--568--

On 01/03/2022 at approximately 0705 hours, I, Ptlm. Duncan #568, was dispatched to the lobby to speak with Aaron Bowling regarding a Domestic Violence incident. Once I spoke with Aaron, he advised he was not here to report a domestic violence incident. Aaron wanted to make officers aware that Christina Williams provided her son, Devon Turner, a firearm. Aaron stated that Devon drives around with the firearm inside of his vehicle. When I asked Aaron why dispatch thought he was here to report a domestic violence incident he stated that Christina scratched him two days prior. Aaron then said he didn't want to talk about anything that happened involving that.

Marissa Donahue came into the MHPD to report her Catalytic converter stolen from her 2003 Chevy Cavalier while she worked her shift at the Marathon Gas Station. Marissa took her vehicle to a mechanic shop where she was quoted \$300.00 to repair her vehicle. I did look underneath her vehicle and observed the Catalytic converter missing from her pipe. I spoke with the owner of Marathon, Adam, who allowed me to review his security camera footage.

At 0556 hours today, a silver Hyundai pulls into the parking on the south-side and drops off a female passenger. The male driver, described as a medium complexion black male with a mustache can be seen in the drivers-seat of the Hyundai. No other occupants were observed on camera. After the female passenger got out and walked into the store, the male driver backed the Hyundai next to Marissa's Cavalier. A few moments later, the video shows Marissa's vehicle lift up with lights coming from underneath her vehicle. A few moments later, Marissa's vehicle was seen dropping down. The female then exits the store and enters the Hyundai. At 0612hrs the Hyundai was seen leaving the parking lot northbound on Warrensville Ctr Rd. The Flock Safety cameras did not capture the license plate of the Hyundai arriving and leaving the Marathon. Adam and Marissa will contact the MHPD if they observed the female come back to the store.

I spoke with Eshandra Matthews who advised that on 12/20/2022 she was informed a UPS package was dropped off at an unknown time. The package contained 3 pairs of Ugg boots (Toddler size 11, and Child sizes 4 and 5) for a total of \$316. Eshandra advised she was not at home at the time and never received the package. She received several other packages that day however and after checking her Ring camera, she never saw the package being delivered. She contacted UPS who opened an investigation on 12/28/2022 and advised her to get a police report. Eshandra was given the sheet number to give to UPS. LK558

On 01/03/2022 at approximately 1630 hours, I, Ptlm. Duncan #568, responded to the Maple Heights Police Department lobby to speak with Breona Prince about theft of a package. Upon arrival, Prince stated she received confirmation that two packages she had ordered were delivered by USPS between 0930-0950 hours. Breona stated that no package were ever delivered. Breona also informed me that she has motion activated cameras in her driveway. Breona showed me the time frame in question and I did not observe a USPS truck or delivery person dropping off packages. Breona contacted the Bedford USPS location and complained that her packages were never delivered. Breona was told that the driver (who was not identified) insisted the packages were delivered. Breona was advised that USPS would be launching an investigation into the incident and that she would be contacted in 2-3 business days. Breona was provided the service request # of 46519437.

I contacted the USPS Postal Inspection Service and spoke with operator Jamillah (employee ID#DB4YC0). Jamillah stated she would put a note in the file that if the package was not located, this incident would be forwarded to the USPS Police.

