--568--

On 01/30/2023 at approximately 15220 hours, a security guard at Maple Heights High School, requested Officers to respond for a fight in progress at 1 Mustang Way (Maple Heights High School). I, Ptlm. Duncan #568, along with other Maple Heights Officers responded to the scene. Upon arrival, officers observed a large gathering of people on the front steps of the High School. Security Officer Hantak was able to point out to officers the two of the females who were involved in the fight. The females were identified as Aisha Brown and Talaciah Bibb. Both females were detained and placed in the back of separate police cruisers.

The principle of the High School informed Sgt. Jividen #537 that Talaciah got into an argument with an unidentified 17 year old female on social media. Principle also said the reason Talaciah came to the school was to fight the 17 year old female. While Talaciah was fighting the 17 year old, Aisha Brown got involved.

At this time through spontaneous utterance, Aisha Brown stated she heard her daughter (different juvenile then the 17 year old Talaciah was fighting) called her name. Aisha stated when she heard her daughter calling for her, she got the impression that she was about to fight. Aisha stated that Talaciah struck her in the back of the head and the two began mutually fighting.

I observed the odor of an alcoholic beverage coming from her person. Aisha was read her Miranda Rights and agreed to speak with me about the incident. I asked Aisha how much alcohol had she consumed recently and she stated she had three glasses of wine while cleaning her house, prior to coming to the school.

Aisha and Talaciah were issued misdemeanor citations for Disorderly Conduct for fighting. Aisha was also issued a misdemeanor citation for Disorderly Conduct Intoxication. This matter will be heard in the Garfield Heights Municipal Court.

4567 TO COMPLETE

On Tuesday, January 31, 2023, at approximately 1921 hours, I responded to the Maple Heights Police Department for a Motor Vehicle Accident Report. Upon arrival, I spoke to Deborah Lynn. Deborah stated she was driving unit 1 a red Jeep OH RP (MRSSHAW) westbound on Libby Road, after crossing the intersection at Northfield Road. Unit 1 had the right curb lane established and unit 2 a red Ford F150 OH RP (HWM9340) merged the lane and struck into unit 1. Deborah stated she exchanged insurance information with unit 2 operator and both drivers and units cleared the scene. Unit 2 operator, Conwell Johnson did not respond to the police station to make a report. Deborah stated she drove unit 1 back to her residence and had her grandson take her to the police station to make a report. Deborah did not have photographs of the damage to her vehicle and stated she would send them via email at a later date. (Possibly 2-1-2023 around 1200 hours). At this time the record of damages to each vehicle is unknown. Deborah stated she wanted to document this information for their insurance company.

On Tuesday, January 31, 2023, at approximately 2231 hours, officers responded to 21419 Hillgrove Avenue for a family trouble. Upon arrival, I, Ptl. Colangelo #567, spoke to Kimberly Richardson. Kimberly stated she asked her daughter, Jordyn Richardson to give her phone to her. Jordyn began to act irate and told Kimberly she would not give her the phone. Kimberly attempted to grab the phone from Jordyn, and Jordyn through it behind her bed and began to wave both of her arms around in all directions in attempt to get Kimberly out of her space. Kimberly's other daughter, Brielle Smart thought Jordyn was hitting Kimberly and began to intervene to separate them. Brielle stated when she got in between Jordyn and Kimberly, Jordyn made contact to her face with one of her flailing arms, however she stated she did not believe it to be intentional. Brielle contacted Chagrin Valley dispatch to have officers arrive at the residence. Officers did not observe any visible injuries on any of the females. Kimberly informed me that no one was strangled and that Jordyn often has outbursts and tantrums when she is disciplined. Kimberly stated she wanted Jordyn to be transported to the hospital to have a psychological evaluation conducted. Maple Heights Fire Department arrived on scene and transported Jordyn to Marymount Hospital. Kimberly and Brielle followed the ambulance to the hospital.

