene advised at this time, they only wished

that the property be returned if Robin has it. I advised Adriene should the family wish to pursue criminal charges if the property is not returned, either someone with the power of attorney or Shawn's legal next of kin need to come to the station to make the criminal report. I called Robin and spoke with her. Robin advised she had Shawn's cellphone, charger, wallet, and keys. Robin advised me that she held onto them for safe keeping due to the door being forced open and it not being well secured on her exit. Robin's son Myles Willingham dropped the property off at the Maple Heights Police Department where it was entered into evidence as found property (TN: 32570). Adriene was called and advised that to pick it up, Shawn, or someone with legal documentation as next of kin or power of attorney would need to come to the Police Department. LK558

Maurice Lauderdale contacted the MHPD to report his grandson's girlfriend, Cache Jackson, was throwing objects and breaking them inside the residence. Cache stated she was engaged in a verbal altercation with her boyfriend, Mario Godfrey, because he was being disrespectful. Mario left prior to officers arrival due to his DV warrant with the city of Cleveland. Cache gathered her belongings and left the residence. Nothing physical was reported.

ON STATION TO FILE HIT SKIP REPORT, UNK PERSON STRUCK HER CAR WHILE SHE WAS INSIDE PAYING FOR GAS

I spoke with Tonya Ogletree who advised she parked her white Infinity bearing OH registration in the parking lot at the Marathon Gas Station at 5012 Warrensville Center Rd on 02/06/2023, near an air pump. She went in the store, came back out and noticed damaged to the driver side rear quarter panel. I went to Marathon on 02/07/2023 and watched video footage of Tonya's vehicle entering the lot and parking at 1218 hours on 02/06/2023. Tonya's vehicle has visible damage already present as it pulls into the parking lot. A photo from the security camera and photos of the vehicle in the police lot were attached to this report. I contacted Tonya and advised her that the damage did not occur in the parking lot. LK558

I spoke with the caller, Cynthia Rosa. Cynthia stated her father, Williams Rosa believed on January 24, 2023 someone took his mink stole from his basement. Cynthia stated her father looked in the basement for the mink stole but was unable to locate it. Cynthia stated she strongly believed her father misplaced his mink stole and was very forgetful. Cynthia stated she will look around the home to attempt to locate the mink stole later this week. Cynthia stated her father did have workers in his basement early this year by Restoration One due to basement damage. Cynthia stated she strong believed that no employees from that company stole her father mink stole since she watched them complete the basement floor. I provided Cynthia the CAD incident number. Cynthia just wanted this incident documented. ML563

I spoke with Helen Fuller over the telephone. Helen said she two social security cards along with her birth certificate are missing and she believes someone stole them. Helen said she always puts them in her hallway closet. Helen said the last time she observed the documents were a month ago. Helen said there is no damage to her house as if someone was trying to break in. Helen said she has an ADT alarm system and always locks the door when she leaves. I advised her I would document everything she said and for her to check her credit report for any fraudulent accounts. BF572

FEMALE IN PD LOBBY  
GRANDDAUGHTER ASSAULTED 20MINS AGO BY ANOTHER STUDENT

I spoke with the juvenile and her mother Sonya Calloway. The juvenile advised she was in school on 02/07/2023, speaking with teacher's aids Miss Maxy and Miss Hammer when she was approached by juvenile two along with several of juvenile two's friends. Juvenile two and juvenile one got into a verbal argument which escalated and juvenile one and juvenile two ended up physically striking each other. I asked juvenile one if she knew who struck the other first during the verbal argument and juvenile one advised she didn't know. I took photos of juvenile one's face which had several scratch marks and attached them to this sheet. Sonya advised that because the school is aware, she just wanted the incident documented and that the school could handle discipline. Previous to this incident, I was advised there was an issue over the weekend involving juvenile two and juvenile one at a hotel party, which led to this incident. LK558

DAMAGE APPEARS TO BE OLD

I spoke with Zonda Haynes who advised she noticed a hole in the doorframe of the back door to her residence. She advised the landlord who told her to call police. I examined the hole, which appeared to be old. There was paint inside of it showing that someone painted the doorframe after the hole was there. There was also no debris on the floor consistent with recently drilled holes. The hole did not lead to the exterior of the door. A photo was attached to this sheet. LK558