On Tuesday, January 3, 2023 at approximately 2145 hours, I, Ptl. Thomas #560 observed a black Nissan sedan drive northbound at a high rate of speed on South Blvd., approaching Waterbury Ave. The Nissan did not stop at the stop sign at the intersection of South Blvd., and Waterbury Ave., nor did they appear to slow down while approaching the intersection. I was able to catch up to the vehicle at South Blvd., and Libby Rd. I was able to have a dispatch check the license plate through LEADs once I was at Libby Rd., and Mayville Ave. I conducted a traffic stop at Libby Rd., approaching Warrensville Center Rd., where the driver pulled into the Sunoco Gas Station (5601 Warrensville Center Rd.) The driver was identified as RickKay Robertson. RickKay had a suspended drivers license. RickKay was cited for stop sign violation and driving under suspension. RickKay was advised she needed to step out of the vehicle which she complied. As Ptl. Colangelo #567 conducted a inventory search of the vehicle, RickKay attempted to light a Black Mild cigar. I advised RickKay to hand over the pack of cigars, which she did not and continued to laugh. I advised RickKay she will be issued a mandatory court summons for underage tobacco possession. While I was writing the citation, Ptl. Colangelo was attempting to get RickKay to hand over to the tobacco. RickKay was laughing, telling him he was not going to get it, and walking away from Ptl. Colangelo. Ptl. Colangelo placed RickKay into handcuffs and advised her she was detained. She was placed in the rear seat of marked unit 4402. Ptl. Colangelo got the pack of cigars from RickKay and disagreed the cigar she was trying to light. Rickay was given two traffic citations for DUS, and stop sign, and a Maple Heights Mayors Court summons for underage tobacco possession, ORC 2151.87 (ma35489). Rickay was given a Garfield Heights Municipal Court date for the traffic offense then a Maple Heights Mayors Court date of January 24, 2023 at 1530 hours. MWT#560

FEMALE TO MAKE AN ACCIENT REPORT

On the above date and time, I, Ptl. N. Ross #570, responded to the Maple Heights Police Department for a report of an MVA that occurred in the parking lot of Mr. Hero located at 21680 Libby Rd. On arrival I spoke to the complainant, identified as Joni Kimmel. Along with Joni was the operator of the vehicle that struck Joni's vehicle. That driver was identified as Alicia Larson. Alicia advised she was not paying attention while she was backing her vehicle, a blue Honda Civic 2 door bearing Ohio license plate JXG8037 and VIN# 2HGFG3B82EH508842, and struck Alicia's vehicle. Alicia's vehicle is a black Chevrolet Equinox bearing Ohio license plate HDS6907 and VIN# 2GNAXKEVXL6103655. Alicia advised she was not in her vehicle at the time of the collision and that her vehicle was in a parking space. Both Alicia and Joni provided their insurance and contact information to one another. Alicia carries Geico Insurance, policy #6091631967 and Joni carries Progressive Insurance, policy #933581083. Both vehicles were inspected for damage. Alicia's vehicle had minor cosmetic damage to the right side of the front bumper and Joni's vehicle had minor scratches on the left side of the rear bumper. Both parties were provided exchange of information slips for insurance purposes. Photographs are attached to the digital media section of this sheet. NR570.

I went to Kelly's Towing and observed the Ford Focus (VIN 3FA6P0RU5LR182302) in Kelly's Towing impound lot. The vehicle had sustained heavy front end damage from a crash on 12/15/2022 (MA22-10271230), and was towed. The vehicle then appeared to have been reported stolen on 12/16/2022 from an unknown location on Raymond St (MA22-10271579). The plate the vehicle was allegedly supposed to have on it was Kentucky plate B5B336 according to

records from Enterprise Car Rental. I was unable to locate any information on the plate through LEADS. It was entered into LEADS as stolen using its VIN number. While observing the vehicle at Kelly's, the vehicle had a Michigan plate (EMC4776) on the vehicle and MI registration paperwork in the glovebox. Also in the glovebox was Quebec registration for an Quebec license plate (FPW3130-4). A check of LEADS shows the MI plate belongs on the vehicle, however I was unable to locate any information on the Quebec license plate. Dispatch called and spoke with Enterprise who readvised no plate should be on the vehicle except for a Kentucky license plate. The vehicle was taken out of LEADS as stolen, and I entered the MI license plate and MI registration into evidence as found property (TN: 32333). I also entered the Quebec paperwork into evidence as found property (TN: 32334). LK558

I spoke with Francis Durochia and Brittany Kindice-Bigley. They advised they are out of state on vacation and are getting multiple messages from Erika Schrader, the mother of Francis' child, to his daughter trying to get her to persuade Francis to change the custody agreement. Francis was advised to contact Family Court and his attorney as he believes Erika's messages are interfering with his custody. Francis advised the messages were not threatening in nature but are bothering him. Brittany, Francis' girlfriend, was advised on how to get a protection order for herself. LK558