At 1504, she went out to her vehicle, and when she attempted to start it, she noticed a broken key in the ignition and damage to the steering column. Emilia advised she believed she locked the vehicle, and doesn't remember if she unlocked the vehicle before getting in. I did not observe any marks on the outside of the vehicle consistent with someone trying to gain entry to the vehicle. I also observed the vehicle did not have any broken windows. I photographed the damages and digitally attached them to this sheet. I was unable to locate any usable camera footage or any witnesses to the event. The broken part of the key was not able to be removed as it was broken off and lodged in the ignition. Should any identifying information on a suspect be located, a criminal report may be generated. 53- ISSUE BETWEEN LANDLORD AND TENANT

On Wednesday, February 1st, 2023, I, Ptl. H. Kaur #553, responded to 5568 E 141st for a damage to property report. I met with Julisa Aguliar, she stated she moved into 5568 E 141st a few days ago. She stated there is a lock box on the front door of the home that people have access to and the house is listed for an active rental listing on rental website. Julisa showed me a lease agreement showing her as the listed tenant. Julisa stated they also paid one month's rent along with a security deposit totaling \$1600.00 dollars to a man by the name of Howard Vtali Marquez. I attempted to locate more information on Howard but I was unable to. I also checked for history with the number Julisa provided me with. I did not locate any information. I advised Julisa to stay at the home unless the actual owners from New York advise them to move. They would have to be evicted out of the residence. I photographed the damages on the side door glass window. No entry was made into the home. I also advised Julisa to remove the lockbox. HK #553

CALLER WOULD LIKE AN ESCORT BUT DOES NOT BELIEVE THE MOTHER IS HOME NOW SO WOULD LIKE TO DOCUMENT THE ISSUE AT THIS TIME AND WILL COME BACK WHEN SHE IS HOME AFTER 5PM

I spoke with Jonathan Thomas in the police station lobby in reference to a custody dispute. Jonathan stated that he and his recently divorced ex-wife, Ebony Phelps, have court signed paperwork in regards to custody of their children. Jonathan stated that Ebony has not allowed Jonathan to have their three children on his court ordered days. Jonathan stated he has gone to Cleveland PD and has been consulting his attorney over this issue. I contacted Ebony to see if she would bring the children to the police station for a custody exchange because she was violating their court paperwork. Ebony stated she would not because she contacted Child and Family services about Jonathan abusing their children. I advised her that I would be documenting the incident and allowing the courts to handle this. Jonathan provided me with paperwork in regards to the claims Ebony filed with Child and Family services with all 5 claims coming back unsubstantiated. Jonathan was advised everything will be documented.

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department for a report harassment. Upon my arrival I spoke with Janice Gordon, who stated she was the defendant on a TPO violation, the petitioner is Sequanna Talley. According to Janice while she was at a convenience store located at 15189 Broadway Ave, Sequanna pulled her vehicle into the parking lot in front of Janice's vehicle. When Janice exited the store she could see Sequanna parked in front of her car. Sequanna then drove off. Janice states that she believes Sequanna is intentionally harassing her and driving by her house. Janice requested this incident be documented for court which she has tomorrow pertaining to this TPO. At approximately 1230 hours, the Sunoco gas station owner, Sarvjinderpals Multani, was engaged in a verbal dispute with customer, Olivia Cotton, over a \$35.00 gas purchase. Ms. Cotton wanted a refund for the gas because she was unable to open her gas cap to her vehicle. Mr. Multani advised Ms. Cotton that he had refunded the money back onto her credit card, but the money will not be immediately available due to the credit card company. Ms. Cotton was not pleased and grabbed a 5-hour energy self and threw it onto the floor from the cashier counter. While walking out of the store, Ms. Cotton grabbed a merchandise self (about 5-foot tall) and threw it on the floor causing the merchandise to spill all over the floor. This incident was captured on security camera. Mr. Multani was able to take a photo of Ms. Cotton's license plate before she left.

I located Ms. Cotton at the Home Depot in Maple Heights. Ms. Cotton stated she was upset because Mr. Multani would not return the \$35.00 owed to her so she threw down the selves in anger.

Ms. Cotton was issued a Mayors Court citation for disorderly conduct. She was also placed under arrest for a prior warrant for traffic within the Maple Heights PD. I transported Ms. Cotton back to the jail where she was booked in.

While checking the area and walking through the backyard, I observed a female in a red coat exiting the garage of 5604 Lafayette. The female was wearing Ugg boots, red/maroon coat and black pants. On February 3rd, 2023 at approximately 0846 hours, I, Ptlm. Westfield #554, was radio dispatched to Discount Drug Mart located at 6148 Dunham Rd. for a juvenile who was put out the house. Upon my arrival, I met with a 12-year-old juvenile and her mother, Ericka Kinkel. Ericka mentioned they're currently staying with her brother at 6085 Dunham Rd. Ericka stated this morning the juvenile missed the school bus and began arguing with her brother's girlfriend. Ericka stated the juvenile refused to get into the vehicle for school and powerwalked to Drug Mart becoming unruly. The juvenile refused to go back to her uncle's house. Ericka and the juvenile were both provided transport to Maple Heights Lobby until a Uber come.