FEMALE IN THE LOBBY STATING THAT ANOTHER STUDENT FROM MILKOVICH MIDDLE SCHOOL IS SENDING HER 12YOA DAUGHTER  
THREATENING TEXT MESSAGES FROM ANOTHER 6TH GRADER.  
SHE SENT HER A TEXT MESSAGE MAKING THREATS TO HAVE HER DAD COME SHOOT HER AND HER FAMILY

Jasmine Scott brought her 12yo daughter to the MHPD to report harassment from other female students at Milkovich Middle School. The juvenile allowed me to read her text messages from a student named "juvenile two". The conversation between juvenile two and juvenile one was a mutual agreement to meet in the bathroom of the school for a physical fight. After the fight, another female student named juvenile three, and juvenile two, and juvenile one received school suspensions. Ms. Scott was unaware that her daughter continued to send text messages to juvenile two after the fight. I advised Ms. Scott that her daughter was initiating the conversation between the other females involved. Ms. Scott will continue to handle the matter with school principal, Mr. Wilson.

CALLER REPORTING A WHITE SMALL 4D WITH PURPLE LIGHTS PULLED INTO HER BACKYARD AND JUST LEFT 2-3 MIN AGO TOWARDS DUNHAM

I spoke with Crystal over the phone. Crystal stated at 1403 hours today, a small white vehicle with two "lights" on the front and two "lights" on the back of the roof of the car, came up her driveway, waited for a few moments, then reversed out her driveway. Crystal told me she was going through a divorce and has a TPO against her ex husband. Crystal stated this was the third time this car has done this as she can see on her camera. I located a small white car with four license plate readers on the Flock camera at Corridon at 1404 hours. The vehicle comes back to Relentless Recovery. After advising Crystal her or her ex husband's vehicle might be under repossession. Crystal was relieved.

Upon units arrival the subject awaited the victim, juvenile 13 y/o to be dismissed from school. Once dismissed juvenile one attacked juvenile two by throwing punches at him. Ali Smith who is juvenile two's father stated he witnessed the entire event unfold. Ali told me that this was due to juvenile two having a feud with another juvenile who was killed in Bedford recently. Ali stated he was going to speak with the school principal tomorrow (02/08/2023) and handle the situation amongst the school. Juvenile two refused medical attention and stated that his chest hurt. I could observe no visible injuries on juvenile two. A phone number for Ali was uploaded to this sheet and Ali was provided with an incident number. Tv566

4 STUDENTS HAD A BRAWL. PARENTS WERE NOT INTERESTED IN PRESSING CHARGES

Four 2nd graders were engaged in a physical altercation on the corner of Dunham and Edgewood. Upon police arrival, three of the four students were not on scene. Student, stated he was in a fight and another student took his bookbag. I located another student involved on Northwood, C.Woods. Woods was the friend of the student on scene and took his bookbag by mistake. Woods was taken to his residence on Northwood and I explained to his mother, Tieera Williams, what had happened. There were no injuries nor did any parent wish to pursue charges against the other students.

Michael Huebner came into the MHPD to document a MVA. Michael stated he was driving his flat-bed tow truck eastbound on Granger Rd at Libby Rd when he was struck in the rear by a silver Volvo. Michael exited the truck and took a photo of the Volvo's license plate. He spoke briefly with the driver, who he described as a black female with long eye lashes. Michael stated the female then drove off without providing any of her information. There was no damage to the tow truck, however, Michael wanted to document the incident so that the driver of the Volvo does not make a false police report. The owner of the Volvo comes back to Alexis Hewlett, who has a felony warrant out of Cleveland. There was no updated phone for Ms. Hewlett.