While sitting in marked patrol vehicle 4401 in the driveway of 5373 Lee Rd, I observed a gray 2020 VW Jetta bearing OH registration JBG8267 driving northbound on Lee Rd behind another vehicle. I then observed the VW drive over the double yellow lines into the southbound lane and around the vehicle in front of it. The VW then passed me, and I pulled out behind it. After passing through the intersection of Lee Rd and Libby Rd, continuing northbound on Lee, I activated my lights and sirens and initiated a traffic stop. I advised the driver, Nyah A Thorton the reason for the stop and asked her why she drove around the other vehicle. She advised me the vehicle in front of her was going too slow. Nyah was issued citation P29655 for Marked Lanes (ORD 432.01). Nyah was given a Maple Heights Mayors Court date of 01/24/2023 at 1530 hours. LK558

I spoke with Kim Hatcher who advised her elderly neighbor at 15509 Maplewood has been complaining about her and her son Bradley Williams since they moved in. Kim advised Bradley recently got a job at Spectrum and parks his Spectrum vehicle in the driveway. Kim advised that the neighbor (whose name she doesn't know), called Spectrum and advised them that Bradley was stealing cable. Spectrum informed Bradley about the incident. I advised Kim to talk to her council person, and if the problem continues, how to obtain a protection order. Lk558

LEADS AND CCH SENT TO THE STATION FOR 566

FEMALE WAS ADVISED ON TRESPASSING

On the above date and time, I, Ptl. N. Ross #570, along with Patrol Officers, St. John #548, King #558, and Vasko #566, responded to Maple Hts. Hardware located at 16460 Broadway Av. for a report of customer attempting to steal items and store staff had the subject locked inside of the building. On arrival, Officers made contact with the subject, identified as Latisha Patrick, and detained her in the vestibule of store. Officers conducted a pat down of Latisha's person to check for weapons. No weapons were located. Latisha was then placed in handcuffs and moved to the back of patrol car 4403 for the remainder of the investigation. I established contact and spoke with store employee Lashonda Johnson-Gerstenfeld. Lashonda advised Latisha came up to the register and started speaking with her. As they were talking, Lashonda noticed items in Latisha's pocket that belonged to the hardware store. The items were two 1/2x1/2FIP connectors, two 1/2x1/2 Ball Valves, and one 3/4" Ball Valve, totalling \$103.63. Lashonda notified the store manager, identified as John Hegrat. John confronted Latisha and a struggle between the two took place. As I was speaking with John, the Officers that were with Latisha advised she was causing harm to herself by hitting her head against the cage in the back of the patrol vehicle. Officers removed Latisha from the backseat of the patrol vehicle and placed her on the ground for her safety. Latisha was actively resisting Officers and had to be restrained. Latisha began to hit her head against the pavement while on the ground. Ptl. Vasko placed Latisha's jacket under her head to stop her from hitting her head against the pavement. Latisha then made suicidal statements to Officers. The Maple Heights Fire Department was advised and responded to the scene to transport Latisha to Marymount Hospital. Ptl. St. John conducted a search of

Latisha's property. While searching her purse, Ptl. St. John located a Glass tube with charred Chore Boy and residue inside of it. The item was confiscated as evidence (TN: 32342). Latisha's cellphone and purse were entered into PMI for safe keeping (TN: 32355). Latisha was issued two misdemeanor citations, one for drug paraphernalia and one for theft. Latisha was advised of criminal trespass to Maple Hts. Hardware. One photograph attached to the digital media section of this sheet. One document attached to the Docs section of this sheet. NR570

I spoke with Ralph Clemons who advised on 01/04/2023 while in the drive-through line of Mr. Chicken at 5515 Warrensville Center Rd, his vehicle was involved in an accident (Officer's note, Ralph initially claimed he was at Popeyes, however later advised it was Mr. Chicken). Ralph advised he was driving a 2018 Chevy Equinox bearing OH registration 6LC. His wife, Linda Clemons was in the passenger seat. Ralph stated while waiting in line, a Nissan driven by a Darlene Robinson struck the rear of his vehicle. His vehicle then struck a Toyota Corolla in front of him driven by a Donna Thorton. The three parties then exchanged information. Ralph was only able to provide me a phone number for Donna (214-326-6778), and a partial phone number for Darlene (216-44-9709). Ralph advised he wished to make a report for his insurance. Photos of Ralph's vehicle were taken and attached to the sheet. Ralph provided his insurance (State Farm, Policy 607 3025 E09 350). I called and left a message for Donna to call me back. If she does, this sheet will be updated with additional information. LK558