On Friday, February 3, 2023 at approximately 0848 hours, I, Ptl. Field #573, was dispatched to the Maple Heights Police Department Lobby for a report of an mva. Upon arrival, I made contact with Josif Nagy and Anthoni Visconsi III. The accident happened on the I-480 E bridge just before the Broadway Rd exit. Nagy was driving Unit #1 and Visconsi was driving Unit #2 and were both in the northern lane of travel. Nagy and Visconsi both simultaneously drove over black ice while on the bridge causing both vehicles to slide. Visconsi's vehicle rear ended Nagy's vehicle. I observed minor damage to Visconsi's front bumper and minor damage to Nagy's rear bumper. Both parties exchanged information. Neither party reported any injuries. Photographs of the damages were taken and attached to this incident. Both parties were provided the CAD incident number for insurance purposes. CF573

CIVIL MATTER OVER MONEY. EVERYONE WAS ADVISED.

On Friday, February 3, 2023 at 1015 hours, I, Ptl. Field #573 and other Maple Heights Police officers responded to 20100 Libby Rd for a report of a weapons offense. Upon officers arrival, we spoke with Cory Ross, Keana Coker and Elgin Ingram. Due to conflicting stories, officers were unable to determine which party was the primary aggressor. Ross stated that Coker had threatened him with a folding knife. Coker stated that Ross and Ingram had threatened her person and she feared for her safety. Coker had the knife out for self defense. Ingram stated that Coker had taken \$900.00 dollars in \$100.00 dollar denominations and had not left the property prior to officers arrival. Coker allowed officers to search her person, and officers did not locate the above-mentioned denominations of US currency on her. Ross completed a waiver of prosecution form. Coker stated to officers that she did not wish to pursue charges against Ross or Ingram. Coker was warned and sent from 20100 Libby Rd and advised of criminal trespass laws. CF573

On Friday, February 3, 2023, at 1209 hours, I, Ptl. Field #573, responded to 5143 Camden Rd for a report of damage to vehicle. Upon my arrival, I spoke with Beloved Corleon, who stated that she had parked her dad's black 2016 Infinity QX60 bearing OH License in her driveway last night at approximately 2100 hours. Corleon then went to school and then her dad's house in cleveland for the remainder of the evening. At 0937 hours, Corlean's neighbor at 5141 Camden Rd, only known as "Kita", texted Corleon and told her that someone had broken the Infinity's windows. Kita's security camera caught an unidentified male running from 5143 Camden Rd at 2329 hours on 02/02/2023. I observed that the rear window was broken out and all four tires had been cut. Photos were taken of the damage and downloaded into the media file. I canvased the area for any witnesses that may have observed the incident, but was unsuccessful. This incident was documented for insurance purposes. Corleon was given the incient number. Should any suspect information come to light, a report maybe generated. A

copy of the surveillance footage was downloaded onto a DVD and entered into PMI (TN:32552).

4570 -- PLATE HAS BEEN REMOVED FROM THE VEHICLE / INTERSTATE HAS THE VEHICLE / 4570 TO TYPE DISPO / CLEAR

On February 4, 2023 at 0247 hours, I, Ptl. N. Ross #570, was dispatched to a parking complaint located at 16100 Mendota Av. The vehicle, a black GMC Yukon bearing Ohio license . The plate on the vehicle was reported to return to a 1997 blue Jeep with VIN number. On arrival at 0405 hours, I observed the reported GMC Yukon and observed the license plate on the vehicle. Upon running the license plate through LEADS, it returned the 1997 blue Jeep with VIN number . The GMC's associated VIN number was found to be. Upon running the VIN through LEADS, nothing was found on file in the state of Ohio. The vehicle was found to be out of NY, however no registration record was in the system. The owner associated with license plate returned to M and P Enterprises LLC. Due to the fictitious plates on the vehicle, Interstate towing responded to the scene and towed the vehicle. The license plate was removed and will be sent to the Ohio BMV. Photographs are attached to the digital media section of this sheet. The GMC was issued a parking citation, number R 14401, for parking between 0200 and 0600 hours. Citation number P 29503 has been pre-filled out for whom ever attempts to retrieve the vehicle from towing. NR570