I spoke with loss prevention employee Paul Marando about a shoplifter. Paul said there was a white male with a beard wearing a grey hoodie that took garage door openers. Paul said they were able to get two of the ten back before they were required to stop. Paul said he observed the male leave in a new Jeep Cherokee (white) but the vehicle did not have a license plate and he could not see if it had a temporary tag. Paul said the Jeep drove to the front of Lover's Lane with his trunk open. Paul stated he could not see where the Jeep went after that. Paul stated the merchandise total was approximately \$1,400. Paul stated since we were unable to locate the male they only wanted to advise police of the situation. BF572

Tyler stated he called for MHPD but no officer showed up. After searching the CAD, there was no call for service from a Tyler Mitchell or his phone number. Tyler stated he was traveling southbound on Dunham Road near the Rockside Road intersection in his 2019 Dodge Charger OH registration #JHP2523, when he was struck in the front of his vehicle by a semi truck. Tyler stated after he was struck, the driver of the truck, Mustafa Hassan, advised them to pull over to a nearby lot. Both parties exchanged information. On Thursday, February 9, 2023 at approximately 0017 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a report of aggravated menacing. Upon arrival, contact was made with Jeffery Stearns, and Brian Holt. Jeffery and Brian were repossessing a vehicle from 17916 McCracken Rd., when a resident from the house walked out and asked if he could retrieve belongings from the vehicle prior to them taking off. Brian and Jeffery agreed to his request. The resident then went back in house then walked back out, yelling "TAKE THE TRUCK, THE ENGINE IS BLOWN ANYWAYS!". The resident then goes back inside again. The resident then appears to be standing behind the storm door with a handgun against his person, with the barrel pointing towards the driveway, but not at Jeffery or Brian. As Jeffery and Brian were leaving, the unknown males wife starts yelling at Jeffery and Brian (they did not elaborate on what she said). Brian stated he was going to call the police and at that point, the wife aggressively opens the door, striking Jeffery in the right elbow, causing skin to peel off. Jeffery and Brian stated they did not wish to peruse charges, and wanted this incident documented. Jeffery and Brian also stated they wanted to document they "tore up" the residence's yard while pulling away. MWT#560

On Thursday, February 9, 2023 at approximately 0143 hours, I, Ptl. Thomas #560, conducted a traffic stop on a 2012 Ford Fusion, grey in color, bearing OH registration at Libby Rd., and Henry St. The reason for the stop was no right turn on red. The registered owner, and operator of the vehicle, was later identified as Deangelo Stokes. Deangelo was cited for red light, and driving with a temporary permit without a valid driver. Ticket number: P29408. The vehicle was towed to Interstate towing due to Deangelo not having a valid license. While inventorying the vehicle, I located 25.44g of suspected marijuana (Ticket # MA31165). MWT#560

 73-WILL COMPLETE

On Thursday, February 09, 2023 at 1428 hours, I, Ptl. Field #573, was dispatched to the Maple Heights Police Department lobby for a complaint of telecommunications harrasment. Upon my arrival, I spoke with Melissa Douglas, who reported that her daughter, identified as juvenile one, had been in an altercation a couple days ago at Maple Heights High School, 1 Mustang Way. Douglas stated that the situation had already been handled between all the parents and school staff. Douglass just wanted Maple Heights Police aware of the situation should something else occur at the school. CF573

On 02/09/2023 at approximately 1507 hours I, Ptlm. Duncan #568, responded to 6148 Dunham Rd. (Discount Drugmart) for a theft complaint. Upon arrival, I was met by Discount Drugmart's Loss Prevention Officer, John Glinski. John stated that an employee, identified as Kor'jaun Mcrae, stole \$33.93 worth of merchandise from the store. John provided me with an itemized list of the items and the dates of the theft.

Upon units arrival, we spoke with the resident of the apartment, Rayelle Goodson. Rayelle stated that she was on the phone with her mother when she began to become emotional and was stomping around her apartment. Rayelle allowed officers to come into her apartment and ensure no one else was inside. While inside I noticed no sign of a disturbance. Rayelle was reminded that if she needed police for any reason to not hesitate to call us. Rayelle stated she was not in fear for her safety. I was previously on a call where Rayelle's boyfriend was arrested for DV against her and wanted to ensure Rayelle Officers were here to help her if she needed it. Tv566

I spoke with William Robinson in the police station lobby in reference to an accident. William stated that he was turning into the Sunoco on Libby Rd when another car came and struck him and left the scene. William stated that the driver of the vehicle, Angel Shirley, came back to the scene of the accident but refused to exchange information. While speaking with William, Angel and the owner of the vehicle, Tanisha Davis, arrived at the police station. Angel stated that she was driving on Libby Rd and that William had struck her. William, Tanisha, and Angel all agreed to handle this matter civilly and Tanisha would pay for the damage. Tanisha and William exchanged information and agreed to stay in contact with one another. Tanisha and Angel were both advised if they fail to do so further police action would be taken. BF572