On Thursday, January 05, 2022 at 1945 hours, I, Cdt. Field #573, Ptl. Kaur #553 and other Maple Heights officers, responded to the area of Glenwood Ave/Northwood Ave for a report of a male wearing all black breaking into vehicles. Upon our arrival, officers located 2 Hyundai Elantras parked in front of 15613 Northwood Ave with the back passenger windows broken out. The first vehicle was a 2013 black Hyundai Elantra bearing OH License Plate #JOC3599 and the second was a 2013 blue Hyundai Elantra bearing OH License Plate #JSX8745. Besides the rear window broken out of the blue Hyundai, the steering wheel column had been peeled. I located the owner of the vehicles, Shayla Colston, at 15613 Northwood Ave. Colston provided insurance for both vehicles. Officers canvassed the area for any security cameras that may have captured the incident, but neither Colston's or her neighbor's cameras captured the incident. This incident was documented for insurance purposes. Colston was given the incident number. Should any suspect information come to light, a report maybe generated. CF573/HK553

On 01/06/2023 at approximately 0742 hours, I, Ptlm. Duncan #568, responded to 6149 Dunham Rd. (Novak's Flower Shop) for a damage to property report. Upon arrival, I spoke with Larry Novak. Larry stated that his 2011 Kia Soul (Ohio Plate: JFE9435 VIN:KNDJT2A29B7332567) was broken into over night. Larry stated he last observed the Kia with no damage yesterday at approximately 1700 hours. The damage was first observed this morning at 0545 hours by a Flower delivery driver. The driver (who was not ON SCENE upon my arrival and was not identified) called Larry to advise him of the damage.

I observed that the Kia's front passenger window was smashed in and there was damage to the steering column. It appeared as though this was an unsuccessful attempt to steal Larry's Kia. I canvassed the area and I observed no cameras that would have caught the act in progress leaving the area.

Tomika Hogue contacted the MHPD to report damage to the ignition of her 2015 KIA Sportage. I observed the plastic rim to the ignition resting on the front driver seat, however the ignition and the column appeared to be intact, which allows the vehicle to start with a key. Ms. Hogue stated she parked her vehicle in the parking at 2200hrs the night prior and noticed the damage this morning. I spoke with the maintenance man, Mario, who will check any camera footage of the incident and report back to the MHPD.

Mark Hays of CLE Disposal stated he was hired by Michael Milano of CAMG Enterprises, to provide a dumpster at 15710 Corkhill for a demo. Mark stated that Michael has not made payment over the past few months and that Michael has not returned his calls about returning the dumpster, so Mark would like to reposes the dumpster. Mark had questions about the fact that Michael's company overloaded the dumpster. Mark was advised that he cannot dump any of the items from the dumpster onto the driveway of any areas of the property. Mark stated he will pay to have someone hand cover the dumper with a tarp. Mark understands that we cannot assist with the dumpster. However, he would like an escort to observe that no damage is done to the van that is blocking the

dumpster. Mark will coordinate a time for a tow truck and a hauler to meet at the address and he will contact MHPD at that time. GRA519.

On 01/06/2023, I, Ptlm. Duncan #568 responded to 14818 Kennerdown Ave for a theft complaint. Upon arrival, I spoke with Gerald Sibits (Gerry). Gerry stated that 5 days ago he had his pipes in his basement replaced and that the unidentified male who did the work, stole over \$100,000 his residence. Gerrystated that he had placed money in bank envelopes in two different locations in his home. The first location he showed me was inside the medicine cabinet in his first floor bathroom. Gerry at first stated he had approximately \$1,000 hidden in there above his medicine. Gerry then stated It was \$4,000 then he stated it was \$10,000. Gerry showed me the other location where he stored money which was in the unfinished ceiling of his basement next to a shower. Gerry stated he just placed the envelopes in the ceiling and they sat there without moving. Gerry stated he had over \$100,000 dollars in these envelopes.