| On Saturday, February 4, 2023, at approximately 1528 hours, I responded to the Maple Heights Police Department Lobby for a report of theft. Upon my arrival, I spoke with a male, Devonte Hasan. Hasan stated that yesterday, at approximately 1500 hours, his children's mother, Robin Townsend, came over with their children to do laundry. Hasan stated that he was charging his blue iPhone XR, unknown serial number, on the floor of the basement. After Townsend's brother picked up her and their children, Hasan noticed that his iPhone was now missing but did not witness Townsend take the phone. Hasan noticed that someone began to post things on his social media but the posts had since been taken down prior to Hasan speaking with police and he was unable to verify where the posts originated from. Hasan requested that this incident be documented in case any of his information that was stored on his phone was to be used without his permission. CF573 | | | | | |

Spoke with caller, stated at 1730 hours, she and her children left their house to go to the store. The caller left her dog, Zoe, on a lead in the backyard. When the caller returned at approximately 1745 hours, she observed that Zoe now had several superficial scratch marks to her face. The caller stated in the past the dog that resides at 5659 South has gotten into her backyard and been involved in altercations with Zoe before. I canvassed the area and was unable to locate any witnesses to the possible incident. Additionally I attempted to make contact with 5659 South BL but did not receive an answer at the door. CF573

| On 02-03-23, at approximately 1600 hours, the victim was turning off of Libby Road to go S/B on Maple Heights Boulevard. As she was making the turn the other vehicle side swipped her vehicle. Both vehicles made contact on the driver's side of the vehicles. The other driver got out of the vehicle and started taking pictures of the damage and yelling at her. When she said they needed to call MHPD, the other driver got into his vehicle and left the area. The caller stated it happened so fast that she was not sure where the other vehicle came from and could only describe the other driver as a B/M, maybe in his 30s, about 6'00". She could not provide any descripton of the other vehicle. | | | | | |

On 2/4/2023, at approximately 2044 hours, I spoke to Katrina Haden. Katrina stated she heard a young child crying at her neighbors residence at 16812 Gerard Avenue. Katrina requested officers to do a welfare check on the child since she believed 696 Kids has been to the residence before (case # unknown). Officers spoke to the resident of 16812 Gerard Ave., Shirley Kellom. Shirley stated her granddaughter (approximately 6 years old) was being disciplined and was spanked on her bottom, which caused her to cry. Shirley stated she is the primary guardian of the juvenile. Officers spoke to the juvenile, and the juvenile said she was not listening and she was hit on her bottom. Officers did not see any visible signs of injuries on the child and the household was well kept. Officers did not observe any signs of excessive abuse or neglect to the child.

On the above date and time, Theodore Watson requested a call back reference a possible violation of a TPO. Theodore was contacted via telephone. Theodore

OUT AT 20809 HILLGROVE

On February 5th, 2023 at approximately 1700 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights Police Station for a report of fraud. Upon my arrival, I met and spoke with Taneke Johnson, who stated she drove from Detroit, Michigan to meet, Vera Sanders, at the Maple Heights station to buy a dog. Taneke stated she been waiting in the parking lot for over an hour. Taneke stated when she advised Vera that she was at the agreed location, Vera requested more money before she respond. Taneke stated that she sent Vera \$200 on Cash App and Vera did not respond. Taneke stated she sent a total of \$800 to Vera while she was in Michigan. Vera had a previous address at 20809 Hillgrove in Maple Heights. I responded to that location, however, the residence was unoccupied. Taneke did not have any contact info for Vera, however, been contacting Vera through Facebook messenger. Taneke stated she will contact her bank to despite the Cash App transaction. Taneke not 100% sure if she really talking to Vera or if Vera's page was hack.

On 02-05-23, at approximately 2100 hours, I contacted Seth by telephone. He stated the apartment complex had contacted him to tow a vehicle from their property. As he was finishing up the tow the vehicle owner came out. Seth offered him to pay a "drop fee", which the owner did. The owner went into the apartment and came back outside and started taking pictures of the tow truck. The owner of the vehicle started yelling vulgar phrases to Seth. When Seth, said he was going to call the police, the owner moved his jacket aside showing the handgrip of a pistol. The owner got into his vehicle and Seth got into his tow truck. The owner moved his vehicle around so it was next to the tow truck and continued to yell at Seth. Seth showed his phone and said he was calling the police at which time the owner drove away from the area. Seth said the owner did not pull his handgun out and did not make any threats. Seth did not wish to pursue any charges and just wanted this documented. STB514