An employee of Star Beauty, Gwen Byers, contacted the MHPD to report a shoplifter. Gwen stated a short brown-skinned male came into the store and stole approximately \$80.00 worth of merchandise. Gwen stated that this male comes in once a week and usually steals items. Gwen was able to capture the license

plate of the male's vehicle. The vehicle came back to a Montez Hollowell, however, after showing Gwen a picture of Mr. Hollowell, she stated it was not the male in her store. Store owner, David Kim, wished to pursue charges if the identity of the male is known.

THE FEMALE MADE A REPORT TODAY WITH GARFIELD FOR HER CAR BEING BROKEN INTO// 20230404

I spoke with lolanda Chiefallo who advised she located several debit cards, an Ohio Directions card, a Tri- C ID and several rewards cards belonging to a Jennifer Brooks outside her shop on the ground. I was able to locate an address for Jennifer and had dispatch contact Garfield Heights who were able to get a phone number. They advised Jennifer had recently reported her car had been broken into in Garfield Heights. I called Jennifer and left a message for her to come claim her cards. If she does not, they will be entered into evidence as found property. LK558

FEMALE IN THE LOBBY TO SPEAK WITH OFFICERS ABOUT HER 14 YO DAUGHTER BEING JUMPED AT THE HIGH SCHOOL. SHE SAID SHE ALREADY SPOKE WITH #540 BUT NOW WANTS A POLICE REPORT.

The complainant, Latasha Jamison, advised her daughter was jumped by a juvenile and a parent at the game at the high school. I spoke to juvenile one who advised an unknown juvenile female asked her "you want to fight me" and began hitting her in the face. Juvenile one advised she defended herself and believes the juvenile females name is juvenile two and is approximately 14 years old. Juvenile one advised she got the name from a friend of hers and the female allegedly goes to Garfield City Schools. Upon observing juvenile one's face I could see a few red marks on the left side near her ear and I could see her hair was dishelved. Latasha advised the vehicle was at the game with the juvenile and mother and she advised an officer had the vehicle plate. I checked with Maple Heights officers and none of them got a plate off the vehicle. This incident was documented for Latasha and she advised she will follow up with the High School. I was unable to locate any juveniles in OLEN by the name of "juvenile two". Prior to this report school staff was going to review the security cameras in reference to this incident. BWS548

POSSIBLE SUSPECT

Jeleice Williams came into the MHPD to report a credit card account from Commity Credit that was opened in her name. There was no balance due, however, Jeleice needed to document the incident so that Commity can investigate. Jeleice stated her 21yo niece, Candace Jefferson, does have access to her social security number, however Jeleice was unable to prove Candace opened the account. Jeleice was advised to conduct an annual credit report and file any discrepancies with the credit bureau, as well as contact the AG office for identity theft.

558/ HANDLED

Sgt Frazier #540 and I received a complaint from Cesar Mugaburu, regarding damage to his black 2015 Yukon GMC, bearing OH registration which was towed by the MHPD on 02/04/2023, for having a fictitious plate, reference CAD # 2310026267. When Cesar went to Interstate towing to pick up his vehicle he observed damage to his driver side mirror. The glass mirror was completely gone and the assembly is damaged and knocked off track. Sgt Frazier contacted Interstate Towing and spoke with Jeff Derosett. Jeff stated he towed the vehicle on 02/04/2022. Jeff stated while the GMC was being stored in their tow yard, he believes a tow truck driver backed into the side mirror, causing the damage. Jeff took responsibility for the damages and agrees to fix the mirror. However, Jeff wants to put a used mirror on the GMC and Cesar is not quite happy with that. Jeff was advised that it is not up to them to determine the quality of the mirror and if Cesar does not want a used mirror, it is their responsibility to get a new mirror to satisfy Cesar and or pay for the damages. Sgt Frazier forwarded the complaint to command staff. Photos of the vehicle were attached to this sheet. LK558

MARKED FOR ABANDONED

Pastor Harper waved me down and asked about a silver Dodge Caravan parked in the rear of his church parking lot. Pastor Harper stated he didn't mind that the vehicle was parked in his lot, he just wanted to the owner to ask for permission. The Dodge Caravan did not have a license plate on it, therefore, it was marked as abandon. There was not contact information for the owner, which comes back to a business "Klean Klean".