I asked Gerry to show me the pipes that were recently replaced. The pipes Gerry showed me were approximately 15 feet from where he stated he had hidden the money. I confirmed with Gerry that the pipes I was pointing at were the ones just put in 5 days ago and he stated yes. I ran my finger across the top of the pipes and noticed a substantial amount of dust had accumulated on top of them. When I brought this up to Gerry he stated that his house is dusty and was adamant the pipes were replaced just days prior. I asked Jerry if he was able to show me any kind of bank history which would substantiate his claims of withdrawing money to hide them inside of his house and he was unable to.

After speaking with Gerry, I believe he suffers from a loss of reality. Multiple times throughout our conversation, Gerry would start talking about other topics that were not pertinent to the matter at hand and I would have to keep prompting him to provide information about the theft he was reporting. When I asked Gerry what the current year was he thought it was 1973. Gerry was also unable to state who the president is. Gerry stated that he has not seen a doctor in a while and did not like the VA hospital. I asked Gerry if he would like to see a different doctor at a local hospital and he stated he believes all hospitals are corrupt. Jerry appeared to be in good physical health and I although I believe seeing a doctor would benefit him, I do not believe he fits the criteria for emergency hospitalization. I advised Chagrin Valley Dispatch to contact the Senior Center and request that they check up on Gerry.

On the above date and time, I, Ptl. N. Ross #570, responded to Nationwide Car Care located at 5220 Warrensville Ctr. Rd. for a report of property damage to a vehicle. On arrival I spoke with the complainant, identified as Inez Lott. Inez advised the rear window of her vehicle was shattered while in the care of the auto

shop. Inez's vehicle is a 2012 Kia Forte bearing Ohio license plate FPW5120 and VIN# KNAFU4A22C5609987. Inez advised her vehicle was at the auto shop since December 29, 2022. Upon inspection of the vehicle, the rear window of the vehicle was observed shattered. Upon further inspection, a bullet was located where the roof and rear window met and determined cause of the damage. The bullet was removed and logged into PMI as evidence (TN: 32372). Inez was provided this CAD sheet number for insurance purposes. No suspects have been identified. Photographs are attached to the digital media section of this sheet. NR570.

On Friday, 1-6-2023, while in uniform and working an off duty approved security detail at the Maple Heights Giant Eagle, LP and another Off Duty Officer observed Marshall go up to the customer service desk to pay for a few bottles of 40 proof vodka. In plain view Marshall kept a bottle of moisturizer (\$12.99) in her purse and bottles of rubbing alcohol (\$1.99) and hydrogen peroxide (\$2.99) under her purse in the cart in the child seat. Once Marshall was finished paying for the 40 proof vodka she then proceeded out the exit door without paying for the above three items; the items were still in the same place. She was stopped at the door by the officers and LP. The total loss of property from Giant Eagle (w/o tax) was \$18.66. The items were retrieved and Marshall cited for theft into GHMC and advised of trespass by LP (given Trespass Notice.)

--568--

On 01/08/2023 at approximately 1524 hours I, Ptlm. Duncan #568, responded to 21003 Libby Rd. for a report of a burglary. Upon arrival, I spoke with Tanios Debs (the home owner). Tanios stated that this residence is for sale and when he arrived today for a showing of the home, he observed the lock box, that was normally hanging around the door knob was gone. Tanios stated that the last time someone was at the home was January 3rd for another showing of the home. He also observed that the door knob was damaged. Tanios stated that whoever damaged the door knob was able to open the lock box and gain entry into the residence. Tanios did not have any valuables missing from the home and no other damage was done to the home.

The realtor, Manar Elkurd stated she had used several items to stage the home for showings that were no longer there. Manar stated that two area rugs, towels from the bathrooms and pillows were taken from bedrooms. Manar stated she has acquired these items over her 13 years of being a realtor and did not have an itemized list or receipts. Manar stated the value of the missing items was approximately \$1,000. There was no cameras in the area to capture this incident and there is no suspect information. This is being documented for insurance purposes only.