Vehicle was still present without a license plate. Vehicle was towed by Interstate. An unknown male came out from Hollywood and stated he owned the vehicle and wanted it "junked". MM551

I spoke with Kisma Campbell who advised that at 1520 hours while in the Clean Express Car wash at 5510 Warrensville Center Rd, she was in the automatic car wash when the vehicle going through the car wash behind her in line struck the rear of her vehicle. I observed minor small dents to the left and right of her license plate. Photographs were taken and attached to the sheet. Kisma advised the driver of the other vehicle, Kyeonna Shade, exchanged information with her and that she wanted the incident documented because she believes the employees of the car wash put both vehicles too close together in the car wash line. I spoke with Kyeonna who advised the same thing that Kisma did, and that Kyeonna had no damage to her vehicle. Both parties provided me with vehicle and insurance information listed below.

On Sunday, February 12th, 2023, at 0152 hours, I, Ptl. H. Kaur #553, spoke with Steven Gardner in reference to family trouble. Steven advised me that his son made some comments towards him. He stated his son works at one of his work locations. He stated he is married and is currently going through a divorce. Steven stated his son was making some comments which could ruin his relationship. He stated his son took off his coat today and said "You ain't safe." He stated due to the history of his son shooting at him in 2019, and thats why he wishes to document this incident. He stated he does not wish to escalate the sitation to how it was in the past. He stated he is the owner of 5358 South Blvd. His son also resides at the home, Steven stated his son turns 18 years old next month, he does not wish to evict him but he will be moving out of the residence soon. Steven stated he wishes to document these comments in case the situation escalates and his son attempts to get physical with him. Today, there was no physical violence. HK #553

| I spoke with Ruby Chaney who had requested a welfare check of her son earlier in the day on 02/2/2023 where I observed he was ok. Ruby stated she was uncomfortable that Eddie McIntyre was not letting the juvenile use FaceTime to speak with her. Ruby wanted to pick the juvenile up today and wanted a police escort to do so. Ruby advised she usually exchanges the juvenile on Sundays but sometimes Eddie takes the juvenile to school on Mondays. She also advised there was no court custody paperwork. I called Eddie and was unable to reach him. I went to the residence at 19732 Maple Heights Blvd along with Ptl Mijangos #551. I spoke with Eddie who advised he didn't want to return the juvenile today and that he would take him to school Monday as he usually does. He also advised there was no custody paperwork but that he has the juvenile on the weekends and Ruby has him during the week. Ruby was unhappy with the incident. While speaking with Ruby, Eddie called her phone unhappy she had called police. Ruby then began to honk her vehicles horn outside the residence. Eddie and Ruby began to verbally argue with each other over the phone when they were advised to go their separate ways. Ruby advised she was going to stay parked on the street. Both Eddie and Ruby were advised the incident would be documented, and to contact Family Court to get custody paperwork on file. I advised Ruby that if she continued to stay outside the house and honk her horn, she may be cited with disorderly conduct. I spoke with Melvin Baity who advised he came to the house to pick up his daughter from his wife Thosha Baity who he is currently separated from. Melvin stated that Thosha was angry he was wearing his shoes on the carpet in the apartment and wouldn't take them off. Melvin advised Thosha attempted to have him leave when she began yelling at him. He and the juvenile left the residence and waited for police to arrive. While speaking with Melvin, Thosha came outside. I went to speak with her and she walked back inside the apartment and shut the door which locked. I knocked several times and she didn't answer the door. Thosha then went to the third story balcony and I asked if she could come down and speak with me regarding the incident. Thosha then advised me that she didn't trust me, she didn't trust police, and she didn't trust Melvin. I asked why Thosha called then and Thosha advised me that Melvin called. I spoke with Melvin who advised me that he never called police. Parties were advised of domestic violence laws and Melvin left the area. LK558.