 72-MITCHELL WAS DROPPED OFF/RECEIVED A CITATION FOR DISORDERLY CONDUCT  
 WILL TYPE IT UP

We received a call to assist the Maple Heights Rescue Squad locate a male who had fallen and could not stand up. Dispatch was able to call the male, later identified as Mitchell Cultrona, back and he was located in front of the Maple Heights High School by the sign. Mitchell was laying on his back in the grass in front of the high school. There was a strong odor of alcohol emitting from Mitchell as smelled by the rescue squad and other officer on scene. Mitchell became belligerent when we advised him he could not call just for a ride home. Mitchell's speech was slurred and eyes were glossy. Mitchell was given a citation (MA35132) for Disorderly Conduct (Ord# 648.04) Public Intoxication with a Maple Heights Mayors Court date of 1/24/2023 at 1530 hours. I transported Mitchell to Marymount Hospital to be checked. Mitchell was issued his ticket. BF572

560-BRE'YANA WAS HANDED OVER TO FATHER TITO BUFFORD 12/29/1970

While patrolling the area of the Maple Heights High School, 1 Mustang Way, after a basketball game had ended, my attention was drawn to a group of juveniles who had shouted profanity. The juveniles appeared to be well under the age of 18, possibly younger than 15, which would be in violation of the cities Curfew Ordinance at 2100hrs. Other officers and I identified the juveniles who were all 14 years old or younger. The individuals were identified as Rchanyia Taylor (14 Y/O), Arderro Wright (11 Y/O), Jaden Johnson (13 Y/O) and Bre'Yauna Bufford (14 Y/O). R'chanyia and Arderro's mother, Felicia Taylor was cited (MA35133) for Curfew Violation and the juveniles were turned over to her. Bre'Yauna was turned over to her father and her mother, Melissa James, will be cited (MA34652) for Curfew Violation. Jaden was turned over to her father, Tyrell Johnson Harden, and he will be cited (MA34653). On Sunday, January 8, 2023, at approximately 2035 hours, Tryoll Johnson Hardon was served his citation, and Melissa was served her citation by Ptl. Thomas #560 and Ptl. Colangelo #567.MH547

On Saturday, January 7, 2023 at approximately 2259 hours, I, Ptl. Thomas #560 assisted Sgt. Jividen #537 and Ptl. Colangelo #567 on a traffic stop at Libby Rd., just west of Warrensville Center Rd. The driver was later identified as Carlos Mills Jr. Carlos was initially pulled over by Ptl. Colangelo for impeding traffic by being stopped in the roadway at Libby Rd., with no one in front of him. Carlos was not experiencing an emergency and his vehicle was not broken down. As soon as Carlos saw officers, he pulled into the driveway of 20112 Libby Rd., Sgt. Jividen and Ptl. Colangelo made contact with Carlos. Officers detected the obvious odor of burnt and raw marijuana come from inside of the vehicle. Carlos admitted to smoking two joints in his vehicle. Carlos was ran through LEADS and found to have two active warrants as well as being DUS. Carlos was detained for his warrants.

While the vehicle was being inventoried for Interstate towing, Ptl. Fronzaglio #572 located an open bottle of Jose Cuervo in the back pocket of the front passenger seat. Inside the front middle cup holder was a red cup with a yellow clearish substance that matched the bottle of liquor. Carlos' warrants were advised and release. Carlos was cited for driving under suspension and impeding traffic and given a Garfield Heights Municipal Court date as well with a citation for open container and given a Maple Heights Mayor's Court date of January 24, 2023. Carlos was explained his ticket and he stated he understood his court date was mandatory. Ticket #MA35490.MWT#560

--568--  
 On 01/08/2023 at approximately 1106 hours, I, Ptlm. Duncan #568, responded to the Maple Heights Police Department lobby for a report of a hit-skip mva. Upon arrival, I spoke with Xavier Roberts. Xavier stated that between 0930 hours and 0950 hours he was struck by a vehicle while on his bicycle. Xavier stated the vehicle came from the area of Mccracken. Xavier stated he was west bound on the side walk, on the south side of Raymond St. Xavier stated the accident occurred when he was in the cross walk of Philip St. and Raymond St. Xavier stated he was struck by a red vehicle with a tan rear bumper. The driver was described as an older black female. After the accident, the driver did not stop and provide information. Xavier received a bruise to his right arm and his bicycle has a bent front tire.

I checked the area of Philip St. and Raymond St. and was able to locate one camera which covers the approach from Mccracken and the intersection of Philip St and Raymond St. I checked the time from 0940 hours to 1020 hours and did not observe a red vehicle traveling south on Philip St. I also did not observe any one on a bicycle crossing Philip St in the entirety of that time frame.

If any further evidence of an MVA involving Xavier or the unidentified red vehicle, further documentation will be completed.

Pamela advised her vehicle was parked directly in front of 15709 Ramage Ave. I asked Pamela if she saw her Chevy get hit and she advised "no" however she did advise she heard a loud noise. Pamela further advised the accident happened around 1400 hours. I asked Pamela if her front door camera was working and she further advised it only captures footage up to the sidewalk, and the Chevy would be out of view. After looking at the Chevy I observed scuff marks to the drivers side rear bumper. Upon looking at the "debris" I located a light bulb and a small plastic piece with no identifiable manufacture markings nor a vin number. Photographs were taken of the Chevy and entered into the City of Maple Heights Computer System as evidence. BWS548

--568--

On 01/08/2023 officers responded to 5151 Thomas St for a welfare check on Constance Warner. A third party, who identified herself as Danielle Warner and stated she was Constance's sister, reported to dispatch that Jason Mitchell was inside the residence and was beating on Constance. When officers arrived on scene, we requested permission to enter the home and Constance allowed officers in. We spoke with Constance in the kitchen area. Constance stated that Jason has not been at the address in six months and that there was no altercation happening at her home. Constance stated that the only people at the home were herself, her two small daughters and her female friend who was not identified. No one in the home appeared to be in distress. Officers were called back to this address later. Ref 2310005530

On 01/08/2023 Officers responded back to 5151 Thomas St for a disturbance. The caller this time was anonymous and the phone number used was different than what was used in the first call. Dispatch advised that the phone was pinging near the house. Once back on scene officers observed the two small children and Constance's friend outside playing on the sidewalk. Officers made contact with Constance again and she again denied Jason being in the house. Officers did not observe any bruises or marks on Constance. Constance also did not appear to be in any distress. I spoke with Constance's friend away from Constance and she stated that Jason is in the home and is currently upstairs. The female friend denied being the one to contact Police. Constance and the children showed no signs of distress and is free to leave if she is in danger. Officers are clearing the scene.

On the above date and time, I, Ptl. N. Ross #570, responded to 5841 E. Glenn Dr. for a report of property damage to a vehicle. On arrival I spoke with the complainant, identified as Alonzo Sistrunk. Alonzo advised he noticed what appeared to be a bullet hole on the roof of his vehicle. Alonzo's vehicle is a 2018 Chevrolet Impala bearing Ohio license plate HPD8171 and VIN# 2G1105S31J9138543. Alonzo advised he was in East Cleveland for New Year's Day and was not sure if the damage occurred that evening. Alonzo stated snow was covering his vehicle days after New Year's Day and he did not observe the hole until the snow that was on the roof of his vehicle melted. Upon inspection of the damage, it appeared to be caused by a falling bullet, however, the projectile did not penetrate the ceiling liner of the vehicle and no projectile was located. Alonzo further advised he was not sure if the damage occurred in East Cleveland or Maple Hts. Alonzo was provided this CAD sheet number for insurance purposes. No suspects have been identified. Photographs attached to the digital media section of this sheet. NR570.

Officers were dispatched to Danny's Tavern for the report of 6 people fighting inside of the bar. Upon arriving on scene, officers found the crowd had dispersed and there was no longer an active fight. Officers learned a female had brandished a handgun during the incident. This female was arrested. The subject, Seth Edwards, asked officers several times why the female was being arrested. Officers advised Edwards he was not involved and he was free to leave. Edwards refused to comply with officers' orders to disperse. Sgt. Jividen #537, was attempting to walk through the parking lot to the female's vehicle where the firearm was stored. Edwards refused to disperse from Sgt. Jividen's path. Officers viewed Edwards' eyes to be glossy and watery, his face was flush and the obvious odor of an alcoholic beverage came from his person. Edwards was arrested for obstructing official business as well as DC public intox. MWT#560.
